ADDENDUM NUMBER 1

NOTIFICATION DATE: 10/02/2012	BID TITLE: ORTHOPHOSPHATE AND FLUORIDE CHEMICALS	BID NUMBER: 069-12	BID OPENING DATE & TIME: 10/11/12 2:00PM
--	---	----------------------------------	--

**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

1) Will water treatment plant will accept 40,000 lb minimum (800 x 50 lb bags) deliveries of the Sodium Fluorosilicate, which would constitute a full truckload delivery of the product.

Answer: We will not accept shipments that large. We are looking for Fluoride and Ortho – 50 lb. bags, 10,000 lbs. per delivery.

2) Sodium Silicofluoride specs state that we have to unload onto loading dock and then deliver to the storage area. How far is the storage area from the loading dock?

Answer: The storage area is adjacent to the loading dock (15-20 feet). The purpose of the specifications, are to make potential bidders aware that they are responsible for having the means to have a delivery truck capable of unloading material at an elevated loading dock. In addition to being required to have the chemical (fluoride) transferred from the front of their delivery truck to the tail gate in order for our staff to assist with unloading by use of a forklift.

3) Can you provide the name & unit price of your current Sodium Silicofluoride supplier?

Answer: The current Sodium Fluorosilicate supplier is Brenntag Mid-South, Inc. Current pricing is \$0.41/lb.

4) Is this going to be a one year contract?

Answer: Yes; with the option to negotiate for an additional two years.
