GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished  
Budget Presentation  
Award*

PRESENTED TO

**City of Naples  
Florida**

For the Fiscal Year Beginning

**October 1, 2014**

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to City of Naples, Florida for the Annual Budget beginning October 1, 2014. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

# CITY OF NAPLES

## VISION

To preserve the city's culture, maintain an extraordinary life for the residents, strengthen the economic health of the city and to maintain & enhance the governance capacity for public service and leadership.

OFFICE OF THE CITY MANAGER  
TELEPHONE (239) 213-1030 • FACSIMILE (239) 213-1033  
735 EIGHTH STREET SOUTH • NAPLES, FLORIDA 34102-6796

December 1, 2015

The Honorable Mayor and City Council  
735 Eighth Street South  
Naples, Florida 34102

Dear Mayor and City Council:

The budget for the City of Naples for the fiscal year beginning on October 1, 2015 and ending September 30, 2016 was adopted by Naples City Council September 16, 2015. This budget provides the financial framework for the upcoming fiscal year and is the product of City Council's guidance, community input, and recommendations of the City Manager and your professional staff. The document also provides accomplishments by department and goals for the upcoming year.

The budget has been developed with no change in the millage rate, the seventh consecutive year at the rate of 1.18 mills. The final taxable value for FY 15-16 is \$18.3 billion, compared to FY 14-15 final taxable value of \$16.9 billion, an increase of 8.2%. This represents the fourth year of an increase in taxable value for the City.

The gross budgeted expenditures in this document are \$125.2 million, compared to the FY 14-15 budget of \$132.4 million, or \$7.2 million less. This budget continues the City's efforts to ensure quality services with strategic investments in public facilities and infrastructures. It represents a balance between the responsibilities of growth, tempered with fiscal restraint.

The preparation for this budget began in March 2015 when City Council reviewed the annual Five-Year General Fund Sustainability Report. The analysis offered a longer-term perspective of the annual budgets based on projected revenues and expenditures. In May and June, City Council reviewed the Five-Year Capital Improvement Program and tentatively agreed to maintain the current millage rate of 1.1800 for FY 15-16. After a preliminary budget document was presented to Council in July, there was a workshop in August to discuss the budget and make changes. There were two public hearings in September, at which time, this budget was adopted.

*Ethics above all else... Service to others before self... Quality in all that we do.*

## Fiscal Year 2015-16 Budget Summary

- The General Fund budgeted expenditures are \$34.4 million or \$1.5 million more than the FY 14-15 budget. This includes a nearly \$400,000 increase in Community Services “level of service” repair costs, formerly budgeted in the Public Service Tax Fund.
- The budget assumes millage rate of 1.18 for the seventh consecutive year. East Naples Bay and Moorings Bay Taxing Districts will retain their current millage rates as well, at .5000 and .0252.
- The budget includes a 2% or 3% increase for employees, depending on the collective bargaining agreements, and the cost of health insurance benefits are expected to remain the same.
- There is a net increase of seven employee positions over FY 14-15 in all funds. The General Fund budget shows a decrease of one position. One position was added to the Water Sewer fund, a part time position in the Solid Waste fund has been increased to full time, and six and a half positions have been added to the Building Permits fund (three of which were approved in October 2014), reflecting the increase in building activity in the city.

Fund	Title		Rate of Pay
General Fund	Administrative Specialist	(1)	\$(36,420)
Water Sewer Fund	Lab & Field Technician	1	45,362
Building Fund	Plans Examiner	1	73,100
	Permit Technicians (3)	3	103,455
	Records Clerk	1	39,239
	Assistant Floodplain Coordinator	1	41,609
	Part Time Permit Technician	.5	17,000
Solid Waste Fund	Increase Administrative Specialist to Full Time	.5	16,439
	<b>Total</b>	<b>7</b>	<b>\$299,784</b>

- The budget will invest more than \$26.9 million into the community with capital improvements in building, multi-modal transportation, parks and utility system upgrades and enhancements.
  - Funds for the engineering/design of Baker Park (\$600,000) are included in this budget with the understanding that construction will not begin until after FY 15-16. Construction of the bridge component is included and was increased to \$2,000,000. The prior year budget included the construction of Baker Park, and those capital funds have been moved out to FY 16-17 to more closely reflect the tentative construction timeline.

- At \$3.883 million, the Central Avenue Improvements project is a major effort for FY 15-16, with its expenditures budgeted in three separate funds (Stormwater, Water Sewer, and Community Redevelopment Agency Fund).
  - The Streets fund will receive \$325,000 additional funds from the Local Communications Tax, formerly budgeted in the General Fund, to offset the cost of Street lighting.
  - Community Services “level of service” repair projects were previously funded in the Public Service Tax Fund as capital items. For FY 15-16, this \$395,000 has been moved to the General Fund Community Services Division, as they are considered operational, not capital.
- City contributions for pension rates are included at 12.52% of salaries for General employees, 45.54% for Police officers and 38.64% for Firefighters Pension system. The annual required pension contributions will be paid in a lump sum at the beginning of the year to take advantage of savings by avoiding interest charges.
  - Water/Sewer, Stormwater and City Solid Waste rates will remain the same. The relevant Consumer Price Index did not increase.
  - City Dock rental rates will increase 2.5% for commercial charters and 4% for recreational boaters, for an estimated rent revenue increase of \$10,300. Tennis rates will increase by 2.5%.

### **City Goals**

The City’s 10-year Vision Plan was adopted on June 13, 2007. This vision contains five major goals, with several activities and elements to achieve these goals. Many of these goals have been incorporated into this budget document. The basic goals are shown below, and departments establish objectives to meet these goals. These can be found within the departmental budgets.

The five major goals of the Vision Plan include:

1. Preserve the City’s distinctive character and culture
2. Make Naples the green jewel of Southwest Florida
  - (a) Restore Naples Bay, protect beaches and other key waters
  - (b) Promote community sustainability and environmental conservation
  - (c) Establish more open and green space in the City
3. Maintain an extraordinary quality of life for residents
  - (a) Maintain and improve public amenities for residents
  - (b) Promote community health
  - (c) Enhance mobility in the City
  - (d) Maintain and enhance public safety
4. Strengthen the economic health and vitality of the City
5. Maintain and enhance governance capacity for public service and leadership

In addition to the Vision Plan, this budget follows three key financial principles:

1. Project revenues at realistic levels
2. Fully fund operating requirements
3. Maintain Undesignated Reserves at a fiscally responsible level

Throughout this document, the Goals and Objectives are highlighted wherever these vision plan goals and key financial principles are addressed.

### Millage Rate

The City's taxable value is \$18,318,877,171 compared to last year's final value of \$16,914,023,073, an increase of 7.7%. Property tax revenue is calculated by multiplying the taxable value by the millage rate. The City assumes a collection rate of 95% as allowed by state law.

Although the millage rate of 1.1800 is the same millage rate as FY 14-15, it is considered a tax increase because it produces more property tax revenue to the City than was received in FY 14-15.

Property tax revenue, using the millage rate of 1.1800, is calculated as follows:

	Rate	Total Levy	95% Collections	Amount to CRA	Amount to General Fund
Millage Rate	1.1800	\$21,603,419	\$20,522,132	\$627,130	\$19,895,002

### Rolled Back Rate

Rolled Back Rate (RBR) is the ad valorem tax rate that will bring to the City the same amount of tax money as last year, excluding the value of new construction. Calculation of the rolled back rate is regulated by state law for all local taxing jurisdictions. The rolled back rate for the City is 1.1209 mils, compared to the recommended millage rate of 1.1800 mils.

### **Expenditure Discussion**

This budget includes a net increase of seven positions, explained as follows:

In the General Fund, there is a decrease of one position, an Administrative Specialist, from the City Manager's office/Code Enforcement Division.

In the Building fund, six and a half positions are added to the budget. Three positions were added in October 2014 via budget resolution 14-13542. This budget includes those three, plus an assistant Floodplain Coordinator, a Permit Technician, a Records Clerk and a part time Permit Technician. All of these positions are due to an increase in construction activity.

In the Water Sewer fund, one position has been added to perform the functions of Fats Oils and Grease (FOG) inspections.

In the Solid Waste fund, the part time position of Customer Service Representative has been increased to full time.

### **Fund Balance**

When preparing a budget, the goal is to have revenues equal expenditures. However, actual revenues will not equal actual expenditures in a fiscal year. Either a decrease or increase of fund balance should be expected. The fund balance increases when actual expenditures in a fiscal year fall below actual revenues.

City Council's fund balance policy as adopted by Resolution 12-13052 is followed or exceeded in all budgetary funds. Use of fund balance for some funds is recommended. As justified in the City's policy, a decrease in fund balance may be a prudent option. There may be a major capital cost that is best funded with available funds, or, there may be an intentional plan to reduce the fund balance to a responsible level, or a fund balance may have increased in recognition of a major capital project(s) in future years. The size of the fund balance should not be too low or too high. If a fund balance is consistently too high, it may be a sign that the public agency's taxes or fees have been too high. On the other hand, if the fund balance is too low, the government risks being unprepared for emergencies or other unpredicted or desirable mid-year expenditures. A City's bond rating may also be influenced by the fund balance.

The following chart explains the components of fund balance in the City's General Fund. Unassigned fund balance is the amount that is typically tracked for management purposes, as the other components are assigned or reserved for specific functions.

	Estimated 9/30/15	Actual 9/30/14	Actual 9/30/13	Actual 9/30/12	Actual 9/30/11
Total Fund Balance	16,873,258	16,068,871	14,912,211	19,569,959	19,247,692
Unassigned	12,681,379	11,439,262	10,582,398	14,589,350	15,508,265
Emergency	3,289,950	3,419,823	3,419,823	3,370,622	3,447,889
Advances to Other Funds	331,986	386,986	413,592	475,935	107,621
Subsequent Year Budgeted	0	252,857	252,857	952,527	NA
Other	569,943	569,943	243,541	181,525	183,917

### Issues affecting the Development of the Budget

The City of Naples has many contributors to the budget process. City Council receives input from many sources throughout the year, including boards and advisory committees, five collective bargaining units, and three pension boards. Committees and advisory boards are comprised of City residents, business owners, and professionals that voluntarily lend their expertise to enhance the governance process.

City Council may consider requests to create Special Assessment Districts and Dependent Taxing Districts that also can affect the budget. One additional Special Assessment areas has been added; the Bembury Area Special Assessment. In FY 13-14, the Bembury Special Assessment area was created for a water and sewer line extension, and the assessment will be added to the tax rolls in November 2015.

The City requests grant funding from other agencies, including Department of Environmental Protection, Collier County (for shared projects), and South Florida Water Management District. Consideration of these funding requests is part of the budgeting process. To prevent over estimating the City's budget, grant funds are only budgeted if it is determined that such funds will be received. Budget adjustments will be made for grants awarded during the fiscal year.

A significant part of the budgetary process is the preparation and review of the Five-Year Capital Improvement Program (CIP). This document is prepared by June 1<sup>st</sup> of each year and subsequently reviewed and modified by City Council. The development of the Capital Improvement Program balances needed capital equipment and infrastructure repair and improvements with the annual operating budgets. The CIP includes revenue and expenditure estimates over the same five-year period to ensure that the capital program is realistic and fundable. The CIP was discussed at the last workshop in June.

Three other items are notable that may not have a direct impact this year, but could impact FY 16-17 and beyond.

- In recent years, the state legislature has considered reductions to the telecommunications tax, an important source of revenue to the General Fund.
- The employment environment appears to be increasing turnover as employees seek other employment opportunities, and qualified applicants for vacant positions are decreasing.
- It is anticipated that due to the improving economy and increased home prices, there will be pressure to increase wages in the next round of collective bargaining.

The following changes have been made from the CIP as presented in June:

Public Service Tax	<p>The Public Service Tax Fund CIP as presented in June was \$4,572,668. Between June and the presentation of the preliminary budget, the following changes were made to the Public Service Tax Capital Projects:</p> <table> <tr> <td>Moved FS #3 Fiber Optics out one year</td> <td>(25,000)</td> </tr> <tr> <td>Community Services Level of Service Repairs has been moved to General Fund (Community Services) operations</td> <td>(395,000)</td> </tr> <tr> <td><b>New Total</b></td> <td><b>\$4,152,668</b></td> </tr> </table> <p>During the Council budget workshop on August 17, the following was changed:</p> <table> <tr> <td>Added the Police Station roof replacement</td> <td>\$450,000</td> </tr> <tr> <td>Added Gulf Shore Blvd Landscaping</td> <td>500,000</td> </tr> <tr> <td>Removed Tree Planting project</td> <td>(150,000)</td> </tr> <tr> <td><b>New Total</b></td> <td><b>\$4,952,668</b></td> </tr> </table> <p>During the Council Budget Hearing on September 2, the following was changed:</p> <table> <tr> <td>Moved Fire Station Design and Construction out 2 years</td> <td>\$(1,800,000)</td> </tr> <tr> <td><b>New Total</b></td> <td><b>\$3,152,668</b></td> </tr> </table>	Moved FS #3 Fiber Optics out one year	(25,000)	Community Services Level of Service Repairs has been moved to General Fund (Community Services) operations	(395,000)	<b>New Total</b>	<b>\$4,152,668</b>	Added the Police Station roof replacement	\$450,000	Added Gulf Shore Blvd Landscaping	500,000	Removed Tree Planting project	(150,000)	<b>New Total</b>	<b>\$4,952,668</b>	Moved Fire Station Design and Construction out 2 years	\$(1,800,000)	<b>New Total</b>	<b>\$3,152,668</b>
Moved FS #3 Fiber Optics out one year	(25,000)																		
Community Services Level of Service Repairs has been moved to General Fund (Community Services) operations	(395,000)																		
<b>New Total</b>	<b>\$4,152,668</b>																		
Added the Police Station roof replacement	\$450,000																		
Added Gulf Shore Blvd Landscaping	500,000																		
Removed Tree Planting project	(150,000)																		
<b>New Total</b>	<b>\$4,952,668</b>																		
Moved Fire Station Design and Construction out 2 years	\$(1,800,000)																		
<b>New Total</b>	<b>\$3,152,668</b>																		
Building Fund	Reduced the cost of the Electronic Permitting from \$650,000 to \$350,000																		
Water/Sewer Fund	Increased project 16X19 (Alternative Pumping) from \$80,000 to \$400,000 in years 15-16 and 16-17, and removed it from the out years																		
City Dock Fund	Moved the Dock renovation out one year, to allow for discussion about the plan for renovations																		
Equipment Services	Reduced 16S11 Lighting Improvements from \$35,000 to \$20,000																		
CRA	Accelerated the capital program, moving 1 <sup>st</sup> Ave South (\$200,000) and 3 <sup>rd</sup> Ave South (\$65,000) design into FY15-16																		
Streets	<p>The \$1,000,000 Street Resurfacing project was reduced to \$450,000 and moved from the 340 (Public Service Tax Fund) in FY 16-17 to the Streets Fund for FY 16-17. Removed Stop Sign Replacement (because it was fully funded for the summer of FY 14-15). Increased Pedestrian Crossing Installation project 16U22 by \$55,000.</p>																		
Stormwater	Moved Stormwater Master Plan from FY16-17 to FY15-16 \$325,000																		
Baker Park Fund	Increased the Bridge Component to \$2,000,000 and moved the Baker Park Construction project (\$9.1 million) out one year, while leaving \$600,000 in FY 15-16 to design/engineer the park.																		

## **Conclusion**

The annual budget is considered one of the most important policies adopted by City Council each year. The budget reflects City Council's financial policies for the next year by allocating the sources of funds for City services, and authorizing expenditures for those services.

The challenges involved with the development of this budget were somewhat relieved due to City Council's responsible, and sometimes difficult, decisions made during prior years as revenues declined. With reassignment of responsibilities, improved processes and technologies, and the willingness of employees to meet higher expectations, there has been minimal reduction of service to the citizens of Naples.

Gratitude is extended to the many people who have contributed to this document, including City Council, members of the Presidents' Council, homeowner associations, City advisory boards, residents and staff.

With the achievement of the many planned objectives by each department in the City, Naples will continue to be the crown jewel of Southwest Florida while being recognized as one of the top communities in the nation.

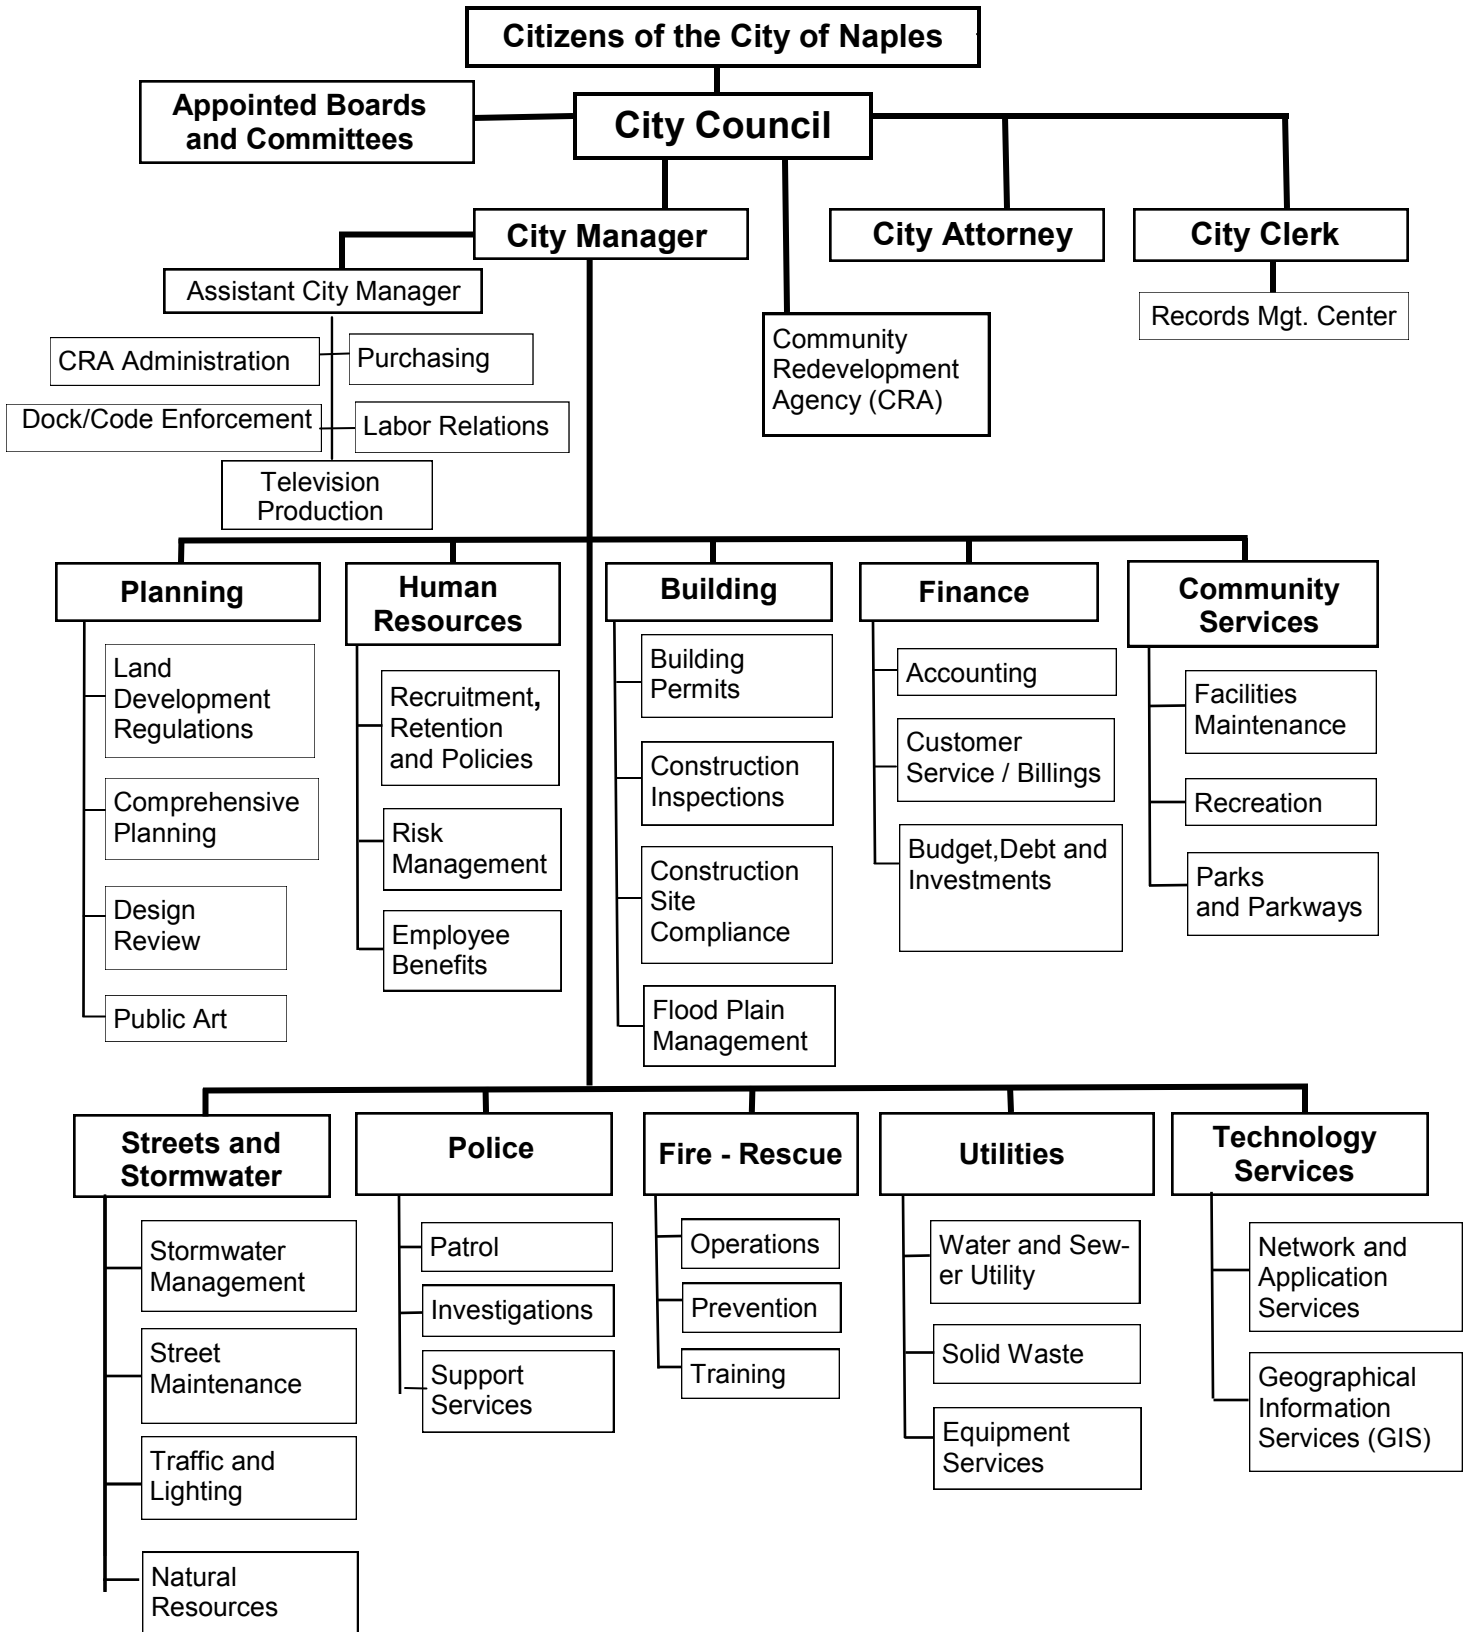

With City Council's continued guidance and policy development skills, the citizens of Naples should feel confident that they will continue to receive the best possible services at a reasonable cost, a continuation of the "small town" atmosphere where people can freely express their opinions and seek service support, and where they can rely on employees who value public service and seek to be responsive to their community.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "A. William Moss". The signature is fluid and cursive, with a large initial "A" and "M".

A. William Moss  
City Manager

# City of Naples

## All Fund Revenue and Expenditure Analysis

### Fund Overview

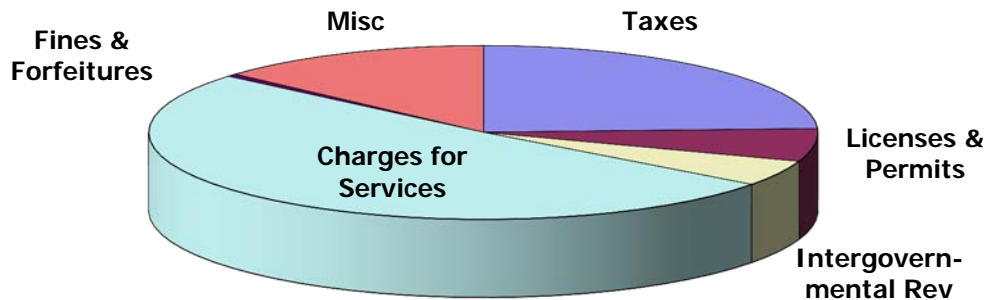

The City of Naples budget is structured on the basis of 21 individual funds. The account structure follows the State of Florida's Uniform Accounting System. Each fund is a distinct financial entity with its own revenues and expenses. The FY 2015-16 budget is balanced in accordance with the City's Code of Ordinances. Total revenues are budgeted at \$118,425,253 and expenditures are budgeted at \$125,214,617, using \$6,789,364 of reserves/fund balances.

### Revenue Overview

The combined FY 2015-16 revenues of the City's budgeted funds are as follows:

	FY 2015-16 Budget	%	FY 2014-15 Budget	%
Taxes	\$31,017,998	26.2%	\$29,667,412	24.3%
Licenses and Permits	9,100,149	7.7%	7,471,300	6.1%
Intergovernmental Revenue	6,588,270	5.6%	5,919,222	4.8%
Charges for Services	55,827,065	47.1%	62,129,891	50.9%
Fines and Forfeitures	457,100	0.4%	622,551	0.5%
Miscellaneous/Transfers	15,434,671	13.0%	16,274,507	13.3%
<b>Total</b>	<b>\$118,425,253</b>		<b>\$122,084,883</b>	

### Where the Money Comes From

### Taxes (\$31,017,998)

City wide, taxes make up 26% of the City's revenues, with Ad Valorem Taxes being the largest tax, at \$20,805,236. For FY 2015-16, the General Fund Operating Millage Rate of 1.1800 is the same as FY 2014-15. There are also millage rates of 0.0252 in the Moorings Bay Taxing District and 0.500 in the East Naples Bay Taxing District.

Taxes include a Payment in Lieu of Taxes (PILOT) on two Enterprise Funds, based on 6% of gross sales for the Water Sewer Fund and the Solid Waste Fund. The PILOT is updated every other year. Revenue for the Local Telecommunications Tax, which is 5.22% of allowable charges, is estimated to be \$2.26 million based on projections by the State of Florida Department of Revenue's Office of Tax Research. The Public Service Taxes on Electric, Gas and Propane are 7% taxes and the budget is based on historical collections.

## All Fund Revenue and Expenditure Analysis

### **Licenses and Permits (\$9,100,149)**

Licenses and Permits make up 7.65% of the City's revenues. The City is budgeted to collect \$9.10 million in Licenses and Permits. Building Permits are budgeted at \$4.86 million, higher than the FY 14-15 budget due to the improving economy. Franchise Fees are the largest type of revenue in this category, with the largest of these being the FPL (electric) Franchise fee. Franchise fees are charged to certain service providers (such as gas or electricity) for the right to operate within city rights of way. Each Franchise fee is based on a negotiated agreement with the service provider.

### **Intergovernmental (\$6,588,270)**

Intergovernmental Revenue includes revenue from Federal or State grants, state revenue sharing and Collier County agreements. Funds from Collier County include a \$1 million Interlocal Agreement that provides funding for recreation programs, including the beach operations that serve the County residents. This also includes the Community Redevelopment Agency (CRA)'s Tax Increment revenue from Collier County, budgeted at \$1.894 million. General Use Sales Tax is a State of Florida tax, shared with municipalities and the dollar amount is estimated by the State of Florida Department of Revenue's Office of Tax Research.

### **Charges for Services (\$55,827,065)**

Making up 47.1% of City revenues, Charges for Services represents the largest source of budgeted revenues City-wide. The largest charge for services are charges to Water/Sewer customers (\$28 million), Solid Waste customers (\$5.7 million), City Dock customers (\$2 million) and Stormwater customers (\$4.7 million).

### **Fines (\$457,100)**

Fines are received by the General and Beach Funds. The primary sources of fines are parking or traffic citations issued by the Naples Police Department.

### **Miscellaneous/Other Sources (\$15,434,671)**

The City is projected to earn \$386,510 in interest earnings in FY15-16, based on an expected .60% return rate. Other revenues include both City and employee shares of health insurance premiums (Internal Service Fund), Transfers, Water Sewer System Development Fees and auction income.

### **Expenditure Overview**

The appropriations of the twenty-one budgeted funds are \$125,214,617. The following chart shows a summary of the combined budget by category:

	<b>FY 2015-16 Budget</b>	<b>%</b>	<b>FY 2014-15 Budget</b>	<b>%</b>
Personal Services	\$44,731,229	35.7%	\$43,502,192	32.8%
Operating Expenses	44,912,186	35.9%	43,428,744	32.8%
Capital Expenses/Other	35,571,202	28.4%	45,509,873	34.5%
<b>Total Expenditures</b>	<b>\$125,214,617</b>		<b>\$132,440,809</b>	

**Where the Money Goes**

***Personal Services (\$44,731,229)***

Personal Services budgeted at \$44,731,229 includes all salaries and benefits for City employees. This line item, city wide, increased \$1,229,037. There is a 2% or 3% raise based on collective bargaining unit. .

There is a net increase of seven positions over FY 15-16. The following chart shows the impact of those positions

Fund	Title	Cost
General Fund	Administrative Specialist	\$(36,420)
Water Sewer Fund	Lab & Field Technician	45,362
Building Fund	Plans Examiner	73,100
	Permit Technicians (3)	103,455
	Records Clerk	39,239
	Assistant Floodplain Coordinator	41,609
	Part Time Permit Technician	17,000
Solid Waste Fund	Increase Administrative Specialist to Full Time	16,439
	<b>Total</b>	<b>\$299,784</b>

***Operating Expenses (\$44,912,186)***

Operating Expenditures increased by \$1,483,442. Two large increases included Repair and maintenance items that were formerly recorded in the Capital Fund that have been transferred to the General Fund and Self Insurance Charge, which increased by over \$360,000. Most increases will be discussed within each fund's narrative.

