# Executive Summary

# City of Naples

October 1, 1993

FINANCE DEPARTMENT

Honorable Mayor and Members of the City Council  
City of Naples, Florida  
735 Eighth Street South  
Naples, Florida 33940

Mayor Muenzer and Council Members:

We are pleased to submit the approved budget for the City of Naples for Fiscal Year 1993-94. This budget provides funding for the continuance of all municipal services enjoyed by our citizens for the next fiscal year with a continuation of the 1992 tax rate and no increases in fees for our City utilities. In compliance with the City Charter, this budget was adopted by the City Council with both a mill levy ordinance and an appropriations ordinance approved during special Council meetings held in September 1993.

The new management team of the City has now been in place for over two years. Over that period of time, we have worked with the City Council to streamline municipal government, reducing the work force of the City and privatizing those functions which can be handled more efficiently in the private sector with no reduction in the levels of service provided. The following activities have been privatized, with the number of City positions eliminated shown in parentheses:

- . Streets repair and overlay (12)
- . Recycling (5)
- . Lowdermilk Park concessions (3)
- . Traffic signal maintenance (2)
- . Collier County utility billing (2)
- . Horticultural debris chipping/disposal (2)
- . Vehicle oil changes (1)
- . Parking meter collection and maintenance (1)

Total reductions in the City work force are shown in the following tabulation:

**CITY OF NAPLES  
TOTAL EMPLOYEES  
LAST THREE FISCAL YEARS**

Municipal government budgeting and accounting divides the operations of the City into "funds", self-balancing sets of accounts for the expenditures and related financing sources for specific operations of government. Each of these funds of the City is presented in balanced form.

**GENERAL FUND**

The City of Naples General Fund provides funding for the traditional services of municipal government: police, fire, parks and recreation, planning and zoning, and administrative activities. The citizens of Naples have historically supported investment in enhanced service levels for public safety and the extensive parks and landscape improvements which denote the special quality of life in Naples. Assets of the City include the City's fishing pier, beach improvements, first class tennis facilities and other recreational opportunities. Major thoroughfares in the community have been extensively landscaped and maintained by City employees. Both the Police and Fire Departments use up-to-date equipment and have manpower levels sufficient to provide quick response to public needs.

Operations of the General Fund are financed through ad valorem property taxes, franchise fees of 5.8% on electricity sales, 1% on telephone revenues, and 3% on cable television revenues, proceeds of the 1% local sales tax, State of Florida revenue sharing, and fees for recreation programs. General Fund operations also provide services to other City funds and, in return, receives financial support from those other funds on a proportional basis of services. In addition, the City's Water, Sewer, and Solid Waste Utilities provide a payment in lieu of taxes to the General Fund.

For Fiscal Year 1994, we have been notified by the Collier County Assessors Office that property valuations have increased to \$..... billion, a .....% increase over last year's valuation of \$3.89 billion. Proposed 1994 ad valorem tax rates in other cities are as follows:

The Fiscal Year 1994 budget includes three new positions approved by the City Council:

**MARINE PATROL OFFICER.** The Naples Police Department maintains an active presence in Naples Bay, our beach areas, and in the Moorings Bay system. This additional position will provide a marine officer stationed in Moorings Bay.

. **FIRE TRAINING CAPTAIN.** The Naples Fire Department now maintains a fire training operation within the City and receives tuition payments for training future fire professionals. This position has been approved contingent on the training facility generating sufficient revenues to offset the costs of the position.

. **PLANNER I/II.** The Planning Department is currently faced with major projects in supporting the downtown redevelopment efforts and revision of the City's Comprehensive Plan. This new position is budgeted as a two-year contract position without retirement benefits.

#### **WATER & SEWER FUND**

The City of Naples operates a water and sewer utility, providing services to approximately 15,000 water and 8,000 sewer accounts within the City and in adjacent unincorporated areas of Collier County. Utility rates were increased in December 1990 and April 1992 to assure that service fee revenues are sufficient to cover all costs of operation, including deterioration of the physical plant, evidenced by the annual charge for depreciation. The current rate structure is considered to be adequate for Fiscal Year 1994 operations. During 1993, the City contracted with Collier County Utilities for meter reading and account billing of approximately 5,000 accounts where the City of Naples provides water service and Collier County Utilities provides sewer service.

