

AGREEMENT FOR PURCHASE AND SALE OF GOODS

Bid/Proposal No. 14-013

Clerk Tracking No. 14-00002

Project Name: Trailer Mounted Storm Water Pipeline Inspection System

THIS AGREEMENT FOR PURCHASE AND SALE OF GOODS (the "Agreement") is made this 15th day of January, 2014, by and between R.S. TECHNICAL SERVICES, INCORPORATED, whose address is 1327 Clegg Street, Petaluma, CA 94954 ("Seller") and THE CITY OF NAPLES, a Florida municipal corporation, the address of which is 735 Eighth Street South, Naples, Florida 34102 ("Buyer"). In consideration of the mutual covenants and agreements hereinafter set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, Buyer and Seller agree as follows:

1. **Description of Goods; Sale and Delivery.** Seller shall sell, transfer, and deliver to Buyer the goods described on the Description/Proposal, Bid No. 14-013 attached hereto and made a part of as EXHIBIT A subject to such terms as are set forth in the Description/Proposal and in this Agreement.
2. **Acceptance; Purchase.** Buyer shall accept the goods and pay the total sum of: \$80,474.83 for the goods in accordance with the terms of this Agreement. EXHIBIT A
3. **Identification of Goods.** Identification of the goods shall not be deemed to have been made until both Buyer and Seller have agreed that the goods in question are to be appropriate to the performance of this Agreement.
4. **Rate and Time of Payment.** Unless otherwise specified, Buyer shall make payment to Seller for the goods within 30 days after the goods are received by Buyer.
5. **Receipt of Goods.** The goods shall be deemed received by Buyer when delivered to Buyer at City of Naples, Equipment Services Division; 370 Riverside Circle; Naples, Florida 34102. Delivery of the goods to Buyer shall occur on a business day and shall not occur after 3:15 p.m. on the delivery day.
6. **Risk of Loss.** The risk of loss from any casualty to the goods, regardless of the cause, shall be on Seller up to the time of receipt of the goods by Buyer at the place of delivery, but only after any proper inspection has been completed without rejection of the goods. Thereafter, such risk shall be on Buyer, including any goods thereafter returned to Seller until their receipt by Seller.
7. **Warranty Against Encumbrances.** Seller warrants that the goods are now free, and at the time of delivery shall be free, from any security interest or other lien or encumbrance.
8. **Warranty of Title.** Seller warrants that at the time of signing this Agreement, Seller neither knows, nor has reason to know, of the existence of any outstanding title or claim of title hostile to the rights of Seller in the goods.

Revised 7 7 03

9. **Product Warranty.** Seller provides general warranties of fitness and general warranties that the goods are free from defects, for 1 year from acceptance of the goods, except as may otherwise be set forth in the Description/Proposal, or other attached warranty: Manufacturer's warranty will apply.

10. **Right of Inspection.** Buyer shall have the right to inspect the goods at the time and place of delivery, and within 5 business days after delivery, Buyer must give notice to Seller of any claim for damages on account of the condition, quality, or grade of the goods, and Buyer must specify in detail the basis of such claim. The failure of Buyer to comply with these conditions shall constitute irrevocable acceptance of the goods by Buyer.

11. **Procedure as to Rejected Goods.** On receipt of notification of rejection, Seller will immediately arrange to receive back the goods for shipment and return. However, within 5 days, Seller may have an agent inspect such goods for nonconformity; otherwise, such inspection will be made on return to Seller's storage facility. When such goods are confirmed or acquiesced in as nonconforming, Seller will ship conforming goods within 30 days of the notice of rejection unless Buyer earlier notifies Seller to forgo such shipment.

12. **Governing Law.** The parties acknowledge that the transaction that is the subject matter of this Agreement bears a reasonable relation to the State of Florida and agree that the law of the State of Florida will govern their rights and duties. The parties specifically intend that the provisions of Article 2 of the Florida Uniform Commercial Code will control as to all aspects of this Agreement and its interpretation, and that all the definitions contained therein will be applicable to this Agreement except where this Agreement may expressly provide otherwise.

13. **Bid Documents.** The terms and conditions of the **(ITB) Invitation to Bid No. 056-13** attached hereto and made a part hereof shall be incorporated herein as a part of this Agreement as **EXHIBIT B.**

14. **Notices and Address of Record.** All notices required or made pursuant to this Agreement to be given by Seller to Buyer shall be in writing and shall be delivered by overnight courier, by hand or by United States Postal Service Department, first class mail service, postage prepaid, return receipt requested, addressed to the following:

To Buyer:
City of Naples
735 Eighth Street South
Naples, Florida 34102-3796
Attention: **A. William Moss**, City Manager

All notices required or made pursuant to this Agreement to be given by Buyer to Seller shall be made in writing and shall be delivered by overnight courier, by hand or by the United States Postal Service Department, first class mail service, postage prepaid, return receipt requested, addressed to the following:

To Seller:
R.S. Technical Services, Incorporated
1327 Clegg Street
Petaluma, CA 94954

Attention: **Anna L. Ellsworth**, Manager
FEI/EIN Number: 68-0150129

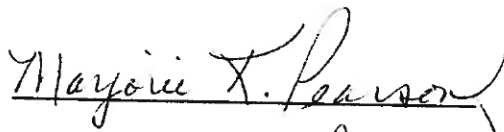

Either party may change its address of record by written notice to the other party given in accordance with requirements of this Article.

15. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon and all of which shall together constitute one and the same instrument.

16. **Effective Date.** This Agreement shall take effect on the day of execution by the last party to execute this agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day first written above.

Specifications

TRAILER MOUNTED STORM WATER PIPELINE INSPECTION SYSTEM

Scope

The City of Naples, Florida is requesting bids for a trailer mounted pipeline inspection system for the purpose of performing video inspections of storm water pipelines ranging from 6" to 30" in diameter with wheel and tire options for pipes up to 60" in diameter. The proposals for the City of Naples, Florida shall include a new 14' tandem axel trailer as outlined in the specifications listed below. The City of Naples, Florida will consider all proposals if sufficient detail is provided. All proposals must include the minimum requirements as listed below. However, bidders are encouraged to submit their bids in full detail so that the City of Naples, Florida can explore all options and select the proposal that best suits their needs and budget. The City of Naples, Florida reserves the right to accept or reject, completely or in part, any or all bids and to waive any irregularity in the best interest of the City. Bids must conform to the following specifications.

