ITEM 3

ANNOUNCEMENTS

ITEM 3-a

RECOGNITION OF CITY VOLUNTEER:

Council Member Anderson recognized Mr. John Johnson for his volunteer services in the City's Finance Department. Mrs. Anderson noted that Mr. Johnson had volunteered more than fifteen hours a week for more than a year and had supervised a complete audit of all City properties.

City Manager Woodruff introduced Ms. Joanne Smallwood and several Parks and Parkways employees who had been instrumental in the Naplescape project. Ms. Smallwood in turn presented the City with two awards of excellence for the Naplescape project. One is from the Florida Nurserymen Association and the other from the American Nurserymen Association,

ITEM 3-b

RECOGNITION OF CITY EMPLOYEE:

City Manager Woodruff recognized City Clerk Janet Cason who had been presented the International Institute of Municipal Clerks Quill Award. The award was given to Mrs. Cason for her contributions to the Municipal Clerk's profession at its award luncheon on May 19, 1992 in Salt Lake City, Utah.

ITEM 4

A RESOLUTION AWARDDING CITY BID #92-66 FOR THE PURCHASE AND INSTALLATION OF TWO SOLID STATE REDUCED VOLTAGE MOTOR CONTROLLERS; AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER THEREFOR; AND PROVIDING AN EFFECTIVE DATE.

City Manager Woodruff noted that the title had been read into the record at the June 3, 1992 City Council Meeting.

NOTE: No one registered to speak for or against this item.

Utilities Manager Dan Mercer reviewed the purchase request, pointing out that UL (United Laboratories) approval was not required. In response to Council Member Herns' question, Mr. Mercer said that it was his understanding that certification of the work by a UL representative would not be necessary. Mr. Herns expressed concern

about possible heat buildup in the components. Mr. Mercer pointed out that one of the specifications was that the components must be self-cooling.

Mr. David Mosswick, representing Best Electrical Construction, Inc., the recommended vendor, assured Council that his firm always used UL-approved parts and would comply with UL standards in building the panel. Mr. Mercer reviewed the specifications sheet and pointed out that Best Electrical Construction, Inc. would be installing equipment which exceeds those specifications.

Council Member Herms asked that staff request an UL inspection, adding that it was an appropriate time to know whether the City was meeting the UL standards. Mr. Mosswick told Council, "I am contractually required to make a good installation. If the components run at a temperature above their rating, it's my responsibility to correct that. We have engineers on staff. This is a small job to us." He added that the firm's in-house engineer would certify the cabinet and as a normal process would do a heat study. After the installation, maximum heat could be determined and test data provided. Mr. Mosswick assured Council that the work would be completed to Council's satisfaction. For the record, City Manager Woodruff noted that Best Electrical Construction, Inc. had taken no exceptions to the specifications, which require temperature guidelines to be met.

MOTION: To APPROVE the resolution as presented.

Council Member Herms voted in the affirmative, with the condition that the tests are made as agreed to by Mr. Mosswick.

ORDINANCE NO. 92-

ITEM 14

AN ORDINANCE AMENDING SECTION 15.10 OF ARTICLE 15 OF THE CITY CHARTER OF THE CITY OF NAPLES, FLORIDA, BY PROVIDING FOR THE SELECTION OF AN INDIVIDUAL OR FIRM TO RENDER AUDIT ANALYSIS; SPECIFYING ADDITIONAL INFORMATION RELATED TO FINANCIAL TRANSACTIONS TO BE PRESENTED TO THE CITY COUNCIL; PROVIDING A SEVERABILITY CLAUSE, A REPEALER PROVISION AND AN EFFECTIVE DATE.

Title read by City Attorney Chiaro.

Council Member Anderson, sponsor of this ordinance, verified that its purpose was to amend the audit provisions of the City Charter. It provides for a menu of items which can be requested in addition to the information which is usually provided to the Council in an ordinary audit. By adopting this ordinance, it becomes a requirement that, at least every four years, detailed and specific information regarding the City's financial transactions be given to Council. Mrs. Anderson said, "The intent was that this be a menu, that it be selected from, and not that every time that this is done that the entire shopping list be complied with."

Mrs. Sue B. Smith, 15 11th Avenue South, asked Council to simplify for the public the purpose of this ordinance. She asked if the audit would be for the purpose of approving what was already done, or would it be for the purpose of exploring where City monies were being spent.

Council Member Anderson explained that on March 4, 1990, she had proposed four specific accounting procedures. Those procedures have since been implemented. The matter before Council today represents an addition to the annual audit that is done by one of the "Big Six" firms, or whomever Council chooses. She went on to say that it would be an individual who is chosen by Council, the Mayor, or a combination thereof, who will serve as a volunteer. If a qualified volunteer cannot be located, Council is then given the authority to hire an individual or a firm to spot-check the list of items. Mrs. Anderson said, "These are spot-check items requested by the Council." She told Mrs. Smith, "You're absolutely right. There was a feeling of a rubber-stamp procedure being used in the prior audit. It was my intent to work with the community to satisfy a need that no longer gave us that. This is this rubber-stamp perception. This is why it is incumbent that it be done every four years so that every Mayor and every Council in the four-year time period would have been responsible. They would specifically have requested their own "hot button" items, if you will. But this auditor would go out and report directly to Council, not to management."