Some of the larger operating expenses include:

- Other Contractual Services 4,641,734
- Electricity 3,028,200
- Health Claims Paid 3,200,000
- Self-Insurance Charge 4,684,032
- Fuel (for use and for resale) 2,076,288
- Chemicals 2,607,450

***Non-Operating: Capital Outlay, Debt, and Other Expenditures (\$35,571,202)***

The FY 15-16 budget includes \$35,571,202 for capital outlay, transfers and other expenditures. Every June, in accordance with the Code of Ordinances, the City Manager presents City Council with a Five Year Plan for the Capital Improvement Program (CIP). Information on the projects specifically budgeted for FY 15-16 are included in each funds' schedules and in the Capital Section of this document. The City's debt is explained further in the Debt section of this document.

**All Funds  
Changes in Fund Balance  
Fiscal Year 2015-16**

The following spreadsheet shows the actual September 2014 fund balance and the projected fund balance for September 2015. The budgeted September 30, 2016 ending fund balance is based on budgeted revenue and expenditures. Reasons for changes can be found in the fund discussions and below. For ease of use, the term Fund Balance is used, although for Proprietary Funds, the data used is Unrestricted Net Assets.

<b>Fund Title</b>	<b>Actual 9/30/2014 Fund Balance</b>	<b>Projected 9/30/2015 Fund Balance</b>	<b>FY 15-16 Budget</b>		<b>Change in Fund Balance</b>	<b>Budgeted 9/30/2016 Fund Balance</b>

The most common reason for a budgeted decrease in fund balance is the use of reserves for capital projects. For most funds, this is a planned use of funds. Funds with a decrease of more than 10% are discussed below.

<b>East Naples Bay District</b>	A major canal marker project is planned.
<b>Community Redevelop. Agency</b>	An accelerated Capital Project plan is implemented for FY 15-16.
<b>Utility Tax/Debt Service</b>	Increased the transfer to the Capital Project Fund
<b>Water Sewer Fund</b>	Several large capital projects are planned.
<b>City Dock Fund</b>	The fund is reserving fund balances for a future reconstruction of the primary dock.
<b>Tennis Fund</b>	This fund is using proceeds from a prior year donation to make its debt service payments.
<b>Technology Services</b>	Capital projects will use fund balance as planned.
<b>Equipment Services</b>	Capital projects will use fund balance as planned.

# General Fund Discussion

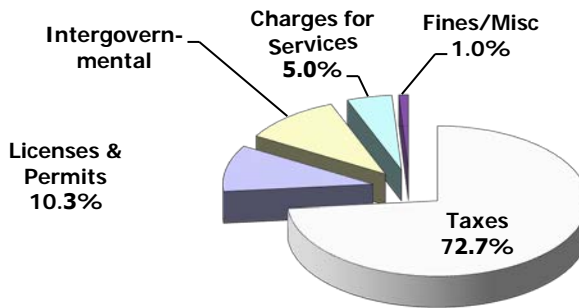

The Budget for the General Fund includes \$34,478,100 in revenue, and \$34,980,517 in expenditures.

## Revenues

Revenue line items in the General Fund are separated into seven basic categories, established by the State of Florida's Uniform Accounting System: Local Taxes, Licenses and Permits, Intergovernmental Revenue, Charges for Services, Fines and Forfeitures, Miscellaneous Income, and Other Sources. The revenues for the General Fund are \$34,478,100 for Fiscal Year 2015-16, shown below, compared to FY 14-15.

	FY 2015-16		FY 2014-15	
	Budget	%	Budget	%
Taxes	\$25,061,179	72.7%	\$24,112,907	73.0%
Licenses & Permits	3,559,800	10.3%	3,484,600	10.6%
Intergovernmental Revenue	3,768,820	10.9%	3,493,300	10.6%
Charges for Services	1,727,400	5.0%	1,606,651	4.9%
Fines & Forfeitures	188,500	0.5%	159,800	0.5%
Miscellaneous	172,401	0.5%	171,151	0.5%
<b>Total</b>	<b>\$34,478,100</b>		<b>\$33,028,409</b>	

Where the Money Comes From

## Local Taxes (\$25,061,179)

### Ad Valorem Taxes

The Ad Valorem Taxes are the largest single revenue source to the General Fund, budgeted at \$19,895,002. The Collier County Property Appraiser is assigned the responsibility for assessing property within the City. Florida Statutes require the Appraiser to provide an estimate of property values to the City by July 1 to aid in the budgeting process. For FY 15-16 the taxable value (per Property Appraiser's report DR420) of all properties within the City is \$ 18,318,877,171.

The chart below shows the City's taxable value (in billions) for the past several years.

	2008	2009	2010	2011	2012	2013	2014	2015	2016
Change in value	5.6%	(1.2%)	(5.5%)	(8.0%)	(2.8%)	2.9%	5.6%	6.9%	8.2%

For Fiscal Year 2015-16 the millage rate is 1.1800 (or \$1.1800 per thousand dollars of property value). Based on the 1.1800 rate, the City expects to collect a maximum of \$21,603,419. As allowed by Florida Statutes, the City reduces this maximum revenue by up to five percent (5%) to allow for uncollected funds and prepayment discounts. For FY 2015-16, the budgeted tax revenue for Ad Valorem Taxes is \$20,522,132, which includes the CRA.

In 1995, the City created a Community Redevelopment Agency (CRA), funded by Tax Increment Financing (which is described separately within the CRA fund). Based on the 1.1800 tax rate, \$627,130 of the City's Ad Valorem Taxes will be assigned to the CRA fund, leaving \$19,895,002 to be budgeted as ad valorem tax income for the General Fund.

The chart below shows the trend for the ad valorem tax rate for Fiscal Year 2015-16 and prior years.

Ad Valorem Tax Rate

**Other Local Taxes**

Naples assesses a Payment in Lieu of Taxes (PILOT) on two Enterprise Funds of the City. The PILOT is established at 6% of revenues, and it is similar to franchise fees charged to the private sector utilities. For FY 2015-16 the City has adjusted PILOT charges to be 6% of revenues:

Water and Sewer	\$1,722,000
Solid Waste	\$345,600

The City Dock PILOT was considered but waived as in prior years because the Dock has a public/recreational component.

Insurance Premium Taxes (Fire and Police Casualty) are local taxes on property insurance that partially fund police and fire pensions. These taxes are received by the City near the end of the fiscal year, deposited in the General Fund as revenue, and immediately paid to the Police and Fire Pension funds. The City has estimated these amounts for FY 15-16 and included both the revenue and expenditure in this budget, in the amount of \$1,354,027.

The Telecommunications Tax covers telephone and cable television bills and is collected by the telephone and cable providers, remitted to the State of Florida, and distributed to governments. The 2015-16 collections are projected to be \$2,700,000, with the General Fund portion of this revenue being \$1,446,000, the Capital improvement portion being \$197,585, and \$625,000 allocated to the Streets Fund. The latter is an increase of \$325,000 (from the General fund's portion) to fund street lighting as was discussed during recent budget processes.

Business Tax Receipts are a tax on all persons for the privilege of engaging in or managing any business, profession or occupation within the corporate limits of the City. State law allows the City to increase rates by 5% every two years. The last increase was April 2008. Although the rates could be increased, this budget does not recommend an increase. The City Business Tax Receipts are projected to bring in \$268,000; the increase is based on the increased business activity in the community. This is based on an estimated 3900 receipts issued.

The City expects to collect \$27,500 from the County for the City's proportionate share of County Business Tax Receipts and Business Tax address changes for \$3,000.

### ***Fees and Permits (\$3,559,800)***

---

The City of Naples is budgeted to collect \$3,559,800 in Fees and Permits. The primary revenues in this category are Franchise Fees. The City assesses non-exclusive Franchise Fees for the Electric, Trolley, and Gas companies.

The Electric Franchise Fee is a negotiated contract with Florida Power and Light (FPL), and the fee is now 5.9%. It is expected to bring in \$3,375,000 of revenue to the City. In August 2001, the City entered into a 20-year agreement with TECO Gas, which includes a 6% franchise fee. The City is currently receiving approximately \$6,250 per month in Gas Franchise Fees, leading to a budget forecast of \$75,000.

Also included are Right of way permits for \$36,000; special event permits for \$30,000, outdoor dining permits for \$1,800 and zoning fees for \$39,000.

***Intergovernmental Revenue (\$3,768,820)***

---

Intergovernmental Revenue in the General Fund is budgeted at \$3,768,820 with the largest source of intergovernmental revenue being the General Use Sales Tax at \$2,424,000. This sales tax revenue represents a portion of the state's 6% sales tax that is collected within the county and distributed to municipalities based on a population formula. Projections for this revenue source are usually provided by the State of Florida's Department of Revenue, but were not available at the beginning of July.

The State Revenue Sharing program is expected to bring \$630,000 to the General Fund. The Revenue Sharing Program includes a variety of taxes that are pooled and allocated based on a State-calculated formula. The formula's components include population, sales tax collections and relative ability to raise revenue.

Other intergovernmental revenues are:

- Mobile Home Licenses                    \$3,300  
(In the State of Florida, mobile homes and certain trailers are considered vehicles and require licenses. The City receives a portion of that license for those registered within the City limits.)
- Firefighters Education                    \$15,520 (State of Florida program)
- Fuel Tax Refund                            \$34,000  
(Distributed to the City per F.S. 336.025)
- Alcohol Beverage License                \$62,000  
(Distributed to the City per F.S. 561.342)

In July 2008, the City and County entered into a \$1,000,000 Interlocal Agreement to fund the expenses that the City's recreation programs, including the beaches, incur related to serving the County residents. It has previously noted that 70% of all recreation programs, including beach parking, serve non-city residents. By the County providing this revenue to the City, both the City and the County can provide enhanced levels of services. For FY 2015-16 the City will place \$400,000 of the funds into the Beach Fund, and \$600,000 in the General Fund.

The City does not typically include expected grants in the budget, unless the grant award is known during the budget process. Including non-awarded grants may appear to be a misleading budget, and may show appropriations that are not available. To adjust for this conservative practice, the budget ordinance states that acceptance of a grant by City Council automatically amends the budget.

***Charges for Services (\$1,727,400)***

---

Charges for Services reflect the revenues related to services performed, whether received from private individuals or other governmental units. The General Fund is budgeted to collect \$1,727,400 in Charges for Services.

The City projects to collect \$190,000 in Police Services, which is a payment to the City for special police services provided to private entities. The budget includes \$598,900 for fire services, part of which comes from the Naples Airport Authority to staff a fire station at the Naples Airport and from fire employees providing services at special events. A 911 subsidy of \$49,000 will be paid by Collier County for dispatch services provided by the City's telecommunication staff to the County.

Another source of Charges for Services is the user fees for recreational programs. Most of these fees are from specialty camps, events and activities held at City facilities.

	<b>Division Revenue</b>	<b>Division Costs</b>	<b>Percent of Expense</b>
Fleischmann Park	\$379,950	\$911,325	42%
Norris Community Center (Cambier)	\$222,000	\$424,028	52%
River Park, Anthony Park, and Pool	\$119,850	\$961,193	12%

As this shows, revenue from the various recreation and sports programs cover only a portion of the costs of running those services and sites. Because many of the City's recreation programs have a free element, such as basketball courts, or passive park areas, the funding from alternate sources such as taxes, is expected.

For more information on the relationship of the costs of these programs as compared to the revenues, see the Community Services Department pages in the General Fund.

Several years ago the City entered into an Interlocal Agreement with Collier County that requires Collier County to pay \$36,000 in exchange for the City including County sewer fees on City water bills, where applicable. The Interlocal Agreement, dated January 28, 2003, does not have a termination date, but does have a fee review clause; however, there has been no action to increase that fee.

***Fines (\$188,500)***

---

The General Fund is budgeted to receive \$188,500 in fines for FY 2015-16. The primary sources of fines are traffic-type citations and other violation notices issued by the Naples Police Department. This is budgeted to be \$69,500 for FY 2015-16. All non-parking ticket and violation revenues are collected by the Collier County Court system and remitted to the City.

Police Training, at \$13,500, represents the funds received from a \$2 fee imposed in accordance with Section 2-632 of the City of Naples Code of Ordinances. City Fines, which are non-beach related parking violations, are budgeted at \$72,000, consistent with receipts from prior years.

The City expects to receive approximately \$3,000 in Handicapped Parking fines and \$3,000 in Code Enforcement violations. Handicapped Parking fines must be used for improvements to accessibility.

***Miscellaneous Income (\$172,401)***

---

The primary Miscellaneous Income for all funds is Interest Income. Interest Income is estimated by multiplying an assumed interest rate by the average amount of funds invested during the year. For FY 15-16 the assumed interest rate is 0.6%, and the projected average invested funds will be \$12.5 million with strong fluctuations in the first six months. Therefore, Interest Income is budgeted at \$75,000.

Other Income is budgeted at \$15,000. This estimate will cover revenues that are unusual and not classified elsewhere, such as prior year reimbursements, insufficient fund fees, witness fees, or other revenues of this type.

**Expenses:**

The General Fund budget is \$34,430,517 or \$1,531,079 more than FY 2014-15.

Personal Services in the General Fund increased \$407,488 or 1.5%. The primary reason for this increase is due to the contractual pay increase and other employee contractual obligations. One position, an Administrative Specialist in Code Enforcement has been eliminated.

Operating Expenditures increased \$702,551. This includes the an increase of \$395,000 in a new line item (Repair and Maintenance Level of Service) which represents operational repair items formerly budgeted in the Capital Projects Fund, an increase of increase of \$75,000 in insurance and \$144,000 increase in Other Contractual Services due in part to increased level of hardwood tree trimming and outsourced maintenance.

A complete explanation of costs is included in each department's budget narrative.

***Summary***

---

The General Fund revenue for FY 2015-16 is budgeted at \$34,478,100 and expenditures are budgeted at \$34,430,517. With the ad valorem tax at 1.1800 mills, the City will continue to enjoy one of the lowest tax rates in the State, while remaining a premier City in which to live.

## Mayor and City Council

### **Mission Statement:**

The mission of the Mayor and City Council is to preserve the City's distinctive character and culture through legislative action that restores Naples Bay, protects beaches and other waterways, promotes community sustainability and environmental conservation, establishes more green space, supports public amenities, enhances mobility and public safety and strengthens the health and vitality of the City.

### **Department Description**

The Office of the Mayor and City Council is the legislative body representing the City of Naples. Naples is governed by a "council-manager" form of government. The City Council consists of a Mayor and six Council Members, each receiving a salary and limited benefits. All the powers of the City are vested in the City Council and their actions are governed by the City Charter, City Code of Ordinances and the General Laws of the State of Florida.

### **2014-15 Department Accomplishments**

- Approved a balanced budget.
- Proclaimed support for the Blue Zones Project to begin the action required for the City to become a Blue Zone Community.
- Approved an assessment and debt for the Bembury Assessment area.
- Authorized the replacement of pier decking with ipe wood for an enhanced Pier experience.
- Commissioned a comprehensive performance and management study of the Naples Fire-Rescue Department to assist in determining the best public policy for efficient delivery of these services.
- Recognized by NOAA as a StormReady City. (1/21/2015)
- Enhanced community outreach:
  - Responded to media and public inquires about City government community resources.
  - Enhanced public awareness of City programs through the public information officer role, posting web content and photos, TV, weekly radio shows and news releases.
  - Researched and discussed roundabouts and alternatives to assist in road safety.
- Supported:
  - Pelican safety by hiring two Pelican Patrol officers to assist at the Pier.
  - Naples Backyard History's research for the ancient Indian Canal in the City.
  - Naples history by assisting with signage to commemorate the historic Indian Canal. (9/5/2014)
  - The Urban Forestry Plan for 2015 as required by City Code Chapter 38.
  - The placement of a monument commemorating Vietnam Veterans at the Veterans Memorial in Cambier Park. (2/4/2015)
  - The completion of the Freedom Memorial by contributing \$100,000.
  - City sponsored and community events.

# General Fund

## Mayor and City Council (continued)

---

- Approved a comprehensive Community Needs Assessment to assist in establishing priorities for park and recreation programs and services as part of a Master Planning process.

### 2015-16 Departmental Goals and Objectives

#### **As part of Vision Goal 1 – Preserve the Town’s distinctive character and culture.**

- Maintain beach renourishment and protection efforts.
- Maintain the high aesthetic standards of the community.
- Adopt policies, ordinances, and resolutions that preserve and enhance the community’s character.

#### **As part of Vision Goal 2 – Make Naples the green jewel of Southwest Florida.**

- Continue planned open space, park and recreation facilities and program enhancements and improvements to include final design for Baker Park and appropriate implementation of the Parks Master Plan.
- Maintain the diverse cultural, socio-economic, economic and lifestyle aspects of small town life.
- Provide recreational experiences that are enjoyable, safe and of a high quality.
- Adopt measures that preserve, protect, and rehabilitate the City’s natural resources.

#### **As part of Vision Goal 3 – Maintain an extraordinary quality of life for residents.**

- Support the City’s pathway system by providing connections to schools, greenways and sidewalk interconnections.
- Enhance the quality of the residential experience of Naples by promoting safety, ambiance, beauty and quietness of life.
- Promote public participation in City governance and decision-making processes so that government is more responsive to local needs and requests.
- Inform citizens about their community and provide an opportunity to participate in the planning and decision-making process of local government.
- Support proclamations that promote community pride.

#### **As part of Vision Goal 4 – Strengthen the economic health and vitality of the City.**

- Promote and participate in the Blue Zones Project.
- Develop commercial parking options to reduce parking impacts in adjacent residential neighborhoods while supporting commercial businesses.
- Support the designation of landmarks and districts throughout the City.
- Support the cultural and economic benefits of tourism through the Fifth Avenue South Business Improvement District, Tourist Development Council, Visitor Information Center, Greater Naples Chamber of Commerce, neighborhood groups, and nonprofit organizations.
- Strengthen economic development through public-private partnerships.

#### **As part of Vision Goal 5 – Maintain and enhance governance capacity for public service and leadership.**

- Invest in capital improvement projects that enhance the mobility of people, goods and services.

# General Fund

## Mayor and City Council (continued)

- Protect and serve the community by providing superior police and emergency services.
- Promote community awareness of City resources and services through the public information officer, community outreach, speaking engagements, a community television channel, a user friendly website, a social media presence, brochures, maps, and other public engagement tools.
- Coordinate with Collier County Government, and other governmental agencies and departments on projects and initiatives that affect the City.

### 2015-16 Significant Budgetary Issues

The 2015-16 budget for the Mayor and City Council's Office is \$374,339, which is \$10,549 less than the budget adopted for Fiscal Year 2014-15.

This office has eight (8) positions budgeted, consisting of seven (elected) members of the Council and one (non-elected) Executive Assistant position. The decrease in salaries is due to a revision of the Executive Assistant's position that no longer includes Public Information Officer duties.

The budget for Operating Expenses, decreased \$800 to \$21,700. Major expenditures budgeted for this office includes \$9,800 for City Council Members' training and travel-related costs (for attending such sessions as the Florida League of Cities Annual Conference or the Legislative Action Day) and \$5,200 for office supplies. Memberships decreased as there is no cost budgeted for Leadership Collier.

There are no other significant costs in this budget.

### 2015-16 Performance Measures and Benchmarking

## City Attorney's Office

**Mission Statement:**

The mission of the City Attorney is to provide legal counsel to City Council, Advisory Boards and City staff on all matters involving City policy and administration in a thorough and proficient manner.

**Department Description**

According to the City Charter, Section 2.11, the Naples City Council can employ an attorney-at-law to be known as the City Attorney to “perform such duties as directed by the Council for a term and at compensation to be fixed by the Council”. The Council has selected to contract with a law firm to represent the City in legal matters. The City has an in-house Executive Assistant to assist as needed.

**2015-16 Departmental Goals and Objectives**

**As part of Vision Goal #5 (Maintain and enhance governance capacity for public service and leadership) assist with the preparation of ordinances, resolutions, agreements, contracts, legal opinions and other legal instruments, including those that meet the goals and vision of the City.**

- Improve training and monitoring (preventive rather than reactive) techniques.
- Improve the efficiency of blank and/or sample common legal documents such as liens, releases, and resolutions, orders, notices, and appeals.
- Ordinances – Draft and/or review all ordinances, resolutions and agreements. (Completed bi-weekly in conjunction with agenda item review.)
- Prepare litigation reports to City Council (quarterly).
- Attend and provide legal advice at all regular meetings of the City Council, Planning Advisory Board and Code Enforcement Board, monitor or attend Workshops as needed and assist committees and administrative staff as needed in special circumstances.
- Represent the City before all state and federal courts and all agencies in civil matters (daily basis). File and monitor claims for bankruptcy cases.
- Provide a timely and accurate response to requests for opinions and legal assistance.

**2015-16 Significant Budgetary Issues**

The 2015-16 budget of the City Attorney's office is \$551,930, a \$25,519 increase over the adopted FY 14-15 budget.

There is one position budgeted in the City Attorney's office, with salaries and benefits totaling \$95,870.

The department has \$456,060 budgeted in Operating Expenses. This includes a requested increase in fees for the City Attorney.

# General Fund

## City Attorney's Office (continued)

---

Professional Services (i.e. Transcribing, reporting)	\$10,000
City Attorney contract	\$285,000
City Attorney Litigation as needed	\$120,000
Labor Attorney	\$20,000

The decrease in professional services is due to the historical trend of not exceeding \$10,000. Other costs include law subscriptions and general office expenses, plus \$1,500 in training and travel to ensure the Executive Assistant stays current with legal issues.

In the non-departmental division of the General Fund, there is \$25,000 for professional services budgeted to recodify the Code of Ordinances. This is expected to be a two-year project that will carry into FY 16-17, with another \$25,000 expected in FY 16-17.

## City Clerk

### **Mission Statement:**

The City Clerk is committed to providing the highest quality and level of professional and courteous customer service by creating, maintaining and safeguarding the official records of the City in accordance with state law and the Code of Ordinances.

### **Department Description**

The City Clerk, as the custodian of the official records of the City of Naples, records and maintains all proceedings of the City Council, appointed boards, committees and commissions of the City, prepares minutes for each, and processes all legislation (ordinances and resolutions) for filing. Upon request, the City Clerk provides information to the public from these documents as well as provides assistance to all persons in accessing nonexempt City records, in conformance with state laws. In addition, the Clerk's Office directs the retention program for all City records, operates the City's in-house Records Management Center, and periodically engages in research projects (supplying historical information) for others in the organization. The City Clerk reports directly to the City Council.

### **2014-2015 Department Accomplishments**

- Applied for and received on behalf of the City of Naples the inaugural ACE (Advanced Commitment to Excellence) Award for Innovative and Outstanding Work in Website Transparency from the Florida Government Finance Officers Association on June 15, 2015.
- Implemented the JustFOIA Public Records Request Solution with Municipal Code Corporation Innovations (MCCi) to: ensure that the City of Naples is customer-focused, proactive, consistent and responsible in fulfilling requests by an unlimited number of internal users; allow the public to request records via the City's website; further promote transparency by allowing a variety of reports to be generated in accordance with Florida Statutes Chapter 119.
- Implemented the Granicus Board and Committee application to provide information to the public and easily manage appointments, vacancies and citizen applications online.
- Identified and combined three separate quarterly pension board meetings into one agenda to eliminate duplication.
- Maintained official records of City Council and all Boards and Committees to ensure timely filing of minutes of all groups governed by Florida Statutes Chapter 286 (Sunshine Law).
- The City Clerk conducted and coordinated Public Records Management training:
  - Presented 3 training sessions to City employees on the new JustFOIA Public Records Request Solution (July 16, 2014, August 7, 2014, and April 2, 2015);
  - Coordinated a mandatory Records Management Webinar presented

# General Fund

---

## City Clerk (continued)

- by the Department of State's Division of Library and Information Services Bureau for all City employees that create or maintain public records; and
- Initiated individual department training and records assessments for public records management (City Manager, Mayor and Council, Community Services, Police, and Utilities departments).
- Administered the operation of the City's Records Management Center and acted as the Records Management Liaison Officer (RMLO) with the State of Florida.
- In accordance with State of Florida retention laws:
  - Accessioned and stored 66 boxes at the Records Management Center (RMC) that have not met retention;
  - Disposed 144 cubic feet of documents at the RMC that met retention;
  - Reviewed and processed with the State of Florida an additional 140 cubic feet of records from various departments in accordance with Florida law; and
  - Completed and submitted to the Florida Department of State records management compliance statements for fiscal year 2013-14.
- Maintained: For The Record (FTR) digital recording as a backup to the Granicus software when web video streaming is lost; Granicus Meeting Efficiency Suite software; ImageFlow Lite; and JustFOIA.
- Maintained, created and uploaded additional digitized records for easy public access to the City's website.
- Created, scanned and provided links on a new webpage for archived Operating Budgets, Capital Improvement Projects (CIP) and Comprehensive Annual Financial Reports (CAFR), from 1974 to present.
- Provided links under the Current Topics section on the City's website homepage, including minutes and all City Council packet information regarding Baker Park and the Central Avenue Improvements Project.
- Created and implemented fillable online forms including Board and Committee Candidate Applications, Speaker Registrations, Election Reports and Sam Noe Award Nominations.
- Replaced all unsigned legislation on the City's website from 1925 to present, and improved workflow process to immediately link signed copies.
- Linked City Council meeting packets from 2003 to 2007 to the website for public access (those prior to 2003 are found on microfilm in the City Clerk's Office).
- Continued researching easement and City property records and created a database accessible by City staff for reference.
- Managed the city-owned vehicle titles.
- Instituted electronic recording (e-Recording) of documents through Collier County Clerk of the Circuit Court for efficiency.
- Coordinated with Municipal Code Corporation the linking of ordinances not yet codified on the City's website, and two new additional links called "CodeBank Compare" and "eNotify".

# General Fund

---

## City Clerk (continued)

### **As part of Vision Goal 2b - Promote community sustainability and environmental conservation.**

- Maintain the board and committee application with Granicus to easily manage appointments, vacancies and citizen applications online thereby simplifying the entire administrative process and workflow.
- Enhance the City Clerk's webpage for easy public access to official records.
- Expand the Resource Directory provided on the City's website that allows all customers the ability to look up information according to topic.
- Update pertinent links on the website for notices of all meetings, City contracts and legislation.
- Convert permanent records for 2015 to microfilm for security.
- Maintain coordination with Granicus, FTR, ImageFlow Lite and MCCi.
- Maintain title inventory for City vehicles.
- Attend and record offsite meetings for official records.

### **As part of Vision Goal 4 - Strengthen the economic health and vitality of the City.**

- Update Advertising Manual for consistency with the Florida Statutes and Naples City Code to ensure legal advertising notice compliance.
- Assess efficiencies of board and committee meeting procedures.
- Prepare and distribute news releases of newly appointed and reappointed board and committee members.
- Continue to enhance the Resource Directory on the City's homepage for quick subject reference.

### **As part of Vision Goal 5 - Maintain and enhance governance capacity for public service and leadership.**

- Serve as the Chief Election Official for the 2016 General City election.
  - Coordinate municipal election to ensure it is held in compliance with state law.
  - Create election calendar and Candidate Election Handbook.
  - Post candidate election forms, financial reports, legal notices, precinct map, ballot, calendar and other information on the City's website.
- Implement citywide electronic records and e-mail retention management program.
- Maintain the open records request tracking solution with Municipal Code Corporation Innovations (MCCi) and manage oversight of the database to ensure all requests are fulfilled throughout every department, increasing accountability and providing effective service delivery.
- Continue to train City staff to utilize the open records request tracking solution.
  - Train records coordinators to implement records management practices, including accessioning documents and calculating retention dates of various records series in accordance with retention laws.
  - Monitor inventory for mandatory disposal of records.
  - Maintain searchable database (ImageFlow Lite) by uploading official records for easy citywide access.

# General Fund

## City Clerk (continued)

- Coordinate codification of the City's legislation to maintain accuracy of the Code of Ordinances; verify supplements as received and advise Municipal Code Corporation of corrections; and maintain supplement subscriptions for internal departmental use, including updates.
- Convert official records into reduced-size PDF's for transfer into the Tyler Munis TCME system.
- Provide notarization services and attest affidavits, along with translation services for Spanish and French.
- Maintain operation of computer kiosk in lobby of City Hall.

### 2015-16 Significant Budgetary Issues

The 2015-16 budget for the City Clerk is \$598,136 which is \$35,222 more than the budget adopted for Fiscal Year 2014-15.

The budget for Personal Services is \$537,486, an increase of \$34,622 over the adopted Fiscal Year 2014-15 budget. The department has six positions, the same as FY 14-15. However, the budget includes the annual raise of 3%, an upgrade to the Deputy Clerk and Administrative Coordinator position, plus \$17,480 for a temporary part-time scanning position.

The budget for Operating Expenses has increased by \$600 to \$598,136. This increase is for increased repair and maintenance costs. Major expenses include legal ads (\$14,000), professional services for supplementary amendments to the Code of Ordinances (\$15,500) and training and travel costs for the City Clerk related to the Master Municipal Clerk (MMC) designation and other records management training for the Clerk's staff (\$5,500).

### 2015-16 Performance Measures and Benchmarking

Activity	Actual 2012-2013	Actual 2013-2014	Expected 2014-2015	Projected 2015-2016
Boxes of records disposed	147	263	284	280
Board/committee appointments processed	42	47	36	36
Legislation processed	200	175	181	181
Council meeting hours logged	222.5	226.5	220	220
All other Boards/Committees meeting hours logged	n/a	105	105	105
Public records requested <sup>1</sup> :				
• Total	304	304	876	876
• Building	n/a	n/a	306	306
• Police	n/a	n/a	90	90
• General	n/a	n/a	480	480
Contracts processed	266	114	98	98

<sup>1</sup>It should also be noted that the mere number of requests can be misleading since they can range from an immediate turn-around to several weeks of collecting information for requestors.

## City Manager's Office

**Mission Statement:**

The mission of the City Manager's Office is to deliver governmental services to the citizens of Naples in an efficient and professional manner, to remain cognizant of the City's regional context and proactively plan and maintain productive regional relationships, and ensure that Naples' distinctive character and culture is preserved.

**Department Description**

The City Manager serves as Chief Executive Officer and head of the administrative branch of City government. In accordance with the City Charter, the City Manager is responsible to City Council for the proper administration of all departments, except the Legal Department and the City Clerk. The Department includes the Code Enforcement Division and the Purchasing Division.

