

Purchase Order

**Verizon Wireless
6420 Metro Plantation Road
Fort Myers, Florida 33912**

This Purchase Order authorizes Verizon Wireless to reserve 50 restricted Mobile IP addresses and activate lines of data service for the City of Naples' Police and Emergency Services Mobile Wireless Network under the Florida State Contract # 725-000-03-1.

The following services and financial terms apply:

- **Verizon Wireless will provide unlimited monthly wireless data transmission service at a cost to City of Naples of \$49.99 per IP activated per month. The initial billing will be for 24 activated IP's for a total monthly cost of \$1,199.76 which may increase if the City activates additional mobile IP's. VZW further agrees to reduce this cost by whatever price reductions that are publicly available during the term of this purchase order.**
- **No charge for activation.**
- **Verizon Wireless will provide the City of Naples with new Verizon CDMA Sierra AC555 modems with each IP activation at no cost for a 3-year term.**
- **Verizon Wireless will provide the City of Naples with "static" IP's at no charge.**
- **Verizon Wireless will provide the City of Naples with frame relay services in connection with the provision of wireless data transmission services at no charge.**
- **Verizon Wireless will charge an early termination fee not to exceed \$175.00 for any IP taken out of service 24 months from service initiation date identified in this Purchase Order.**