Minimum Requirements

Section A. Technical Requirements

1. 14' Trailer: The trailer shall be a 7'X14' trailer with a roof mounted air conditioner. The trailer shall have a side entry door that accesses the control room area. The rear of the trailer shall have double doors with a cam bar lock. The Gross Vehicle Weight shall not exceed 7,000 and shall have heavy duty tandem axles with 15" tires, 5 bolt wheels and electric brakes.

Trailer lights shall be LED and include stop/tail/turn/rear exterior work lights/clearance/marker and brake lights. A roof mounted, LED Strobe light shall be provided on the front of the trailer with the on/off switch located inside the operator control area. The hitch ball shall be 2 5/16" with a 7 way 12V trailer end connector. A 15 to 25 gallon water storage tank with a 12V DC 40 psi demand water pump shall be provided and located under the workbench. The water shall be supplied by a 25 ft. hose on an auto-retractable reel with a brass spray nozzle the hose reel unit shall be mounted inside of cabinet and be accessible from the rear of the trailer. All of the trailers electrical fixtures shall be UL approved for external use in wet areas. All trailer wiring shall meet the NEC and any other applicable electrical codes.

2. Generator: The trailer shall be equipped with a 4 cycle, 2 cylinder, 5.5 KW gasoline powered commercial grade 120V 60Hz generator. The generator shall be capable of continuously producing 5500 watts of power at 120 Volts AC without over heating or having excess vibration. The generator shall either be mounted within the trailer at floor level in a fire retardant vented cabinet or tongue mounted outside on the front of the trailer in a fire retardant vented weather proof stainless steel box either option is acceptable. The generator is to be equipped with

protection against overheating over and under speeding, over voltage and over loading and low oil pressure. The generator shall be equipped with a 12 volt battery charging system rated at minimum 55 amps. The generator power cables shall be supplied and installed. The generator shall have easy access to the engine for oil and other liquids checks, changes and fills. The generator shall have an exhaust system that is quiet rated and exhaust to the outside of the trailer away from the insides of the control and equipment areas. The generator shall be equipped with an electric starter and be capable of being started from inside the control room area of the trailer. A minimum 12 gallon fuel tank, tongue mounted, shall be supplied, to include a fuel gauge. A UL listed automatic power changeover switch activated after minimum 40 second delay shall be provided. The trailer shall be equipped with a deep cell marine battery in a protective case the battery shall be wired to the trailer as a 12 volt backup power system.

3. Color Camera: The camera shall be a pan and tilt digital zoom color camera and shall be equipped with LED lighting, auto leveling, auto home feature, internal temperature and pressure sensors, 40x zoom, auto iris, auto focus, adjustable lighting that pans with the camera, the City will accept bids with integrated or external pigtail sondes.

4. Camera Transporter: Shall have be rated for 6" to 30" pipe sizes, shall be steerable, shall have a minimum of two forward speeds, reverse and freewheel, shall have 6 wheels.

5. Control Panel: Shall be ergonomically dual joystick designed and mounted in the 14' trailer and shall have the ability to control of all the camera and tractor/crawler functions.

6. Automatic Mainline Cable Reel: Shall have a minimum of 1000 feet of high strength rust and corrosion resistant cable. Shall be motorized and synchronized with transporter functions, shall have automatic level wind, shall have a footage counter that measures cable travel in feet and tenths of feet and shows at the reel and at the operator control station, shall have local and remote operation capability, shall be chain driven.

7. Software Package: Each vendor should include their recommended software package in their bid. However, at a minimum the City of Naples, Florida wants this trailer mounted TV inspection system to have the ability to do the following: Recording Capabilities: The system shall be able to capture digital images and video to local memory, shall be able to review pipe inspections directly on screen, shall be able to export data, video and images using USB media or network ports. Reporting Capabilities: The system shall at minimum be able to allow the operator enter observations and generate simple reports.

8. DVD Recorder: The system shall have a DVD recorder with 160GB hard disk drive, appropriate computer system with printer, (2) two 17" LCD flat panel monitors, (1) installed in control room area of the trailer and (1) installed in the rear equipment room area of the trailer.

9. Computer: Industrial grade rack mounted computer with 3.0 Gigahertz Intel Pentium 4 motherboard; 2 gigabyte ram; 300 watt power supply; Win XP professional; Sony DVD burner; ATI All-In-Wonders video card (or equivalent); flat panel 17" monitor; wireless keyboard and mouse combo; 200 gigabyte SATA hard drive; testing and installation minimum (or approved equal). All equipment shall be rack/panel mounted.

10. Maintenance Tool Kit: A tool kit shall be provided to contain all the necessary items needed to complete field testing and repairs.

11. Manhole Cable Guide Equipment: A manhole cable guide roller shall be provided to protect the TV cable from damage during inspections. A three piece 15 foot, push-button extension pole shall be supplied. A manhole adaptor hook shall be supplied to secure the guide system to manhole ring. A manhole top roller assembly shall be supplied.

Section B. Optional Bid Items

1. Swing out Camera Crane:

An optional camera lift crane mounted in the rear inside of the trailer and capable of swinging clear of the rear of the trailer when in use. Cranes that are capable of being mounted in the rear bumper of the trailer and are capable of folding down into a storage area in the bumper will also be acceptable as an optional bid item. The crane shall be capable of lowering and lifting the camera with the weight of the complete transporter/elevator system as a complete unit. The crane shall be electric powered and have a plug in controller with a minimum 10' cord.

2. Optional remote motorized elevator for lifting the camera above the water line.

3. Extra tire/wheel options for pipes up to 60".

Section C. Non-Technical Requirements

Warranty:

Each bid warranty must include at minimum 2 years on the camera and transporter(s), 3 year warranty on the cable and reel, 5 year warranty on lights and for the first year of ownership a one year warranty covering all parts and labor. Moreover, if the manufacturer's service center location exceeds 75 miles from the City of Naples, Florida stormwater maintenance facility, shipping costs for service during the warranty period shall be provided by the dealer. An equivalent loaner unit shall be available for use by the City of Naples, Florida when service requirements during the warranty period exceed 3 days.

