4. Details of Project- Description and Location:

Description: The activity description for this project includes labor and material for the upkeep and safety of the pier. The pier is a public access beach facility as a tourist attractor and destination. The pier structure has a shoreline erosion control and beach preservation effect. Additionally, the public safety through the continued maintain of the pier is of paramount importance. Repair and maintenance issues include responsibility and public safety of pier structure, wooden deck, restrooms and storage facilities as well as water and electrical systems related to the pier's use as a fishing, tourist and beach preservation structure.

Location: The project location is at the 12 Avenue – South terminus beach end. Please refer to Project Location Map found in Exhibit A.

5. Estimated project start date: **October 1, 2010**

6. Estimated project duration: **12 Months**

7. Total TDC Tax Funds Requested: **\$55,000**

8. If the full amount requested cannot be awarded, can the program/project be restructured to accommodate a smaller award?

Yes (X) No ()