Mrs. Smith suggested that Council also monitor the City's bond materials, so that those are readily available for staff or any citizen to locate. City Manager Woodruff informed everyone that a S.T.A.R. team had been created to report on improving the City's record retrieval system and the possibility of computerizing records.					
MOTION: To <u>APPROVE</u> the ordinance at first reading.

ITEM 7					
A RESOLUTION APPROVING AN ADDENDUM TO A FRANCHISE AGREEMENT BETWEEN THE CITY OF NAPLES AND NAPLES WATER TAXI, DIVISION OF KLM INTERNATIONAL, INC., FOR THE OPERATION OF WATER TAXIS IN THE CITY OF NAPLES; AND PROVIDING AN EFFECTIVE DATE.					
Title read by City Attorney Chiaro.					
Assistant City Manager Norris Ijams reviewed the background information and told Council that staff was recommending several changes to the Naples Water Taxi contract as requested by Captain Ken Matthews. Staff would not recommend, however, Captain Matthews' request that alcoholic beverages be allowed on the boats.					
Captain Matthews asked that Council consider the fact that people often use the water taxis to celebrate a special occasion and enjoy including an alcoholic beverage. Council Member Van Arsdale commented that in his opinion it was not unreasonable to allow alcoholic beverages on board, adding that the water taxi was a small, unoffensive operation.

Council Member Herms requested that a Workshop be held specifically for discussion of the confidence level of City employees' abilities to operate heavy equipment. He said that he believed professional operators from the community should be enlisted. City Manager Woodruff said that Council would be provided with training information and other data pertinent to this matter. Should that not be sufficient, he added, further discussion will be scheduled at a Workshop Meeting. Mr. Herms requested that a meeting be set up with the Fire Chief, Public Works Director and himself.

Council Member Pennington suggested that occasional emergency drills be scheduled.

ITEM 9

A RESOLUTION AUTHORIZING THE EXECUTION AND ACCEPTANCE OF AN AGREEMENT BETWEEN THE CITY OF NAPLES, FLORIDA AND OTHER FLORIDA MUNICIPALITIES AND COUNTIES FOR PUBLIC WORKS MUTUAL AID RESULTING FROM NATURAL OR TECHNOLOGICAL DISASTERS; AND PROVIDING AN EFFECTIVE DATE.

Title read by City Manager Woodruff.

Fire Chief Smith explained that this agreement would place the City on a mutual aid list. City Manager Woodruff added that should the City agree to send personnel to another community to assist after a disaster, this agreement gave the City the right to be reimbursed. It would also commit the City to reimburse any municipality which would assist Naples.

**A RESOLUTION ENDORSING AND SUPPORTING
LEGISLATION RELATED TO RE-REGULATION
OF CABLE TELEVISION SERVICES BY LOCAL
GOVERNMENT AUTHORITIES; AND
PROVIDING AN EFFECTIVE DATE.**

Title read by City Attorney Chiaro.

In response to Council Member Van Arsdale's question, Vice Mayor Sullivan explained that it was apparent even to Congress that since competition had been excluded by the cable television industry it should be re-regulated. This resolution simply offers support to Congressman Porter Goss for his efforts. Mr. Sullivan noted that Congressman Goss needed this support from local governments to fight lobbying efforts.

MOTION: To APPROVE the resolution as presented.

CORRESPONDENCE AND COMMUNICATIONS

City Manager Woodruff announced that Council would next meet on July 13, 1992 for a Workshop Meeting.

OPEN PUBLIC INPUT

Mrs. Sue B. Smith, 15 11th Avenue South, addressed Council. She referred to the rape which had been committed two days previously and suggested that crimes as well as acts of a less criminal nature should be printed in the Naples Daily News "Police Beat." Mrs. Smith noted that citizens should be aware that problems do exist in Naples.

Secondly, Mrs. Smith said, "Our area of citizenry deserve and shall demand, just as regulating cable rates, that government should be

regulated. There are a number of us who believe you are not being fair to us. If you have a Workshop item that has a grave effect on our lives, you deny the public any input on this item. I would question even its legality. Is it a very nice thing to do to your citizenry? As an alternative, if you have items of sensitive information at a Workshop, the public should be advised. Also, you make directives that do have an effect on our lives. If you cannot be more sensitive to items you are placing on the Workshop, then please consider allowing citizen input at the end of Workshop Meetings so we have a minute or two to bring information relevant to the issues. Please consider that, or put those items in the regular Council Meeting agenda."

Mrs. Smith then addressed the Fourth of July fireworks display. She said that the area residents do not disapprove of the emphasis of the day but of the logistics. Mrs. Smith noted that the event had grown to a monstrous size and heavily impacted a very small area.

Mayor Muenzer thanked Mrs. Smith for her comments and said that he would be amenable to public input at Workshop Meetings should Council agree.

ADJOURN: 12:10 p.m.

NOTE: Council adjourned to an Executive Session in the City Council Conference Room at 12:10 p.m. for a briefing on the Firefighter/Fire Lieutenant negotiations.
