ITEM 2

**A RESOLUTION AFFIRMING THE FINDING AND
DECISION OF THE CONTRACTORS EXAMINING
BOARD WITH REGARD TO THE REVOCATION OF
THE CERTIFICATE OF COMPETENCY OF ONE
BRETT WADSWORTH, A ROOFING CONTRACTOR;
AND PROVIDING AND EFFECTIVE DATE.**

Community Development Director Missy McKim explained that this Special Meeting was a result of action taken by the Contractor's Examining Board at their meeting on February 21, 1992. Building Official Steve Uman reviewed the background leading up to the Board's decision. He pointed out that the contractor, Mr. Brett

Wadsworth, had not appeared at the Board meeting and that his telephone had been disconnected.

There was no one present to speak for or against the contractor.

MOTION: To APPROVE the resolution in support of the Contractor's Examining Board recommendation.

Council Member Herms voted to support the action on the premise that there was no legal question.

In answer to Council Member Van Arsdale's question, Building Official Uman said that staff would be sending a copy of this action to the State. The State in turn must determine whether action will be taken with regard to Mr. Wadsworth's State license.
