Memo

To: File
From: Tara A. Norman, CLA/CMC/CRM, City Clerk
Subject: Town Hall Meeting Scheduled for 10/10/00
Date: November 14, 2000

It is noted for the record that a Town Hall Meeting scheduled for Tuesday, October 10, 2000, was not convened due to an error in communication between the Mayor's Office and the Old Naples Association whose members were to be in attendance. City Manager Kevin Rambosk provided those Council Members present with an update regarding a possible payoff of the City's loan to the Collier County Historical Society for purchase of the Wilkinson House historic property. Council Members present were: Mayor Bonnie MacKenzie, Gary Galleberg, William MacIlvaine, Fred Tarrant and Penny Taylor; absent were Vice Mayor Joseph Herms and Council Member Tamela Wiseman. Staff in attendance were: City Manager Kevin Rambosk, City Clerk Tara Norman, Planning Director Ron Lee, Planner Ann Walker, Acting Chief of Police & Emergency Services Steven Moore, Police Officer Ron Moser, and Human Resources Director Lori Burke. Denise Zoldan, Naples Daily News reporter was also present.

It was noted that City Manager Rambosk would request that Kevin Denti, attorney for Wilkinson House neighbors believed to be proposing the loan payoff, appear before Council; this may entail a special called meeting. The aforementioned report by City Manager Rambosk encompassed approximately 20 minutes from 5:40 p.m. to 6:00 p.m.