The City Manager's duties and responsibilities include the following:

- (a) Enforce all laws, ordinances and contracts of the City.
- (b) Appoint and remove any officers and employees of the City, except those appointed by City Council.
- (c) Prepare the Capital Improvement Program and the annual City Operating Budget for submission to City Council for review and approval and be responsible for the subsequent administration of the approved budgets.
- (d) Prepare a complete report on the finances and administrative activities of the City for the preceding year and submit the report to City Council within ninety (90) days of the fiscal year end.
- (e) Perform such other duties as required by City Council.

The Code Enforcement Division ensures compliance with City ordinances to maintain Naples' character and quality of life, striving to promote, protect, and improve the health, safety, and welfare of the citizens of the City. The Division administers the Code Enforcement Board having the authority to impose administrative fines and other noncriminal penalties to provide an equitable, expeditious, effective, and inexpensive method of enforcing any codes and ordinances.

The Purchasing Division is responsible for assisting departments in the procurement of goods and services in the most efficient and fiscally responsible manner for the City. Procurements are based on fair and open competition, reducing the appearance and opportunity for favoritism, and inspiring public confidence that contracts are awarded equitably and economically. The Division manages the sales of surplus equipment, the Purchasing Card program, and the acquisition and monitoring of grants.

Although budgeted within the Technology Services Fund, Television Production operations report to the Assistant City Manager.

# General Fund

## City Manager's Office (continued)

---

### 2014-15 Department Accomplishments

- Managed the City Operating Budget in a fiscally prudent and responsible manner; finished fiscal year under budget; continued providing quality services; and met the challenges that are part of sustaining the status of a premier city.
- Provided City Council background information about ongoing City issues, programs and undertakings so they could make well informed decisions. Focused on provision of relevant background information of agenda issues to allow sound policy decisions; promptly responded to Council inquiries and requests for services by citizens.
- Supported City Council's goal to maintain the millage rate at 1.18.
- Supported City Council's goal to maintain the current Stormwater and Solid Waste Fees, other than an annual index adjustment.
- Facilitated City Council's strategy to engage and involve citizens in the public policy process through dialog with the Presidents' Council, Homeowner Associations, community organizations, and individual citizens.
- Initiated all budgeted capital improvement projects unless the project was curtailed for sound reason.
- Advanced the Integrated Water Resources Plan by constructing an expansion of the reclaimed water distribution system along Gulf Shore Boulevard North, north of Park Shore Drive and south of Harbour Drive. Additional expansion includes Harbour Drive east to Crayton Road, south along Crayton Road then east on Mooringline Drive to Alamanda Drive.
- Completed Phase I of fire flow improvement plan in Royal Harbor. Phase 2 and Phase 3 construction began and will be completed in February 2016.
- Completed construction of the sanitary sewer system along Bembury Drive, 13th Avenue North, 14th Avenue North and 15th Street North. Also completed construction of the water main along Bembury Drive.
- Completed construction of Aquifer Storage and Recovery (ASR) well #3 at the City's Wastewater Treatment Plant.
- Managed the process of evaluating City buildings, conducted by the AD Morgan Company of Tampa, FL, through the assessment of various external and internal building components including the roof, foundations, structural frame, building envelope, HVAC, electrical, plumbing, site drainage, pavement, sidewalks and landscaping. Evaluations this fiscal year included the City Dock, Naples Landings, City Warehouse, Anthony Park and various Utility Department buildings. Previously completed evaluations provided the basis for funding requests included in the 2015/16 Capital Improvement Plan for scheduling of the replacement of the Fleischmann Community Center HVAC system, replacement of the Community Services Administration Building roof, Fire Station Two renovations, Police and Fire Department Repairs, and Replacement of the Police and Fire Administration roof.
- Implemented HVAC replacement in the Naples Police Administration Building on Riverside Circle.
- Managed an extensive public engagement process, over multiple City Council meetings, to develop a master plan for the planned Baker Park on the Gordon River. Following City Council direction, solicited the services of a park design firm to complete a peer review of conceptual park design alternatives; solicited

# General Fund

## City Manager's Office (continued)

---

- the services of a firm to provide engineering, design and permitting for the bridge connection to the Gordon River Greenway; and solicited the services of a firm to provide a risk assessment of the future Baker Park site. It is anticipated that contracts for these services will be presented to City Council before the end of the fiscal year.
- Managed a process to implement City Council's mid-year direction to conduct a comprehensive performance and management study of the Naples Fire-Rescue Department. This includes analyzing the Department organization, budget, policies, deployment, equipment, capacity and related variables that support or constrain Department needs into the future. It is anticipated the report will be presented to City Council in August 2015.
  - Managed a process to implement City Council's mid-year direction to develop a Parks Master Plan, encompassing all city parks, recreation facilities, and programs. This included the development and distribution of a formal, random, mailed citywide survey seeking input to determine City resident attitudes, interests, and expectations. The survey was released mid-June 2015 with a completion date of July 31, 2015. Responses are to be tabulated and presented to City Council in the fall of 2015.
  - Obtained \$2.2 million in Tourist Development Grant funding for the replacement of decking, railings, utilities, lighting and restrooms at the Naples Pier. Project commenced July 6, 2015 with an anticipated completion date of October 31, 2015.
  - Managed the completion of landscape design for the renovation of medians on Gulf Shore Boulevard North (GSBN) between Admiralty Point Condominium and Sea Gate Drive with input from the Gulf Shore Association of Condominium Property Owners and the Moorings Property Owners Association. The project consists of 41 individual medians on GSBN that span the length of the road from the 2400 block through the 4900 block. An additional 11 medians are located on the east side of GSBN starting just north of Horizon Way that separate public parking from the GSBN roadway.
  - Provided oversight of the Collier County Beach Renourishment project in the City of Naples (Third Avenue South, Lowdermilk Park, and Seventeenth Avenue South beach access points) in conjunction with County staff. Over 78 tons of sand was delivered through truck haul to the Naples beaches with minimal complaint.
  - Completed 60% of the design for the proposed Central Avenue streetscape, roadway, and drainage improvement in collaboration with the Streets and Stormwater Department. This included a public engagement process regarding the utilization of "roundabouts" as a safe and efficient alternative to signalized intersections.
  - Recommended an accelerated capital improvement program to the Community Redevelopment Agency (CRA). The accelerated program is designed to increase public redevelopment efforts to coincide with private development, improve connectivity, and create a sense of place as envisioned for the Heart of Naples. This program was approved by the CRA and is included in this budget.
  - Completed the installation of new signage, parking garage counters, and access control systems at the two Downtown parking garages at the direction of the CRA.

# General Fund

---

## City Manager's Office (continued)

- Coordinated efforts urging the Florida League of Cities to work to maintain the State's interpretation of police and fire pension laws commonly referred to as the Naples Letter. The League agreed to make this position a priority; however, the Florida Legislature approved other legislation. The approved legislation was modified during the legislative session to provide additional premium tax revenue to cities when compared with the original bill.
- Monitored grant opportunities, distributed relevant information to staff, and assisted with program reporting requirements.
- Managed the City's work force to attain objectives established by City Council's Vision Plan.
- Administered collective bargaining agreements with five employee bargaining units. One employee bargaining unit decertified the union in an election conducted by the Public Employees Relations Commission. Two grievances were filed by employees, one was subsequently withdrawn and one is pending at the time of this writing.
- Successfully controlled health claim costs and achieved a 99% participation rate in biometric screenings offered through the Wellness Incentive program. Health claim costs in FY 2014-15 decreased 12.8% compared to FY 2008-09. Medical inflation increased 69% over the same period.
- Successfully defended the City in a federal lawsuit alleging violation of the Family Medical Leave Act (FMLA). The action was filed in 2013 after the City terminated a former employee for poor performance and multiple work rule violations. The jury returned a verdict finding the City did not violate the FMLA.
- Collaborating with community partners, as directed by City Council, to support the Blue Zones Project. Currently serving as co-chair of the Blue Zone Community Policy Committee. The goal of the Blue Zones Project is to provide a community based approach to transform the environment to improve the emotional, physical, and social health of the community.
- Earned the 2015 Achievement of Excellence in Procurement (AEP) certification.
- Purchasing Manager and Coordinator acquired Certified Purchasing Card Professional certifications.

### 2015-16 Departmental Goals and Objectives

#### City Manager

**As part of Vision Goal 5 (Maintain and enhance governance capacity for public service and leadership), strengthen effective Manager/Council relationships through professional and constant communication.**

- Through regularly scheduled workshops, provide City Council Members adequate background information about ongoing City issues, programs and undertakings so they can make well informed decisions.
- Provide an annual work plan of capital improvement projects after careful review and analysis of the City's priorities within the constraints of the budget for approval by City Council.
- Assist City Council in the development of Public Policy through timely preparation of agendas and preparation of policy options and recommendations.
- Seek feedback from City Council as to whether the organization is meeting expectations.

# General Fund

---

## City Manager's Office (continued)

- Respond immediately to constituent requests for services communicated through Council Members to the City Manager.

**As part of Vision Goal 5 (Maintain and enhance governance capacity for public service and leadership), continue to seek participation of Naples residents and community organizations to gain their input and expertise on matters of interest.**

- Meet monthly with the Presidents' Council and meet with association boards to communicate status of programs, goals of City Council, and pending issues of importance. Provide updates on City services and discuss neighborhood issues and ideas for improving services.
- Schedule meetings with representatives from the Naples Area Chamber of Commerce, the Third Street Association, the Fifth Avenue South Business Improvement District, the Naples Airport Authority, and other business and professional associations to discuss issues of importance and to cooperatively develop solutions.

**As part of Vision Goal 5 (Maintain and enhance governance capacity for public service and leadership), work with City employees to achieve goals and objectives outlined in the City's budget.**

- Encourage and support Department Directors to manage all aspects of their operations to achieve established goals and objectives.
- Ensure that the City and its employees are in compliance with all statutory requirements, including accreditations and licenses to help ensure the delivery of high quality service to residents.
- Ensure that City plans, especially the Emergency and Disaster Response Plans, remain current.

**As part of Vision Goal 3 (Maintain an extraordinary quality of life for residents, maintain and improve public amenities for residents, promote community health, and enhance mobility in the City), offer a built environment that encourages healthy behavior.**

- Support the Blue Zones Project in Naples and Collier County. The goal of the Blue Zones Project is to provide a community based approach to transform the environment to improve the emotional, physical, and social health of the community.
- Collaborate in the community assessment process and report to City Council the action required of the City of Naples to become a Blue Zone Community.

### Code Enforcement

**As part of Vision Goal 3 (Maintain an extraordinary quality of life for residents), assist in the development and enforcement of regulations and ordinances.**

- Continue attending monthly Association meetings.
- Maintain a list of foreclosures and coordinate with the Police Department for security.
- Strive to achieve compliance, thereby reducing Code Enforcement board costs.
- Enforce the City of Naples Ordinances to ensure the character and quality of life that the citizens expect.

# General Fund

---

## City Manager's Office (continued)

- Perform proactive inspections for the education of our citizens as it pertains to the Code of Ordinances.
- Respond to all complaints within a 24-hour period.
- Maintain effective working relationships with local, regional, state and federal regulatory agencies.
- Continue to review City of Naples Ordinances and make appropriate recommendations as to additions or changes.

### Purchasing

**As part of Vision Goal 4 (Strengthen the Economic Health and Vitality of the City) implement process improvements, advance ease of doing business with the City, and investigate revenues opportunities such as rebates from purchases made by the City.**

- Reduce printing of Purchase Orders by sending electronically to Vendors. The goal is to have 25% or more of active vendors receive by email.
- Acquire and post W9 forms and Insurance Certificates for all active vendors to an electronic file that is accessible by City staff.
- Electronic notification of bidding opportunities to registered vendors. Goal is to monitor bid participation and compare number of bids received against FY 2015.
- Post executed contracts to Purchasing webpage.
- Submit 2016 Achievement of Excellence of Procurement (AEP) application.
- Support Purchasing Manager's pursuit of Florida Certified Contract Negotiator (FCCN) certification.
- Ongoing updates to Purchasing's webpage for ease of webpage inquiries.
- Monitor grant opportunities and distribute relevant information to staff.
- Increase participation in formal vendor training opportunities.

### **2015-16 Significant Budgetary Issues**

The budget for the City Manager's Department is \$1,023,884, which is \$21,132 less than the 2014-15 adopted budget. The decrease is primarily due to the elimination of the administrative position in the Code Enforcement Division.

The **Office of the City Manager** has a budget of \$601,058, an increase of \$20,999 (3.4% increase). The increase is primarily due to wage increases and the reclassification of a position from Executive Assistant to Office Manager with assignment of additional duties.

The budget for the **Code Enforcement Division** is \$115,237 or \$46,918 less than FY 14-15. The main reason for the decrease is the elimination of the Administrative Specialist, with the corresponding duties moved to the City Managers' office. The Code Enforcement Division has one full time Code Enforcement Officer. The Code and Harbor Manager continues to be funded by three funds: General Fund, the City Dock Fund and the Beach Fund. Operating Expenses are \$10,550, \$600 more than the FY 14-15 budget, with the only change being in the costs of Equipment Services and Fuel.

# General Fund

## City Manager's Office (continued)

The budget for the **Purchasing Division** is \$307,589 or \$4,787 more than the FY 14-15 budget. The primary reason is due to an increase in operating supplies requested and trade show expenses.

## Planning Department

**Mission Statement:**

The mission of the Planning Department is to provide the highest standard of customer service and public involvement while professionally implementing the City's Vision, Comprehensive Plan, and Code of Ordinances.

**Department Description**

The Planning Department is responsible for overseeing the development of the City in accordance with the City of Naples Comprehensive Plan and Comprehensive Development Code. This Department also manages the review process for granting zoning variances, planned developments, rezone requests and other land-use issues and provides staff support to the Planning Advisory Board, Design Review Board and Public Art Advisory Committee.

The Planning Department's duties and responsibilities include the following:

- (a) Enforce the Land Development Code through the processing of petitions and review of building permits;
- (b) Provide zoning information and interpretations of the code;
- (c) Process planning petitions to the Design Review Board, Planning Advisory Board and City Council;
- (d) Process public art petitions to the Public Art Advisory Committee and City Council;
- (e) Provide notice of public meetings associated with planning petitions;
- (f) Maintain the City's comprehensive plan.

**2014-15 Department Accomplishments**

- Provided regulations governing medical marijuana should it be legalized by the State.
- Clarified the regulations on the outdoor display of merchandise in the D Downtown.
- Amended the permitted uses in the Fifth Avenue South Overlay.

**2015-16 Departmental Goals and Objectives****As part of Vision Goal #1 (Preserve the City's distinctive character and culture) amend and update the City's Comprehensive plan as necessary**

- Complete the assessment of the comprehensive plan for consistency with statutory changes in anticipation of the 2016 reporting requirements.

**As part of Vision Goal #1 (Preserve the City's distinctive character and culture) amend the Code of Ordinances**

- Coordinate with the City Attorney on a recodification of the Code of Ordinances with specific focus on the Land Development Regulations.
- Review parking and development regulations in the CRA and recommend further planning studies and regulatory changes.
- Improve the landscape code.
- Create uniform standards for land usage with a user friendly format.

**As part of Vision Goal #3 (enhance mobility in the City) review requirements**

- Work with the Streets and Stormwater Department to determine mobility strategies consistent with Blue Zone principals including developer obligations for improvements.

# General Fund

---

## Planning Department (continued)

**As part of Vision Goal #5 (Maintain and enhance governance capacity for public service and leadership) provide for the efficient review and processing of petitions and monitoring of permits**

- Continue to expedite building permit review.
- Work with GIS to make past petition information available online.

### **2015-16 Significant Budgetary Issues**

The Planning Department is projected to collect \$42,000 in planning fees. These are shown as General Fund Revenues.

The budget of the Planning Department is \$428,834, \$10,568 more than the FY 14-15 adopted budget. Personal Services are \$389,614, an increase of \$15,568 over the FY 14-15 budget due primarily to increasing the part-time Administrative position to full time. Specifically, in FY 15-16 the Senior Administrative Specialist part time position will be replaced with a Planning and Zoning Technician full time position in order to provide improved customer service.

In addition to the 3.5 positions shown in this department, one and a half Planner positions are funded from the Building Permit Fund to assist in expediting plan review.

Operating expenditures decreased by \$5,000 due to a decrease in the need for scanning of files.

## Finance Department

**Mission Statement:**

The mission of the Finance Department is to provide to City Council, staff, residents and guests of Naples all municipal financial business needs, efficiently and professionally, and to ensure City resources are used for City purposes through a combination of efficient transaction processing, effective internal controls, and accurate financial information. In a spirit of excellence, integrity and dedication, the highest standards of accounting, financial reporting, budgeting, investments, and revenue collections shall be followed and promoted.

**Department Description**

The Finance Department operates in three funds: General Fund, Beach Fund and Water/Sewer Fund. In the General Fund, the Division of Finance/Accounting is assigned with a distinct set of financial responsibilities. This Department, as a whole, is responsible for maintaining City-wide internal controls and financial accountability.

**Finance/Accounting** is responsible for all general accounting duties of the City, such as fixed assets, accounts payable, annual audit, payroll and the preparation of all City financial reports such as the Comprehensive Annual Financial Report. This section is responsible for the preparation of the City's Budget, financial budgetary controls, the management of all debt, the investment of surplus funds, and the acquisition and monitoring of grants. The Division also collects revenues for the City, such as parking fines, landscape certifications, and utility bill payments.

**Utility Billing/Customer Service** (with seven positions) is shown in the Water Sewer Fund. This division is responsible for reading meters, turn offs, customer assistance, billing, estoppels, general billing, utility billing and business tax receipts.

**Beach Fund Administration** (with one budgeted position) is responsible for the collection of money from parking meters.

**2014-15 Department Accomplishments**

- The seventh annual sustainability report was presented to City Council to assist in the development of a long-term sustainable budget strategy.
- Earned the Certificate of Achievement for Excellence in Financial Reporting Program from the Government Finance Officers Association (GFOA) for the 33rd year in a row.
- GFOA recognized the City's budget with the Distinguished Budget Presentation Award for the 9th consecutive year.
- Conducted Fourth Annual Pension Educational Symposium.
- Cost-savings efforts continued by temporarily eliminating ½ of a position by combining duties in meter reading, beach parking and coin collection.
- Continued polices to reduce the greater than 90 day collections to \$266,388.
- Coordinated the issuance of the debt for the Bembury Special Assessment.
- Conducted a ghost employee check with no violations found.
- Coordinated the transfer of banking services from Fifth Third to First Florida Integrity Bank.

# General Fund

## Finance Department (continued)

---

- Coordinated the transfer of lockbox services from Iberia to First Florida Integrity Bank.
- Enrolled 10% of dock tenants and retirees not currently on pension deduction for bank draft.
- Audited all general billing customer accounts for accurate billing.
- Redesigned general billing invoice to include prepayments, past due balances and current amount due.
- Configured the general billing module for emailing of invoices.
- Notified all City Dock customers with past due balances of their outstanding balances and collected on six accounts past due.
- Audited all reuse customer accounts to ensure proper billing for base fees and availability charges.
- Audited the multifamily/county and independent living water accounts to update number of units to be billed.
- Conducted all meter readings on a 59-61 day schedule and billed within a week of these reads.
- Conducted transfers of property owners and generated final bills within a week of complete receipt of information.
- Audited parking tickets for over/underpayments and reconciled balances.
- Implemented the replacement program for the Parking meters, with five departments participating to successfully install 30 multi-space pay stations at beach ends, the Pier, Lowdermilk Park and the Landings.
- Generated 4000 business tax renewals for the fiscal year.
- Enrolled all employees in direct deposit of their payroll checks or for the WEX payroll card (1).
- Enrolled all employees to receive payroll advices via email.
- Scanned all daily cash receipts for easier and more efficient records retrieval and storage.
- Enrolled an additional 41 existing vendors in our Electronic Funds Transfer (EFT) payment program.
- Reorganized Accounting staff into one office area creating logistical improvement within City Hall.

### 2015-16 Departmental Goals and Objectives

#### As part of Vision Goal 4 (Strengthen the economic health and vitality of the City)

- Plan an informational blitz to increase bank draft participation to 32% (from 31%).
- Update the Chart of Accounts to eliminate redundant account codes.
- Conduct an employee verification (Ghost employee check) for audit purposes.
- Ensure that one additional employee becomes certified in governmental finance.
- Determine plan of action for continuation of beach pay stations for FY 15-16.
- Publish the FY 2015 CAFR and submit to GFOA's Award Program by March 25, 2016 and maintain an unqualified opinion by the independent external auditors.
- Publish the FY 15-16 Budget and submit to GFOA's Award Program by December 25, 2015.
- Implement GASB 68 *Accounting and Financial Reporting for Pensions*.

# General Fund

## Finance Department (continued)

- Publish the quarterly financial reports by the 11<sup>th</sup> of the following month, and soft closing of the books by the 16<sup>th</sup> of the month.
- Conduct quarterly assessment of business tax receipt renewals.
- Annually review and write off utility balances in accordance with policy.

### 2015-16 Significant Budgetary Issues

The General Fund budget of the Finance Department is \$1,061,383, an increase of \$40,584 over the adopted FY 2014-15 budget. The primary reason for the \$40,584 increase is the annual raise with benefits and the new education reimbursement.

Operating Expenses are \$132,985, an increase of \$5,555 over FY 14-15. Training and Travel costs are \$8,025 and are an important item in this budget, due to the many professionally certified (CGFO, CPFO and CPPT) employees who are required to maintain education levels to keep their certification, and due to the ever changing accounting regulations. The Department budgets \$9,000 for the City Information Booklet, designed to inform residents, new and old, regarding all aspects of Naples. The department budgeted \$2,180 for advertising to cover the cost of budget ads required by law.

**Utility Billing/Customer Service** is fully budgeted in the Water Sewer Utility Fund.

### 2015-16 Performance Measures and Benchmarking

Benchmarking	Naples	Fort Myers	Marco Island	Cape Coral

## Fire- Rescue Department

### **Mission Statement:**

The City of Naples Fire-Rescue Department is committed to the preservation and protection of life, property, and environment from the adverse effects of fire, medical emergencies, and hazardous conditions through sustained training, progressive education, and constant diligence to provide the highest level of customer service possible. Ethical values will remain the core of every decision made by each member of the Department.

### **Department Description**

The Fire-Rescue Department provides a wide array of life-saving, life-safety and property protection responsibilities. The Department provides fire suppression, response and treatment of medical emergencies, technical rescue incidents such as elevated victim, trench, collapse, vehicle and machinery extrication, marine search and rescue and dive rescue operations, hazardous materials response and environmental mitigation, fire prevention and investigation activities and emergency management operations.

### **2014-15 Department Accomplishments**

- The Fire-Rescue Department has written specifications, selected a vendor and in the process of purchasing a second Quick Response Vehicle to be placed in service as Rescue Co. 1. This new rescue vehicle will be able to maneuver through the City's smaller streets easily and have the ability to deploy a vast array of rescue equipment including Advanced Life Support, Vehicle Extrication Equipment and onboard lighting, etc.
- The City of Naples and Fire-Rescue Staff has worked to present a Master Plan of the Fire-Rescue Department. A Selection Committee selected Public Safety Solutions Inc., a public safety consulting firm located in Maryland, to provide a thorough overview of the Department including personnel, staffing, station locations, apparatus and future strategic plans.
- Fire-Rescue has been working to monitor times of responding apparatus and identify areas of concern. The goal is to meet the national standard times of NFPA 1710; a Standard Operating Guideline has been produced, and is in the process of being vetted to ensure that proper apparatus with the proper personnel are being dispatched.
- The Fire-Rescue Department has worked with the Collier County Sheriff's Office (CCSO) to install an Alerting System (Locution) Master Control Box in all City of Naples Fire Stations. This will enable the City of Naples Fire-Rescue Department and the Dispatch Communications Center to ensure quicker response times by all fire units.
- Purchased new NFPA compliant Self Contained Breathing Apparatus (SCBA). This was year four of a five-year plan to replace older SCBA's with newer technology which will ensure safety, effectiveness and efficiency.
- Purchased new Fire-Rescue portable radios. Collier County as a whole has made the change to Harris Radios. These new P25 compliant radios will enhance communications and interoperability between organizations on large scale and mutual aid incidents.
- The Fire-Rescue Department has purchased and deployed new P25 compliant base and mobile radios in the fire stations and apparatus that will enhance communications and interoperability between organizations and assist in dispatching our fire apparatus.

# General Fund

## Fire-Rescue Department (continued)

---

### 2015-16 Departmental Goals and Objectives

**As part of Vision Goal #3 (Maintain and enhance public safety) ensure the Naples community the most effective response to calls for service.**

- Continue to develop the Location Alerting System for the Fire Stations including software, hardware, procedures and actions of personnel. Once all aspects are installed; Fire-Rescue will analyze the Alerting System to ensure quicker response times by all fire units.
- Analyze current Standard Operating Guidelines (SOGs) and update guidelines as needed. Vet the process thoroughly to ensure all SOGs are addressed and proper.

**As part of Vision Goal #5 (Maintain and enhance governance capacity for public service and leadership) provide the Naples community, its residents, workers, and visitors high quality fire protection, medical rescue, and emergency preparedness services.**

- To purchase a new Battalion Chief's Vehicle (B01) to be put in service at Fire Headquarters. Achieving this goal will provide better command and control at fires and large incidents.
- The Master Plan of the Fire-Rescue Department will be delivered and our goal to begin implementation of recommendations that will provide adequate personnel, staffing, stations and locations, apparatus and future strategic plans.

**As part of Vision Goal #4 (Strengthen the economic health and vitality of the City) administer and deploy human and material resources within authorized budgets, operations plans and programs to enhance the service provided by the Fire-Rescue Department.**

- The Fire-Rescue Boat will be placed into service and will be a valued apparatus for search and rescue, emergency medical services and environmental mitigation operations. To enhance and increase its operational value, to include fire extinguishment, our goal is to add, a 500-750 GPM fire pump.
- Continue five-year plan (year five) to purchase and place into service new Self-Contained Breathing Apparatus (SCBA) to increase and enhance City firefighting capabilities, safety, effectiveness and efficiency.
- Continue the Fire-Rescue portable radios replacement program. This is year five of a five-year project.

# General Fund

## Fire-Rescue Department (continued)

---

### FY15-16 Significant Budgetary Issues

The budget of the Fire-Rescue Department for FY 15-16 is \$9,008,027, an increase of \$23,992 over the FY 2014-15 adopted budget. Although the budget includes 2% raise for the fire union employees and a 3% raise for others, the salaries did not increase significantly due to some recent turnovers, and subsequent replacement of employees at lower rates. Also included in this budget is an increase in the Operating Supplies account mainly due to increased medical call volume which requires an increase in medical supplies.

The largest expenditure of the Fire-Rescue Department is Personal Services, making up 93.1% of the budget. Personal Services is at \$8,389,732 an increase of \$1,363. The fire retirement contributions are budgeted at 36%, using the beginning of the year funding method. This funding method saves approximately \$81,000 over making regular payments throughout the year.

Operating Costs in the Fire-Rescue Department total \$609,095 a \$19,429 increase over the FY 2014-15 adopted budget. The major expenses are:

Equipment Services-Repairs	212,000
Contractual Services	45,275
Operating Supplies	37,400
Educational Reimbursement	21,000
Training	39,300
Bunker Gear	28,500

Non-operating expenses total \$9,200 and include an AED Replacements and Ice Machine for Fire Station No. 2. These items cost less than the established minimum (\$10,000) for the Capital Improvement Program threshold and are therefore not part of the CIP.

### FY 15-16 Capital Improvement Projects

Although capital projects for the Fire-Rescue Department are funded in the Public Service Tax/Capital Improvement Fund, they are also listed at the end of this section. The budget for the Fire-Rescue Department capital projects is \$597,000. Projects include replacement of command vehicles, Locution software and hardware to enhance dispatch and a fire pump for the new Fire-Rescue Boat. Also included are ongoing projects such as upgrades of mobile and base radios throughout the Department, replacing portable radios that have reached the end of their service life with new technology that enables interoperability between agencies and replacement of Self Contained Breathing Apparatus.

## Community Services Department

### **Mission Statement:**

To provide exceptional parks and parkways, recreation, waterfront maintenance and facilities management in a cost effective, efficient and professional manner and to provide the citizens, employees, and contractors with professional customer service.

### **Department Description**

In the General Fund, the Community Services Department consists of four major divisions: Administration, Parks and Parkway, Recreation, and Facilities Maintenance.

Community Services **Administration** is responsible for the management of the divisions, coordinates special events, and manages several areas not included in the General Fund. These areas include: the Tennis Fund, Lowdermilk Park and Beach Maintenance in the Beach Fund, Maintenance in the Community Redevelopment Agency (CRA) Fund and the Community Development Block Grant (CDBG).

The **Parks and Parkway Division** handles the maintenance of the City rights-of-way and medians, as well as managing the over 26,000 trees planted within the City's landscape.

The **Recreation Division** includes the various Parks and Community Centers located throughout the City. Centers of activity include Cambier Park and the Norris Community Center, Fleischmann Park, "the Edge" (Johnny Nocera Skate Park), Anthony Park, River Park, River Park Aquatic Center and the Naples Preserve.

The **Facilities Maintenance Division** is responsible for the repair, modification and maintenance of City owned facilities.

### **2015-16 Departmental Goals and Objectives**

#### **Community Services/Recreation**

**As part of Vision Goal #5 (maintain and enhance governance capacity for public service and leadership), administer all services and divisions within the Department and provide a full range of recreation facilities and services for residents and visitors**

- Coordinate and schedule a seasonally adjusted annual plan of cultural, athletic and general recreational programs and services inclusive of youth, adults and senior adults.
- Recreation staff to review program services availability, efficiency, eliminate redundant programs, low attendance programs and cost recovery with targeted reviews in December 2015, March 2016, June 2016 and September 2016.
- Coordinate scheduling and completion of several capital improvement projects prior to August 30, 2016.

**As part of Vision Goal #5 (maintain and enhance governance capacity for public service and leadership), provide quality recreation, cultural and athletic programs, activities and events**

- Continue to expand and update program services information on the City's Web site on a weekly basis or as needed basis throughout the fiscal year.

# General Fund

## Community Services Department (continued)

---

- Continue to maintain a new computerized data base for online and onsite program/activity registration at actively programmed parks; to identify programs and users; update quarterly with reviews in March 2016, June 2016 and September 2016.
- Conduct a monthly review of external funding opportunities such as grants and sponsorships to supplement City funding for program services and the urban forest program.