#### **STREETS FUND**

This budget consolidates all revenue sources and related expenditure accounts relating to streets and traffic control. Revenue sources in this fund are the City's share of the Collier County six-cent local option gas tax, the portion of State shared revenue related to the municipal one-cent gas tax, and streets impact fees up to \$200,000 annually (all excess paid to Collier County by interlocal agreement). Those funding sources are sufficient to provide for streets maintenance, traffic signal maintenance, and street lighting expenses. In 1992, the City Council approved a one percent (1%) increase in the City Utility Tax and specifically dedicated revenues from that source to establish an overlay program of City streets. That funding source

has been continued for Fiscal Year 1994, subject to City Council review based on revenues and allowable expenditures from the new Collier County five-cent local option gas tax enacted by Collier County in 1993 to be effective January 1, 1994.

#### **STORMWATER UTILITY FUND**

This fund was created by the City Council in the Fiscal Year 1993 budget, designed to finance master planning of a stormwater discharge system for the City of Naples, water quality monitoring, street sweeping, and repairs to the existing stormwater system. Financing for this program is through a \$1.43 monthly charge added to the City's utility bills per residential unit and an equivalent charge on non-residential property.

#### **CAPITAL PROJECTS FUND**

The City of Naples levies an eight percent (8%) utility tax on Florida Power & Light electric sales, telephone services, and propane sales. Revenues from seven percent (7%) of this source are used to fund general capital improvements and capital purchases and to retire existing debt; the remaining one percent (1%) finances street overlay as previously discussed. Included in this fund are scheduled replacement of Police and Fire vehicles, parks renovation and upgrading, building improvements, and our computerization program. Specific programs approved for Fiscal Year 1994 include:

. **REPAIRS TO FISHING PIER.** The winter storm of March 1993 caused serious damage to the structure. Due to the age of this section of the pier, the majority of the costs will be to repair deterioration. \$507,000 has been budgeted for this project, based on preliminary engineering estimates. Federal assistance from FEMA will cover approximately \$85,000 of these costs.

. **FIRE STATION RENOVATION.** \$278,000 has been budgeted for renovations to Fire Station #1. Project will include rebuilding apparatus bays and facilities for firefighters.

. **PARKS & PARKWAYS.** Funds have been budgeted for phase III of the Anthony Park renovation project, continuation of the Naplescape program, and landscaping on 7th Street North.

. **VEHICLE REPLACEMENT.** Funds are available for scheduled replacement of vehicles for the Police and Community Services departments and the rebuilding of a Fire Department aerial unit.

. **COMPUTERIZATION PROGRAM.** In Fiscal Year 1992, City Council approved a four-year program at \$250,000 annually to finance improvements to the City's network and mainframe computer systems. This year is the third year of that program.

. **CONTINGENCY.** City Council traditionally budgets a contingency fund for unanticipated capital requirements during the budget year. No funds are available for that purpose during Fiscal Year 1994; however, any funds not required for the rebuilding of the Fishing Pier will be used to fund a contingency reserve for the year.

#### **SOLID WASTE FUND**

The City of Naples operates a Solid Waste Utility, providing both residential and commercial solid waste collection and disposal. Rates for this service are split between solid waste rates, designed to cover operations, maintenance, and capital replacement expenses, and landfill "tipping" fees, established as a pass-through of tonnage costs of disposal at the Collier County Landfill. Existing rate structures will finance Fiscal Year 1994 operations.

#### **CITY DOCK FUND**

The City owns and operates a marina operation on Naples Bay, providing leased and transient mooring of boats and retail sales of gasoline, bait, and minor food and drink sales. Fees and price schedules are established to cover maintenance and operating expenses, purchase of inventory, and capital investment and depreciation. Increases in slip rental rates during Fiscal Year 1992 have provided funding for the implementation of a repair and replacement fund and will be sufficient to meet new debt service obligations, should a bond issue be required to finance major renovations or possible facility expansion.

