City Attorney Rynders stated that Council should direct the Clerk to advertise the Public Hearing for this item 30 days prior to May 21, 1986 when this hearing should be scheduled. MOTION: To APPROVE the ordinance as presented on First Reading and to direct the Clerk to give 30 days notice for the Public Hearing.	Anderson- McDonald Barnett Bledsoe Crawford Graver Richardson Putzell (7-0)	х	х	X X X X X X		
AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF NAPLES, FLORIDA, BY ADDING A NEW SECTION TO CHAPTER, ENTITLED "CODE ENFORCEMENT BOARD", PROVIDING REGULATIONS ESTABLISHING THE CODE ENFORCEMENT BOARD, PROVIDING PROCEDURES, POWERS, AND PENALTIES ENFORCEABLE BY THE CODE ENFORCEMENT BOARD, AND PROVIDING AN EFFECTIVE DATE. PURPOSE: TO PROVIDE FOR ADDITIONAL MEANS OF ENFORCING THE CODES OF THE CITY OF NAPLES.						
Mayor Putzell noted that this had been discussed at a recent workshop meeting and Council members had reported numerous complaints regarding the present method of code enforcement. He noted the amount currently budgeted for a position in the State Attorney's office to prosecute these infractions, but that position has been vacant. more than filled. Mrs. Anderson-McDonald noted the many complaints she had received about of the City's present inability to enforce Code violations. City Attorney Rynders noted that in Section 3 (6) the reference to alternate members should be deleted. He also explained that the state statute requires a seven member board with at least six having the backgrounds referred to in proposed ordinance. He further suggested that the ordinance be amended to be effective 30 days after adoption in order to allow sufficient time to choose a Board. Citizen J. Sandy Scatena spoke in favor of the proposed ordinance and noted his past opposition to the contracts with the State Attorney's office. Mr. Scatena questioned how much this Board would cost. Mayor Putzell stated that there would be clerical and administrative overhead only. City Attorney Rynders confirmed that the contract with the State Attorney's office could be terminated on 30 days notice by either party. Citizen Harry Rothchild also noted his past opposition to the contracts with the State Attorney's office. The response to a question from Mr.						
the State Attorney's office. In response to a question from Mr. Rothchild about the frequency of meetings, the City Attorney said the Board was required to meet not less than every other month, but could meet as frequently as necessary. MOTION: To APPROVE the ordinance as amended on First Reading deleting the reference to alternate members and making it effective 30 days after adoption. ATTACHMENT #2

TO:

HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM:

CITY MANAGER FRANKLIN C. JONES

SUBJECT: SELECTION OF AN ENGINEER TO PROVIDE PROPESSIONAL

SERVICES FOR THE DESIGN OF A COMPUTERIZED TRAFFIC

SIGNAL SYSTEM

DATE:

MARCH 28, 1986

BACKGROUND: The 'Florida Department of Transportation had an "Areawide Signal System Study" prepared for Naples, dated March 1985. This study recommended that a closed loop computerized system be installed to control signals along U.S. 41 within the City limits. Since that time it has been decided by both FDOT and the County that all the signals on Goodlette Road be included for a total of 29 intersections.

FDOT has \$163,000 budgeted for 1987/88. They have requested that the City proceed with the preparation of construction plans and pay for this phase of the work.

ANALYSIS: The City has budgeted \$50,000 in Capital Improvement Program Project Number 85E01, which would be adequate to cover the cost of this phase of the project.

FDOT has requested that they have two employees on the Consultant Selection Committee. Attached is a copy of the "Public Advertisement" being used to invite expressions of interest in doing this work.

RECOMMENDATION: I recommend that the Council appoint a committee naming Jerry Gronvold and Mark Wiltsie as City Representatives, and two employees of the Florida Department of Transportation to be named by that agency to be the Consultant Selection Committee for this project.