Training:

Successful bidder must include comprehensive training on the proper use and care of the new equipment for all appropriate City of Naples, Florida staff for their selected equipment. Training shall take place at the City of Naples, Florida storm water operations facility.

References:

Bidders must provide at minimum 3 references to be submitted with bid. Bidder's references should be for similar equipment and service. Provide names, addresses and phone numbers for contact person.

Delivery:

Successful bidder must be able to furnish and install all equipment within 90 days of bid award.

Section D. Electrical Notes

Electric and Electrical Components: All wiring, electrical and electronic components shall meet the NEC and any other applicable electrical codes.

PLEASE NOTE THE FOLLOWING:

- > **This page must be completed and returned with your bid.**
- > **Bids must be submitted in a sealed envelope, marked with bid number & closing date.**
- > **Bids received after the above closing date and time will not be accepted.**
- > **If you do not have an email address and you want a copy of the Bid Tab, please enclose a stamped, self-addressed envelope with your bid.**

GENERAL CONDITIONS

TO INSURE ACCEPTANCE OF THE BID, PLEASE FOLLOW THESE INSTRUCTIONS. ANY AND ALL SPECIAL CONDITIONS, ATTACHED HERETO, HAVE PRECEDENCE.

- 1. SEALED BID:** All bids must be submitted in a sealed envelope. The face of the envelope shall contain the bid name and bid number. Bids not submitted on attached bid form shall be rejected. All bids are subject to the conditions specified herein. Those which do not comply with these conditions are subject to rejection.
- 2. EXECUTION OF BID:** Bid must contain a manual signature of authorized representative in the proposal section. Bid must be typed or printed in ink. Use of erasable ink is not permitted. All corrections made by bidder to his bid must be initialed.
- 3. NO BID:** If not submitting a bid, respond by returning the Statement of No Bid and explain the reason in the spaces provided. Failure to respond 3 times in succession without justification shall be cause for removal of the supplier's name from the bid mailing list. NOTE: To qualify as a respondent, bidder must submit a "NO BID," and it must be received no later than the stated bid opening date and hour.
- 4. BID OPENING:** Shall be public, on the date and at the time specified on the bid form. It is the bidder's responsibility to assure that his bid is delivered at the proper time and place of the bid opening. Bids which for any reason are not so delivered will not be considered. Offers by telegram; telephone; or fax are not acceptable. Bid files may be examined during normal working hours.
- 5. WITHDRAWAL OF BIDS:** Withdrawal of a bid within sixty (60) days after the opening of bids is subject to suspension or debarment in accordance with Section 2-668 of the City Code for up to three years.
- 6. PRICES, TERMS and PAYMENT:** Firm Prices include all packing, handling, shipping charges and delivery to the destination shown herein. Bidder is encouraged to offer cash discount for prompt invoice payment. Terms of less than 20 days will not be considered.
 - A. TAXES:** The City of Naples does not pay Federal Excise and Sales taxes on direct purchases of tangible personal property. See exemption number on face of purchase order. This exemption does not apply to purchases of tangible personal property made by contractors who use the tangible personal property in the performance of contracts for the improvement of City-owned real property.
 - B. MISTAKES:** Bidders are expected to examine the specifications, delivery schedule, bid prices, extensions, and all instructions pertaining to supplies and services. Failure to do so will be at bidder's risk. In case of mistake in extension, the unit price will govern.
 - C. CONDITION AND PACKAGING:** It is understood and agreed that any item offered or shipped as a result of this bid shall be a new, current standard production model available at the time of this bid. All containers shall be suitable for storage or shipment, and all prices shall include standard commercial packaging.
 - D. SAFETY STANDARDS:** Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall comply with applicable requirements of Occupational Safety and Health Act and any standards there under.
 - E. UNDERWRITERS' LABORATORIES:** Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall carry U.L. approval and re-examination listing where such has been established.
 - F. PAYMENT:** Payment will be made by the buyer after the items awarded to a vendor have been received, inspected, and found to comply with award specifications, free of damage or defect and properly invoiced. All invoices shall bear the purchase order number. Payment for partial shipments shall not be made unless specified in the bid. Failure to follow these instructions may result in delay in processing invoices for payment. In addition, the purchase order number must appear on bills of lading, packages, cases, delivery lists and correspondence.
- 7. DELIVERY:** Unless actual date of delivery is specified (or if specified delivery cannot be met), show number of days required to make delivery after receipt of purchase order in space provided. Delivery time may become a basis for making an award (see Special Conditions). Delivery shall be within the normal working hours of the user, Monday through Friday, unless otherwise specified.

8. MANUFACTURERS' NAMES AND APPROVED EQUIVALENTS: Any manufacturers' names, trade names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition. The bidder may offer any brand for which he is an authorized representative, which meets or exceeds the specification for any item(s). If bids are based on equivalent products, indicate on the bid form the manufacturer's name and number. Bidder shall submit with his proposal, cuts, sketches, and descriptive literature, and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy this provision. The bidder shall also explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. Bids which do not comply with these requirements are subject to rejection. Bids lacking any written indication of intent to quote an alternate brand will be received and considered in complete compliance with the specifications as listed on the bid form.

9. INTERPRETATIONS: Any questions concerning conditions and specifications shall be directed in writing to this office for receipt no later than ten (10) days prior to the bid opening. Inquiries must reference the date of bid opening and bid number. Failure to comply with this condition will result in bidder waiving his right to dispute the bid.

10. CONFLICT OF INTEREST: All bid awards are subject to Section 2-973 Conflict of Interest, City of Naples Code of Ordinances, which states: *"No public officer or employee shall have or hold any employment or contractual relationship with any business entity or any agency which is subject to the regulation of or is doing business with the city; nor shall an officer or employee have or hold any employment or contractual relationship that will create a continuing or frequently recurring conflict between his private interests and the performance of his public duties or that would impede the full and faithful discharge of his public duties. Any member of the city council or any city officer or employee who willfully violates this section shall be guilty of malfeasance in office or position and shall forfeit his office or position. Violation of this section with the knowledge, express or implied, of the person or corporation contracting with or making a sale to the city shall render the contract or sale voidable by the city manager or the city council."*

11. AWARDS: As the best interest of the City may require, the right is reserved to make award(s) by individual item, group of items, all or none, or a combination thereof; to reject any and all bids or waive any minor irregularity or technicality in bids received.

