AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

The following clarifications are issued as an addendum identifying the following changes for the referenced solicitation:

1) May portions of the submittal include folded 11x17 pages?

ANSWER: Yes.

2) Do you wish for the submittals to be bound & in tabbed sections?

ANSWER: Yes.

3) Do you have the budget/total cost for this project?

ANSWER: A negotiated scope and fee will dictate the budget for this project. The City's 2013/2014 budget has \$200,000 allocated for Citywide Lake Improvements and this project shall fit within that CIP, along with other miscellaneous lake improvements not associated with this project. For FY 14-15, the City budget has earmarked \$750,000 for construction improvements to Lake Manor, plus construction engineering inspection services, plus other incidental lake improvements Citywide. This amount may be revised pending an engineer's estimate of construction costs at the 90% design phase.

4) Although supplying professional license(s) is not addressed, do you want these items included under Item 4: project Team?

ANSWER: Resumes for project team members should be provided. Those resumes should include information on each individual's certifications and licenses.
