ADDENDUM NUMBER 1

NOTIFICATION DATE:	BID TITLE:	BID NUMBER:	BID OPENING DATE & TIME:
07/13/12	DOOR REPLACEMENT	053/12	07/24/12 2:00PM

**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

Several questions came up as part of the non-mandatory pre-bid meeting (See below). Additionally, the list of those attendees is attached.

1. *Is the City requiring hurricane impact glass?*

Yes. The glass should be rated for the location of the facilities.

2. *Is the contractor responsible for all permits and fees associated with the permits?*

Yes.

3. *Will the panic bars, closures, and locksets be reused?*

The lock tumblers may be reused only.

City Hall Doors

The contractor will be required to install the doors to the building code. It is believed that the current doors may be secured to a wall that would not meet code today. The installation of the new door / window unit may necessitate the need to slightly move the opening several inches in order to properly secure the new system to code. The City recognizes there may be a gap between the existing carpeting and relocated door. The City will be responsible for this fix following the installation of the door. The contractor will be responsible for all other finish work.

Arthur Allen Tennis Center

The bid shall include replacement of the skylights as well as the doors. The color should match the existing doors.

4. *Do the closures need to be concealed?*

No, the closures may be surface mounted on the inside of the building.
