CITY OF NAPLES, FLORIDA City Council Minutes Date 2-04-91 *** *** *** *** *** *** ***								
INTERVIEWS WITH CANDIDATES FOR THE CITY BEACH RENOURISHMENT/MAINTENANCE COMMITTEE. Council reviewed each candidate's Application for Volunteer Service and resume. The candidates were asked combinations of the following questions: Of what importance are the Naples beaches? Rate with regard to effectiveness off- shore drilling, the Parker sand web method, etc. What time of the year should beach renourishment be considered? What area of the beach should be considered first? Why should Naples risk its dollars to rebuild the beaches? Which methods of beach renourishment are you familiar with? Should the City continue to go further with the Parker method? Which geographical confines would you suggest with regard to beach renourishment? Councilman Anderson noted that the composition of the Committee included three citizens, one of whom should be a beachfront property owner. Mayor Crawford said that at its next regular meeting Council will give its first, second, and third choices for Committee Members.			Date 2-04-91		0 T I 0	ECON	Y E	N