12. ADDITIONAL QUANTITIES: For a period not exceeding ninety (90) days from the date of acceptance of this offer by the buyer, the right is reserved to acquire additional quantities up to but not exceeding those shown on bid at the prices bid in this invitation. If additional quantities are not acceptable, the bid sheets must be noted "BID IS FOR SPECIFIED QUANTITY ONLY." (THIS PARAGRAPH DOES NOT APPLY FOR A TERM CONTRACT.)

13. SERVICE AND WARRANTY: Unless otherwise specified, the bidder shall define any warranty service and replacements that will be provided during and subsequent to this contract. Bidders must explain on an attached sheet to what extent warranty and service facilities are provided.

14. SAMPLES: Samples of items, when called for, must be furnished free of expense, on or before bid opening time and date, and if not destroyed may, upon request, be returned at the bidder's expense. Each individual sample must be labeled with bidder's name, manufacturer's brand name and number, bid number and item reference. Request for return of samples shall be accompanied by instructions which include shipping authorization and name of carrier and must be received with your bid. If instructions are not received within this time, the commodities shall be disposed of by the City of Naples.

15. BID PROTEST: The city has formal bid protest procedures that are available on request.

16. INSPECTION, ACCEPTANCE AND TITLE: Inspection and acceptance will be at destination unless otherwise provided. Title and risk of loss or damage to all items shall be the responsibility of the contract supplier until accepted by the ordering agency, unless loss or damage results from negligence by the ordering

17. DISPUTES: In case of any doubt or difference of opinion as to the items to be furnished hereunder, the decision of the buyer shall be final and binding on both parties.

18. GOVERNMENTAL RESTRICTIONS: In the event any governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship or performance of the items offered on this proposal prior to their delivery, it shall be the responsibility of the successful bidder to notify the buyer at once, indicating in his letter the specific regulation which required an alteration. The City reserves the right to accept any such alteration, including any price adjustments occasioned thereby, or to cancel the contract at no expense to the City.

19. LEGAL REQUIREMENTS: Applicable provision of all Federal, State, county and local laws, and of all ordinances, rules, and regulations shall govern development submittal and evaluation of all bids received in response hereto and shall govern any and all claims and disputes which may arise between person(s) submitting a bid response hereto and the City of Naples by and through its officers, employees and authorized representatives, or any other person, natural or otherwise; and lack of knowledge by any bidder shall not constitute a cognizable defense against the legal effect thereof.

20. PATENTS AND ROYALTIES: The bidder, without exception, shall indemnify and save harmless the City of Naples and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the City of Naples. If the bidder uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

21. ADVERTISING: In submitting a bid, bidder agrees not to use the results there from as a part of any commercial advertising.

22. ASSIGNMENT: Any Purchase Order issued pursuant to this bid invitation and the monies which may become due hereunder are not assignable except with the prior written approval of the buyer.

23. LIABILITY: The supplier shall hold and save the City of Naples, its officers, agents, and employees harmless from liability of any kind in the performance of this contract.

24. PUBLIC ENTITY CRIMES: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

25. DISCRIMINATION: An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity.

26. COUNTY TAXES: No proposal shall be accepted from and no contract will be awarded to any person, firm or corporation that is in arrears to the government of Collier County, Florida.

27. OFFER EXTENDED TO OTHER GOVERNMENTAL ENTITIES: The City of Naples encourages and agrees to the successful bidder/proposer extending the pricing, terms and conditions of this solicitation or resultant contract to other governmental entities at the discretion of the successful bidder/proposer.

IF THIS BID IS FOR A TERM CONTRACT, THE FOLLOWING CONDITIONS SHALL ALSO APPLY

28. ELIGIBLE USERS: All departments of the City of Naples are eligible to use this term contract. Such purchases shall be exempt from the competitive bid requirements otherwise applying to their purchases.

29. **PRICE ADJUSTMENTS:** Any price decrease effectuated during the contract period by reason of market change shall be passed on to City of Naples. Price increases are not acceptable.

30. **CANCELLATION:** All contract obligations shall prevail for at least one hundred eighty (180) days after effective date of contract. After that period, for the protection of both parties, this contract may be cancelled in whole or in part by either party by giving thirty (30) days prior written notice to the other party.

31. **RENEWAL:** The City of Naples reserves the option to renew the period of this contract, or any portion thereof for up to two (2) additional periods. Renewal of the contract period shall be by mutual agreement in writing.

32. **ABNORMAL QUANTITIES:** While it is not anticipated, should any unusual or abnormal requirements arise, the City reserves the right to solicit separate bids thereon.

33. **FISCAL NON-FUNDING CLAUSE:** In the event sufficient funds are not budgeted for a new fiscal period, the City shall notify the contractor of such occurrence and the contract shall terminate on the last day of the current fiscal year without penalty or expense to the City.

IF THIS BID IS FOR PERFORMING A SERVICE, THE FOLLOWING CONDITIONS SHALL ALSO APPLY

34. **ALTERNATIVE BIDS:** Bidders offering service delivery methods other than those permitted by the scope of work may submit a separate envelope clearly marked "ALTERNATIVE BID". Alternative bids will be deemed non-responsive and will not be considered for award. All such responses will, however, be examined prior to award. Such examination may result in cancellation of all bids received to permit rewriting the scope of work to include the alternative method, or the alternative method may be considered for future requirements of the City of Naples.

35. **ANTITRUST:** By entering into a contract, the contractor conveys, sells, assigns and transfers to the City of Naples all rights, titles and interest it may now have or hereafter acquire under the antitrust laws of the United States and the State of Florida that relate to the particular goods or services purchased or acquired by the City of Naples under said contract.