Respectfully submitted,

Franklin C. Jones

City Manager

Prepared by:

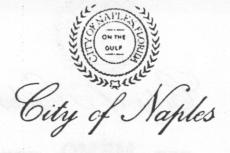

Gerald L. Gronvold, P.E.,

City Engineer

Engineering Memo #86-45

GLG:sdm Attachment

AGENDA ITEM #12-B 4/16/86

MEMO

TO:

HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM:

CITY MANAGER FRANKLIN C. JONES

SUBJECT:

RECOMMENDATION TO APPROVE A RESOLUTION APPOINTING MEMBERS OF A CONSULTANT SELECTION COMMITTEE WHICH WILL REVIEW PROPOSALS FROM ARCHITECTURAL FIRMS WISHING TO PROVIDE PROFESSIONAL SERVICES FOR

THE CONSTRUCTION OF AN OPEN AIR BANDSHELL AT

CAMBIER PARK

DATE: April 4, 1986

BACKGROUND: Over the last four years, the Naples Concert Band, as well as the Community Services Department, have been working on the right location and proper funding for an open air bandshell (see Attachment I). The need for this facility has become obvious in that the City is sponsoring concerts weekly in Cambier Park during the season. These concerts draw close to 2,000 people for each event. Both the acoustics and available space for these performances are insufficient, as the present location is behind the Cambier Park Community Center Auditorium and in front of the tennis courts (see Attachment II).

During 1983, the Naples City Council established a blue-ribbon committee to study all possible locations for this facility. This group determined that the northwest corner of Cambier Park would be the most suitable site (see Attachment III).

The Naples Concert Band has raised, through private donations, approximately \$25,000.00 for the project. The Historical Society, through their Centennial events, raised an additional \$25,000.00 which it has promised to contribute. The City has \$50,000.00 in Capital Improvement Program funds allocated for FY 85-86. Even though there is only \$100000.00 in available funds and the total estimated project cost is \$150,000.00, staff feels tha it is appropriate to begin the design/development phase for this facility. The remaining funds will either be donated or budgeted during FY 86/87. In order to begin this process, we need to select an architectural/engineering firm.

ANALYSIS: In accordance with the guidelines established through the Consultants Competition Negotiations Act, the City has requested proposals for professional design and engineering services. These services will involve site planning, building design, drainage design, bid document preparation, construction quality control, and contract administration. In order to review all submittals, prepare a "short list" of firms to be interviewed, conduct these interviews, and make a recommendation to City Council, a consultant selection committee must be established by the Council.

Memorandum to Mayor and Members of City Council April 4, 1986 Page 2

RECOMMENDATION: I recommend that City Council adopt the attached resolution establishing a consultant selection committee consisting of George Schnakenberg, Naples Concert Band president; Roger Barry, Community Development Director; and Christopher L. Holley, Community Services Director, for the purpose of evaluating various architectural firms regarding their qualifications and ability to provide professional services relating to the construction of an open air bandshell at Cambier Park.

Respectfully submitted,

Stank L. C. Jones

4/16/86

--- MEMO ---

TO:

HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM:

DAVID W. RYNDERS, CITY ATTORNEY

DATE:

APRIL 9, 1986

RE:

NAPLES CENTENNIAL FOUNDATION, INC. FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 1985

The Historical Society has finally received from the Naples Centennial Foundation, Inc. a certified audit of its finances in connection with the centennial celebration of the City of Naples for the year ended December 31, 1985. A copy of the audit is attached hereto for your review and comments.

The Historical Society requests that the audit of the foundation be accepted and approved by the City Council so that final distribution of funds can take place. The Society would like to make a presentation to the City in the near future of a portion of the funds received for contribution toward the bandshell to be constructed in Cambier Park.

If this certified audit meets with the Council's approval, acceptance and approval of same will accelerate this process. Therefore, I recommend that the Council accept and approve the audit at its meeting on April 16, 1986.

David W. Rynders, City Attorney