### Parks and Parkways

**As part of Vision Goal #1 & 3C (preserve the Town's distinctive character and culture; establish more open and green space), maintain healthy, mature plantings.**

- Monitor, maintain and expand the City-wide Urban Tree Forest through internal staff and contracted services including tree trimming, removal and replacement programs.
- Prepare bid specifications, receive competitive bids, and plant a minimum of 250 trees through the Tree Fill-in and Replacement Program prior to August 31, 2016.
- Monitor and act on 100% of tree ordinance violations within 30 days of observation or reporting.

**As part of Vision Goal #3A (Maintain and improve public amenities for residents) provide project management for landscape beautification needs**

- Coordinate, monitor and adjust appropriate seasonal planting schedules regarding City-wide plant maintenance and restoration for City parks, medians and rights-of-way on a monthly basis.

### Facilities Maintenance

**As part of Vision Goal #3 (maintain an extraordinary quality of life for residents), provide safe and functional public facilities, beach access locations and playgrounds throughout the City**

- Conduct a physical review of all public facility building conditions through annual inspections with written preventative and repair recommendations.
- Complete all priority safety work orders within an average of 5 working days from issuance and non-safety work orders within an average of 10 working days from issuance.
- Monitor and maintain all City playgrounds according to national playground safety program standards every weekday.

**As part of Vision Goal #3 (maintain an extraordinary quality of life for residents), provide management and oversight of capital improvements assigned within the Facilities Maintenance Division as outlined within FY 2015/16 CIP**

- Monitor and schedule a routine and sustainable preventative maintenance program addressing replacement and maintenance of HVAC components, interior and exterior structural and equipment needs, lighting components, painting, etc. within all citywide public facilities as needed responding to repairs within 48 hours of observation or notification and within funded resources.
- Assemble, install and maintain exterior replacement site amenities such as picnic tables, trash containers, drinking fountains, outdoor showers, benches and bike racks at City parks and public facilities within funded resources on a monthly basis.
- Provide a routine maintenance program to be monitored monthly for the replacement of exterior informational and directional signage throughout all public parks and public facilities.

# General Fund

## Community Services Department (continued)

- Continue the physical assessment program of several public facilities by contractor identifying long-term structural needs and replacements, estimating useful life of individual buildings and identifying a funding strategy and timeline to address deficiencies; to be completed by June 30, 2016.
- Coordinate scheduling and completion of several capital improvement projects prior to August 30, 2016.

### 2015-16 Significant Budgetary Issues

The 2015-16 budget of the Community Services Department is \$7,913,089, a \$547,856 increase over the adopted budget of FY 14-15. The primary reason for this increase (discussed previously in the letter of transmittal) is the transfer of \$395,000 of operating expenses related to Facility and Park Repairs and Renovations, from the Public Service Tax Fund as a capital item, to the General Fund as an operating expense. The department has offsetting revenues from program income such as camp fees, tournaments and the Skate Park donation.

Fees generated are typically designed to recover the direct costs of the program offered, not to offset the entire program and facility. The following summarizes the program income that helps offset the costs of the recreation locations:

	Division Revenue	Division Costs	Percent of Expense
Fleischmann Park	\$379,950	\$911,325	42%
Norris Community Center (Cambier)	\$222,000	\$424,028	52%
River Park, Anthony Park, and Pool	\$119,850	\$961,193	12%

The revenues from the various programs cover only a portion of the costs of running those services and sites. Because many of the City's recreation programs have a "free" element, such as basketball courts or passive park areas, funding from alternate sources support facilities and programs. These sources include local taxes, state shared revenue, and \$600,000 available through an inter-local agreement with Collier County.

The Community Services Departments hires many temporary part time positions for camp and recreational programming. Wages totaling approximately \$561,936 are appropriated annually for approximately 66.5 temporary part-time positions. These positions include counselors, program aides, assistants, lifeguards and instructors. The actual number of positions varies, depending on the number of hours each employee is able to work. The wages are budgeted as part of "Other Salaries and Wages" but the positions do not show in the position summary as budgeted positions.

The **Administration** Division budget is \$595,906, a \$12,487 increase over the adopted budget of FY 14-15; the increase is primarily due to the annual salary increase. Operating Expenditures are \$66,400, the same as the past two years. The most significant expenditures are Operating Expenditures (\$28,000) which is for advisory board expenses, special event advertisements and the Ambassador Program and Printing (\$15,000) for brochures, fliers and promotional materials.

# General Fund

## Community Services Department (continued)

The **Parks and Parkways** Division, which maintains and beautifies City rights-of-way and medians, has a budget of \$3,361,768, a \$92,528 increase over the adopted budget of FY14-15. In this Division, salary and benefits have decreased by \$1,222, primarily due to staff turnover and replacement at lower (entry-level) salaries.

There are two notable differences from FY 14-15. Tree-trimming is increased by \$50,000 to ensure that hardwood trees are kept maintained on a regular schedule. A new line item in the Community Services Department, including the Parks and Parkways Division, is the Repair and Maintenance Level of Service. That programming was, until this budget, considered a Capital Project and budgeted in the Public Service Tax Fund. The items procured under this project were low-dollar maintenance items and are more suited to be funded as a repair/maintenance item in the General Fund.

The Parks and Parkways staff maintains many City sites such as cul-de-sacs and beach accesses, and where appropriate, maintenance work is outsourced. The largest item in this division's budget is "Other Contractual Services", budgeted at \$1,500,000 which includes:

City Wide Landscape Maintenance	\$ 700,000
Palm and Hardwood Tree Trimming	\$ 460,000
Other Specialized Services (i.e. Mulch, Bee Removal, Deep Root Fertilization, Tree Hazard Assessment, Lethal Yellow Inoculations, etc.)	\$ 220,000
Planting and Transplanting	\$ 70,000
Tree Removal/Stump Grinding	\$ 50,000
<b>Total</b>	<b>\$1,500,000</b>

The **Facilities Maintenance** Division budget is \$1,609,018 or \$280,258 more than FY 14-15. Personal Services of \$681,893 increased \$17,633 over FY 14-15, primarily due to the annual increase.

Operating Expenses are \$927,125, an increase of \$262,625 over FY 14-15. There are two main reasons for this increase. First, like the Parks and Parkways Division, there is a new Repair and Maintenance Level of Service line item. That programming was, until this budget, considered to be a Capital Project and budgeted in the Public Service Tax Fund. The items procured under this project are low-dollar maintenance items and are more suited to be funded as a repair/maintenance item in the General Fund. Second, there has been a marked effort for this division to provide enhanced levels of services to the facilities of the City, to ensure that they stay well maintained. Two line items were increased by \$50,000 each to meet that objective.

The **Recreation** Divisions' budgets are \$2,346,397, representing a \$162,583 increase over the FY 14-15 budget. This includes the expenses of Fleischmann Park, Cambier Park/Norris Center, River Park/ Anthony Parks, River Park Aquatic Center and Naples Preserve. The primary reason for increase is, like the Parks and Parkways Division, there is a new Repair and Maintenance Level of Service line item. That programming was, until this budget, considered to be a Capital Project and budgeted in the Public Service Tax Fund. The items procured under this project are low-dollar maintenance items and are more suited to be funded as a repair/maintenance item in the General Fund. These line items were a total of \$180,000 in repair and maintenance costs at these facilities.

# General Fund

---

## Community Services Department (continued)

There are eight and ½ budgeted positions in the Recreation Divisions. There is one change from FY 14-15, where a Park Manager was modified to a Recreation Supervisor, with a net expected savings of approximately \$43,000.

### 2015-16 Capital Improvement Projects

Although capital projects for the Community Services Department are funded in the Public Service Tax/Capital Improvement Fund (Fund 340), they are also listed at the end of this section at a cost of \$615,000. This list does not include the construction of the new Baker Park, which is budgeted as a separate fund.

## Police Department

**Mission:**

To ensure a safe, secure and orderly quality of life environment within the City of Naples, through highly disciplined public servants collectively trained for and committed to the prevention and control of unlawful conduct, safety hazards, and the provision of emergency and human services, accomplished with dignity and respect for all people.

### Department Description

The Police Department is responsible for safeguarding the lives of individuals and their property, reducing criminal victimization, and the fear of crime, while enhancing public safety and the overall quality of life in the community.

The department is led by the Chief of Police who establishes the goals for the organization, provides vision and direction, as well as managing and overseeing all essential functions. The Police Department is divided into two bureaus, each of which is under the command of a captain.

The Operations Bureau provides uniformed police services, responds to calls for service, conducts officer-initiated investigations, maintains public order, engages in crime reduction strategies and conducts traffic enforcement. This bureau is also responsible for conducting detailed follow-up investigations, collecting evidence, identifying crime trends, and suspects in criminal cases, which enhances clearance rates and convictions. There are several specialty units within the Operations Bureau, which include the Community Policing Unit, the Crime Suppression Team, Marine Patrol, Traffic Safety, and the School Crossing Guards.

The Administrative Services Bureau is responsible for managing the department's budget and fiscal matters, the recruitment, hiring, and training of personnel, conducting internal investigations, processing records, maintaining the police facility, meeting law enforcement accreditation standards, as well as receiving and dispatching all calls for police and fire services.

### 2015-16 Departmental Goals and Objectives

**As part of Vision Goal 3 (Maintain an extraordinary quality of life for residents) reduce criminal victimization and Part 1 crimes (as defined by the Uniform Crime Reporting Program) through the development of planned responses to emerging crime trends**

- Monitor the occurrence of Part 1 Crimes.
- Prepare targeted area response plans utilizing citizen tips, identifying crime trends, utilizing predictive policing strategies, and criminal intelligence data.
- Coordinated response through the use of Community Police Officers, Crime Suppression Team, Traffic Enforcement Officers and Patrol Officers.

# General Fund

---

## Police Department (continued)

- Enhance education efforts to assist citizens in identifying suspicious behavior, and reporting it to the police, as well as providing them information on how to safeguard their personal property.
- Increase citizen participation by attending community meetings.
- Continuous assessment of tactics and results.

**As part of Vision Goal 5 (Maintain and enhance governance capacity for public service and leadership) create and deliver internal police training initiatives that prepare officers to reduce crime, deliver services in a professional and ethical manner and enhance safety practices**

- Meet all state mandatory training requirements for human diversity, emergency driving, firearms, ethical behavior, investigative techniques, and community policing.
- Review and update all general orders, policies and procedures in accordance with law enforcement accreditation standards.

**As part of Vision Goal 3 (Maintain an extraordinary quality of life for residents) maintain safe thoroughfares for vehicles, cyclists and pedestrians**

- Identify locations with high instances of motor vehicle crashes and pedestrian accidents.
- Conduct targeted traffic enforcement in high incident locations.
- Monitor and control traffic in school zones.

**As part of Vision Goal 3 (Maintain an extraordinary quality of life for residents) ensure effective response to high priority calls for service**

- Monitor percentage of code three calls with a response time under 5 minutes.
- Monitor percentage of incoming calls received and dispatched under 50 seconds.

**As part of Vision Goal 3 (Maintain an extraordinary quality of life for residents) maintain a case clearance rate for UCR Part 1 Crimes that meets or exceeds the average for law enforcement agencies in Collier County.**

- Track the number of criminal cases assigned to Criminal Investigations for follow-up.
- Track the number of cases presented and accepted for prosecution by the State Attorney's Office. Review reasons for non-acceptance.
- Track the number of Part 1 Crimes cleared.
- Ensure officers and detectives receive relevant training to enhance investigative knowledge, skills and abilities.

### 2015-16 Significant Budgetary Issues

The budget of the Police Department is \$12,203,609, an increase of \$296,433 over the adopted FY14-15 budget. There are no changes in staffing levels for 2015-16. The budget includes a 3% increase in wages. The police pension is budgeted with the required contribution rate increasing from 40% to 45.54% (a 13.9% increase).

# General Fund

## Police Department (continued)

**Administration** has a budget of \$648,264, a decrease of \$445 from the 2014-15 budget. Despite the annual raise, a change in assigned employees caused a decrease in expenses for this division. The department reflects a new line-item for Education (Tuition) Reimbursement. Most of this has been moved from Travel and Training, and reflects the employee benefit status of tuition reimbursement.

The budget for **Police Operations Bureau** is \$8,927,252, a \$282,684 increase over the FY14-15 budget. The main area of increase is salaries and wages, due to the 3% contractual pay raise, and retirement contributions, which is approximately 45% of salaries for police officers.

The budget for **Support Services** is \$2,628,093, a \$14,194 increase over the adopted budget of FY 14-15. Personal Services increased by \$10,191 due primarily to the budgeted annual raise. Operating Expenses of this bureau are \$774,877, an increase of \$4,003. The Support Services Division pays for most of the general operating costs for the Police Department, such as phones, uniforms and vehicle maintenance.

### 2015-16 Capital Improvement Projects

Capital projects for the Police Department are funded in the Public Service Tax/Capital Improvement Fund (Fund 340) and they are also listed at the end of this section. The cost of police capital projects for FY 2015-16 totals \$1,071,168. This includes half of the total cost for a new records management system. Other items are equipment and vehicle replacements or major repairs.

## Human Resources Department

**Mission Statement:**

The mission of the Human Resources Department is to provide quality customer-driven Human Resource services for the City's most valuable assets, its employees, by ensuring that the City recruits, develops, recognizes and retains the best talent possible to deliver quality public services to the citizens and visitors of Naples.

**Department Description**

The Human Resources Department handles all employment-related issues for the City of Naples. This includes recruitment and retention, background checks, pay and classification studies, discipline, training, employee and labor relations. The Department is responsible for the management of all union contracts and ensures employees' compliance with the City's Personnel Policies and Procedures. The Human Resources Director is also responsible for Risk Management and Employee Benefits, which are both Internal Services Funds discussed later in this document.

**2014-15 Department Accomplishments**

- Completed revision to the entire Personnel Policies & Procedures Manual consisting of 27 Sections.
- Assisted management and legal counsel in decertification process of one bargaining unit within the GSAF/OPEIU.
- Implemented a city wide employee wellness initiative, branded Wellness in Naples (WIN).

**2015-16 Departmental Goals and Objectives**

**As part of Vision Goal 4 (Strengthen the economic health and vitality of the City), achieve Blue Zone Project worksite approved status.**

- Implement Blue Zone Project leadership, purpose, engagement, and policy best practices for all employees.
- Earn at least 72 out of 114 possible points by implementing pledge actions to become worksite approved.

**As part of Vision Goal 5 (Maintain and enhance governance capacity for public service and leadership), provide strategic leadership, direction and expertise in complex labor and employee related matters.**

- Continue to develop and conduct a variety of employee training and learning programs that enhance specific skills in the areas of leadership, supervision, effective communication and performance management.
- Assist in the collective bargaining process with GSAF/OPEIU

**As part of Vision Goal 5 (Maintain and enhance governance capacity for public service and leadership), monitor legislative and regulatory initiatives at the federal, state, and City level to ensure departmental and employee compliance with current laws, policies, procedures and best practices.**

- Revise Personnel Policies and Procedures as needed to ensure compliance with current laws and procedures and train appropriate personnel.
- Keep abreast of legislative changes as well as union contracts that impact all terms, benefits, privileges and conditions of employment.
- Continue to research and perform competitive analysis of benefits, wages, and policies of surrounding agencies.

# General Fund

## Human Resources Department

### 2015-16 Significant Budgetary Issues

The budget of the Human Resources department is \$542,662, a \$22,891 increase over the 2014-15 budget.

There are four positions budgeted in the Human Resources department, the same as in FY 14-15, for a cost of \$448,265, a \$23,842 increase. The salary increase was due to a reclassification of the Sr. Human Resources Generalist to Compensation and Benefits Manager, and an annual pay increase to staff.

There are no other significant changes in this department's budget.

### Performance Measures

## Non-Departmental, Transfers and Contingency

### Department Description

The City uses this section of the budget to account for items that impact the entire General Fund and cannot efficiently be allocated to an individual department. Non-departmental includes two separate sections:

**Non-Departmental** is a grouping of accounts from which the City Manager or his designee has authority to expend. These accounts are usually either one-time in nature, such as an election or a special project, or do not fit within a departmental category.

**Contingency and Transfers** represents the amount reserved for contingencies and emergencies, and any transfers (subsidies) to other funds.

### 2015-16 Significant Budgetary Issues

**Non-Departmental** has a budget of \$2,996,544, an increase of \$141,855 from the adopted FY 14-15 budget. Significant changes from prior years include:

Increase in Contractual Services due to Comp plan and City Code Recodification plan	\$27,639
2015 Performance Incentive Program	\$50,000
Insurance	\$76,002
Technology Services	\$11,714
Employee Awards	(\$5,600)

**Contingency** is budgeted at \$410,000. The City typically budgets 1% to 1.5% of the General Fund budget for Contingency. Only City Council has the authority to direct staff to use funds from the General Fund Contingency account, which may be allocated throughout the year for unbudgeted or unplanned needs of the City.

**Transfers Out** has a budget of \$47,500 to the Tennis Fund. The \$47,500 is for a continued contribution for community-wide programming that is considered above the Tennis membership's financial responsibility. This contribution is based on an evaluation of the events and use of the facility. Approximately 30% of the time, the facility is used for tournaments and public events, when the facility is not strictly available to the members for their pleasure. For that reason a General Fund payment to the Tennis fund in the amount of \$47,500 is appropriated.

# General Fund

## Non-Departmental, Transfers and Contingency

---

### City Administrative Reimbursement

The General Fund is the primary operating fund of the City of Naples. Supported primarily by property taxes and sales taxes, the General Fund is the financial entity that provides police, fire and recreation and planning services to the community. In addition, it provides the administrative framework that operates the City, such as City Council, City Clerk, Financial Operations and Human Resources. Without this framework, the city would find itself in non-compliance and ineffective.

These latter services are funded as part of the General Fund, yet they provide the framework to the entire government, even those that have their own individual funding sources, such as the Water/Sewer fund, Building fund, or the Community Redevelopment Agency.

Governments typically find it reasonable and fair to charge the non-general fund departments for a portion of the administrative departments. The City of Naples does so, using a simple allocation method based on dollar value of budget and number of employees.

The Administrative reimbursement is budgeted as a contra-expense, which means that it is an expense to the user departments, but a negative expense (not a revenue) to the General Fund. Adjusted for an Interfund transfer from the Building Department for two Fire Inspectors (\$164,810), the Interfund charge is \$3,014,610. The City recalculates the Administrative Reimbursement every two years; this year is the same as FY 14-15.

The following list represents the funds participating in the Administrative Reimbursement.

110 Building & Zoning	\$239,340
200 Debt Service	59,980
340 Capital Imp	63,800
180 CRA	91,050
190 Streets	92,190
420 Water/ Sewer	1,386,340
430 Beach Fund	125,970
450 Solid Waste	304,360
460 City Dock Fund	50,430
470 Stormwater Fund	164,800
480 Tennis Fund	39,870
500 Risk Management	68,500
510 Health Benefits	122,080
520 Information Services	98,130
530 Equipment Services	107,770

In addition, the Pensions will provide approximately \$105,830.

City Administrative Reimbursement shows as a contra-expense, or a negative expense in the General Fund. The treatment of the reimbursement in this manner prevents an overstatement of the budget as a whole.

# Building Permit Fund

---

## Building Department

**Mission Statement:**

The mission of the Building Permits Department is to provide the highest standards of customer service and public input while professionally implementing the City's Vision Plan and the Florida Building Code through the timely review of development permits.

**Fund Description**

The Building Permit Fund was created in Fiscal Year 1998-99 when it was separated from the General Fund. It is used to account for the activities related to the construction industry in the City, such as issuing building permits and conducting building inspections. The Building Department derives its budget from the collection of fees charged for the review and inspection of construction activities as required by the Florida Building Code, Florida Fire Prevention Code and local zoning ordinances. The department is managed by the Building Official who reports to the City Manager.

**2014-15 Department Accomplishments**

- Increased the Department's focus on Customer Service. Conducted a full review of the Building Departments permit process and re-organized as needed to become more efficient and speed up permit processing. Implemented changes to enhance customer service and reduce permit processing time. Added additional staff as required to meet increased permit applications and inspection needs.
- Implemented the Departments Customer Service Initiative (CSI projects) for all new commercial and multi-family permit applications. The initiative provides for expedited plan review and special inspection teams of staff and outside engineering firms to provide enhanced field inspection services.
- Implemented new technologies compatible with Tyler Munis to enhance the Inspection Process; Provided hand held Tablet PC's to Staff allowing for real time inspection results as inspections are completed in the field increasing staff efficiency, and providing better customer service. Provide residents and customers the ability to view all the departments scanned documents online via the new TCME self-serve web site.
- Added online payment capability. Implemented email to accept certain customer service requests with the goal to eliminate the fax machine.
- The City of Naples has recently received preliminary approval on the new Community Rating System (CRS) Class Rating of 5, which should become effective October 1, 2015. This new rating will require a CRS cycle visit every (3) years, instead of the previous (5) year visits. The department will continue to work on securing and maintaining this new rating.
- Updated the building dept. web site, and expanded available information online. Updated web site building department forms to meet the new Florida Building Codes, 5<sup>th</sup> Edition adopted by the State on June 30<sup>th</sup>, 2015. Reduced the number of permit applications to simplify permitting process. Online permit forms allow residents and customers the ability to fill them out electronically and print them for application. Staff works more efficiently when customers supply needed information on all Building Department documents in a clearer more easily identified format.
- Maintained full time & Saturday construction site inspection and added part time inspection staff to better respond to resident complaints and the enforcement of Section 16-291 of the City Code related to construction site management.
- Initiated staff research for the implementation of electronic plan submittal process and review. Selected implementation team to review software packages best suited for staff procedures and Munis integration.

# Building Permit Fund

---

## Building Department (continued)

### 2015-16 Department Goals and Objectives

**As part of Vision Goal 2(b): Make Naples the green jewel of Southwest Florida: Explore options to utilize local building departments' resources relating to green building practices.**

- Implement Electronic Permitting submittal process and review program to reduce the use of paper, streamline the permitting process, and reduce customer waiting times. Educate and provide required training for customers to use the new systems.
- Implement Blue Zone HR initiatives.
- Commence design development of future building HVAC system replacement providing for increased energy efficiency and decreased energy costs.

**As part of Vision Goal 4: Strengthen the economic health and vitality of the City: Maintain Building Code application consistency, increase staff efficiency to reduce permit processing time.**

- Educate customers on the changes incorporated in the new Florida Building Codes, 5<sup>th</sup> Edition.
- Implement new technologies to speed up the permitting process: Implement Electronic Permitting and allow revisions and other required submittals to be accepted via the e-permitting system to increase the level of customer service and reduce customer waiting times.

**As part of Vision Goal 5: Maintain and enhance governance for public service and leadership: Maximize department resources to educate contractors and citizens on Building Department services. Enhance the Departments level of Customer Service.**

- Meet with residents in an effort to educate all interested residents on the floodplain rules/regulations. The emphasis is in helping residents achieve a lower cost to obtaining flood insurance through education and answering questions regarding this complex program.
- Meet with outside organizations to review new customer service initiatives.
- Expand the Department's Customer Service Initiative (CSI projects) to new single family residential permit applications over 10,000 sq.ft. under-air. The initiative provides for expedited plan review and special inspection teams of staff and outside engineering firms to provide enhanced field inspection services.

### 2015-16 Significant Budgetary Issues

The FY 2015-16 budget for the Building Permit Fund anticipates revenue totaling \$4,851,600 and expenditures totaling \$5,107,357. The budget uses \$255,757 of fund balance. Typically, the use of fund balance in a building permit fund is due to the timing of the revenue stream not corresponding to the timing of the permit and inspection work required.

### REVENUES

The primary revenues to the Building Permit Fund are building construction permit and inspection fees. These fees are charged for buildings and structures that are built or altered. The fee structure is established by Ordinance and can be seen in Chapter 16 of the City Code of Ordinances.

Additional revenues to the fund include interest income and copy charges. The nature of the revenues in a Building Permit fund is that they cycle with the economy, but are subject to many influences, making them hard to predict. FY 2014-15 revenue estimates (that is, for the current year ending 9/30/2015) include several major construction projects that are expected to be

# Building Permit Fund

---

## Building Department (continued)

submitted before September 30, 2015. The FY 2015-16 projections were based on the FY 14-15 revenue estimates and assuming the same level of activity.

### EXPENDITURES

Total expenditures for the FY 2015-16 budget are \$5,107,357.

#### Personal Services

Personal Services are budgeted at \$3,228,000, a \$476,517 increase over the FY 14-15 budget. There are 36.5 positions, an increase of 6.5 positions over the adopted FY 14-15 budget. During FY 14-15 via resolution 14-13542, a Plans Examiner and two Permit Technicians were added. Subsequently, a reorganization of the Permit area eliminated the Permit Supervisor and Administrative Specialist position, making those positions Permit Coordinators. This reorganization is expected to streamline the permit process.

The FY 15-16 budget includes a request for four additional positions (3.5 Full-time equivalents positions) totaling \$182,239:

- *Asst. Floodplain Coordinator*
- *Permit Technician*
- *Records Clerk*
- *Part Time Permit Technician*

As in past years, the FY 15-16 budget includes \$116,220 to fund stand-by pay, temporary records clerk, temporary inspectors and temporary examiners.

#### Operating Expenses

Operating Expenses are budgeted at \$1,295,537 a \$125,858 increase over the adopted budget of FY 14-15. The major components of this category are as follows:

General Fund Chargeback/City Administration	\$239,340
General Fund/Two Fire Inspectors, ½ Custodian	164,810
Professional Services	235,000
Self-Insurance Property Damage	79,190
Technology Services	189,677
Water, Sewer, Garbage, Stormwater, Electric	163,000

Professional Services increased \$35,000 and includes \$160,000 for outsourced engineering inspections, and \$75,000 for special consulting, document imaging and microfiche conversion.

Water bills increased during the current year (FY 14-15) due to a change in the cost of reuse water. This increase is reflected in the FY15-16 budget.

#### Non-Operating Expenses

Capital projects for FY 15-16 total \$584,000. The detail of the capital improvements is listed on the page that follows the line-item budget. This amount is \$300,000 less than what was included in the CIP presentation in June. The Electronic Permitting project has decreased by \$300,000 as the staff has reviewed the pricing structure and reconsidered, deciding against paying a five year up-front cost for training, cloud, subscriptions and maintenance.

# Taxing District Funds

## East Naples Bay Taxing District (Fund 150)

## Moorings Bay Taxing District (Fund 151)

### **Mission Statement:**

The mission of the Taxing Districts is to accomplish dredging and canal maintenance as established by referendum.

### **Fund Description**

The East Naples Bay Taxing District and the Moorings Bay Taxing District were established by referendum in 1987 to accomplish maintenance dredging in the channels and waterways within the districts and to maintain necessary aids to navigation.

The East Naples Bay Special Taxing District encompasses the waterfront subdivisions of Golden Shores, Oyster Bay and Royal Harbor.

The Moorings Bay Special Taxing District includes all of the waterfront properties around the Moorings Bay System, from Seagate Drive south to Banyan Boulevard, including the subdivisions of Coquina Sands, the Moorings, and Park Shore.

Administration of the Districts is handled by the Natural Resources Division in the Stormwater Fund. Both Districts have an advisory board to collect public input.

### **2015-16 Significant Budgetary Issues**

#### **East Naples Bay**

The budget for the East Naples Bay Taxing District is \$379,000

The estimated taxable value is \$510,760,198, an 11% increase over the final FY 14-15 taxable value of \$460,077,056.

#### **Revenues**

The tax rate of 0.5000 mills for the East Naples Bay Taxing District is based on the cap that was included in the referendum. Last year's millage rate was .5000 mills. Assuming a collection rate of slightly more than 95%, this fund is projected to collect \$242,600 in property tax and \$4,800 in interest income.

#### **Expenditures**

Budgeted expenditures for the East Naples Bay District total \$379,000. The primary expense is repayment of an Interfund loan (originally \$1.606 million) for dredging.

Resolution 11-12923 established the terms of this loan, and for 2014-15 the payment will be \$200,000 including \$178,865 toward principal and \$21,135 for interest. The interest rate is established annually based on the May 1 Bloomberg 10-year municipal bond rate, which for 2015-16 is 2.13%. Because of the increased property values, the fund will also contribute more to principal than was originally scheduled.

Minor recurring costs are postage, navigational markers and the Annual Special District Fee. In addition, there is \$25,000 for an extension of the dredging permit and \$150,000 for Canal Markers.

# **Taxing District Funds (continued)**

---

## **East Naples Bay Taxing District (Fund 150)**

## **Moorings Bay Taxing District (Fund 151)**

### **Moorings Bay**

The budget for the Moorings Bay Taxing District is \$24,250.

### **Revenues**

The tax rate for the Moorings Bay Taxing District is the same rate as FY 14-15, or 0.0252. The taxable value of the District is \$1,688,279,272, a 7.7% increase over the prior year's taxable value of \$1,567,331,070. Assuming a collection rate of 95%, this fund is projected to collect \$40,504 in property tax.

In addition to the property taxes, the fund should receive approximately \$6,500 in interest income assuming an interest rate of .60%.

### **Expenditures**

Expenditures for the Moorings Bay District are budgeted to be \$24,250.

This includes \$250 for state required fee, \$20,000 for continued water quality analysis; \$2,000 for navigational aids; and \$2,000 for poles, signs and buoys.

## East Naples Bay Taxing District Expected Loan Amortization Schedule

The original loan amount was \$1,606,000, with an expected term of 11 years (2022)  
 With additional principal paid starting 2013-14, final payment will be in FY 2021  
 Interest is based on Bloomberg's 10-year municipal bond rate recalculated annually on May 1\*

Fiscal Year	Payment	Interest	Principal	Loan Balance
				1,606,000
2011-12	175,000	42,254	132,746	1,473,254

# Fifth Avenue South Business Improvement District

---

## Fifth Avenue South BID (Fund 138)

**Mission Statement:**

The mission of the Fifth Avenue South Business Improvement District (BID) is to stabilize and improve retail business through promotion, management, marketing, and other similar activities within the Fifth Avenue South assessment area.

**Fund Description**

The Fifth Avenue South Business Improvement District (BID) was established by Resolution 10-12801 and 10-12820 to assess property that will specifically benefit from improvements by the promotion and marketing of the District. In accordance with the enabling resolution, the BID will remain in existence for an initial period of ten (10) years (with first year of collections occurring in 2010). The District can be extended an additional ten (10) years by approval of City Council and 50% of the owners.