36. **BIDDER INVESTIGATIONS:** Before submitting a bid, each bidder shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the contract and to verify any representations made by the City of Naples upon which the bidder will rely. If the bidder receives an award as a result of its bid submission, failure to have made such investigations and examinations will in no way relieve the bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever by the contractor for additional compensation.

37. **CERTIFICATES AND LICENSES:** The Contractor, at time of proposal, shall possess the correct occupational licenses, all professional licenses or other authorizations necessary to carry out and perform the work required by the City of Naples and Collier County for this project pursuant to all applicable Federal, State and Local Laws, Statues, Ordinances, and rules and regulations of any kind.

38. **CHANGE IN SCOPE OF WORK:** The City of Naples may order changes in the work consisting of additions, deletions or other revisions within the general scope of the contract. No claims may be made by the contractor that the scope of the project or of the contractor's services has been changed, requiring changes to the amount of compensation to the contractor or other adjustments to the contract unless such changes or adjustments have been made by written amendment to the contract signed by the City of Naples and the contractor. If the contractor believes that any particular work is not within the scope of the project, is a material change, or will otherwise require more compensation to the contractor, the contractor must immediately notify the City in writing of this belief. If the City believes that the particular work is within the scope of the contract as written, the contractor will be ordered to and shall continue with the work as changed and at the cost stated for the work within the scope.

39. **CONTRACTOR PERSONNEL:** The City of Naples shall, throughout the life of the contract, have the right of reasonable rejection and approval of staff or subcontractors assigned to the work by the contractor. If the City reasonably rejects staff or subcontractors, the contractor must provide replacement staff or subcontractors satisfactory

to the City in a timely manner and at no additional cost to the City. The day-to-day supervision and control of the contractor's employees and sub-contractors is the responsibility solely of the contractor.

40. COST REIMBURSEMENT: The contractor agrees that all incidental costs, including allowances for profit and tools of the trade, must be included in the bid proposal rates. If an arrangement is made between the contractor and the City to reimburse the contractor for the cost of materials provided in the performance of the work, the contractor shall be reimbursed in the following manner: The City shall reimburse the contractor on completion and acceptance of each assigned job, only for those materials actually used in the performance of the work that is supported by invoices issued by the suppliers of the contractor describing the quantity and cost of the materials purchased. No surcharge shall be added to the supplier's invoices or included in the contractor's invoice submitted to the City that would increase the dollar amount indicated on the supplier's invoice for the materials purchased for the assigned job.

41. EXCEPTIONS: Bidders taking exception to any part or section of the solicitation shall indicate such exceptions on the bid form. Failure to indicate any exception will be interpreted as the bidder's intent to comply fully with the requirements as written. Conditional or qualified bids, unless specifically allowed, shall be subject to rejection in whole or in part.

42. FAILURE TO DELIVER: In the event of the contractor to fail to deliver services in accordance with the contract terms and conditions, the City, after due oral or written notice, may procure the services from other sources and hold the contractor responsible for any resulting purchase and administrative costs. This remedy shall be in addition to any other remedies that the City may have.

43. FAILURE TO ENFORCE: Failure by the City at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the City to enforce any provision at any time in accordance with its terms.

44. FORCE MAJEURE: The contractor shall not be held responsible for failure to perform the duties and responsibilities imposed by the contract due to legal strikes, fires, riots, rebellions and acts of God beyond the control of the contractor, unless otherwise specified in the contract.

45. INDEPENDENT CONTRACTOR: The contractor shall be legally considered an independent contractor and neither the contractor nor its employees shall, under any circumstances, be considered servants or agents of the City of Naples and the City of Naples shall be at no time legally responsible for any negligence or any wrongdoing by the contractor, its servants or agents. The City of Naples shall not withhold from the contract payments to the contractor any federal income taxes, Social Security tax, or any other amounts for benefits to the contractor. Further, the City shall not provide to the contractor any insurance coverage or other benefits, including Workers' Compensation normally provided by the City for its employees.

46. ORAL STATEMENTS: No oral statement of any person shall modify or otherwise affect the terms, conditions or specifications stated in this contract. All modifications to the contract must be made in writing by the City of Naples.

47. QUALIFICATIONS OF BIDDERS: The bidder may be required, before the award of any contract, to show to the complete satisfaction of the City of Naples that it has the necessary facilities, ability, and financial resources to provide the service specified therein in a satisfactory manner. The bidder may also be required to give a past history and references in order to satisfy the City in regard to the bidder's qualifications. The City may make reasonable investigations deemed necessary and proper to determine the ability of the bidder to perform the work, and the bidder shall furnish to the City all information for this purpose that may be requested. The City reserves the right to reject any bid if the evidence submitted by, or investigation of, the bidder fails to satisfy the City that the bidder is properly qualified to carry out the obligations of the contract and to complete the work described therein. Evaluation of the bidder's qualifications shall include:

- > The ability, capacity, skill and financial resources to perform the work or service.
- > The ability to perform the work service promptly or within the time specified, without delay.
- > The character, integrity, reputation, judgment, experience, and efficiency of the bidder.
- > The quality of performance of previous contracts or services.

48. QUALITY CONTROL: The contractor shall institute and maintain throughout the contract period a properly documented quality control program designed to ensure that the services are provided at all times and in all respects in accordance with the contract. The program shall include providing daily supervision and conducting frequent inspections of the contractor's staff and ensuring that accurate records are maintained describing the disposition of all complaints. The records so created shall be open to inspection by the City.

49. RECOVERY OF MONEY: Whenever, under the contract, any sum of money shall be recoverable from or payable by the contractor to the City, the same amount may be deducted from any sum due to the contractor under the contract or under any other contract between the contractor and the City. The rights of the City are in addition and without prejudice to any other right the City may have to claim the amount of any loss or damage suffered by the City on account of the acts or omissions of the contractor.

50. REQUIREMENTS CONTRACT: During the period of the contract, the contractor shall provide all the services described in the contract. The contractor understands and agrees that this is a requirements contract and that the City shall have no obligation to the contractor if no services are required. Any quantities that are included in the scope of work reflect the current expectations of the City for the period of the contract. The amount is only an estimate and the contractor understands and agrees that the City is under no obligation to the contractor to buy any amount of services as a result of having provided this estimate or of having any typical or measurable requirement in the past. The contractor further understands and agrees that the City may require services in excess of the estimated annual contract amount and that the quantity actually used whether in excess of, or less than, the estimated annual contract amount and that the quantity actually used shall not give rise to any claim for compensation other than the total of the unit prices in the contract for the quantity actually used.

