Subject: PAAC Meeting Cancelled
Date: Friday, January 19, 2018 4:00:35 PM

PAAC Members,

Due to the number of ongoing projects I have not had the opportunity to complete the RFQ and RFP for your final review. I will be trying to get those completed in time for your meeting at the end of February. You have a joint meeting scheduled with City Council for March. I will confirm the date and let you know.
