CHOOL SYSTEM					1.					
he School Board's decision ear 1987-88 which would requell as additional teachers a rowth in the Naples area, haditional classrooms. While imits, Dr. Richey explained	they addressed the group and outlined to have all-day Kindergarten by the lire the addition of 35 classrooms as and support services. With the added the noted there would be a total of 50 these were not all within the City they were in what the School Board Naples Park, Seagate, Poinciana cc.					made dad general planters of the material fluid reasonable care, may represent				
or. Richey reviewed the a preparation efforts the B property for future schools city and the County in the chese schools and stated	nticipated growth and some of the card has made, such as land-banking. He emphasized the impact on the way of roads and other services for that he felt comfortable with the che growth expected by 1990.									
majority comes from local proof the property value in the said. He further stated the	es, Dr. Richey pointed out that the roperty taxes. Collier County has 2% ne state and 1% of the students, he at under the state formula, 83.5% of operating budget expended came from			the state of the s			and the second s