51. TERMINATION FOR CONVENIENCE: The performance of work under the contract may be terminated by the City in whole or in part whenever the City determines that termination is in the City's best interest. Any such termination shall be effected by the delivery to the contractor of a written notice of termination of at least seven (7) days before the date of termination, specifying the extent to which performance of the work under the contract is terminated and the date upon which such termination becomes effective. After receipt of a notice of termination, except as otherwise directed, the contractor shall stop work on the date of the receipt of the notice or other date specified in the notice; place no further orders or subcontracts for materials, services or facilities except as necessary for completion of such portion of the work not terminated; terminate all vendors and subcontracts; and settle all outstanding liabilities and claims.

52. TERMINATION FOR DEFAULT: The City of Naples reserves the right to terminate the contract if the City determines that the contractor has failed to perform satisfactorily the work required, as determined by the City. In the event the City decides to terminate the contract for failure to perform satisfactorily, the City shall give to the contractor at least seven (7) days written notice before the termination takes effect. The seven-day period will begin upon the mailing of notice by the City. If the contractor fails to cure the default within the seven (7) days specified in the notice and the contract is terminated for failure to perform satisfactorily, the contractor shall be entitled to receive compensation for all reasonable, allocable and allowable contract services satisfactorily performed by the contractor up to the date of termination that were accepted by the City prior to the termination. In the event the City terminates the contract because of the default of the contractor, the contractor shall be liable for all excess costs that the City is required to expend to complete the work under contract.

53. STATE AND FEDERAL EMPLOYMENT LAWS: Contractors providing service to the City are required to comply with all state and federal employment laws. This includes, but is not limited to, laws resulting from the Immigration and Reform and Control Act of 1986, wherein all employers are required to verify the identity and employment eligibility of all employees. The Department of Homeland Security, U.S. Citizenship and Immigration Services require employees and employers to complete Form I-9 and the employer must examine evidence of identity and employment eligibility within three business days of the date employment begins. Non compliant contractors will be subject to contract sanctions, up to and including contract termination.

54. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY, AND VOLUNTARY EXCLUSION: The contractor agrees to comply with Executive Order 12549 "Debarment and Suspension" and 2 CFR 180 "OMB Guidelines to Agencies on Government wide Debarment and Suspension." These rules require all contractors using federal funds not be debarred or suspended from doing business with the

Federal Government. This includes sub-recipients and lower tier participant for covered transactions. Signing and submitting this document certified the organization and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency, and further have not within the preceding three-year period been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction .

THE CITY OF NAPLES IS AN EQUAL OPPORTUNITY EMPLOYER

GENERAL INSURANCE REQUIREMENTS

The Contractor shall not commence work until he has obtained all the insurance required under this heading, and until such insurance has been approved by the Owner, nor shall the Contractor allow any subcontractor to commence work until all similar insurance required of the subcontractor has also been obtained and approved by the Owner.

Certificates of insurance must be issued by an authorized representative of the insurance company at the request and direction of the policyholder and must include sufficient information so as to identify the coverage and the contract for Owner's improvements for which they are issued. Certificates of insurance must be issued by a nationally recognized insurance company with a Best's Rating of no less than B+VII, satisfactory to the Owner, and duly licensed to do business in the state of said Contract.

The Contractor shall procure and maintain, during the life of this Contract, Worker's Compensation Insurance for all of his employees to be engaged in work under this Contract, and he shall require any subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees to be engaged in such work, unless such employees are covered by the protection afforded by the Contractor's insurance. In case any employees are to be engaged in hazardous work under this Contract, and are not protected under this Worker's Compensation statute, the Contractor shall provide, and shall cause each subcontractor to provide, adequate coverage for the protection of such employees. It is acceptable to use a State-approved Worker's Compensation Self-Insurance fund.

The Contractor shall take out and maintain during the life of this Contract, Public Liability and Property Damage and shall include Contractual Liability, Personal Injury, Libel, Slander, False Arrest, Malicious Prosecution, Wrongful Entry or Eviction, Broad Form Property Damage, Products, Completed Operations and XCU Coverage to be included on an occurrence basis, and to the full extent of the Contract to protect him, the Owner, and any subcontractor performing work covered by this Contract from damages for personal injury, including accidental death, as well as from claims for property damage, which may arise from operations under this contract, whether such operations be by himself or by a subcontractor, or by anyone directly or indirectly employed by either of them. The Contractor shall also maintain automobile liability insurance including "non-owned and hired" coverage. The entire cost of this insurance shall be borne by the Contractor.

The amount of such insurance shall be no less than \$1,000,000 annual aggregate for bodily injury and property damage combined per occurrence.

The City of Naples must be named as Additional Insured on the insurance certificate and the following must also be stated on the certificate. "This coverage is primary to all other coverage the City possesses for this contract only." The City of Naples shall be named as the Certificate Holder. The Certificate Holder shall read as follows:

The City of Naples
735 Eighth Street South
Naples, Florida 34102

No City Division, Department, or individual name should appear on the Certificate.

No other format will be acceptable.

The Certificate must state the proposal number and title.

When using the "Accord"- 25 Certificate of Insurance only the most current version will be accepted.

The City of Naples requires a copy of a cancellation notice in the event the policy is cancelled. The City of Naples shall be expressly endorsed onto the policy as a cancellation notice recipient.

Specifications

TRAILER MOUNTED STORM WATER PIPELINE INSPECTION SYSTEM

Scope

The City of Naples, Florida is requesting bids for a trailer mounted pipeline inspection system for the purpose of performing video inspections of storm water pipelines ranging from 6" to 30" in diameter with wheel and tire options for pipes up to 60" in diameter. The proposals for the City of Naples, Florida shall include a new 14' tandem axel trailer as outlined in the specifications listed below. The City of Naples, Florida will consider all proposals if sufficient detail is provided. All proposals must include the minimum requirements as listed below. However, bidders are encouraged to submit their bids in full detail so that the City of Naples, Florida can explore all options and select the proposal that best suits their needs and budget. The City of Naples, Florida reserves the right to accept or reject, completely or in part, any or all bids and to waive any irregularity in the best interest of the City. Bids must conform to the following specifications.