#### **BEACH PARKING FUND**

This fund provides for maintenance and enforcement at Naples' beaches, financed by an annual contribution from Collier County, meter collections, and parking fines. Citizens of both the City and Collier County are eligible for free beach parking stickers, allowing free use of parking facilities at the Fishing Pier, Lowdermilk Park, and all beach ends. In the Spring of 1992, the City and Collier County signed a three-year extension to the interlocal agreement financing this program.

#### **MOORINGS BAY/EAST NAPLES BAY TAX DISTRICTS**

The City of Naples maintains two special taxing districts for the purpose of financing dredging operations and maintenance of these two bay areas and for the retirement of existing debt. This budget provides for a continuation of the 0.5 mill tax levy.

#### **EQUIPMENT SERVICES FUND**

The City provides a central garage facility for the fueling and repair of all City-owned vehicles. In previous years, operating departments have been charged for this service based on the number of vehicles within that department. For Fiscal Year 1994, departments will be charged only for services received, a system designed to reward departments for avoiding maintenance expenses and to encourage efficiencies in Equipment Services.

#### **DATA PROCESSING FUND**

The City operates a McDonnell-Douglas mainframe computer system for all accounting operations, utility billing, payroll/personnel, and land use functions. In addition, a Novell network services City Hall and the Fire Department, with expansion to other City facilities scheduled for 1994. Costs of this internal service fund are split between the General Fund and the Water and Sewer Fund, the major users of data processing. Computer hardware and software purchases are budgeted through the Capital Projects Fund.

### **RISK MANAGEMENT FUND**

The City of Naples has elected to self-insure the risk management program. The City retains the first \$100,000 per occurrence on liability losses and \$150,000 per occurrence on workers' compensation and property losses, and purchases excess insurance over these self-insured retentions. The risk management program has been administered since 1981 by Arthur J. Gallagher & Co. and provides a risk pool, insuring all losses for the year once total losses have exceeded \$650,000. The Risk Management Fund is fully funded, with costs allocated to operating funds based on exposures.

### **EMPLOYEE HEALTH BENEFITS FUND**

The City implemented a self-insured health benefits plan in 1989 as a cost-containment measure to constantly risking health care costs. The City retains the first \$75,000 of expense per occurrence and purchases excess insurance for specific claims above that amount and also purchases aggregate excess insurance to protect the financial stability of the fund. Costs have continued to increase at a rate far greater than general inflation increases in the economy, requiring a rate increase effective July 1, 1993 of 15% on employees and 25% on family coverage. Based on agreements with our three employee bargaining units, the City pays the employee coverage premiums and the City and the employee split the costs of family coverage. Deductibles and co-payments have been increased effective January 1, 1994 and the plan continues to be closely monitored for the financial adequacy of rates.

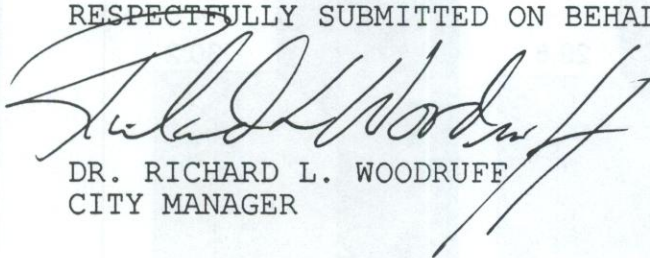

### **SUMMARY**

Over the past two years, the management team and the City Council have worked effectively together to continue the high levels of service expected by our citizens, while constantly looking for ways to improve the efficiency of operations, reducing the work force and privatizing functions where warranted. The proof of our efforts has been a total increase in operations and maintenance

Mayor and Council  
Page 9

costs over two years of only 2.23%. We are proud of these accomplishments and look forward to continued service to the community in cooperation with the City Council.

