07/27/12	Occupational Medical Services	056-12	08/17/12 2:00PM

**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

Below please find Bid clarifications. Also incorporated please find IAFF Contract 2008-2011 as Addendum 1 Exhibit A.

1. As related to firefighter physical components item #4C.
 - Can you please provide clarification and exact testing as to what exactly for which you are looking. It states occupational chemical exposure within urine? Typically, firefighters entering and exiting the hazmat team require additional blood work for heavy metal testing which qualifies for chemical exposure, this is done only to that segment of the population.

ANSWER: The occupational chemical exposure within the urine is only for firefighters entering and exiting the hazmat team. It is a Heavy Metal Panel.

2. As related to firefighter physical components item #4D
 - Requiring clarification as that is covered under 8 panel drug screen and MRO, is this something additional?

ANSWER: No. It is not an additional screening. The 8 panel drug screen with MRO will be used to detect illegal drug use.

3. As related firefighter general questions; we see separate pricing for PSA, but there is no mention of pap smears for females. Please advise.

ANSWER: Pap smears are not included. The PSA was a collective bargaining screening that was negotiated and added to the IAFF contract. Pap smears for females was not negotiated and not added.

4. Firefighters new applicants and yearly usually have PPD for TB sensitivity done; is this deleted and added to miscellaneous menu only?

ANSWER: The Firefighter pre-employment physical should include PPD for TB sensitivity.

5. New firefighters are usually screened for Hepatitis B and C as part of the blood work; has this been eliminated and put on the miscellaneous menu only?

ANSWER: The Firefighter pre-employment physical should include screening for Hepatitis B and C. See Article 20.08 (page 45) of the attached IAFF contract.

6. As related FDLE exam; Has PPD for TB eliminated along with hepatitis B screening. Based on exposure rate to blood, just clarifying that this has also been eliminated on pre-employment?

ANSWER: The Police Officer pre-employment physical should include PPD for TB sensitivity and screening for Hepatitis B.

7. On the Firefighter annuals, the RFP says per bargaining unit requirement, but there is not attachment outlining what that encompasses. The attachment that is with the RFP is a pre-employment assessment.

- Can you provide clarification to your requirements?
- We can bid off the pre-employment, however, things like LS spines are a lot of radiation for a person yearly and generally by age there are more requirements for the physicals.
- Otherwise, we can detail our individual prices for each line item if that is easier?

ANSWER: The IAFF contract has been attached to this addendum. Please see Article 20.08 (page 45).

- 8.01 In a mutual effort to provide harmonious working relations between the parties of this Contract, it is agreed to and understood by both parties that there shall be a procedure for the resolution of grievance between the parties arising from any alleged violation of the specified terms of this Contract.
- 8.02 Definition: A grievance within the meaning of this contract shall consist of disputes about interpretations and applications of particular clauses of this Contract, alleged violations of this Contract and disputes over formal disciplinary action.
- 8.03 Employees shall have the option of utilizing the City's grievance procedure or this grievance procedure, but not both. Furthermore, once a grievance has been initiated under the selected procedure, it shall be continued until final resolution under that procedure and the employee will have waived any right to proceed under the other procedure. Discussions for the purpose of settling differences in the simplest and most direct manner are encouraged and may be utilized with the direct supervisor.
- 8.04 Grievances shall be processed in accordance with the following procedures:
- Step 1: The grievant shall present in writing his grievance to their Battalion Chief, Deputy Fire Chief or their designee within fifteen (15) calendar days from the time the employee would have had knowledge of the subject of the grievance. The Deputy Fire Chief shall schedule a meeting with the Battalion Chief and the grievant within seven (7) days. The grievant or

the supervisor may request that a Union steward or local Union representative be present. Discussions will be informal for the purpose of settling differences in the simplest and most direct manner. If the matter is not resolved, the Deputy Fire Chief shall reach a decision and communicate that decision in writing, to the grievant within seven (7) calendar days from the date the grievance was presented to him.

Step 2: If the grievance is not settled at the first step, the grievant, within seven (7) calendar days of the answer in the first step, shall present it to the Chief of NFPD. The Chief shall investigate the alleged grievance and shall within seven (7) calendar days of receipt of the written grievance, conduct a meeting between himself, his representative, and the grievant. The grievant or the Chief may request that a Union steward or local Union representative be present. Chief shall notify the aggrieved employee in writing of his decision not later than seven (7) calendar days following the meeting date.

Step 3: If the grievant does not settle his grievance, he shall within seven (7) calendar days, present the written grievance to the City Manager or his designee. The City Manager or his designee shall investigate the alleged grievance and shall, within seven (7) calendar days following receipt of the written grievance, conduct a meeting between the Human Resource Director/designee, appropriate department personnel, and the grievant. The grievant or the City Manager/Designee may request that a Union steward or local Union representative be present. The City Manager or his designee shall notify the aggrieved employee in writing of his decision not later than seven (7) calendar days following the meeting date.

Step 4: If a grievance, as defined in this Article, has not been satisfactorily resolved within the grievance procedure, the grievant may request arbitration in writing to the office of the Human Resources Director no later than seven (7) calendar days after the response is due in Step 3 of the grievance procedure. The parties to this Contract will mutually agree, or attempt to, on an independent arbitrator within seven (7) calendar days from the date that grievance was rejected at the Third Step. If this cannot be agreed upon, the parties may request an impartial neutral from the Federal Mediation and Conciliation Board. The parties shall select an arbitrator within twenty (20) days from the time names are submitted by the Federal Mediation and Conciliation Board.

- 8.05 It should be noted that nothing contained in this Article shall prevent any employee covered by this Contract from processing his own grievance unassisted through the Grievance Procedure. As a Certified employee organization, IAFF Local 2174 shall not be required to process grievances for employees who are not members of the organization in accordance with Florida State Statute 447.
- 8.06 Nothing in this part shall be construed to prevent any public employee from presenting, at any time, his own grievances, in person or by legal counsel, to his public employer and having such grievances adjusted without the intervention of the bargaining agent, if the adjustment is not inconsistent with the terms of the collective bargaining agreement then in effect and if the bargaining agent has been given reasonable opportunity to be present at any meeting called for the resolution of such grievances.
- 8.07 The arbitration shall be conducted under the rules set forth in this Contract. Subject to provisions contained herein, the arbitrator shall have the jurisdiction and authority to decide a grievance as defined in this Article and to enforce compliance with the terms and conditions of the Contract.
- 8.08 The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Contract or any part thereof or any amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is not a grievance as defined in this Contract.
- 8.09 The arbitrator may not issue declaratory or advisory opinions and shall

confine himself exclusively to the question which is presented to him and which question must be actual and existing.

8.10 Copies of the award of the arbitrator, made in accordance with the jurisdictional authority under this Contract, shall be furnished to both parties within twenty (20) days of the hearing and shall be final and binding upon both parties. It is contemplated that the City and the employee shall mutually agree in writing as to the statement of the matter to be arbitrated prior to a hearing, and if this is done, the arbitrator shall confine his decision to the particular matter thus specified. In the event of the failure of the parties to so agree on a statement of issue to be submitted, the arbitrator shall confine his consideration to the written statement of the grievance presented in Step One of the Grievance Procedure.

8.11 Each party shall bear the expense of its own representatives. The parties shall bear equally the expense of the impartial arbitrator. Any party requesting a copy of the transcript of such arbitration hearing shall bear the cost of same.

8.12 The times indicated on all steps may be extended by mutual agreement.

- (1) A complete statement of the grievance and facts upon which it is based;
- (2) The section or sections of this Contract that are alleged to have been violated, and
- (3) The remedy or correction requested.

- 8.14 A grievance not advanced to the higher step within the time limit provided shall be deemed permanently withdrawn as having been settled on the basis of the decision most recently given. Failure on the part of the City to answer within the time limit set forth in any step will entitle the employee to proceed to the next step.
- 8.15 In settlement of any grievance resulting in retroactive adjustment, such adjustment shall not be made retroactive any further than the date of the action giving rise to the grievance.
- 8.16 The Union may file a class grievance on behalf of a group of bargaining unit employees but not individuals.
- 8.17 The grievance meeting with the employee, at each step below the City Manager, shall be held within seven (7) calendar days. Any non-compliance with the aforesaid time requirements shall be cause for the employee to advance to the next higher step.
- 8.18 Employees filing a grievance shall have the right, at any level, to be represented by counsel at their own expense, provide information, witnesses, and/or evidence in their behalf, and question the City's witnesses.

A Firefighter, who has completed six months of employment, and is a Florida State certified E.M.T. or paramedic, and receives the recommendation of the Company Officer and approval of the shift Battalion Chief, may work out of class as a Firefighter in charge of rescue. For the Firefighters or Lieutenants working out of class as a Lieutenant or Battalion Chief, the increase will be to the entry rate of the job classification in which the employee is working, or eleven percent (11%), whichever is greater. Firefighters working out of class as Driver Engineer or Firefighter in charge of Rescue will be compensated at an hourly rate equivalent to their current step in the applicable Driver Engineer schedule. The Chief or designee shall, specifically, assign out-of-class work in each individual case. Employees may not authorize out-of-class work for themselves. Working out-of-class will not provide any automatic job rights to the position should it become vacant. Additional compensation will be only for actual hours worked and will be paid on a pay period basis.

Bargaining Unit employees who do not wish to participate will not be forced to participate. Such assignments shall be approved by the employee's physician in advance. This section shall not be grievable through any grievance procedure.