Minimum Requirements

Section A. Technical Requirements

1. 14' Trailer: The trailer shall be a 7'X14' trailer with a roof mounted air conditioner. The trailer shall have a side entry door that accesses the control room area. The rear of the trailer shall have double doors with a cam bar lock. The Gross Vehicle Weight shall not exceed 7,000 and shall have heavy duty tandem axles with 15" tires, 5 bolt wheels and electric brakes.

Trailer lights shall be LED and include stop/tail/turn/rear exterior work lights/clearance/marker and brake lights. A roof mounted, LED Strobe light shall be provided on the front of the trailer with the on/off switch located inside the operator control area. The hitch ball shall be 2 5/16" with a 7 way 12V trailer end connector. A 15 to 25 gallon water storage tank with a 12V DC 40 psi demand water pump shall be provided and located under the workbench. The water shall be supplied by a 25 ft. hose on an auto-retractable reel with a brass spray nozzle the hose reel unit shall be mounted inside of cabinet and be accessible from the rear of the trailer. All of the trailers electrical fixtures shall be UL approved for external use in wet areas. All trailer wiring shall meet the NEC and any other applicable electrical codes.

2. Generator: The trailer shall be equipped with a 4 cycle, 2 cylinder, 5.5 KW gasoline powered commercial grade 120V 60Hz generator. The generator shall be capable of continuously producing 5500 watts of power at 120 Volts AC without over heating or having excess vibration. The generator shall either be mounted within the trailer at floor level in a fire retardant vented cabinet or tongue mounted outside on the front of the trailer in a fire retardant vented weather proof stainless steel box either option is acceptable. The generator is to be equipped with

protection against overheating over and under speeding, over voltage and over loading and low oil pressure. The generator shall be equipped with a 12 volt battery charging system rated at minimum 55 amps. The generator power cables shall be supplied and installed. The generator shall have easy access to the engine for oil and other liquids checks, changes and fills. The generator shall have an exhaust system that is quiet rated and exhaust to the outside of the trailer away from the insides of the control and equipment areas. The generator shall be equipped with an electric starter and be capable of being started from inside the control room area of the trailer. A minimum 12 gallon fuel tank, tongue mounted, shall be supplied, to include a fuel gauge. A UL listed automatic power changeover switch activated after minimum 40 second delay shall be provided. The trailer shall be equipped with a deep cell marine battery in a protective case the battery shall be wired to the trailer as a 12 volt backup power system.

3. Color Camera: The camera shall be a pan and tilt digital zoom color camera and shall be equipped with LED lighting, auto leveling, auto home feature, internal temperature and pressure sensors, 40x zoom, auto iris, auto focus, adjustable lighting that pans with the camera, the City will accept bids with integrated or external pigtail sondes.

4. Camera Transporter: Shall have be rated for 6" to 30" pipe sizes, shall be steerable, shall have a minimum of two forward speeds, reverse and freewheel, shall have 6 wheels.

5. Control Panel: Shall be ergonomically dual joystick designed and mounted in the 14' trailer and shall have the ability to control of all the camera and tractor/crawler functions.

6. Automatic Mainline Cable Reel: Shall have a minimum of 1000 feet of high strength rust and corrosion resistant cable. Shall be motorized and synchronized with transporter functions, shall have automatic level wind, shall have a footage counter that measures cable travel in feet and tenths of feet and shows at the reel and at the operator control station, shall have local and remote operation capability, shall be chain driven.

7. Software Package: Each vendor should include their recommended software package in their bid. However, at a minimum the City of Naples, Florida wants this trailer mounted TV inspection system to have the ability to do the following: Recording Capabilities: The system shall be able to capture digital images and video to local memory, shall be able to review pipe inspections directly on screen, shall be able to export data, video and images using USB media or network ports. Reporting Capabilities: The system shall at minimum be able to allow the operator enter observations and generate simple reports.

8. DVD Recorder: The system shall have a DVD recorder with 160GB hard disk drive, appropriate computer system with printer, (2) two 17" LCD flat panel monitors, (1) installed in control room area of the trailer and (1) installed in the rear equipment room area of the trailer.

9. Computer: Industrial grade rack mounted computer with 3.0 Gigahertz Intel Pentium 4 motherboard; 2 gigabyte ram; 300 watt power supply; Win XP professional; Sony DVD burner; ATI All-In-Wonders video card (or equivalent); flat panel 17" monitor; wireless keyboard and mouse combo; 200 gigabyte SATA hard drive; testing and installation minimum (or approved equal). All equipment shall be rack/panel mounted.

10. Maintenance Tool Kit: A tool kit shall be provided to contain all the necessary items needed to complete field testing and repairs.

11. Manhole Cable Guide Equipment: A manhole cable guide roller shall be provided to protect the TV cable from damage during inspections. A three piece 15 foot, push-button extension pole shall be supplied. A manhole adaptor hook shall be supplied to secure the guide system to manhole ring. A manhole top roller assembly shall be supplied.

Section B. Optional Bid Items

1. Swing out Camera Crane:

An optional camera lift crane mounted in the rear inside of the trailer and capable of swinging clear of the rear of the trailer when in use. Cranes that are capable of being mounted in the rear bumper of the trailer and are capable of folding down into a storage area in the bumper will also be acceptable as an optional bid item. The crane shall be capable of lowering and lifting the camera with the weight of the complete transporter/elevator system as a complete unit. The crane shall be electric powered and have a plug in controller with a minimum 10' cord.

2. Optional remote motorized elevator for lifting the camera above the water line.

3. Extra tire/wheel options for pipes up to 60".

Section C. Non-Technical Requirements

Warranty:

Each bid warranty must include at minimum 2 years on the camera and transporter(s), 3 year warranty on the cable and reel, 5 year warranty on lights and for the first year of ownership a one year warranty covering all parts and labor. Moreover, if the manufacturer's service center location exceeds 75 miles from the City of Naples, Florida stormwater maintenance facility, shipping costs for service during the warranty period shall be provided by the dealer. An equivalent loaner unit shall be available for use by the City of Naples, Florida when service requirements during the warranty period exceed 3 days.