RESPECTFULLY SUBMITTED ON BEHALF OF THE MANAGEMENT TEAM,

DR. RICHARD L. WOODRUFF  
CITY MANAGER

WILLIAM P. HARRISON  
DIRECTOR OF FINANCE

ORDINANCE NO. 93-7024

AN ORDINANCE DETERMINING AND FIXING THE 1993 TAX LEVY AND MILLAGE RATE FOR THE PURPOSE OF PROVIDING SUFFICIENT FUNDS FOR THE GENERAL FUND OPERATIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the 1993 Tax Assessment Roll has been prepared, equalized and certified, showing:

Total Assessed Valuation of  
Real and Personal Property . . . . . \$3,934,893,012

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NAPLES, FLORIDA:

Section 1. That the tax levy and millage rate for the City of Naples for the year 1993 be, and the same is, hereby fixed and determined to be 1.2056.

Section 2. That the millage rate for the Moorings Bay Special Taxing District is hereby fixed and determined to be .5000 mills.

Section 3. That the millage rate for the East Naples Bay Special Taxing District is hereby fixed and determined to be .5000 mills.

Section 4. That the millage rate for Park Shore Units 2 and 5 Special Taxing District is hereby fixed and determined to be .5000 mills.

Section 5. That the tax levy and millage rate have been fixed and determined in accordance with the following assessments and findings of the City Council, and making allowances for tax delinquents, discounts and losses therein, show, to-wit:

Total General Fund Operations	
1.2056 mills . . . . .	\$4,701,200
Moorings Bay Special Taxing District	
.5000 mills . . . . .	\$ 207,158
East Naples Bay Special Taxing District	
.5000 mills . . . . .	\$ 67,508
Park Shore Units 2 and 5	
.5000 mills . . . . .	\$ 33,468
Total Revenue from Total Millage Rate	\$5,009,334

Section 6. That the percentage increase in property taxes adopted by the City Council of the City of Naples is 0.79 percent more than the rolled-back rate computed pursuant to Florida Statutes, Chapter 200.065(1).

Section 7. This Ordinance shall take effect October 1, 1993.

APPROVED AT FIRST READING THIS 3RD DAY OF SEPTEMBER, 1993.

PASSED AND ADOPTED AT SECOND READING AND PUBLIC HEARING IN OPEN AND SPECIAL SESSION OF THE CITY COUNCIL OF THE CITY OF NAPLES, FLORIDA THIS 17TH DAY OF SEPTEMBER, 1993.

ORDINANCE NO. 93-7025

AN ORDINANCE ADOPTING THE FINAL BUDGET FOR FISCAL YEAR 1993-1994; APPROPRIATING FUNDS FOR OPERATING EXPENSES OF THE CITY OF NAPLES FOR THE GENERAL OPERATION OF THE SEVERAL DEPARTMENTS OF THE CITY, INCLUDING UTILITIES, AND FOR CONTRIBUTING TO THE SINKING FUNDS OF THE CITY TO PAY INTEREST ON AND PROVIDE FOR THE RETIREMENT OF THE OUTSTANDING BONDS AND OTHER FIXED OBLIGATIONS OF THE CITY AND THE UTILITY TAX FUND FOR AND DURING THE FISCAL YEAR 1993-1994; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Naples adopts a final budget and appropriates funds on an annual basis for the general operation of the several departments of the City, including utilities, and contributes to the sinking funds of the City to pay interest on and to provide for the retirement of bonds; and

WHEREAS, the City of Naples has held a series of workshops and public hearings on the fiscal year 1993-1994 budget;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NAPLES, FLORIDA:

Section 1. That the budget for the fiscal year 1993-1994 is hereby adopted.

Section 2. That for the payment of expenses and obligations of the City of Naples for the fiscal year ending September 30, 1994, there is hereby appropriated out of any monies in the treasury of the City of Naples and any accruing revenues of the City available for said purposes to the funds and for the purposes hereinafter set forth, the sums of money shown in the following schedule:

GENERAL FUND:
