NOTICE

Any person who decides to appeal any decision made by the City Council with respect to any matter considered at this meeting (or hearing) will need a record of the proceedings and may need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence upon which the appeal is to be heard.

TO: DR. RICHARD L. WOODRUFF, CITY MANAGER

FROM: MARILYN McCORD, DEPUTY CITY CLERK

DATE: DECEMBER 1, 1992

SUBJECT: DIRECTIVES TO STAFF - NOVEMBER 30, 1992 WORKSHOP

-

Discussion of Cross Connection Control Program - Staff will provide financial information - cost of retrofitting all City facilities. Provide a list of all "high hazard" facilities within the City. Staff will make refinements to the Program, including: Phase I - Exempt single-family homes. Any facility using re-use water must install backflow preventer.

Review of agenda items/December 2, 1992 Regular Meeting -

#8 - Variance/Rosie's Waterfront Cafe - Staff will verify which additional parking spaces have been striped. Staff will provide copies of the agreement between the City and Rosie's owner allowing temporary use of outdoor dining tables pending approval of petitions.

#10 - Revision of irrigation schedule - Staff will research records from two to three years ago when the irrigation schedule was changed, specifically in the Port Royal area. Mayor Muenzer asked that staff provide an explanation with respect to the City's water capacity, explain State water restrictions, and provide a clear explanation of re-use water use, particularly in the medians, so that the citizens understand that water is not being wasted. Staff will invite Mike Slayton, South Florida Water Management District, to the December 2nd Council Meeting to further discuss water restrictions.

#13 - Variance/2500 Gordon Drive - Staff will provide a list of those R1-E lots within the City. Staff will provide F.E.M.A. requirements for 2500 Gordon Drive.

#15 - Nonconforming guest houses - This item will be delayed until after such time as it is discussed at a Workshop Meeting.