Training:

Successful bidder must include comprehensive training on the proper use and care of the new equipment for all appropriate City of Naples, Florida staff for their selected equipment. Training shall take place at the City of Naples, Florida storm water operations facility.

References:

Bidders must provide at minimum 3 references to be submitted with bid. Bidder's references should be for similar equipment and service. Provide names, addresses and phone numbers for contact person.

Delivery:

Successful bidder must be able to furnish and install all equipment within 90 days of bid award.

Section D. Electrical Notes

Electric and Electrical Components: All wiring, electrical and electronic components shall meet the NEC and any other applicable electrical codes.

EXHIBIT C

GENERAL INSURANCE REQUIREMENTS

The Contractor shall not commence work until he has obtained all the insurance required under this heading, and until such insurance has been approved by the Owner, nor shall the Contractor allow any subcontractor to commence work until all similar insurance required of the subcontractor has also been obtained and approved by the Owner.

Certificates of insurance must be issued by an authorized representative of the insurance company at the request and direction of the policyholder and must include sufficient information so as to identify the coverage and the contract for Owner's improvements for which they are issued. Certificates of insurance must be issued by a nationally recognized insurance company with a Best's Rating of no less than B+VII, satisfactory to the Owner, and duly licensed to do business in the state of said Contract.

The Contractor shall procure and maintain, during the life of this Contract, Workmen's Compensation Insurance for all of his employees to be engaged in work under this Contract, and he shall require any subcontractor similarly to provide Workmen's Compensation Insurance for all of the latter's employees to be engaged in such work, unless such employees are covered by the protection afforded by the Contractor's insurance. In case any employees are to be engaged in hazardous work under this Contract, and are not protected under this Workmen's Compensation statute, the Contractor shall provide, and shall cause each subcontractor to provide, adequate coverage for the protection of such employees. It is acceptable to use a State-approved Workmen's Compensation Self-Insurance fund.

The Contractor shall take out and maintain during the life of this Contract, Public Liability and Property Damage and shall include Contractual Liability, Personal Injury, Libel, Slander, False Arrest, Malicious Prosecution, Wrongful Entry or Eviction, Broad Form Property Damage, Products, Completed Operations and XCU Coverage to be included on an occurrence basis, and to the full extent of the Contract to protect him, the Owner, and any subcontractor performing work covered by this Contract from damages for personal injury, including accidental death, as well as from claims for property damage, which may arise from operations under this contract, whether such operations be by himself or by a subcontractor, or by anyone directly or indirectly employed by either of them. The Contractor shall also maintain automobile liability insurance including "non-owned and hired" coverage. The entire cost of this insurance shall be borne by the Contractor.

The amount of such insurance shall be no less than \$1,000,000 annual aggregate for bodily injury and property damage combined per occurrence.

The City of Naples must be named as Additional Insured on the insurance certificate and the following must also be stated on the certificate. "These coverage's are primary to all other coverage's the City possesses for this contract only." The City of Naples shall be named as the Certificate Holder. The Certificate Holder shall read as follows:

The City of Naples
735 Eighth Street South
Naples, Florida 34102

No City Division, Department, or individual name should appear on the Certificate.
No other format will be acceptable.

The Certificate must state the bid number and title.

When using the ACORD 25 – Certificate of Insurance only the most current version will be accepted.

The City of Naples requires a copy of a cancellation notice in the event the policy is cancelled. The City of Naples shall be expressly endorsed onto the policy as a cancellation notice recipient.

[If other insurance or insurance requirements or any waivers, attach as Exhibit C-1 through C-__]

EXHIBIT D

CERTIFICATION OF COMPLIANCE WITH IMMIGRATION LAWS

The undersigned, is the _____ of R.S. Technical Services, Inc (“the CONTRACTOR”), and hereby certifies to the following:

1. The CONTRACTOR is in full compliance with all provisions of the Immigration Reform and Control Act of 1986 (“IRCA”), as well as all related immigration laws, rules, regulations pertaining to proper employee work authorization in the United States.

2. The undersigned has verified that the CONTRACTOR has obtained and maintains on file, and will continue to obtain and maintain on file, all documentation required by law, including but not limited to, Form I-9, Employment Eligibility Verification, for all persons employed by or working for the CONTRACTOR in any capacity on any project for the City of Naples (CITY). All such persons have provided evidence of identity and eligibility to work to the CONTRACTOR in accordance with the IRCA and related law. The undersigned hereby affirms that no person has been or will be employed by the CONTRACTOR to work on projects for the CITY who is not authorized to work under law. The undersigned further affirms that the CONTRACTOR’s files will be updated by written notice any time that additional employees work on projects for the CITY.

3. The CONTRACTOR will have its contractors, subcontractors, suppliers and vendors who are involved in projects for the CITY to sign a written acknowledgment that they too are in compliance with immigration law. It is understood that failure to do so could result in the CONTRACTOR being liable for any violation of the law by such third parties.

4. The CONTRACTOR will fully cooperate with and have its contractors, subcontractors, suppliers and vendors to fully cooperate with, all inquiries and investigations conducted by any governmental agency in connection with proper compliance with the laws pertaining to appropriate work authorization in the United States.

5. The undersigned, on behalf of the CONTRACTOR, acknowledges that this Certification may be relied upon by the CITY, its officers, directors, employees, and affiliates or related persons and entities.

6. If it is found that the CONTRACTOR has not complied with the laws pertaining to proper employment authorization, and any legal and administrative action ensues against the CITY, the CONTRACTOR will indemnify, defend and hold the CITY harmless along with their officers, directors, employees, and affiliated or related persons and entities.

7. The CONTRACTOR acknowledges that the CITY by their authorized representatives shall have the right, at any time, upon 24 hours notice, to examine the CONTRACTOR’s books and records to confirm that the CONTRACTOR is in compliance with the terms of this certification.
