**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,  
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

**The following clarifications are issued as an addendum for the referenced solicitation:**

There is a minor error in the product use for Item #5 on the Bid Form. The change is on Page 19 of the original bid document at Section 3 (Coating Materials), Part a. The change is indicated below in its entirety:

“Filler/Skim Coat: Apply ~~Tnemec Series # 217 Mortarcrete~~” now reads: “Filler/Skim Coat: Apply *Tnemec Series #218 MortarClad*”

Note: There is very little difference in cost of the product needed, but the right product is important for the skim coat. This is the only change; the Bid Schedule remains the same.