The Fifth Avenue South BID covers all of Fifth Avenue South from Ninth Street South to Third Street South, and from Eighth Avenue South to Fourth Avenue South, excluding residential properties. Assessments are included in the ad valorem tax bills.

Management of the District is handled by the Fifth Avenue BID Corporation. The Corporation has a Board of Directors.

**2015-16 Significant Budgetary Issues**

**Revenues**

The first year of revenue collection occurred in FY 2010-11, when the City sent out individual bills. In FY 2011-12, the City began using the tax bill collection method, which will continue for the life of the District.

At the April 27, 2015 City Council meeting, the Fifth Avenue BID board presented the District's proposed budget. The board recommended maintaining the special assessment rate at 2.5 mills.

Special Assessment Rate History

2010-11	2011-12	2012-13	2013-14	2014-15	2015-16
2.0	2.0	2.0	2.5	2.5	2.5

**Expenditures**

Budgeted expenditures for the Fifth Avenue South BID total \$396,449. After administrative expenses and required advertising expenses are paid, remaining money will be paid to the Fifth Avenue BID Corporation. With \$9,275 budgeted for the administrative costs of the Property Appraiser, Tax Collector and Assessment District Management firm and advertising, the 5<sup>th</sup> Avenue BID Corporation should receive \$387,174. Payments are made to the BID Corporation regularly and within 45 days after the City receives money from the County.

# Port Royal Canal Special Assessment District

---

## Port Royal Canal (Fund 155)

**Mission Statement:**

The mission of the Port Royal Special Assessment District is to remove sediment from the Port Royal and Champney Bay canals within the Port Royal area.

**Fund Description**

The Port Royal Special Assessment District Fund was established to track the revenues and expenditures of the Port Royal Area Special Assessment District. The District was created in 2011 by Resolution 11-12978 to assess property for maintenance dredging. This project was requested by the property owners along the canals in the Port Royal/Champney Bay area. In accordance with the enabling resolution, assessments can be paid in full or imposed for six years. Dredging was finished in FY 14-15.

**2015-16 Significant Budgetary Issues**

In FY 11-12, the Port Royal dredging project began with a \$355,270 contract to design and engineer the project. The initial source of funding for this project was an interfund loan from the Capital Projects fund (\$355,270), and the balance of the project was funded by an interfund loan from the Capital Projects fund.

On September 17, 2014, Naples City Council, via resolution 14-13517, approved an Interfund loan from the Capital Projects fund. The resolution directs that special assessments will be returned to the Capital Projects fund every quarter.

**Revenues**

The Assessment Area is substantially comprised of similarly zoned parcels, with each of the main canals being assessed costs based on the volume of the dredging, as estimated in the initial resolution. The price per property is shown in the chart below:

<b>Galleon</b> (Buccaneers Cove, Galleon Cove, Runaway Bay and Benbow's Bight (a.k.a. Treasure Cove)	\$4,616
<b>Champney Bay (and Doubloon Bay Entrance)</b>	\$9,057
<b>Harbor Head Canal</b>	\$18,846
<b>Cutlass Cove Canal</b>	\$3,965
<b>Doubloon Bay I (Circle and Entrance)</b> Doubloon Bay, Man of War Cove, Smuggler's Bay, Hidden Bay, Morgan Cove, Old Harbor Cove and Old Harbour Channel	\$2,051
<b>Doubloon Bay II (Entrance Only)</b>	\$505

Tax roll assessments began in November 2014 (FY 14-15) for customers who chose to pay over the six year period. Most customers chose to prepay, and the revenue is projected assuming that the remaining customers pay over the 6 year period, for approximately \$73,000 annually.

# Port Royal Canal

---

## Special Assessment District

### **Expenditures**

The operating expenditures for the Port Royal Dredging Assessment are for the costs of billing and assessments for \$2,640.

# Community Redevelopment Agency

## Community Redevelopment Agency (Fund 180)

### **Mission Statement:**

The mission of the CRA is to implement the Community Redevelopment Plan as adopted by the Naples City Council pursuant to Chapter 163, Part III of the Florida Statutes. The CRA will use Tax Increment Financing (TIF) as a source of funding for capital improvement projects identified in the plan and will ensure that development within the CRA district meets the quality standards consistent with the community's vision for Naples.

### **Fund Description**

The Community Redevelopment Agency (CRA) is governed by a Board comprised of the members of City Council, with assistance from the Community Redevelopment Agency Advisory Board (CRAAB), consisting primarily of property and/or business owners from the redevelopment area appointed by City Council. The CRA was originally established in 1994 by Resolutions 94-7098 and 94-7099. The CRA District is in the area approximately bounded by 7<sup>th</sup> Avenue North, the Gordon River, 6<sup>th</sup> Avenue South and 3<sup>rd</sup> Street South. The actual boundaries are defined within the enabling legislation. On January 15, 2014, Resolution 14-13401 was approved, amending and modifying the Redevelopment Plan. The plan amendment extends the sunset date to September 30, 2044.

The purpose of a CRA is to eliminate or prevent slum and blight through the redevelopment of the district, guided by the adopted Redevelopment Plan. The law prescribes the use of Tax Increment Financing (TIF) as a means of funding redevelopment projects specified in the plan.

### **2014-15 Department Accomplishments**

- Engaged a consultant to design a comprehensive wayfinding program as part of a strategy to direct residents and visitors to key locations, support business, increase connectivity within the CRA, and enhance the efficiency of the multi-modal transportation system. The design work is expected to continue into FY2015-16 and be followed by implementation of the program.
- Completed 60% of the design of the proposed Central Avenue streetscape and roadway improvements. Drainage improvements are a major part of this project being undertaken in collaboration with the Streets and Stormwater Department.
- Recommended an accelerated capital improvement program designed to increase public redevelopment efforts to coincide with private development, improve connectivity, and create a sense of place as envisioned for the Heart of Naples. This accelerated program was approved by the CRA and is included in this budget.
- Completed the installation of new signage, parking garage counters, and access control systems at the two Downtown parking garages.
- Continued Community Policing throughout the CRA.
- Continued an enhanced level of right-of-way maintenance.

### **2015-16 Departmental Goals and Objectives**

**As part of Vision Goal 3, maintain an extraordinary quality of life by maintaining and improving amenities for residents**

- Complete design and begin construction of Central Avenue streetscape, roadway, and drainage improvements.

# Community Redevelopment Agency

## Community Redevelopment Agency (continued)

- Complete design and begin implementation of a uniform wayfinding signage program.
- Design First Avenue South improvements.
- Design Third Avenue South improvements.
- Ensure the redevelopment area is maintained to a high standard of aesthetics, code compliance, and public safety.
- Continue Community Policing throughout the CRA.

### **As part of Vision Goal 4, strengthen the economic health of the City**

- Cooperate with the Fifth Avenue South Business Improvement District to stabilize and enhance the business district and ensure that budgets and reports are timely and appropriate.

### **As part of Vision Goal 5, maintain and enhance governance capacity for public service and leadership**

- In conjunction with the City Planning Department, undertake a review of the D-Downtown zoning district regulations and boundaries, identifying specific regulatory changes and staff action required.

## 2015-16 Significant Budgetary Issues

This budget was prepared by the City Manager's Office, with the cooperation of the Police and Community Services departments. The accounts of the CRA are divided into the following three Divisions to improve accountability:

- CRA Administration (Division 1501)
- CRA Maintenance (Division 1517)
- CRA Law Enforcement (Division 1520)

### **Revenues**

Revenues are \$2,836,152, \$645,282 (or 29%) more than the adopted FY 14-15 budget. The primary revenue earned by the CRA is ad valorem taxes from the Tax Increment. The Tax Increment is the amount of taxes generated from increased property values within the District in excess of the base year. The CRA receives these revenues from the City and the County, based on the increase over the 1993 property tax value (\$183,809,274).

The taxable value of property in the District is \$743,245,359, for a tax incremental value of \$559,436,085. This budget was developed using a tax rate of 1.1800 from the City and 3.5645 from the County, to bring in \$627,130 and \$1,894,450 respectively. State law requires that the tax increment revenues be distributed to CRAs by January 1.

In addition to the tax increment revenue, the fund should receive approximately \$9,000 in interest income.

The city has two accounts tracking parking funds in the Parking Trust Fund:

1. D-Downtown Parking 185-0000-000-247-381000 \$54,512
2. Fifth Ave Payment In Lieu of Parking 185-0000-000-247-382000 \$267,672

There is also an unassigned fund balance in the amount of \$37,900. For FY 15-16, the City will transfer in \$305,572 from the Parking Trust fund to pay for a portion of the parking garage related debt service.

Several high value private developments in the redevelopment area have been approved and are expected to favorably impact tax increment revenue in the future. These developments include:

- Naples Square (300 unit residential development – under construction)
- Mangrove Bay (52 single family home subdivision – under construction)

# Community Redevelopment Agency

## Community Redevelopment Agency (continued)

---

- Hyatt House Hotel (180+ rooms – building permit issued)
- 1075 Central (212 unit residential development – approved)
- Naples Square (commercial development – pending)
- McCabe Commercial and Residential (preliminary design review)

### Expenditures

The work program for the CRA is represented in this budget. Total expenditures for the FY 2015-16 budget are \$4,415,279, which is a \$2.39 million increase over FY 14-15.

The Board of the CRA has adopted an accelerated CIP, which has changed the expenditure outlook for the fund. Several projects are expected to be started and underway in the next two years, with a next year (FY16-17) expected shortfall in revenues considered to be temporary. That shortfall will be funded by a short term Interfund loan if and when needed.

### Personal Services

There is no change in the number of employees from the previous budget. The 6.3 employees funded by the CRA are budgeted to cost \$567,713 a \$14,927 decrease from the FY 14-15 budget. These positions consist of 3 community police officers, 3 landscape technicians, and a portion (30%) of the assistant city manager position.

### Administration Division

Budgeted at \$3,745,703, the Administration division's budget expenses are \$2,407,544 more than the FY 14-15 adopted budget. This increase includes \$2.3 million more in capital. Excluding those, the increase is \$99,260 more than the prior year, due in part to funding the wayfaring project at \$150,000, an increase of \$100,000 over the prior year. This project will provide for specialty signage to help residents and visitors more easily locate popular destinations and points of interest.

There are two bank loans related to infrastructure enhancements to the district. In FY 2010-11 the two debt obligations were refinanced at 2.18% for a savings in interest of almost \$1.4 million over the life of the debt. The annual debt service payment for the fund is budgeted at \$963,389.

The CRA has received several interfund loans related to improvements in the district. At the end of FY 13-14, the outstanding balance for the remaining two loans is \$42,878, and the final payment will be made in FY 15-16.

The Administrative division is responsible for the implementation of the major capital projects. The board of the CRA approved an accelerated capital improvement plan. The FY 15-16 projects include the Riverside Circle/Baker Park Gateway for \$105,000, the design and engineering for 1<sup>st</sup> Ave S sidewalk and street paving project for \$200,000 and \$65,000 for 3<sup>rd</sup> Ave S Improvements.

The project 14C03, Central Avenue Improvements was budgeted for \$2,230,000 in March 2014. The project is still in the design and engineering phase, and the balance of \$1,933,000 is being carried into FY 15-16 for construction.

# **Community Redevelopment Agency**

---

## **Community Redevelopment Agency (continued)**

### **Maintenance Division**

The Maintenance division's budget of \$331,472 is a \$1,659 decrease from the FY 14-15 budget. There are no major changes in the proposed expenditures.

### **Law Enforcement Division**

The Law Enforcement division's budget consists primarily of the salary and benefits of the three police officers assigned to the CRA. The budget decreased by \$14,668 to \$338,104, due to changes in the officers assigned and funded from the CRA.

## Streets & Stormwater Department (Fund 190)

**Mission Statement:** To provide the public with a safe, clean and well maintained transportation management system of streets, sidewalks, bridges and pathways and to monitor and control the efficient operation of signalized intersections via the City's transportation operations center.

### Department Description

The Streets and Stormwater Department operates in two funds: Streets & Traffic Fund and Stormwater Fund. These operate in separate funds due to their separate sources of revenue. The Streets Fund is funded primarily through Gas Taxes. The Streets & Traffic Division is responsible for maintaining City streets, traffic signalization, street lighting and signage. The Stormwater fund is addressed in a separate section of this document.

### 2014-15 Department Accomplishments

- US-41 lighting and landscape improvements.
- CDBG Intersection Safety Improvement Project on Goodlette-Frank Road at Central Avenue and 5<sup>th</sup> Avenue North.
- 18<sup>th</sup> Avenue South and Broad Avenue South missing link sidewalk projects.
- City-wide implementation of decorative metal stop signs.
- Resurfaced approximately 9 miles of City roads.
- Repaired 5,987sqft of sidewalks.
- Begin the roundabout at Mooring Line Drive and Crayton Road study in lieu of a mast-arm traffic signal assembly.
- Completed 60% plans for Central Avenue Improvements.
- Completed 30% preliminary design for a new Gordon River Pedestrian Bridge linking the Gordon River Greenway.
- Acquired \$280,000 worth of new traffic signal equipment for the US-41 corridor.

# Streets Fund

## Streets & Stormwater Department (continued)

---

### 2015-16 Departmental Goals and Objectives

**As part of Vision Goal 2b (promote community sustainability and environmental conservation)**

- Provide maintenance and operational support services to maximize the service life of the City's transportation infrastructure.

**As part of Vision Goal 3a (maintain and improve public amenities for residents) operate and maintain the City street system at the designated Level of Service 'C' while improving the aesthetics to maintain community character and value**

- Plan resurfacing work in coordination with Stormwater and Utilities projects. Work to occur off season.
- Maintain traffic control devices for safe travel throughout the community by sign inspection/replacements and pavement marking improvements.
- Improve the sidewalk and pathway program for safe travel and for enhancement of community character.
- Maintain traffic signal systems to enhance circulation within the City, including continuous signal timing adjustments for main-line coordination.
- Maintain, replace and update signage to be balanced with the Manual of Uniform Traffic Control Devices (MUTCD) requirements and community needs and expectations.

**As part of Vision Plan 3c (enhance mobility in the City) maintain traffic control, and continue maintaining City streets, bike lanes, sidewalks and pathways, provide planning and coordination of capital improvements related to street and traffic projects**

- Continue to implement the Pedestrian and Bicycle Master Plan and work with the Metropolitan Planning Organization on the City and County multimodal transportation system.
- Complete the budgeted phase of street sign replacement and wayfaring project.

### 2015-16 Significant Budgetary Issues

The budget of the Streets and Traffic Fund for FY 2015-16 is \$2,978,919, an increase of \$110,049 over the FY 2014-15 budget.

#### Revenues

Revenues into this fund total \$2,829,477 which is \$721,490 higher than budgeted in FY14-15, primarily due to increasing this fund's share of the telecommunication taxes. The primary recurring revenue to this fund is the Local Option Fuel Tax (6-Cent Gas Tax). Collier County also participates in the second type of local fuel tax, called the fifth-cent option. Combined, the 5<sup>th</sup> and 6<sup>th</sup> cent gas tax is budgeted at \$1,137,000 in FY15-16, which is \$80,460 lower than FY14-15. This gas tax is split among the governments of Collier County, with Naples receiving 8.21% of the countywide collections for the current five year period.

The State of Florida has a revenue sharing program, funded by sales and use taxes and a state fuel tax. The state determines how much of that tax must be used for transportation. For FY15-16, \$215,000 of the City's share is required to be dedicated to transportation.

Estimates for these three revenue sources (the six-cent tax, the five-cent option and the revenue sharing) are usually provided by the Florida Department of Revenue; however, these estimates were not provided at the time of this budget development, therefore, estimates were based on

# Streets Fund

## Streets & Stormwater Department (continued)

---

historical trends. Revenues are distributed to cities in accordance with state law and the Intergovernmental Agreement with the County.

The City and County have an Interlocal Agreement on transportation impact fees, the City keeps the first \$200,000 of impact fees, and the balance is sent to the County for expansions to County maintained roadways. Based on FY14-15 activity, the FY15-16 estimate for impact fee revenue is the entire \$200,000.

The Streets Fund is expected to receive \$15,000 in interest earnings.

### Expenditures

The Streets Fund has 5.50 positions budgeted, the same as FY 15-16.

Shared positions with the Stormwater Fund are determined based on the amount of time the staff spent on each function. Personal Services, budgeted at \$523,593, is \$30,452 more than the adopted 2015-16 budget partly due to an annual cost of living increase in salaries.

Operating Expenses for this fund are \$1,762,326 or \$90,403 less than the FY14-15 adopted budget.

The major Operating Expenses are as follows:

City Administration (General Fund Chargeback)	\$92,190
Street Overlay Program (Road Resurfacing)	\$600,000
Street Light/Other Electricity	\$325,000
Self-Insurance Transfer	\$222,990
Road Repairs	\$225,000
Other Maintenance (inc. street sign replacement)	\$90,000

The decrease in Other Maintenance from \$270,000 to \$90,000 is due to the removal of the stop sign replacement program, which was committed and underway in the summer of 2015. However, the road resurfacing program is increased by \$100,000 to enable the City to pave roads on a consistent fifteen year cycle.

The Streets fund has \$1,293,000 of Capital Improvements for FY15-16. One maintenance item (\$600,000 Pavement Management) shows as Capital, but is budgeted in operating line-items. This leaves \$693,000 budgeted in the capital expense line items.

All projects are listed in the Capital Improvement Program (CIP) page at the end of this section and are more fully explained in the Five-Year CIP. Of the items in the FY 2015-16 Capital Improvement Program, two are expected to cause slight reductions in operating costs. Replacing the 1998 Service Vehicle with a new, more fuel efficient vehicle is expected to reduce repair expenditures and fuel costs. Upgrading technology in the Traffic Operations Center is expected to reduce repair costs of old electrical components.

Also showing with the Capital Projects is \$1,057,483 of projects funded and managed by the Florida Department of Transportation (FDOT). Although these projects are not part of City operations, they impact City operations and need to be considered with other projects within the City.

# City Baker Park Fund

---

## (Fund 125)

**Mission Statement:**

This fund was created in 2014 to track and record the revenues and expenditures related to the 2014 Baker Park Gala, and future costs and donations related to the construction of Baker Park.

On June 5, 2013, City Council, by Resolution 13-13288, authorized the purchase of 6.7 acres of property for \$3.0 million from the McCauley-Pulling Family Trust. This parcel, combined with 8.36 acres of upland property and 4.1 acres of mangrove wetlands, both owned by the City, created an opportunity for a new 19.2 acre public park. Funding for the property purchase was authorized from General Fund Undesignated Reserves.

On October 2, 2013, City Council directed staff to work with Matthew Kragh, President, MHK Architecture and Planning, accepting his offer to provide master planning and architectural services at no cost to the City. The park concept has received considerable support from the community to the extent that many private donations have been received. A \$2 million donation from Jay and Patty Baker was pledged and the park has since been named after them.

Creation of Baker Park has been made possible by a public – private partnership, as donations from private individuals and City funds will be used to fund the park. The design continues to evolve to meet needs of the community and the budget goals. The proposed budget assumes that modifications will continue and that a balanced budget will be achieved. Upcoming plans will provide more accurate expected costs, and the budget may be amended at that time.

As part of Baker Park Project, a bridge and boardwalk will be constructed to provide a connection to the Gordon River Greenway. The Gordon River Greenway is a public pedestrian and bicycle trail through wetlands and uplands along the Gordon River. The Greenway travels from Freedom Park, with connections at the Naples Zoo, the Conservancy of Southwest Florida, the Naples Airport, and, in the future, Baker Park, the Naples Dog Park, and the Gulf of Mexico. In FY14-15 \$450,000 is expected to be spent for bridge/boardwalk design and then \$2 million spent for construction in FY 15-16.

In March, 2015, the City Council reviewed and modified several park components, which reduced costs, with the current total of the project, including the bridge, estimated at \$11.5 million.

**Revenue**

The City currently has \$1.5 million in pledges still unpaid, plus an avigation easement which has not yet been received, and therefore showing in revenue for FY 15-16. Other revenue which is not showing could be additional pledges or donations received.

**Expenses**

For FY15-16, the City expects to develop the engineering design for the park for an estimated \$600,000. If the Bridge/boardwalk design is completed, the construction of this Gordon River Greenway asset is expected to begin (\$2,000,000). For more information about the park, its costs and its revenue, including how to donate, visit the City's website at [www.naplesgov.com](http://www.naplesgov.com).

# Water & Sewer Fund

## Utilities Department (Fund 420)

**Mission Statement:** To efficiently maintain the public water, sewer and irrigation infrastructure and provide services to ensure the safety and well-being of City residents.

### Department Description

The Utilities Department operates in three separate funds: Water & Sewer Fund, Solid Waste Fund, and Equipment Services Fund. Each Fund will be addressed separately. The Water & Sewer Fund operates as an Enterprise Fund, which is used to account for operations that are financed and operated in a manner similar to private business. The Water & Sewer Fund consists of seven sections: Administration, Water Production, Wastewater Treatment, Water Distribution, Wastewater Collections, Utilities Maintenance and Customer Service. The Customer Service Section is managed as part of the Finance Department, but funded in the Water/Sewer Budget.

### 2015-16 Goals and Objectives

The Water & Sewer operation is focused on improvements that will continue to supply a high quality and sufficient quantity of potable water. Staff will continue to focus on the collection and disposal of the wastewater stream in the most effective and efficient methods available. External funding sources (grants) will continue to be aggressively sought.

**In accordance with the Vision Plan item 4 (strengthen the economic health and vitality of the City) continue to strengthen the City's leadership role in environmental protection and regional/ community sustainability:**

- Continue the construction of the expansion of the reclaimed water distribution system in order to provide an alternative source for irrigation and reduce demands on the ground water supply.
- Continue ASR well development and construction of ASR Well 4, including cycle testing, for ASR Wells 1, 2, and 3 located at the Wastewater Treatment Plant.
- Continued utilization of the Golden Gate Canal Pumping Station for meeting the reclaimed water demand and recharge of the existing ASR wells.

# Water & Sewer Fund (continued)

---

In accordance with Vision Plan 3a (maintain and improve public amenities for residents) improve the level of service to all customers and provide reliable service to meet growth and development through Water and Sewer Capital Improvement Projects such as the following:

- Target the Mooring Line Drive and Banyan Boulevard areas for sewer lining improvements in order to rehabilitate sewer lines, laterals, and manholes through a contracted lining process to reduce infiltration of ground water, silt, and sand from entering the collection system.
- Water Production - Complete the cleaning, resealing and painting of all exterior surfaces within the main process areas of the Water Treatment Plant.
- Utilities Maintenance – Installation of five diesel driven pumps as a method of alternative pumping for the master sewer pump stations.
- Utilities Maintenance – Construct a new building to replace the existing building utilized by Utilities Maintenance staff.

## 2015-16 Significant Budgetary Issues

The budget for all sections of the Water and Sewer Fund is \$35,552,674, \$4,033,706 more than FY 14-15.

## Revenues

The City's water and sewer rates are based on the 2013 Water/Sewer Rate Study as prepared by the City's rate consultant.

Projected water revenues for FY 15-16 are \$17,584,000 or \$643,690 more than FY 14-15. No rate increase is projected to be applied.

Projected sewer revenues, including reclaimed water, for FY 15-16 are budgeted at \$14,394,000 or \$164,242 more than FY 14-15.

Non-operating revenues are budgeted at \$920,900. There is \$700,000 budgeted for Water and Sewer System Development Charges (impact fees). Interest income is expected to be \$114,000.

The fund has budgeted \$900 in Special Assessment revenue. Four assessment areas were established for the purpose of water and sewer expansions. The following amounts are still outstanding.

<u>Assessment</u>	<u>Originated</u>	<u>Amount</u>
Seagate	1994	\$23,942
Avion Park	1995	\$11,209
Big Cypress	1996	\$27,760
West Boulevard	1996	<u>\$6,798</u>
Total		\$69,709

# Water & Sewer Fund (continued)

---

In addition to these special assessments the Bembury Special Assessment has been established for twenty years repayments will be on the tax roll starting November 2015.

## Expenditures

There are 104 positions in the Water and Sewer Fund. This includes one additional position, a Laboratory and Field Technician, which was added to the Wastewater Treatment division.

For FY 15-16, the combined salary line items for all divisions increased \$126,615 or less than 2%.

## Administration

The budget for Administration is \$8,458,074, a \$94,352 increase over the adopted budget of FY 14-15. The increase is primarily due to the increased debt service requirement, as the FY 14-15 requirement was slightly underbudgeted.

The Administration Division includes nine positions, the same as the FY 14-15 adopted budget. Personal Services increased \$14,518, which is primarily related to the annual raise applied and changes in insurance selections.

Administration Operating Expenditures are budgeted at \$4,556,474 which is a decrease of \$51,637. The following line items are the most significant expenses of the Administration budget.

City Administration (General Fund Reimbursement)	\$1,386,340
Taxes (Payment in Lieu of Taxes)	1,722,000
Self-Insurance Charge	849,890
Technology Services	281,660

Administration's Non-Operating costs, which increased \$131,471, are composed of debt service payments (principal and interest) on the water and sewer debt.

## Water Production

The budget for Water Production is \$6,005,708, a \$114,898 increase over the adopted budget of FY 14-15.

The Water Production Division includes fifteen positions.

Water Production's Operating Expenditures are \$4,787,150, an increase of \$65,945, primarily due to an increase in building and ground maintenance (a planned facility painting) as well as an increase in equipment maintenance and the cost of chemicals. The following three line items are the most significant expenses of this section of the budget:

Chemicals (for water treatment)	\$2,279,050
Electricity (for wells and water plant)	1,150,000
Contractual Services (mostly sludge hauling)	575,000

## Water Distribution

The budget for Water Distribution is \$2,455,520, a \$51,819 increase compared to the adopted budget of FY 14-15.

# Water & Sewer Fund (continued)

---

The cost of Personal Services increased by \$9,194 to \$1,391,326. The Water Distribution Division includes 20 positions, the same as the FY 14-15 adopted budget.

Water Distribution Operating Expenditures are \$1,038,494, which is an increase of \$42,625. The major function of this Division is to ensure the supply of potable water arrives to the end user. Major costs include fire hydrants, electronic meters, related supplies, line repair, and maintenance supplies such as rock, sod, pipes, and road repairs.

Minor machinery and equipment are budgeted in this Division, including a portable radio replacement, dewatering pump replacements, a tapping machine and automatic flushing units.

## **Wastewater Treatment**

The budget for Wastewater Treatment is \$3,725,532, a \$50,966 increase over the adopted budget of FY 14-15.

Personal Services decreased by \$15,196. The number of positions for this Division (20) has changed from the FY 14-15 adopted budget. A Laboratory and Field Technician was added, to provide Fat, Oil and Grease (FOG) inspection services. One Plant Operator was eliminated and replaced with a Tradesworker.

Operating Expenditures of \$2,089,635, increased by \$35,662. The following four items are the most significant expenses of this section of the budget.

Other Contractual Services (Sludge Hauling)	\$327,600
Electricity (for plant)	720,000
Chemicals	200,000
Equipment and Plant Maintenance	453,000

Primary increases associated with this division include allocations to accommodate an increased level of plant maintenance, including cleaning/coating the basins, motor and pump repairs, electrical repairs, other misc. repairs and supplies. The other minor operating costs of the Wastewater Treatment Division consist of uniforms, other utility services, safety and training, and operating supplies.

Minor machinery and equipment are budgeted in this fund, including the replacement of chemical pumps and the replacement of obsolete equipment utilized within the central laboratory.

## **Wastewater Collection**

The responsibility of the Wastewater Collection Division is to ensure the safe and efficient collection of residential and commercial wastewater (sewage) from the site of collection to the treatment plant. This division also maintains the reclaimed water distribution system. The budget for this function is \$1,633,006, a \$25,368 increase over the adopted budget of FY 14-15.

Personal Services includes 17 positions, the same that was budgeted in FY 14-15.

# Water & Sewer Fund (continued)

Wastewater Collection Operating Expenditures, at \$499,900, is a \$7,075 increase over the adopted budget of FY 14-15. Because the primary function of this Division is to ensure wastewater gets to its destination, major costs include vehicle maintenance, line repair, and maintenance supplies such as rock, sod, pipes, and road repairs. Primary increases are associated with the annual rental of equipment (track hoe) in lieu of capital replacement, and increased cost for repair materials.

The line item for machinery and equipment includes a core drill, three portable radios, air release valves and jet truck hose replacements for \$25,000.

## Maintenance

The responsibility of the Maintenance Division is to maintain the water and sewer remote facilities, including 51 raw water production wells, and 122 sewage pump stations. The budget for this function is \$1,971,782, a \$112,671 increase over the adopted budget of FY 14-15.

The Maintenance Division includes 16 positions, the same as budgeted in FY 14-15.

Operating Expenditures of \$671,460 increased by \$2,525.

Minor machinery and equipment in this Division will cost \$125,000, and includes small equipment replacements, magmeter head replacements, small pump/motor replacements, variable frequency drive (VFD) replacements, and Magmeter (flowmeters) for wellfield/ reclaim skids.

## Customer Service

The Customer Service Division includes 7 positions and is responsible for billing and collection (including meter reading) of the Water/Sewer, Solid Waste, and Stormwater fees that are charged to customers who reside within the City's service areas. The Customer Service operation reads and bills accounts on a bi-monthly basis which consists of approximately 18,500 meters. The employees are funded by the Water/Sewer Fund but report to the Finance Department.

The budget for this Division is \$448,052, an increase of \$86,132 from the FY 14-15 budget in this fund. The main increase is due to operating expenses which includes beginning to record credit card merchant fees as an expense instead of contra revenue.

## Capital Projects

Capital Projects are listed at the end of this section and detailed in the City's Capital Improvement Program. Capital projects for FY 15-16 total \$10,855,000.

## 2015-16 Benchmarking

Water Production Benchmarking	Naples	Winter Park	Clearwater
Number of Potable Water Connections	18,434	23,000	43,350
Average Daily Use	14.13 MGD	10 MGD	11.5 MGD
Water Plant Operators	10	5	11
Ratio of Operations Staff per MG Treated	0.71 staff:1 MGD	0.5 staff:1 MGD	0.96 staff:1 MGD

# Beach Fund

## Community Services, Police and Finance (Fund 430)

### Mission Statement:

The Beach Fund provides a balanced, sustainable and value-focused system of beaches, parks, recreation and public spaces creating community opportunities throughout the City.

### Fund Description

Naples is defined, among other things, by its beautiful beaches. There are 42 beach access points in the City, beginning at Seagate Drive and continuing south to 33<sup>rd</sup> Avenue South. With easy beach access, residents and visitors have ample opportunity to enjoy the non-commercial beauty of the Gulf of Mexico.

