**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

The following clarifications are issued for the referenced solicitation:

1) How will the five points for "Location in proximity to Naples" be distributed? (page 18 of RFQ)
Answer: The point distribution range for this measure is 0 to 5 points. Because this is a nationwide search, this measure was included as an important indicator to address vendor staff on-site and community availability.

2) On page 17 of your RFQ you say: Please limit submittals to 40 pages (20 double-sided sheets of paper) including cover letter and content but excluding required City forms. Do our submittals have to be double-sided or can we choose single-sided so long as we keep it to 40 pages or fewer?
Answer: You document may be printed single-sided if kept to 40 pages or less.

3) Are covers, tabs, table of contents excluded from the page limitation?
Answer: Covers, tabs, binder leaves, dividers, CD sleeves and table of contents are NOT included in the 40 page limitation count.
