ADDENDUM NUMBER 1

NOTIFICATION DATE:	BID TITLE:	BID NUMBER:	BID OPENING DATE & TIME:
06/26/14	Professional Services for Central Avenue Improvements Project	14-049	07/09/2014 2:00 PM

**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

The following clarifications are issued as an addendum for the referenced solicitation.

Written questions received regarding this Requests for Proposal are answered below.

- 1) Please clarify the References needed for the Professional Services for Central Avenue Improvements Project (RFP No. 14-049), as well as the required timeframe for both. Section 2, bullet item #3, on page 19 states: Provide three (3) client references for similar public projects. Utilize the form on page 11. In Section 3 there is a requirement for references, are we to assume that these are in addition to the references mentioned above?

ANSWER: Yes. There are two sets of references: 1) Three references directly related to the firm's experience with similar projects (USE THE FORM PROVIDED), and 2) three references directly related to the identified Project Manager and Major Task Leaders. Reference contact information is to be submitted with the proposal under the appropriate sections.

- 2) The City is requesting 3 references TOTAL for both Project Manager and Major Task Leaders. Or 3 references for the Project Manager and additional 3 references for each of the Major Task Leaders?

ANSWER: Provide contact information for three references for the Project Manager and additional 3 references for each of the Major Task Leaders.

Exhibit A – Pre-Bid Attendees List

Exhibit B – Central Avenue Streetscape – Design Development Phase

Central Avenue Streetscape

Design Development Phase

Prepared for:

City of Naples, Florida

Prepared by:

A. Gail Boorman & Associates

Landscape Architecture + Urban Design + Planning

Central Avenue Streetscape

Design Challenges

- Inconsistent street image
- Varying width of Right of Way
- Confusing intersections
- Conflicting movements at major intersections
- Inconsistent organization of vehicular and pedestrian spaces
- Haphazard on street parking
- Lack of pedestrian amenities
- Existing utilities conflicts
- Important street for truck and service vehicles to access southern community
- Access for library and school complexes
- Mix of residential/commercial/institutional land uses

Central Avenue Streetscape

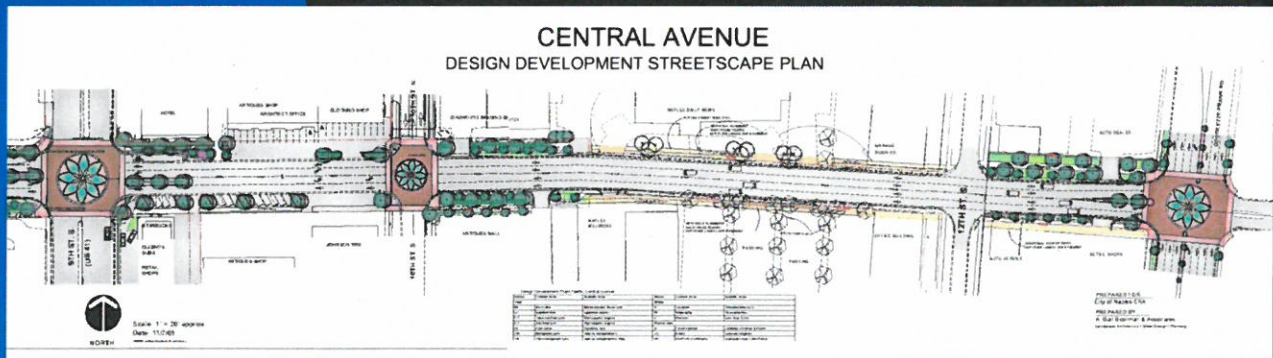

Design Goals

- Create a high quality street environment
- Create signature identity for downtown district
- Traffic calming, resolve conflicts
- Organize vehicular and pedestrian spaces in a consistent and coherent manner
- Provide on street parking
- Create an inviting pedestrian environment
- Soften appearance of existing utilities
- Find ways to incorporate canopy trees
- Provide amenities that complement existing buildings and land uses
- Provide amenities to complement and enhance the goals of the CRA plan