The purpose of the Naples Beach Fund is to track the costs of operating the City's public beaches and these accesses. The Fund includes five separate divisions, reporting to three different departments.

- **Administration** – This Division handles revenue management, parking meter collections and administrative functions for the fund. The budget is managed by the Finance Department.
- **Fishing Pier** – A popular tourist spot, this Division tracks operating costs such as fishing permits and utilities. This is part of the Community Services Department.
- **Maintenance** – Each of the 42 beach ends requires regular maintenance and upkeep, from simple trash pickup for the small crossovers, to tree trimming and grass cutting for the larger beach accesses. This is part of the Community Services Department.
- **Lowdermilk Park** – A site for family events, weddings and recreation, this Division tracks costs of this beachfront park. This is part of the Community Services Department.
- **Enforcement** – This Division tracks costs of Beach Specialists who monitor parking, assist citizens, respond to complaints and medical emergencies, and enforce City Ordinances. They are part of the Police Department.

With nine miles of pristine white sand Gulf beaches and gentle surf, the City of Naples is an ideal beach destination. Parking is available at the end of nearly every avenue, making the City beaches the most accessible beaches in the County.

### 2014-15 Department Accomplishments

- The Beach Patrol Division, in cooperation with the Conservancy, began the Pelican Patrol to help protect pelicans and other birds from fishing hooks at the Pier
- Managed two beachfront concession facilities for public use, one at Naples Pier and the other at Lowdermilk Park, offering affordable food and drinks.
- Responded to hundreds of rescues of birds/animals
- Began the upgrade to the Pier (replacing all boards with Ipe wood) and the Pier restrooms, with financial participation from the Tourist Development Council.

# Beach Fund (continued)

---

- Replaced the older parking pay stations and some meters with newer pay stations that have added features such as extend by card.

## 2015-16 Departmental Goals and Objectives

### As part of Vision Goal #1 (Preserve the Town's distinctive character and culture), maintain beaches

- Provide maintenance services through the daily collection and removal of trash or debris from Gulf beaches to sustain a pristine appearance along the coast within the City.
- Provide two beachfront concession facilities for public use, one at the Naples Pier and the other at Lowdermilk Park offering a variety of affordable food and soft drinks on a daily basis.

### As part of Vision Goal #3A (Maintain and improve public amenities for residents), provide clean, safe and aesthetically pleasing public beach access facilities responsive to resident and visitor needs

- Monitor and ensure beach and waterway amenities are accessible, clean and provide a positive experience and image for residents and visitors on a daily basis.
- Coordinate and schedule a standardized preventative maintenance program at all beach access locations conducted by a weekly physical inspection with safety repairs completed within 24 hours of observation and reporting.
- Review the remaining parking meters for the next phase of the Parking Meter project.

### As part of Vision Goal #3 (Maintain an extraordinary quality of life for residents), provide beachfront concession facilities for public use at Lowdermilk Park and the Naples Pier

- Ensure contracted concession services provide quality products, reasonable, competitive pricing and exceptional customer service that meets or exceeds anticipated customer expectations on a daily basis.
- Collect and record contracted concession commissions within terms and conditions of the vendor agreements on a monthly basis.

## 2015-16 Significant Budgetary Issues

The budget for the Naples Beach Fund is \$1,891,165, an \$960,614 decrease from the FY 14-15 budget. This decrease is due to the Pier Upgrade project, which was budgeted in FY 14-15, funded by the Tourism Development Council.

The Naples Beach Fund is projected to have a fund balance of \$2.7 million at the end of FY 15-16. The intent and plan for this fund balance is to have sufficient funds to meet any repair/maintenance costs necessary for the City's major beach feature, the Pier.

## Revenue

Revenues in this budget are \$1,862,610.

Parking meters and/or pay stations provide the primary operating revenue to this fund at \$801,000. Residents and property owners of Collier County are eligible for a free parking sticker for the beaches and parks. Without the sticker, cars may park at parking meters

# Beach Fund (continued)

---

for \$1.50 per hour. Visitors may purchase an annual beach parking sticker for \$50, and the budget for FY 15-16 is \$51,600 for these sticker sales.

On October 15, 2008, Collier County Board of County Commissioners agreed to pay the City \$1,000,000 annually for the recreational amenities of the City, including the beaches, because all amenities of the City are available to the County residents. The FY 15-16 budget includes \$400,000 assigned to the Beach Fund and \$600,000 to the General Fund.

The Tourist Development Council (TDC) is expected to continue an operating grant for the beach fund for \$161,000 to reimburse beach maintenance expenditures.

## **Expenditures**

### **Administration (Finance Department)**

The budget of the Administration Division, including capital, is \$503,594. This represents a \$153,743 increase.

The New Year's Eve and Independence Day fireworks are included in this budget

**Personal Services** are budgeted at \$43,327, an increase of \$2,331. The full time Administrative Specialist is split 50/50 with the General Fund/Finance Department. The part-time Meter Technician position is responsible for collecting quarters from the parking machines and repairing machines as needed, and will only be filled if needed.

**Operating Expenses** are \$159,412 higher than the prior year. This increase is due to the costs of the pay stations. Merchant fees for credit card transactions at the pay stations are \$90,000. In prior years, those expenses were charged against the revenue.

The largest expense in Administration is the General Fund Reimbursement, budgeted at \$125,970. Technology Services charges are budgeted at \$24,330. These interfund charges represent support for the entire Beach Fund. Special Events, which represents the cost of the Independence Day Fireworks Display, is budgeted at \$26,250. Repair and maintenance costs have increased by \$28,932 due to the warranty and maintenance costs of the pay stations.

There is \$30,000 budgeted in Capital for the beach-end security camera program. This program will add cameras as needed to the City's video feed.

### **Beach Maintenance**

The budget of the Maintenance Division is \$691,063, a \$27,807 decrease from the FY 14-15 budget.

**Personal Services** budgeted at \$356,738, is a \$16,132 decrease from FY 14-15 and includes 6.8 positions that report to Community Services. The decrease is due to changes in employed personnel, and a slight decrease in overtime to reflect historical trend.

**Operating Expenses** are budgeted at \$334,325 or \$325 more than the FY14-15 budget. For FY 15-16, this budget continues a program for \$80,000 to fund beach end paving and \$80,000 for lumber and hardware for the beach walkover maintenance. Other major

# Beach Fund (continued)

---

operating expenses are \$87,125 for utilities, \$20,000 for contracted services such as carpentry, electrical or plumbing at beach-ends. The Beach Fund budgets \$15,000 in “Storm Repair” for minor storm related repairs and disposal of seaweed.

## **Enforcement**

The budget of the Enforcement Division is \$580,008, a \$129,276 decrease from the FY 14-15 budget.

**Personal Services** is budgeted at \$384,008, an increase of \$33,666 due to the annual salary increase and a change in insurance coverage selected by employees. Included for a second year is the pelican watch patrol as recommended by the Conservancy. The Pelican Watch provides two part-time temporary employees who will assist during peak tourist season at the Pier. At \$15,000, these two employees will provide the Pelican Watch from December 2015 through April 31, 2016. The other five employees of this division, the Beach Specialists, are assigned the responsibility of assisting in the enforcement of City ordinances at the beaches, such as parking regulations, boat storage, dress code, and fishing permits. Beach Specialists provide immediate beach response for water rescues, crowd control, wildlife protection and first aid.

**Operating costs** increased from \$34,942 to \$44,000, due to the one time request for \$6,000 related to a Pelican TV, which will be a protected TV at the pier running a loop of Pelican Protection videos. Other major operating costs are Vehicle Maintenance and Fuel, totaling \$20,500, printing for parking tickets and envelopes (\$5,500), supplies (\$3,000), and maintenance for the parking ticket software (\$6,000).

**Capital Outlay** is budgeted in the amount of \$152,000, which includes the parking system upgrade plus two vehicles.

## **Naples Pier**

The expenditures at the Naples Pier are budgeted at \$80,000, which reflects a \$957,274 decrease from the FY 14-15 budget, related to the pier and restrooms replacement. There are no personnel in this division, and the primary expenses are related to the DEP lease for the pier, and supplies as needed.

The Pier has offsetting revenue of \$51,200 from the concession contract at the pier.

## **Lowdermilk Park**

Lowdermilk Park is located on the beach near Banyan Boulevard. The revenues earned from the Lowdermilk concession (estimated at \$58,200) exceed the budgeted (direct) costs of the Park operations.

The budgeted costs of Lowdermilk Park are \$36,500 and include items such as electricity (\$8,000), operating supplies (\$2,000), contracted maintenance (\$5,000) and janitorial supplies (\$12,000).

# Solid Waste Fund

---

## Utilities Department/Solid Waste

**Mission Statement:** To protect public health and the environment by ensuring proper management of solid and hazardous wastes within the City of Naples.

### Department Description

The Utilities Department operates in three separate funds: Water & Sewer Fund, Solid Waste Fund, and Equipment Services Fund. Each Fund will be addressed separately. Solid Waste Fund is an Enterprise Fund. Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent is that the costs of providing the services will be recovered primarily through user charges. The Solid Waste Fund is responsible for providing backdoor residential refuse collection, curbside single stream residential recycling, residential horticultural collection, commercial garbage collection and non-residential (commercial) recycling throughout the City.

### Solid Waste Goals and Objectives

**In accordance with Vision Goal 4 (strengthen the economic health and vitality of the City) enhance and improve productivity within the commercial section:**

- Involve drivers in the re-routing of customer stops via onboard GPS systems in order to ensure an efficient collection routing system.
- Conduct on-going survey of commercial customers to ensure compliance with City mandatory non-residential recycling policy.
- Replace at least 20 un-repairable dumpsters with plastic dumpsters.
- Replace 1 service vehicle and 1 satellite collection vehicle.

**In accordance with the Vision Goal 2b (promote community sustainability and environmental conservation); increase participation in residential and nonresidential recycling and compliance with solid waste management rules and regulations:**

- Provide onsite visits with nonresidential recycling customers to encourage and enforce non-residential recycling; provide educational material and training to ensure compliance.
- Distribute "garbage grams" informing and educating homeowners concerning the proper recycling and solid waste procedures.

### 2015-16 Significant Budgetary Issues

The budget of the Solid Waste Fund for FY 15-16 is \$6,869,001 a \$311,791 decrease from FY 14-15. This fund has an adequate fund balance, projected to be approximately \$1.9 million at the end of FY 15-16.

### Revenues

Revenues into the fund total \$6,587,000. There are three main categories of revenue in this fund.

The primary revenue to the fund is the Solid Waste Fees (\$5,760,000) for residential, multi-family and commercial pick-ups, collected via the bi-monthly utility bill. There are two parts of the Solid Waste bill: a City collections charge and a Collier County landfill pass through. City Code Chapter 32 declares an automatic annual price increase equal to the United States Consumer

# Solid Waste Fund (continued)

---

Product Index (CPI). For FY 15-16, the Consumer Price Index rate is a reduction from FY 14-15, therefore there are no changes in the rates. Although the City will not apply a CPI increase to the collections operations, Collier County has notified the City that they will be increasing disposal rates for the waste that is collected and hauled to the Collier County landfill by 2.13%. This is a direct pass through to the customer.

The City charges for special pick-ups, such as demolition debris. For FY 15-16 the fund is budgeted to collect \$325,000 for special pickups. Proceeds from the sale of recycled material are anticipated in the amount of \$15,000 for FY 15-16 and commercial roll-offs are budgeted at \$385,000.

Interest Earnings are budgeted at \$12,000. The budget includes \$90,000 from the sale of surplus assets.

## **Expenditures**

There are five separate divisions in the Solid Waste Fund for a total budget of \$6,869,001. There are 26 budgeted positions. Last year's budget included 25.5 positions. The part-time Customer Service Representative has been changed to full-time.

## **Administration**

Administration coordinates the activities of this fund, and includes the fund-wide overhead costs. Excluding capital, the Administration budget is \$2,043,774, an increase of \$46,692 over the FY 14-15 budget.

Horticulture collection services are provided by a subcontracted vendor and equate to an annual cost of \$687,564. For FY 15-16, there is no increase from FY 14-15.

There are four (4) positions budgeted in Administration. Major costs in this division are General Fund Administrative Charge (\$304,360), Payment in Lieu of Taxes (\$345,600) and Self Insurance (\$194,200).

## **Residential**

The Residential Division is responsible for the collection and disposal of all residential solid waste. The budget is \$1,240,784, \$16,339 more than the FY 14-15 adopted budget. Personal Services for the eleven (11) employees in this section is \$710,434 or \$15,264 more than the FY 14-15 budget due to the annual increase in wages. Benefit costs changed based on employees' current benefit selections.

Other major costs include charges for waste taken to the County Landfill (\$239,000), and costs to operate and maintain the solid waste collection vehicles (\$282,000).

## **Commercial**

The Commercial Division is responsible for the collection and disposal of commercial solid waste. The budget is \$2,369,940 which is \$25,446 more than the FY 14-15 budget.

The Commercial Division has six (6) employees. Personal Services costs are \$450,890 or \$5,146 more than FY 14-15. The primary increase in salaries is an annual increase in wages. Due to employees making changes in their health care coverage, there were additional costs associated with benefits.

# Solid Waste Fund (continued)

The largest cost in the Commercial Division is the County Landfill, at \$1,190,000. Other major expenses include: \$268,400 for the hauling of roll off containers, \$326,000 for fuel and maintenance of the solid waste commercial vehicles, \$32,000 for compactor dumpster rentals, and \$85,000 to replace dumpsters and 96-gallon carts for the commercial cart route.

## Recycling

On October 1, 2010, a single stream recycling program was implemented. Single family residential customers have been provided with 65-gallon carts into which all recycling material may be placed. This comingled method has increased recycling participation and has reduced residential garbage from entering the Collier County landfill. For the FY 15-16 budget, the total budget is \$459,503 a decrease of \$7,268 from the FY 14-15 budget.

There are five (5) employees in this Division. The decrease in salaries is a direct reflection of the staffing changes made within the divisions in order to better account for operational requirements. Operating Expenses total \$118,200, with the largest cost being Equipment Services (Repairs and Fuel) for \$88,600.

## Capital Outlay

Total Capital budgeted in the Solid Waste Fund is \$755,000. The Solid Waste Fund will use \$500,000 to replace two large refuse trucks, \$30,000 for a satellite collection replacement vehicle and \$100,000 to rebuild refuse trucks, and the rebuilding of the solid waste vehicles is a successful program now in its fourth year of extending the life of the heavy equipment used. In addition, \$125,000 is intended to install fiber network cable to the Solid Waste Facility.

## 2015-16 Benchmarking and Performance Measures

# City Dock Fund

---

## City Manager's Office (Fund 460)

### **Mission Statement:**

The Naples City Dock aims to provide residents and visiting boaters with exceptional facilities and a high level of customer service at a reasonable cost. The Naples City Dock also seeks to:

- Act as ambassador for the City of Naples by promoting tourism and local business patronage.
- Promote Clean Marina practices.
- Maintain an environment that upholds integrity, credibility, quality service and responsible plans for the future.

### **Department Description**

The Naples City Dock is located on the Naples Bay end of 12<sup>th</sup> Avenue South. Situated at Marker 35, the Dock monitors VHF Channel 16. Water depth is up to 17 feet at the dock itself, and the channel is generally six to seven feet. Reservations are recommended for transient vessels, both for slip rental and mooring balls. Restroom facilities with showers are available, as is fuel (ethanol free gasoline and diesel), laundries, bait, ice, and a Dock Master's office. At Dock in Crayton Cove there many commercial enterprises including a ship's store, restaurants, shops and a trolley service.

### **2015-16 Department Goals and Objectives**

#### **As part of Vision Goal #1 - Preserve the Town's distinctive character and culture.**

- Act as Ambassadors and provide information and direction for the boating community.
- Continue implementing the City Dock business plan to maintain a high level of occupancy.
- Maintain a marketing program for fuel sales.
- Promote the City Dock as the "go to" marina for all boaters.

#### **As part of Vision Goal #2 - Make Naples the green jewel of Southwest Florida.**

- Continue to fly the flag of the DEP Clean Marina Program.
- Work with DEP Inspectors to encourage other marinas to become clean marinas.
- Act as a leader in educating the public on environmental issues.
- Work with the Natural Resources Division to establish on-going Bay clean-up procedures.

#### **As part of Vision Goal #3 - Maintain and improve public amenities for residents**

- Maintain a partnership with law enforcement and fire patrol.
- Be the contact person for the Fort Myers Department of Environmental Protection.
- Act as a reference point for individuals attempting projects that require permits.
- Maintain a calendar for waterfront activities in the City.

# Dock Fund (continued)

---

## 2015-16 Significant Budgetary Issues

### Revenue

Total revenue budgeted for FY 15-16 is \$2,075,600, an increase of \$19,000 over the FY 14-15 budget. There is a 2.5% increase in dock rental rates for commercial charters and a 4% increase to recreational vessels.

Continued increase in boater activity has resulted in greater fuel and miscellaneous sales. Revenue from fuel sales at the dock has increased after the economic decline, approaching the FY 06-07 levels. This budget reflects 280,000 gallons to be sold in FY 15-16.

### Expenses

Expenditures of the fund are \$1,808,233, a decrease of \$29,965 from the FY 14-15 adopted budget.

Personal Services total \$230,319, a \$16,956 increase from the FY 14-15 budget. There are 3.6 full time equivalent positions, no change from the prior year.

The main decrease is due to fuel, (280,000 gallons). The FY 15-16 fuel budget is \$1,200,000 which is \$48,000 less than last year due to the projected price being less than last year's projected price.

The fund will be increasing its fund balance and City Council will consider several public policy options for the future of the City Dock.

## 2015-16 Performance Measures and Benchmarking

	Actual 2011-12	Actual 2012-13	Actual 2013-14	Projected 2014-15	Expected 2015-16
Boat slip occupancy rate	98%	99%	100%	100%	100%
Fuel sales (expense)	\$958,831	\$1,025,000	\$1,090,208	\$1,248,000	\$1,200,000
Dock rentals	\$425,142	\$425,000	\$448,069	\$435,000	\$454,000

## STORMWATER FUND

### FINANCIAL SUMMARY

#### Fiscal Year 2015-16

<b>Beginning Balance - Unrestricted Net Assets as of Sept. 30, 2014</b>	<b>\$12,183,063</b>
Projected Revenues FY 2014-15	<b>\$5,208,470</b>
Projected Expenditures FY 2014-15	<b>\$9,204,672</b>
Net Increase/(Decrease) in Net Unrestricted Assets	<b>(\$3,996,202)</b>
<b>Expected Unrestricted Net Assets as of Sept. 30, 2015</b>	<b>\$8,186,861</b>
<b>Add Fiscal Year 2015-16 Budgeted Revenues</b>	
Stormwater Fees	\$4,773,000
Other	66,300
Interest Income	46,000
	<u>\$4,885,300</u>
<b>Less Fiscal Year 2015-16 Budgeted Expenditures</b>	
Stormwater Division	\$1,697,658
Natural Resources Division	\$441,834
Debt - Principal and Interest	239,974
Capital Projects	3,625,000
	<u>\$6,004,466</u>
<b>BUDGETED CASH FLOW</b>	<b>(\$1,124,166)</b>
<b>Projected Unrestricted Net Assets as of September 30, 2016</b>	<b><u>\$7,067,695</u></b>

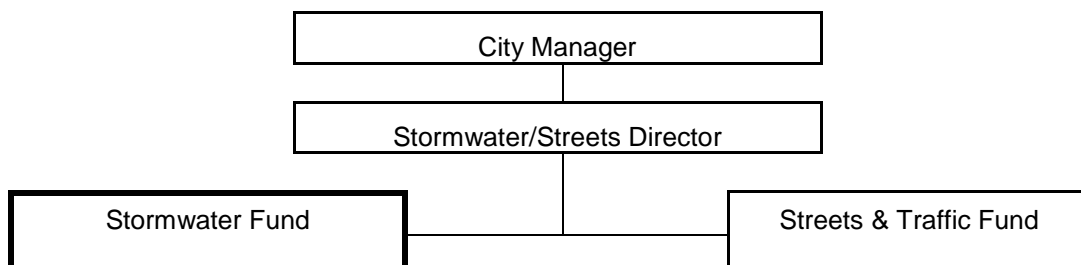

# Stormwater Fund

## Streets & Stormwater Department (Fund 470)

**Mission Statement:** The mission of the Stormwater Division is to protect people and property against flood by maintaining and improving the public stormwater management system, while protecting and restoring ecological systems that work naturally to improve water quality, the environment and quality of life for residents and visitors.

### Department Description

The Streets and Stormwater Department operates in two funds: Streets & Traffic Fund and Stormwater Fund. These functions are combined under one Director, yet operate out of two separate and independent funds. The Stormwater Fund operates as an Enterprise Fund, which is used to account for operations that are financed and operated in a manner similar to private business. The Stormwater Fund is responsible for maintaining and improving the stormwater management system which includes storm drainage, flood protection, ecological systems, and water quality infrastructure and programs.

### 2014-15 Department Major Accomplishments

- Replenished young vegetation on floating islands city-wide: 4 islands at Swan Lake, 4 islands at Lake Manor, 1 islands at East Lake, 2 islands at North Lake , 1 island at Lake 14th-15th, and 2 islands at Lake 16th-17<sup>th</sup>
- Rehabilitated the Swan Lake hydraulic control structure.
- 64 hours spent by staff cleaning debris from city maintained lakes.
- Public Works Pump station upgrades - Large pumps, bar screens, ASR Filters and Transmission Main installed and operational.
- Port Royal Pump station upgrades – new pumps, lined wet well, back-up generator, new PLC.
- Continue to improve stormwater conveyance systems – Including swale restoration, maintenance and repairs to storm sewer systems and aerator system maintenance.
- Began construction on Lake Manor restoration including dredging, exotic vegetative removal, littoral shelves and pervious pathway.
- Began statistical analysis of water quality trends in Naples Bay.
- Began design on the oyster and seagrass restoration project.
- Began design on the Cove Pump Station outfall impoundment feature.

# Stormwater Fund (continued)

---

## 2015-16 Departmental Goals and Objectives

The City's 10 Year Stormwater Master Plan guides the development of the 5-Year Capital Improvement Plan and operating budget. The overall objective is the design/permitting/construction of major improvements in drainage basins throughout the City, thereby improving levels of service and water quality initiatives.

To comply with the **City of Naples Vision Plan**: the Stormwater fund has several capital projects that strive to achieve the following:

### **As part of Vision Goal 2(a) Restore Naples Bay, protect beaches and other key waters:**

- Restore Naples Bay and other receiving waters by constructing artificial reefs, sea grass and oyster beds, and expanding mangrove forests. Also, the City continues to work with Collier County and the Big Cypress Basin to design a project that diverts fresh water conveyed by the Golden Gate Canal away from Naples Bay and into the North Belle Meade area. The Department continues to seek a permit from the US Army Corps of Engineers to build a habitat island in Naples Bay.
- Improve flood protection and enhance water quality treatment through the construction of rain gardens and filter marshes, as well as expansion of reclaimed swales, and installation of aerators, fountains, and vegetated floating mats in stormwater ponds.

### **As part of Vision Goal 3(a) (Maintain and improve public amenities for residents) and Vision Goal 3(b) (Promote community health), improve stormwater conveyance system (swales, gutters, pipes, etc.) and reduce localized flooding.**

- Continue the citywide swale restoration program.
- Repair and replace cracked, leaking, undersized piping.
- Continue to strengthen the City's leadership role in environmental protection and regional/community sustainability.
- Identify and evaluate potential alternatives regarding the drainage system in Basin II that depends heavily on beach outfalls.

### **As part of Vision Goal 4 (Strengthen the economic health and vitality of the City), enhance the stormwater management system.**

- Continue to evaluate Stormwater ASR Technology.
- Continue to enhance Street Sweeping Operations to provide additional debris recovery around stormwater lakes.
- Proactively clean out drainage inlets, pipes and manholes citywide.
- Improve the operational efficiency of the Public Works and Lantern Lane Pump Stations.

### **As part of Vision Goal 3d (Maintain and enhance public safety).**

- Continue with Public Outreach/Education Program.
- Continue to monitor water quality throughout the stormwater management system in order to gauge impacts of Division projects and programs.
- Replace undersized, non-functional drain inlets and manholes.
- Install flap gates and other backflow preventers to minimize tidal backflows into

# Stormwater Fund (continued)

---

- the storm sewer system.
- Expand the installation of aerators, fountains and/or other mechanisms that improve water quality in lakes prior to discharge.

## **2015-16 Significant Budgetary Issues**

The budget of the Stormwater Fund for FY 15-16 is \$6,004,466 a decrease of \$75,924 from the FY 14-15 budget. The FY 14-15 budget included a one-time funding of stormwater related improvements at Baker Park for \$1,000,000. This accounts for most of the decrease from FY 14-15. In addition, Capital Projects increased by \$581,824.

## **Revenues**

Revenues into the fund total \$4,885,300. The primary revenue to the fund is the Stormwater fee, collected via the bi-monthly utility bill.

In 2007, City Council approved stormwater utility rates based on an in-depth rate study conducted by a consultant. City Code provides for the rate to be adjusted annually automatically for the April Consumer Price Index. However since the CPI did not increase, there will be no adjustment in October 2015.

The City continues to administer the utility fee credit opportunity for properties having a certified stormwater management system that detains or retains stormwater, as well as a newly implemented multi-family option. Issuing these credits reduces the available billable units and the corresponding revenue in this fund.

This fund has received numerous grants in the past and anticipates receiving additional grants from various agencies in the future due to the importance of the City's watersheds to the overall health of the state's waterways. However, grants have not been included in this budget. Because most of the available grants are high dollar amounts that risk overstating the budget, it has become more prudent to budget them when actually awarded. The City's budget ordinance states, "Grants accepted by City Council are considered to be a budget amendment".

Interest earnings of \$46,000 are projected based on an interest rate of 0.6%.

The Department's projected September 30, 2016 fund balance is \$8.4 million. The fund balance can be attributed to the following:

- The success of grant applications offsetting the costs of major projects
- The need to cover major anticipated expenditures in future years;
- The need to cover major unanticipated expenditures in cases of emergency.

## **Expenditures**

Personal Services cost is \$1,074,079, an increase of \$33,144. This is primarily due to the annual raise. There are 11 positions budgeted for FY 15-16.

Operating expenditures total \$1,065,413, a decrease of \$690,892 from the FY 2014-15 budget. FY14-15 included a one-time transfer in the amount of \$1,000,000 to Baker Park for related stormwater and other improvements.

# Stormwater Fund (continued)

---

The largest of the expenses in this fund are listed below:

City Administration (General Fund Reimbursement)	\$164,800
Utility Billing Admin Fee	67,000
Professional Services/Lake and Stormwater Testing	455,000
Road Repairs	60,000
Fuel and Equipment Repair	64,000
County Landfill (for disposal of street sweeping)	30,000

Non-Operating Expenditures total \$3,864,974. This includes debt service (principal and interest) in the amount of \$239,974 related to a debt issue where the State Revolving Loans were refinanced in 2013 and capital costs of \$3,625,000.

The detail of the \$3.625 million in capital improvements is listed on the page that follows the line-item budget. Of the items in the FY 15-16 Capital Improvement Program, other than the \$325,000 Stormwater Master Plan 10-Year Update that is now included in the operating expenditures under professional services per the final budget hearing, none are expected to have an impact on the operating expenditures of this fund, as they are either maintenance or enhancements to current infrastructure.

## 2015-16 Performance Measures and Benchmarking

Performance Measures	Actual 2011-12	Actual 2012-13	Actual 2013-14	Estimated 2014-15	Projected 2015-16

# Tennis Fund

---

## Community Services Department

### **Mission Statement:**

The mission of the Tennis Fund is to provide residents and guests of Naples exceptional tennis programs and facilities in a cost effective, efficient and professional manner and to provide the citizens, employees, and contractors with professional customer service.

### **Fund Description**

The Tennis Fund is an enterprise fund established to track the revenues and expenses of the Arthur L. Allen Tennis Center. The facility includes twelve, state-of-the-art, fully lighted hydro-grid courts and a pro shop with an elevated viewing area, which allows views of Cambier Park and the playground. Chickee shade structures with cold-water fountains are located between each court. The full service center is professionally staffed with programs for novice through advanced players and junior through senior players.

The Allen Tennis Center is a fully programmed facility with leagues, clinics, lessons and other social events available to all. It has been noted as one of the most dynamic and beautiful public tennis facilities in the country.

### **2014-15 Department Accomplishments**

- The Arthur L. Allen Tennis Center hosted the 46<sup>th</sup> Annual Tennis Tournament, the largest tournament in the county.
- The summer tennis program continued to grow in numbers as the Tennis Plus camp averaged 25 campers per week during the ten weeks of summer vacation.

### **2015-16 Departmental Goals and Objectives**

#### **As part of Vision Goal #3b (Promote Community Health), provide quality recreation, cultural and athletic programs, activities and events**

- Conduct quarterly surveys of local tennis facilities to identify market competitiveness and assist in establishing facility membership fees.
- Identify feasibility of a “premium” membership level, or an expanded sponsor program and assess potential revenue increase such a program may generate by January 2016.
- Identify new member incentive programs on a quarterly basis that may increase annual program level of lessons, clinics and tournaments to supplement membership revenue.
- Research local market, national program trends and perform informal survey of members on a quarterly basis to determine options for increasing non-peak time court use.
- Schedule one additional USTA sanctioned event or tournament prior to August 31, 2016.

### **Significant Budgetary Issues**

The Tennis Fund, although tracked as an enterprise fund, is not fully self-supporting. This is because there is a public purpose that the tennis facility provides, beyond the services to the membership.

The City’s General Fund provides a subsidy to the Tennis Fund, related to the common events and use of the facility. Approximately 30% of the time, the facility is used for tournaments and public events, and is not solely available to the members for their pleasure. To that end, a General Fund payment to the fund, in the amount of \$47,500 is provided, the same as was provided in FY 14-15 and FY 13-14.

# Tennis Fund

## Community Services Department (continued)

---

The fund is using a portion of its reserves to balance for FY15-16. Part of this consumption is planned, related to a generous donation. For five years, from 2006-2010, Mr. Arthur Allen provided the City \$100,000 annually to assist with the debt service of the fund. While the debt service payment was approximately \$66,000 annually, the remainder of the donations was intended to enable the fund to pay the debt that extended past Mr. Allen's donation.

### Revenue

The primary recurring revenue to the fund is the Membership fee, budgeted at \$148,000 for FY 15-16. The budget includes a 2.5% rate increase as of October 1, 2015.

In addition to membership revenue, the fund charges for daily play, lessons, league fees, clinics, and tournaments. There is also \$25,000 expected from the resale of merchandise, which includes racquets, shirts, towels and vending items, and \$8,500 for racquet restrings. Other minor revenues include interest income, ball machine rentals and League fees.

As explained previously, the General Fund is providing \$47,500 for the general-purpose use of the facility.

### Expenditures

Expenditures of the fund are \$668,228, \$86,902 more than the FY 14-15 budget.

Personal Services total \$247,343, a \$4,900 increase over FY 14-15.

Operating Expenses total \$309,885, which is a \$32,002 increase over the FY 14-15 budget. This increase is mainly due to the tennis instructors and officials for clinics, camp lessons and tournaments.

Other major costs of this fund are Resale Supplies at \$20,000 and tournament costs (Special Events) for \$21,000. The remaining costs in this budget are primarily related to the facility operation and maintenance.

The budget includes the payment for debt service and interest totaling \$61,000 related to a 2001 renovation to the Tennis Center. The debt was refinanced in 2012 due to lower interest rates, and final payment will be made in FY 15-16. This budget includes two capital improvement projects to resurface the courts and the replace the chickee hut roofs, \$50,000.

## Community Services Department (continued)

### 2015-16 Performance Measures and Benchmarking

Benchmarking compares the City of Naples to other similarly situated agencies. Note that for the Tennis Center, there are very few similar agencies, and therefore, the following provides rate comparisons for a variety of agencies.

<b>BENCHMARKS</b>	<b>Collier County Pelican Bay</b>	<b>City of Marco Island</b>	<b>Academy Sanchez-Casal</b>	<b>City of Naples Cambier Park</b>
Annual Adult Fee	\$400	\$330	\$3,100	\$398 - Res \$529 - NR
Couples Fee	\$702	N/A	\$4,360	N/A
	<b>Naples YMCA</b>	<b>Sunrise Tennis Club</b>	<b>Long Boat Key Tennis Center</b>	<b>City of Ft. Myers Racquet Club</b>
Annual Adult Fee	\$675	\$240	\$580	\$380-Res \$506 NR
Couples Fee	\$1,012	\$345	\$790	\$570

Above fees do not include tax

Performance Measures are used to compare the trend of the City in levels of service or workload over the past years, and estimates the trend for the budget year.

<b>PERFORMANCE MEASURES</b>	<b>Actual 2012-13</b>	<b>Actual 2013-14</b>	<b>Actual 2014-15</b>	<b>Projected 2015-16</b>

## Human Resources Department (Fund 500)

**Mission Statement:**

To identify, analyze and manage the City's risk and exposure to loss related to the activities of the City, its departments and employees.

**Department Description**

The Risk Management Fund is an internal service fund, a division of the Human Resources Department, created to coordinate the expenses related to the general liability of the City.

**2014-15 Department Accomplishments**

- Recovered \$44,054 for City property damage caused by third parties during FY 13-14. Recovered \$46,996 for City property damage caused by third parties for FY 14-15 (as of May 15, 2015).

**2015-16 Departmental Goals and Objectives**

**As part of Vision Goal #4 (Strengthen the economic health and vitality of the City) ensure the Risk Management Fund is fiscally sound and compliant with State and Federal regulations**

- Perform annual actuarial analysis of the risk management fund to determine appropriate claim funding levels.
- Review insurance coverages annually and consider insurance coverage options to ensure a fiscally sound risk management program.

**As part of Vision Goal #4 (Strengthen the economic health and vitality of the City) achieve Blue Zones Project worksite approved status**

- Implement Blue Zones habitat/physical environment best practices.

**2015-16 Significant Budgetary Issues**

The budget for the Risk Management Fund is \$3,588,890 a \$760,637 decrease of the FY 15-16 budget. The primary reason for this decrease is that FY 14-15 included a one-time transfer of a portion of fund balance (\$1,000,000) for Baker Park development.

Unrestricted net assets are projected to be more than \$3.2 million at the end of FY 15-16. In addition to this amount, the fund has \$3.073 million in restricted reserves for future claims.

**Revenues**

The primary source of revenue for this internal service fund is the charge to each fund (\$3,322,070) for insurance and risk management. These charges are based on a four-year analysis of loss experience (claims) and risk exposure (number of vehicles, number

# Risk Management Fund

## Human Resources Department (continued)

---

of employees, and risk related ratings). The budget amount will be charged to each fund during the course of the fiscal year. There is \$30,000 budgeted for interest on reserves.

### Expenditures

#### Personal Services

Personal Services are budgeted at \$138,414, an increase of \$3,644 over the FY 14-15 budget due to the annual salary wage increase.

#### Operating Expenses

Operating costs for the Risk Management Fund are \$3,450,476, a \$764,281 decrease from the FY 2014-15 budget (excluding the FY14-15 transfer out of \$1,000,000). There are two components of the operating costs of this fund.

The first component includes costs to support the staff member for the management of the risk program. In addition to the salary, these costs are training materials, telephones, and supplies. These costs make up only a minor portion (almost 5%) of this budget.

The second component is approximately 95% of the expenses of the fund, and represents the cost of the insurance program, including excess insurance and professional services. Professional Services and Insurance related costs (such as claim funding) represent the bulk of the expenditures in this fund.

#### Professional Services

Brokerage Service Fee	\$52,500	Actuarial Analyses	\$3,000
Third Party Administrator	\$47,570		

Brokerage service fees are paid to the City's insurance broker for assisting the City in securing insurance quotes for excess insurances and ancillary lines of insurance coverage. This is a fixed cost and includes services related to development of underwriting data, consulting, marketing, and customer service.

#### Insurances and Claims funding

Workers Comp – State Assessment	\$18,000
Workers Comp – Current Year Claims	\$713,872
General Liability	\$817,609
Auto and Collision	\$385,857
Property Damage	\$1,361,962
Unemployment Compensation	\$10,000

Budgeted again this year is \$40,000 (as a contra-expense) for insurance claim refunds and reimbursements.

---

## Human Resources Department (Fund 510)

### **Mission Statement:**

To ensure City resources are effectively used to serve its employees, retirees and eligible dependents. The Employee Benefits Fund strives to design a plan that offers comprehensive benefits at a cost that is competitive to most private plans. The philosophy is to provide quality healthcare services in a cost-effective manner, and to offer innovative, cutting edge benefits and a wellness program.

### **Department Description**

The Employee Benefits Fund is an internal service type fund under the management of the Human Resources Department, designed to coordinate the expenses related to the major employee benefits. The Employee Benefits Fund includes the following insurances:

- Health Insurance The City is self insured for health insurance.
- Dental Insurance The City contracts for this service.
- Life Insurance The City contracts for this service.
- Vision Insurance The City contracts for this service.
- Long Term Disability The City contracts for this service.

### **2014-15 Department Accomplishments**

- The Wellness Incentive Program had 99% employee participation.
- A part-time Wellness Coordinator position was added (funded by Cigna).
- Health insurance premium rates remain the same as FY13/14. City and employee contributions remain the same.

### **2015-16 Goals and Objectives**

**As part of Vision Goal 4 (Strengthen the economic health and vitality of the City) ensure the employee health benefits plan is fiscally sound and compliant with State and Federal regulations**

- Perform annual actuarial analysis of health benefit fund to determine appropriate premium rate valuations and claim funding levels
- Prepare annual GASB 43 and 45 valuation

**As part of Vision Goal 4 (Strengthen the economic health and vitality of the City) by educating employees to be better consumers of health care benefits which will reduce plan costs and out of pocket expenses**

- Promote utilization of on-line resources available through [www.mycigna.com](http://www.mycigna.com)
- Provide monthly communications regarding in-network services and providers
- Develop and implement wellness and fitness initiatives and incentives

**As part of Vision Goal 4 (Strengthen the economic health and vitality of the City) achieve Blue Zones Project worksite approved status.**

- At least 25% of employees sign the Blue Zones Personal Pledge
- Earn at least 72 out of 114 possible points by implementing pledge actions
- Implement at least one pledge action from each of the six foundational pillars of worksite well-being

# Employee Benefits Fund

## Human Resources Department (continued)

### 2015-16 Significant Budgetary Issues

#### Revenues

The budgeted revenues to this fund total \$6,823,088. There are two primary sources of revenues to the Employee Benefits Fund.

- City (Employer) contributions to employee benefits, and
- Employee (or former employee) contributions toward benefits

Employer (City) Contributions are budgeted from the Personal Services section of each department. Employee (or former employee) contributions are deducted from an employee's pay or are billed. In addition to premiums, there is \$5,000 budgeted in interest earnings.

Historically, COBRA and retirees' premium rate changes are made effective October 1, which is consistent with the actual insurance plan year. Prior to any rate change, the City performs an actuarial analysis of their actual costs to ensure legal compliance.

This budget assumes no increase in premium rates, and assumes the continuation of a reduction in the employee's deductible for employees who achieve certain health criteria.

#### Expenditures

This fund includes expenditures for the self-insured health insurance program and the costs of the purchased insurance programs. Expenditures are \$6,414,225, \$12,695 more than the budget of FY 2014-15.

Current contracts for the following services and lines of insurance coverage are in place:

- |  |  |
|--|--|
| ✓ Third Party Administrator for Self Insured Health Claims | ✓ Vision Insurance                     |
| ✓ Health Insurance Stop Loss Coverage                      | ✓ Basic Life                           |
| ✓ Prescription Insurance for Self Insured Health Plan      | ✓ Supplemental Life Insurance          |
| ✓ Dental Insurance   | ✓ Long Term Disability Insurance       |
|  | ✓ Accidental Death & Disability (AD&D) |

Health Claims expenses, the largest expense in this fund, are budgeted at \$3.2 million. Prescription Claims are budgeted at \$500,000. Budgeted costs are determined through annual actuarial studies.

For a complete understanding of the benefits provided to City employees, please see the union contracts and employee manuals, or contact the Human Resource Department.

# Technology Services Fund

---

## Technology Services Department (Fund 520)

### **Mission Statement:**

The mission of the Technology Services Department is to provide leadership and guidance to staff in the appropriate application of technology, and to provide an efficient and reliable infrastructure for voice and data communication to enable City officials, staff and employees to deliver the highest level of service to the citizens of Naples.

### **Fund Description**

The Technology Services Fund is an internal service fund that provides all technological services to the City.

### **2014-15 Department Accomplishments**

- Deployment of Fiber to City Pier.
- Implementation of OnSSI Video Security System City wide.
- Technology Services Team handled over 5,500 help desk tickets with the Police being the largest user with 1,400 requests.
- Major enhancements to GIS to increase performance to City staff and external users.
- Added additional layers for Public Safety AVL (Automatic Vehicle Location) system to include building plans.
- Implemented a virtualized backup environment.
- Managed the expansion of the Access Control project.

### **2015-16 Departmental Goals and Objectives**

- Further consolidate data and application systems to reduce power consumption and increase operational efficiency using Microsoft Hyper-V virtualization.
- Enhance City wide AVL application with live signal feeds from Traffic.
- Maintain the City's GIS Portal while enhancing its availability and contents.
- Manage the further expansion of the Access Control project.
- Oversee expansion of OnSSI enterprise Security Camera solution.
- Introduce active/passive failover to Hyper-V environment.
- Migrate to Exchange 2013.
- Deployment of Fiber to City Dock.
- Facilitate Go-Live of County CAD.

### **2015-16 Significant Budgetary Issues**

The budget for the Technology Services Fund is \$1,680,583, a \$48,154 decrease from the FY 14-15 budget.

At the end of 2015-16, unrestricted net assets are estimated to be \$637,530, which is higher than the minimum fund balance of \$340,000 recommended by policy. The City plans for a slow use of this fund balance to reduce it over time to more closely match the minimum requirement.

# Technology Services Fund

---

## Technology Services Department (continued)

### Revenues

The primary revenue sources for this Internal Service Fund are the charges to each fund for services. Charges to departments are calculated based on the number of service calls and the number of users.

### Expenditures

Budgeted expenditures for the Technology Services Department are \$1,680,583.

Personal Services are budgeted at \$592,612, or \$12,529 greater than FY 14-15. The primary reason for this is a 3% increase to employee salaries and the reclassification of the Video Programming & Production position to Communications and Video Production Manager.

Operating Expenses decreased by \$51,683 to \$847,981. The primary reason for the decrease is Professional Services expenditures. As the Tyler software has been implemented, there are fewer professional services required related to the data migration. Also, the Video production costs have decreased, as last year included a onetime project related to improving video capability in the City.

There is \$240,000 budgeted for Capital, which includes a \$175,000 Security Camera project, and \$65,000 for the ongoing program to replace City Hyper-V Servers and to upgrade Network Switching.

# Equipment Services Fund

## Utilities Department (Fund 530)

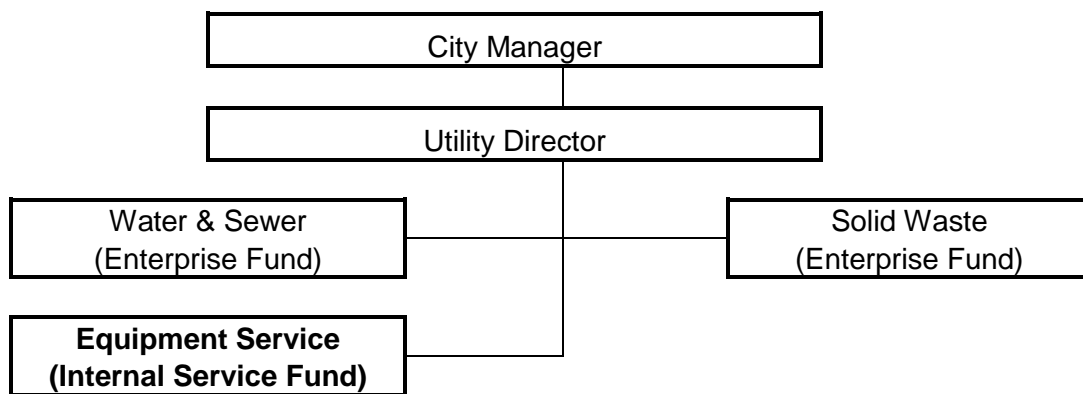

### Mission Statement:

The mission of Equipment Services is to provide vehicles, equipment and fuel services to employees and departments of the City of Naples, thus enabling employees to perform the necessary functions of the City.

### Department Description

The Utilities Department operates in three separate funds: Water & Sewer Fund, Solid Waste Fund, and Equipment Services Fund. Equipment Services is an Internal Service Fund, responsible for the maintenance and replacement of all City rolling stock, including Police and Fire apparatus.

Equipment Services is focused on providing service and maintenance reliability to the City's fleet. Improved preventative maintenance programs are sought on a continuous basis to assure service reliability to the City fleet.

### 2015-16 Departmental Goals and Objectives

**In accordance with Vision Plan Item 4 (strengthen the economic health and vitality of the city) continue and strengthen the city's leadership role in environmental protection and regional/community sustainability:**

- Review preventative maintenance schedules for City Fleet vehicles in an effort to seek alternatives for maximizing vehicle life expectancy by reducing costs and enhancing efficiencies
- Use of Recapped (recycled) small truck tires
- Annually review City fleet requirements to ensure optimum efficiencies and low costs. Specifically make recommendations to consolidate equipment, actively play a role in vehicle replacements, and determine surplus equipment

# Equipment Services Fund (continued)

---

In accordance with Vision Plan Item 5 (maintain and enhance governance capacity for public service and leadership), recruit, develop, and retain a highly competent staff through such activities as attendance at workshops, seminars, and conferences.

- Provide monthly reports identifying productivity of mechanics
- Send two automotive technicians to receive Emergency Vehicle Technician (EVT) training to maintain certifications for maintaining City owned emergency vehicles

## 2015-16 Significant Budgetary Issues

The budget for the Equipment Services Fund is \$2,419,918, a \$43,009 decrease from the FY 14-15 budget.

### Revenues

Funding for the Equipment Services Fund is provided by each user department in the City. Every month, the Equipment Services Department charges each department for products and services provided. The revenue budget consists of two parts: fuel and maintenance; both are budgeted based on a multi-year historic trend.

The fuel revenue is based on each user's prior years' volume, multiplied by an assumed cost of fuel. The budgeted cost of fuel is based on the current price of fuel at the time the budget is prepared plus 15%. Fuel prices in this budget are estimated with the expected use of 149,000 gallons of gasoline and 103,000 gallons of diesel respectively. Actual charges for the year are tracked using a computerized fuel card system, which tracks car, driver, mileage and usage. Equipment Services provides fuel to the Collier County Emergency Management Department for a fee. Collier County's EMS will reimburse this fund an estimated \$91,288.

The budget for maintenance revenue is based on each user's prior years' actual use of labor and materials, and then manually adjusted for any anomalies such as major equipment failure, equipment changes or storm damages. On a monthly basis, maintenance charges are billed to the user department, based on a combined labor and parts charge, similar to a commercial mechanic shop.

### Expenditures

#### Personal Services

This fund has eight full-time employees and one part-time position. The FY 2015-16 budget includes the 3% contractual increase for both union and non-union employees.

#### Operating Costs

Operating and capital expenditures of this fund total \$1,709,594 which is a \$50,924 decrease from FY 14-15. The primary reason for this decrease is related to fuel.

The most significant expenses are:

Sublet repairs	\$220,000	Transmission, painting, body work, welding, generator maintenance
Operating Supplies	\$250,000	Vehicle and equipment parts
Fuel	\$786,488	
City Administrative Costs	\$107,770	
Tires	\$100,000

# City of Naples, Florida

## Capital Improvements Budget

---

### Program Description

By June 1, in accordance with Section 2-691 of the City Code of Ordinances, the City Manager presents City Council with a Five-Year Plan for the Capital Improvement Program (CIP). This program generally includes items with an expected life of more than 2 years and a project cost of more than \$10,000. The CIP is a separate document, available online or in the City Clerk's office. The summary in the operating budget is less detailed, but identifies the projects specifically budgeted for FY 15-16.

The CIP is used to identify and coordinate the financing and timing of public improvements. The first year of the Five-Year Program, as amended during the budget process, is included in this document. Projects are budgeted by fund and department, but are shown in this section in total for reference purposes.

Although Capital Improvement Projects are those projects with a cost greater than \$10,000, the City considers any item with a purchase price greater than \$1,000 a fixed asset, in accordance with Florida Statutes 274.02 and Florida Administrative Rule 69-1-73.003 (Recording of Property). Therefore, some items not classified as a capital item in the CIP may be included in capital project line items for tracking purposes due to their cost.

The following funds provide revenue for funding the CIP from their own revenue generation, grants, donations and retained earnings:

- Public Service Tax Fund
- Stormwater Fund
- Baker Park/Special Park Fund
- Streets and Traffic Fund
- Solid Waste Fund
- Water & Sewer Fund
- Building Permits Fund
- CRA Fund
- Beach Fund
- Technology Services Fund

### 2015-16 Significant Budgetary Issues

The City carefully reviewed all capital project requests during the budget process to ensure that the projects were timely, fundable and appropriate. The plan for FY 2015-16 is to focus on equipment replacement and major repairs to infrastructure. Maintaining the current quality of life and aesthetic appeal of Naples is a priority. This CIP places an emphasis on maintaining existing infrastructure, such as buildings roadways, alleys, landscape, and rights-of-way.

The Five-Year Capital Improvement Program represents slightly more than \$109.7 million in projects. Capital projects for FY 15-16 total \$25.9 million.

### Public Service Tax Funds

The Public Service Tax Funds are two separate yet intertwined funds that fund capital projects, primarily related to the General Fund Departments.

# Capital Improvement Budget (continued)

The **Debt Service Fund** accounts for the City's outstanding debt service on Public Service Tax Revenue Bonds. This fund does not include bond issues for the enterprise funds. Debt service for the enterprise funds is funded through the enterprise funds. After annual debt service obligations have been met, balances in this fund can be transferred to the Capital Improvement Fund to pay for capital expenditures.

The **Capital Improvement Fund** was established to account for capital projects funded by the City's Public Service Taxes.

Capital Improvement Projects includes items such as machinery, fire trucks, police vehicles, improvements to City facilities, or new construction.

## Public Service Tax - Debt Service Fund (Fund 200)

### Revenues

This fund has two primary types of revenue: Public Service Taxes; and a transfer from the Community Redevelopment Agency for its debt service (related to two parking garages and other capital improvements). There is a small amount of interest income. The adjacent chart shows the comparative totals of revenues to the Public Service Tax Fund.

Public Service Taxes, generated from Electric, Telecommunications, Gas and Propane, are allowed by Florida Statutes and City Code.

Electric Public Service Tax	\$2,897,000
Propane Gas	\$145,000
Natural Gas	45,000
Telecommunications	\$197,585

In January 2010, the Telecommunications Tax was increased (per City ordinance) from 3.3% to 5.22%. A portion of these revenues are allocated to the Public Service Tax Fund to be used for capital. The expected revenue for Telecommunications Tax in this fund is \$197,585. The rest of the Telecommunications tax is shared with the General Fund (\$1,446,000) and the Streets Fund (\$625,000) for a total of \$2,268,585.

There is a transfer in from the Community Redevelopment Agency (\$963,389) for its share of debt service in this fund.

### Expenditures

The majority of the expenditures in this fund are for debt service obligations.

The City of Naples has the following debt and required payments, excluding the Water/Sewer and Tennis funds' debt, which are reflected separately in those funds:

Type	Amount outstanding	2015-16 payment
Public Service Tax bonds	\$4,115,693	\$667,986
Redevelopment bonds	\$5,934,394	\$963,389

# Capital Improvement Budget (continued)

---

After funding the debt service and other costs of this fund, any excess balance may be transferred to the Capital Improvement Fund, as directed by the City's Code of Ordinances. For FY 2015-16, the transfer from the Public Service Tax Debt Service Fund to Public Service Tax - Capital Improvement Fund for capital improvements is \$3,000,000, \$375,000 less than FY 14-15. This leaves a projected available fund balance in this fund of \$848,000.

## Public Service Tax - Capital Improvement Fund (Fund 340)

### Revenues

In addition to the \$3 million transfer in from the Debt Service Fund, discussed above, the Capital Improvement Fund receives interest income, assessment payments, auction proceeds and a loan payment from the East Naples Bay Taxing District.

Special Assessment payments are repayments projected from a dredging project in West Naples Bay (Aqualane Shores). This Special Assessment was initiated in 2005 and the project was completed in 2009 for a total assessment of \$663,337. FY 15-16, the expected payments of \$36,000 represent the final year of this repayment. In addition, this fund will receive \$100,000 in assessment payments from the Port Royal Dredging District, which was established by resolution 11-12978. That assessment will be completed in FY 19-20.

The budget includes Police and Fire Impact Fees of \$42,500 and \$100,000 respectively to fund the License Plate Recognition Trailer and a portion of the Fire Station, both of which are considered growth projects.

### Expenditures

The City's Capital Improvement Program was presented to City Council on June 1, and included all items in all funds with an expected cost over \$10,000 and a life greater than two years. Most projects are funded from operating funds, such as the Water/Sewer Fund or the Solid Waste Fund. General Fund capital items are typically funded from the Public Service Tax Capital Improvement Fund.

The Public Service Tax Fund CIP as presented in June was \$4,572,668.

Between June and the presentation of the preliminary budget, the following changes were made to the Public Service Tax Capital Projects:

Moved FS #3 Fiber Optics out one year	(25,000)
Moved Community Service Repairs (level of service) to General Fund Operations/Community Services	<u>(395,000)</u>
<b>New Total</b>	<b>\$4,152,668</b>

During the Council budget workshop on August 17, the following was changed:

Added the Police Station roof replacement	\$450,000
Added Gulf Shore Blvd Landscaping	500,000
Removed Tree Planting project	(150,000)
<b>New Total</b>	<b>\$4,952,668</b>

# Capital Improvement Budget (continued)

---

During the Council Budget Hearing on September 2, the following was changed:

Removed Fire Station Design and Construction	\$(1,800,000)
<b>New Total</b>	<b>\$3,152,668</b>

The Public Service Tax Capital Improvement Fund CIP as presented in June included \$1,000,000 in FY 16-17 to fund a street repaving program, including Gulf Shore Blvd. That project has been moved to the Streets Fund for the same year.

At the CIP workshop, City Council requested that items listed in the Community Services section that were related to specific departments be moved from Community Services' capital project list to the department benefitting from the improvements. To that end, the Fire Station #2 renovation (\$250,000) will show within the Fire Department's capital project list, and Fire/Police Improvements (\$48,000) has been moved to the Police Department's capital project list. There is no effect on the bottom line.

The construction and design of Fire Station #1 (\$1,800,000) has been moved to FYs 2017-18 and 2018-19.

The Public Service Tax fund (the 340 fund) also pays a \$63,800 Administrative Charge for overhead costs.

## All Funds Summary

Refer to the next section for a listing of the projects funded for FY15-16 in all funds. Further details on each project can be found in the Five-Year Capital Improvement Program (CIP), a copy of which is available in the City Clerk's Office and on the City's website.

As part of the City's Capital Improvement process, any expected increase in operating costs are reviewed and included with the Capital Improvement Program. When needed, these operating costs are included in the operating budget. Because the City's projects are primarily replacements or major repairs, few have an operating impact. A summary of any indicated operating costs are shown following the list of projects in the Capital Improvement Program.

In addition to the noted items in the Public Service Tax fund, the following changes were made to capital projects in other operating funds, from the original CIP.

## Capital Improvement Budget (continued)

Building Fund	Reduced the cost of the Electronic Permitting from \$650,000 to \$350,000
Water/Sewer Fund	Increased project 16X19 (Alternative Pumping) from \$80,000 to \$400,000 in years 15-16 and 16-17, and removed it from the out years
City Dock Fund	Moved the Dock renovation out one year, to allow for discussion about the plan for renovations
Equipment Services	Reduced 16S11 Lighting Improvements from \$35,000 to \$20,000
CRA	Accelerated the capital program, moving 1 <sup>st</sup> Ave South (\$200,000) and 3 <sup>rd</sup> Ave South (\$65,000) design into FY15-16
Streets	Moved \$1,000,000 Street Resurfacing project from the 340 (Public Service Tax Fund) in FY 16-17 to the Streets Fund for FY 16-17.  Removed Stop Sign Replacement (because it was fully funded for the summer of FY 14-15)
Baker Park Fund	Increased the Bridge Component to \$2,000,000 and moved the Baker Park Construction project (\$9.1 million) out one year, while leaving \$600,000 in FY 15-16 to design/engineer the park.

# City of Naples, Florida

## Debt Administration Overview

The City Manager and the Director of Finance are responsible for the administration of the City's debt; however, City Council is ultimately in charge of approval of the form and dollar amount of all of the City's borrowings.

The Debt Management program is part of the comprehensive City of Naples Financial Policy. The details of the outstanding debt obligations such as original amounts, outstanding balances, fiscal year principal and interest are shown in the Debt Summary Schedules in this section.

### Debt Issuance Procedures

Before the issuance of debt, considerations for capital projects to be funded by debt are carefully analyzed against the current and future needs of the City.

The Finance Department, with the aid of its consultants, coordinates the issuance of debt, such as sizing the new issue, structuring the debt, identifying the repayment sources and determining the mix and method of sale. The City, as a practice, structures all long-term debt with prepayment options except when alternative structures are more advantageous. The City's Debt Service requirements reflect its Fiscal Policies regarding the prudent use of tax-exempt financing.

### Legal Debt Limits

There is no limit established by either the City or the State on the amount of debt the City may incur.

Since neither State law nor the City Charter provide any fixed or arbitrary limits on the amount of debt the City may incur, the following guidelines help ensure that the City monitors its debt capability.

	9/30/2012	9/30/2013	9/30/2014	09/30/2015
Total Outstanding Debt Per Capita	\$2,105	\$1,815	\$1,605	1,366
General Obligation Debt per Capita	\$803	\$647	0	0
Per capital personal income	\$82,316	\$83,798	\$80,156	\$80,156
<i>Debt per capita Personal Income. A general guide is that general obligation debt per capita should not exceed 2% of per capital income</i>	.97%	.77%	0	0

### Summary

The following pages provide an issue by issue detail of each bond of the City, with a summary of the debt service budgeted for FY 2015-16.

## CITY OF NAPLES

### COMBINED DEBT SERVICE SCHEDULE ALL FINANCING SOURCES

Year Ending 9/30	Principal	Interest	Total Requirement

**City of Naples**  
**Vision Plan/Goals and Objectives**

One characteristic of a good budget is that it should provide linkage with city goals and priorities. City’s 10-year Vision Plan was adopted by City Council on June 13, 2007. This vision contained five major goals, with several activities and elements to achieve these goals. Many of these goals have been integrated into this budget document. The matrix below shows some of the many objectives incorporated into the department budgets to meet these goals.

**Goal 1:**  
**Preserve the Town’s distinctive character and culture.**

<b>Department</b>	<b>Objectives</b>
Community Services	Monitor, maintain and expand the Citywide Urban Tree Forest through internal staff and contracted services included tree trimming removal and replacement programs.
Planning	Complete the assessment of the comprehensive plan for consistency with statutory changes in anticipation of the 2016 reporting requirements.
Mayor and City Council	Adopt policies, ordinances, and resolutions that preserve and enhance the community’s character.

**Goal 2:**  
**Make Naples the green jewel of Southwest Florida.**

**2(a) Restore Naples Bay; protect beaches and other key waters**

Natural Resources	Continue restoring Naples Bay and other receiving waters by constructing artificial reefs, sea grass and oyster beds, and expanding mangrove forests.
Stormwater	Continue to improve flood protection and enhance water quality treatment through the construction of rain gardens and filter marshes, as well as expansion of reclaimed swales, and installation of aerators, fountains, and vegetated floating mats in stormwater ponds

**2(b) Promote community sustainability and environmental conservation**

Solid Waste	Distribute “garbage grams” informing and educating homeowners concerning the proper recycling and solid waste procedures.
-------------	---

**2(b) Promote community sustainability and environmental conservation continued**

Solid Waste	Provide onsite visits with nonresidential recycling customers to encourage and enforce non-residential recycling; provide educational material and training to ensure compliance.
Stormwater	Provide maintenance and operational support services to maximize the service life of the City's transportation infrastructure

**2(c) Establish more open and green space in the City**

Beach/Community Services	Maintain miles of pristine Gulf beaches that make Naples a wonderful beach destination. Provide two beachfront concessions for public use.
Community Services	Monitor, maintain and expand the citywide Urban Tree Forest through internal staff and contracted services including tree trimming, removal and replacement programs.

**Goal 3:  
Maintain an extraordinary quality of life for residents.**

**3(a) Maintain and improve public amenities for residents**

Water and Sewer	Target the Mooring Line Drive and Banyan Boulevard areas for sewer lining improvements in order to rehabilitate sewer lines, laterals, and manholes through a contracted lining process to reduce infiltration of ground water, silt, and sand from entering the collection system.
Community Services	Coordinate, monitor and adjust appropriate seasonal planting schedules regarding citywide plant maintenance and restoration for City parks, medians and right-of-ways on a monthly basis.
Beach/Maintenance	Coordinate and schedule a standardized preventative maintenance program at all beach access locations conducted by a weekly inspection with safety repairs completed within 24 hours of observation and reporting.
Police	Monitor and control traffic in school zones.

**3(b) Promote community health**

Tennis	Schedule one additional USTA sanctioned event or tournament prior to August 31, 2016.
--------	---

**3(b) Promote community health continued**

Tennis	Identify feasibility of a “premium” membership level, or an expanded sponsor program and assess potential revenue increase such a program may generate by January 2016.
Stormwater	Continue the citywide swale restoration program.

**3(c) Enhance mobility in the City**

Streets	Continue to implement the Pedestrian and Bicycle Master Plan and work with the Metropolitan Planning Organization on the City multimodal transportation system.
Streets	Complete the budgeted phase of street sign replacement and wayfaring project.

**3(d) Maintain and enhance public safety**

Police	Monitor percentage of code three calls with a response time under 5 minutes.
Police	Monitor percentage of code three calls with a response time under 5 minutes.
Fire	Analyze current Standard operating Procedures and update guidelines as needed.
Fire	Continue to develop the Alerting System for Fire Stations including software, hardware, procedures and actions of personnel.
Stormwater	Replace undersized, non-functional drain inlets and manholes.

**Goal 4:  
Strengthen the economic health and vitality of the City**

Stormwater	Proactively clean out drain inlets, pipes and manholes citywide.
City Manager	Electronic notification of bidding opportunities to registered vendors.
Finance	Determine a plan of action for continuation of beach pay stations for FY 2015-16.

**Goal 5:**

**Maintain and enhance governance capacity for public service and leadership**

Police	Meet all state mandatory training requirements for human diversity, emergency driving, firearms, ethical behavior, investigative techniques, and community policing.
Community Services	Recreation staff to review programs services availability, efficiency, eliminates redundant programs, low attendance programs and cost recovery target reviews in December 2015, March 2016, June 2016 and September 2016.
Community Redevelopment Agency	In conjunction with the City Planning Department, undertake a review of the D-Downtown zoning district regulations and boundaries, identifying specific regulatory changes and staff action required.
Building	Meet with outside organizations to review new customer service initiative.

## *Financial Policy*

---

The Government Finance Officers Association encourages an active and ongoing discussion of the financial policies of the City, and requires the policies to be included in the budget.

The purpose of the policies is to demonstrate to the relevant parties that the City is committed to strong financial operations, and to provide a strong precedent for future policy makers and financial managers on the city's financial goals and strategies.

### **I. Budgetary and Financial Planning Policies**

1. The budget must be balanced for all funds. Total anticipated revenues must equal total estimated expenditures for each fund (Section 166.241 of Florida Statutes requires that all budgets be balanced.) A balanced budget requires each operating fund to have revenues fully cover expenditures. Fund balance, if used as a source of revenue, may only be used deliberately to either intentionally reduce a surplus, to fund one time capital, or to provide a short-term funding with the intent to repay.
2. The City will avoid procedures that balance current operating expenditures at the expense of meeting future year's expenses, such as postponing expenditures or accruing future years' revenues.
3. The budget will provide adequate funding for maintenance and replacement of capital, plant and equipment.
4. The budget will provide full funding for employees and their related costs.
5. Annually, the city will establish an indirect cost allocation plan to charge all operating funds of the City where it is legal. The City will use a method to fairly cover the overhead and administrative costs of the General Fund that provide service to non-general fund departments. Departments and Council will have a chance to review all charges annually. Council may determine exemptions or reductions for a public purpose. The cost allocation methodology should be reviewed during every odd numbered year. Generally, the Administrative Service Charges will use only three bases, and the costs of the department or divisions listed below them will be allocated to all funds on that basis.
6. The City will charge a Payment in Lieu of Taxes (PILOT) to enterprise funds where the intent of the fund is to track full cost accounting. The purpose is to offset City services including Police and Fire which are services provided to every taxpayer and resident. Payments to the General Fund in lieu of taxes will be based on 6% of gross earned revenue or a negotiated fee.
7. After adoption, the budget shall be posted to the City's website.
8. As part of the preparation of the annual operating budget, the City shall review its fees for services. Fees shall be analyzed as to whether the city intends to recover full cost of providing the service

or when the city may charge more or less than full cost. For example, certain recreation fees shall be established but the City may choose to subsidize the full cost of operations. The Tennis Fund, the City Dock, Solid Waste and Water/Sewer Utility shall always have rates established to cover at a minimum the direct cost of providing the services.

9. Regular and moderate rate increases are preferred to avoid large increases at irregular intervals.
10. The City's Budget will be submitted to the GFOA Distinguished Budget Presentation Program. The budget should satisfy criteria as a financial and programmatic policy document, as a comprehensive financial plan, as an operations guide and as a communications device.
11. The City encourages a diversity of revenue sources in order to improve the ability to handle fluctuations in individual sources. Revenue diversity shall be tracked in the budget document.
12. Price hedging is a form of derivative that has an upside and a downside risk. The City will not use hedging programs to offset price increases without full knowledge of the risk involved. City Council approval is required to enter into any hedging program.
13. The City will avoid the use of one-time revenues for ongoing expenditures. Any such use shall be noted and justified.
14. The City shall, at a minimum, perform an impact fee update every five years. The most recent update and implementation was in 2008.

## II. Financial Reporting Policies

1. The City shall prepare an annual audit in accordance with Generally Accepted Accounting Practices, and the City shall apply for the GFOA Certificate of Achievement Program.
2. The City shall prepare quarterly reports to Council and the City Manager comparing actual to budgeted revenue and expense activity for all major operating funds.
3. The City shall establish and maintain a set of standard accounting practices, which shall include internal controls.
4. Financial systems will maintain internal controls that enable users to monitor revenues, expenditures on an ongoing basis.
5. The City's accounting and financial reporting systems will be maintained in conformance with all state and federal laws, generally accepted accounting principles (GAAP) and standards of the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).
6. An annual audit will be performed by an independent public accounting firm, with an audit opinion to be included with the City's published Comprehensive Annual Financial Report (CAFR).

**III. Capital Improvement Policies**

1. The City will annually develop a five-year capital improvement program as required by Chapter Two of the City Charter.
2. The city shall seek intergovernmental assistance, such as grants, whenever possible to finance the capital outlined in the CIP.
3. The City will coordinate development of the capital improvement budget with the development of the annual operating budget. Each capital improvement project will be reviewed for its impact on the operating budget in terms of revenue generation, additional personnel required and additional operating expenses.
4. Capital improvement projects are defined as infrastructure or equipment purchases or construction which results in a capitalized asset costing more than \$10,000 and having a useful (depreciable life) of two years or more.
5. The Finance Department shall maintain a complete inventory of all major capital assets. This listing shall be annually distributed to departments to aid in the assessment of condition of the City's assets.

**IV. Debt Management Policies**

1. The City will seek to maintain and, if possible, improve the city's current bond rating in order to minimize borrowing costs and preserve access to credit.
2. An analysis showing how the new issue combined with current debt impacts the City's debt capacity and conformance with City debt policies will accompany every bond issue proposal.
3. City will not issue Debt Obligations or use debt proceeds to finance current operating and maintenance expenditures.
4. City will utilize Debt Obligations only for capital improvement projects that cannot be funded from current revenue sources or in cases in which it is more equitable to finance the project over its useful life.
5. Prior to the issuance of any additional general obligation debt, the City will consider adopting a policy(s) that identifies the maximum amount of debt and debt service that should be outstanding at any time.
6. The City will consider the refunding of outstanding debt when at least a 4% net present value savings can be obtained
7. Debt will not be issued for periods longer than the useful life of the project.
8. Whenever possible, the city will use special assessment or self-supporting bonds instead of general obligation bonds, so that those who benefit from the improvement will bear all or part of the cost of the project.

**V. Investment Policies**

1. The City has adopted a separate Investment Policy in accordance with State Law. See Ordinance 08-11973, which was passed in March 2008. Topics in this detailed policy include objectives, ethical standards and prudence, authorized investments and diversification, internal controls and reporting.

**VI. Fund Balance Policy**

- 1 The City will maintain a separate Fund Balance Policy in accordance with Governmental Account Standards Board (GASB) Pronouncement 54.

## City of Naples Fund Balance Policy

### 1. PURPOSE:

The City hereby establishes a fund balance policy in accordance with Governmental Accounting and Financial Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. This policy is tailored to the needs of the City of Naples (the “City”) to establish a level of funding that protects against unforeseen events that would adversely affect the financial condition of the City and jeopardize the continuation of operations.

This policy will ensure that the City maintains a prudent level of financial resources to: 1) protect against reducing service levels or raising taxes and fees because of seasonal or temporary revenue shortfalls, natural disasters, or unexpected one-time expenditures, 2) provide for sufficient cash flow for daily financial needs, 3) offset significant economic or revenue downturns, and 4) secure and maintain investment grade bond ratings

Fund balance should be reported in two main categories—*nonspendable* and *spendable*, with the spendable category further broken down into four sub-categories in order of relative strength: *restricted*, *committed*, *assigned* and *unassigned*.

### 2. CATEGORIES OF FUND BALANCE - DEFINITIONS:

**Assigned Fund Balance:** Assigned fund balance is the portion that reflects the City’s intended use of the assets for a specific purpose. The intended use shall be established by the City Council or any other person the City Council delegates its authority.

**Committed Fund Balance:** Committed fund balance is the portion of fund balance whose amounts have self-imposed limitations, established through actions of the City Council, the City’s highest level of decision making authority, set in place prior to the end of the period. These amounts cannot be used for any other purpose unless the City Council takes the same action to remove or change the constraint. Purchase orders or contracts that are rolled from the prior fiscal year to the new fiscal year are committed resources.

**Nonspendable Fund Balance:** Nonspendable fund balance represents amounts that will not or cannot be converted to cash. The items include inventories, advances to other funds, long-term amounts of loans and notes receivable or prepaid items.

**Restricted Fund Balance:** Restricted fund balance is the portion of fund balance that is restricted to specific purposes. Amounts are restricted when they are created by an externally enforceable legal restriction. The restrictions can be imposed by creditors, grantors, contributors, laws or regulations of other governments.

**Unassigned Fund Balance:** Unassigned fund balance is the portion of fund balance which is not obligated or specifically designated and is available for any purpose. This amount classification represents fund balance that has not been restricted, committed, or assigned to specific purposes in the General Fund. Only the General Fund can have a positive balance. In other funds, balances are assigned to the fund’s purposes; otherwise they would be accounted for in the General Fund.

### 3 OTHER DEFINITIONS

**Encumbrances:** Encumbrances are the commitment of budgeted funds to purchase an item or service. To encumber funds means to set aside or commit funds for future expenditures.

**Expenditures:** Expenditures are all uses of financial resources, budgeted for any purpose, and include operating and capital expenses, debt service, and transfers to other funds.

**Fund Balance:** Fund balance means the difference between fund assets and fund liabilities. Fund balance is also referred to as net assets.

**Operating Expenditures:** Operating expenditures are uses of financial resources for personnel, supplies, services and materials, and exclude capital expenses, debt service, and transfers to other funds.

**Unrestricted Net Assets:** Unrestricted net assets in proprietary funds are roughly equivalent to unreserved fund balance in governmental funds; however, in the case of proprietary funds unrestricted net assets do not necessarily represent funds available for appropriation. This is due to the fact that some of the unrestricted net assets offset capital assets such as buildings and equipment.

**Spending Priority:** When a governmental fund has multiple classifications of fund balance the expenditure is determined to reduce the restricted fund balances first, then committed fund balance followed by assigned.

#### 4 FUND BALANCE POLICY GENERAL FUND

- A) Restricted – There is no restricted fund balance in the General Fund. Restricted amounts shall be tracked in special revenue, capital project, or debt service funds.
- B) Committed -
  - a. Commitment of fund balance may be made by resolution of City Council and commitments may be changed or lifted only by Council using the same formal action. Commitment of fund balance may be made for such purposes as establishing reserves for disasters.
  - b. The City, by this policy, establishes an Emergency Operating Reserve. - In order to provide the resources necessary to ensure continued operations of the City should a catastrophic event such as a hurricane or other natural disaster occur, the City establishes an emergency operating reserve within the general fund equal to 10% of the closed fiscal year's original adopted operating budget.
- C) Assigned
  - a. By this policy, the City Manager and the City Council are designated the authorities to establish assignments as part of the budget or reporting processes.
  - b. In addition to the above noted authority, the City establishes and confirms the Handicap Reserve in the General Fund, in accordance with City Code 36-61 relating to Disabled Person Parking Space Violations.
- D) Unassigned.
  - a. Unassigned fund balance is the residual classification for the General fund and represents fund balance that has not been committed or assigned to specific purposes.
  - b. The General Fund Unassigned Fund Balance at year-end will range between 16% and 30% percent of the prior year's original budgeted expenditures. In any fiscal year where the City is unable to fund the minimum reservation of fund balance as required in this section, the City shall not budget any amount of unassigned fund balance for the purpose of balancing the budget.

#### 4 MINIMUM FUND BALANCE POLICY - SPECIAL REVENUE FUNDS.

##### A. The CRA Fund and the Streets Fund

The CRA Fund (380) and the Streets Fund (390) Undesignated Fund Balance shall be between 16% and 30% of the prior year's original operating budget, plus additional for future planned or unplanned capital projects.

**B. Non-Construction Enterprise Funds**

The Non-Construction Enterprise Funds shall retain a minimum Unrestricted Net Assets in an amount between 8% and 16% of the annual budget plus 10% of the net capital assets from the most recent audit.

**C. Internal Service Funds**

The Internal Service Funds shall retain a minimum designated fund balance to meet any actuarially determined liability. For the Risk Management Fund, the actuarially determined liability shall follow the 90% discounted funded level. Internal Service Funds shall retain a minimum Unrestricted Net Assets in an amount between 8% to 16% of the annual budget plus 10% of net capital assets.

**D. Other Operating Funds (excluding Enterprise Funds)**

All Other Operating Funds of the City, excluding Enterprise Funds, shall retain sufficient Undesignated Fund Balance, in an amount ranging from 8% to 35%, as recommended by the City Manager or his designee.

**E. Building Permit Fund**

The Building Permit Fund shall keep an Undesignated Fund Balance between a range of a minimum of 40% and a maximum of 85%.

**5. SPENDING ORDER OF FUND BALANCES**

The City will use restricted amounts first when both restricted and unrestricted fund balance is available unless there are legal document/contracts that prohibit doing this such as in grant agreements requiring dollar for dollar spending. Additionally, the City would first use committed fund balance, followed by assigned and then unassigned fund balance when expenditures are incurred for purposes for which in any of the unrestricted fund balance classifications could be used.

**6. UTILIZATION OF SURPLUS RESERVES**

If it is determined at the fiscal year end that there is a surplus (an amount in excess of the excess of the upper limit of the fund balance range for any fund) the monies may be utilized for any purpose of the City or Fund. It may also be used for one-time costs including the establishment of or the increase in restrictions or commitments of fund balance.

**7. REPLENISHMENT OF RESERVE DEFICITS**

If at the end of any fiscal year, the actual amount of unassigned fund balance falls below the minimum required fund balance level set forth herein, the City Manager shall prepare and submit a plan for expenditure or expense reductions and/or revenue increases to the City Council. As part of the annual budget review, the City Council shall review and, if necessary, amend the plan submitted by the City Manager for restoring the amounts of unassigned fund balance to the required levels. Any deficit in the required minimum amount must be restored no later than the end of the second fiscal year following the occurrence.

**8. ANNUAL REVIEW AND DETERMINATION OF RESERVE AMOUNTS**

Compliance with the provision of this policy shall be reviewed as part of the annual budget process; and revisions to the levels of fund balance will be determined during this process if necessary.

## City of Naples General Information

Naples is considered by many to be the crown jewel of Southwest Florida. With its subtropical climate tempered by the soft breezes from the Gulf of Mexico, people are struck by its natural beach beauty and the flora and fauna that are unparalleled in any community.

The City of Naples is located on the Gulf of Mexico in Southwest Florida, and it is the cultural and activity center of Collier County. Still, the City is less than 20 miles away from the tropical wilderness of the Florida Everglades.

Naples was incorporated on December 1, 1923. It is approximately 16 square miles in size and has 108 miles of streets. Naples has a full-time population of approximately 19,000. However, from November to May the population swells to over 33,500, as part-time residents migrate from all parts of the world.

Naples grew from a small frontier-style fishing camp in the 1920s to its current status as a premier City. In addition to its natural features, the City of Naples is known for its world-class shopping, exceptional dining opportunities and abundance of challenging golf courses. The community is often considered to have a resort lifestyle.

### History

During the 1800s, U.S. survey teams exploring the southwest coast of Florida sent detailed reports to the U.S. Senate. Descriptions of the area captured the interest of General John S. Williams, a senator from Louisville, Kentucky.

Captivated by the potential, Williams recruited Walter Haldeman, a wealthy, adventurous publishing magnate and owner of the Louisville Courier-Journal. In 1885 the pair chartered a boat and sailed down the southwest coast of Florida. When they encountered a magnificent beach with a natural bay just beyond to the east, they knew they'd found their paradise, in what would someday be Naples.

By 1889, Williams and Haldeman built homes on the beach, constructed a pier, and established a 16-room hotel. The hotel was aptly named The Naples Hotel. In 1926, Naples received electric power, and the Naples Depot began providing train service in January 1927. Naples gained a reputation as a winter resort. In 1928 the Tamiami Trail was completed, linking Tampa, Naples and Miami, making Naples even more accessible. In 1929, Allen Joslin, (married to the heir of the Jergens hand lotion fortune) and wife Lois, built the first 18-hole golf course in the area at the Naples Beach Hotel

Through the 1950s, the City of Naples remained a small, but lovely, oasis along the Gulf of Mexico.

In 1959 a referendum moved the county seat from Everglades City to Naples. On Sept. 10, 1960, Hurricane Donna caused an unprecedented havoc as it plowed ashore between Naples and Fort Myers. The storm caused \$25 million in damage and destroyed the Naples Pier, which was soon rebuilt. Aiding in the county development, construction began on Alligator Alley in 1964, and the road opened to traffic – with a 75 cent toll – four years later. In 1969, “Jungle” Larry Tetzlaff opened Jungle Larry’s, now called the Naples Zoo.

At the corner of 12th Avenue South and Gulfshore Boulevard sits Palm Cottage. This house museum is the oldest house in Naples (built 1895) made of Tabby Mortar construction, a hand-

made concrete consisting of sand, shells and water. The 3,500 square foot house museum is listed as an historic landmark in the National Register of Historic Places.

In May 2012, Naples was named the ninth best small town in America by Smithsonian Magazine. The magazine cited Naples' music, arts, design, community theater, zoo, and weather in its ranking.

### Education and Recreation

Schools in the City are run by the Collier County Public School District. There are four public schools within the City limits: Seagate Elementary, Lake Park Elementary, Gulfview Middle, and Naples High School. St. Ann School is a private school also situated in the City. For post high school studies, located near the City are Florida Gulf Coast University, Hodges University (formerly International College), Ave Maria University, Ave Maria School of Law and Edison State College.

The City of Naples has wonderful lodging and dining, as well as world-famous historic shopping districts. Mention areas like “Fifth Avenue”, “Third Street” or “Tin City” and locals and their guests smile with delight from memories of good times had. With nine miles of white sugary sand Gulf beaches and gentle surf, the City of Naples is a wonderful beach destination. Parking is available at the end of

nearly every avenue, making the City beaches the most accessible beaches in the County. The City has excellent fishing; both salt and fresh water, and has the famous **Naples Pier** where fishing is free.

The City of Naples and surrounding Collier County have excellent golf and tennis facilities. More than fifty golf courses are in the County, and many are the work of top golf designers such as Tom Fazio and Jack Nicklaus. The City operates a Tennis Center in Cambier Park providing youth and adult recreational and competitive tennis programs and tournaments.

In February 2000, Naples voters approved a referendum to issue \$8.4 million in General Obligation bonds to finance the purchase of “The Naples Preserve”. This 9-acre parcel, located in the center of the City on US 41, is the last large undisturbed tract of land in the City.

The Naples Preserve site contains an older structure housing an Eco-Center that is believed to have been designed by students of Frank Lloyd Wright and utilized by the Chamber of Commerce as its administrative office and visitor information center during the 1960s and 1970s. This building has particular significance because it is further believed to be one of the few remaining commercial structures that survived the 1960 Hurricane Donna. The mission of the Preserve is to retain the property with its native habitats and ground vegetation, provide interpretive programs and allow the site to serve as an outdoor laboratory to enhance environmental education. The site provides linkages to other recreational areas, linear parks, and greenway networks within the City and Collier County.

The Naples Preserve is located on the same street as Fleischmann Park, a popular destination for youth and adult athletic programs, Skate Park, instructional and fitness activities for all ages.

Other park areas managed by the City include the Naples Pier, the beaches, the City Dock, Cambier Park and the Norris Community Center, Seagate Park, Lowdermilk Beach Park, River Park, plus many other smaller neighborhood passive parks. Cambier Park is home to numerous concert bands, art organizations and art shows, professional theatre, a large community built playground and many community fundraisers benefitting local non-profit and charitable organizations.

Although the City is perfectly poised on the Gulf of Mexico, it is also balanced by Naples Bay as one of its larger water features. Naples Bay, a jewel in its own right, has shaped and defined the City. Prior to development of the City, Naples Bay was a mangrove-lined saltwater estuary with abundant sea grasses, oysters and other marine life. As Naples became recognized for its climate, scenery, and quality of life, the population of both seasonal and year-round residents began to climb. This human population growth began to affect this beautiful estuary. The fringe of red mangroves around the bay, oyster reefs, and the bay's sea grass beds began to show signs of decline. In order to protect the mangroves, sea grasses, and oysters, City Council, staff, and others are making a concentrated effort to preserve and protect the natural beauty of the Bay.

The City Dock, located on the Bay, has a long history in Naples and is the base of operations for the City's working waterfront. Currently, it is a home base for several charter fishing boat captains who operate fishing guide services from this location. Other people take advantage of the opportunity to rent boat slips and call Naples their home port.

In February 2005, John Villani, travel writer, arts critic and author of "The 100 Best Art Towns in America", announced Naples as the number one Art Town in the nation for communities under 30,000. However, he said that Naples could rank as one of the top 10 arts cities in the nation in any population category because of its strong sense of support for the visual arts, performing arts, and music. Naples is a center of art activity, with sophisticated and serious art galleries representing the full spectrum of contemporary and traditional visual art genres. The Naples area has 128 art galleries, more than 500 artists, and at least 25 annual arts festivals.

**Economy and Transportation**

The City of Naples is serviced by the Naples Municipal Airport which is ideally located just minutes from downtown Naples. This 732-acre airport facility is a fully certificated air carrier airport. With two main runways, it is home to private, and charter air carriers, plus fire/rescue services, Mosquito Control, car rental agencies, the Collier County Sheriff's Aviation Unit, flight schools, the Collier County Humane Society, and other aviation and non-aviation businesses. For more general aviation, the Southwest Florida International Airport is thirty miles north of the City, in Lee County. The City is relatively easy to access from Interstate 75, and is about a two-hour drive from Miami or a three-hour drive from Tampa.

**Demographics**

Based on the most recent (2010) census estimates, Naples and the surrounding area have one of the highest per capita incomes in the state. Naples median income was, at that time, estimated to be \$71,033, compared to the state average of \$26,696. Although most demographic data is not tracked for Naples itself, Collier County has a population that is made up of 50.7% male, and 49.3% female, split relatively evenly among age groups, as shown on the adjacent graph.

The median age in Collier County is 45.3 years old. For December 2013 the Naples' unemployment rate is 5.4%, an improvement over December 2012, which was 7.5% and appears to be remaining steady.

**Land Use**

The adjacent chart shows that the primary land use in the City is residential, with recreational (including

**Collier County Age Groups**

Current Land Use	Acreage	Percent

<b>Total Land Use</b>	<b>7,733.11</b>	<b>100.00%</b>
Total Area (City Limits)	10,199.76	

private) and conservation being the secondary land use. The difference between the total City area (10,200 acres) and the land use (7,733 acres) is due to the bodies of water calculated within the City's land area.

**Business**

According to the U.S. Census Bureau, the largest business type in the Naples area is Government, followed by Health Care/Social Services and Accommodations/Food Service. Naples Community Hospital is located in the City. This medical facility has more than 500 physicians, 4,000 employees, and 1,900 volunteers at the 420-bed hospital.

**Government**

The City of Naples is a Council-Manager form of government. The legislative body consists of a Mayor and six Council Members. Each member of the legislative body is elected at large for a four-year staggered term with the elections being held in January every two (even-numbered) years.

The photo above includes the Council and appointed employees. The bottom row pictured left to right: City Clerk Pat Rambosk, Mayor John F. Sorey III, Councilwoman Teresa Heitmann, Vice-Mayor Margaret "Dee" Sulick, and Councilman Sam J. Saad III. Top row pictured left to right: City Attorney Robert Pritt, Councilman Doug Finlay, Councilwoman Linda Penniman, City Manager A. William Moss, and Councilman Bill Barnett.

The terms of the City Council for the period represented by this report are as follows:

Member	Term Ends
John F. Sorey III, Mayor	February 2016
Linda Penniman	February 2018
Bill Barnett	February 2016
Doug Finlay	February 2018
Teresa Heitmann	February 2016
Sam Saad III	February 2018
Margaret "Dee" Sulick	February 2016

City Council Members have an office at City Hall and can be reached via email collectively at [citycouncil@naplesgov.com](mailto:citycouncil@naplesgov.com).

The City Manager, as Chief Executive Officer, manages the operations of the City and reports directly to the Mayor and Council. A. William Moss was selected to be Naples' City Manager effective January 2008.

The duties and responsibilities of the City Manager are outlined in the City Code.

The City's municipal services are authorized by Florida Statutes and by local Charter. Primary services provided by the City are police and fire/rescue emergency services, highways and street construction and maintenance, parks and parkways, recreation, water and sewer, and solid waste (refuse recyclables and yard waste).

The City is the recipient of many awards. Below is a list of many of its recent achievements.

- The Naples Police and Emergency Services Department was re-accredited (CALEA) in April 2008
- 2004 and 2006 Florida Recreation and Parks Association (FRPA) Media Excellence Award in the Print Category (for quarterly program guide)
- 2007 FRPA Agency Excellence Award in Category V (serving populations at or below 34,999)
- Coastal America Partnership Award presented to City of Naples in recognition of efforts to protect and restore South Florida's aquatic coastal resources – Oyster Restoration Project
- Tree City U.S.A. Designation awarded annually from 1999 to 2010
- In 2005, Naples was voted the best beach in America by the [Travel Channel](#).
- 2009 Florida Local Environmental Resource Agencies' Environmental Leadership Award for Outstanding Leadership in Local Environmental Protection.
- Family Friendly Workplace by the Naples Alliance for Children awarded annually from 1999 to 2009
- GFOA Certificate of Achievement in Financial Reporting
- GFOA Distinguished Budget Presentation Award

All departments of the City, with the exception of the City Clerk and the City Attorney, are under the supervision and control of the City Manager.

**The Financial Structure**

City funds are organized according to standards established by the Governmental Accounting Standards Board (GASB) and the State of Florida’s Uniform Accounting System. The City’s computerized financial system is designed to provide timely and accurate feedback on the City’s overall financial position, and includes, at minimum, monthly reports of receipts, monthly reports of budget variances, and monthly reports to City Council on the overall financial status of the City. The City’s annual financial statements are prepared by the Finance Department and audited by independent certified public accountants.

In accounting, a fund is a fiscal and accounting entity with a self-balancing set of accounts which is established to record cash and other financial resources, liabilities, fund equity and changes thereto. The City budgets eleven Governmental Funds, as shown on the following diagram:

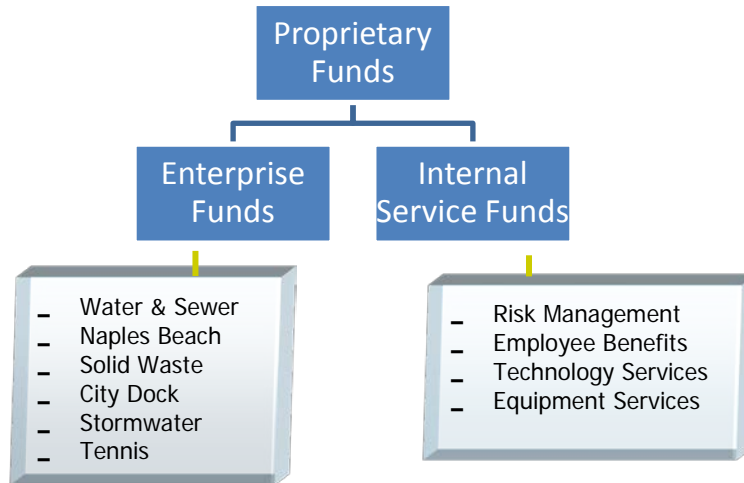

The General Fund is the major operating fund of the City. It accounts for all general government activity not accounted for in other funds. It includes most tax revenues and services such as public safety, parks, recreation, planning, and administration.

Special Revenue Funds are those funds with a revenue source that is specifically designated for a special purpose. In Naples, most of these funds are smaller, and therefore usually do not meet the criteria of a major fund. In the City’s financial reports, the term major fund is relevant because fund statements report separate columns for the general fund and for other major governmental and enterprise funds. In financial reporting, major funds are funds whose revenues, expenditures/expenses, assets, or liabilities are at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds. However, in the budgeting system, all funds that will have expenditures during the year are included in this report except the Pension Funds and the impact fee funds.

Capital Project Funds are, according to Generally Accepted Accounting Principles, to be used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary fund). In Naples, many of the funds originally established as Capital Project Funds have evolved into Special Revenue Funds, although they keep their original fund number and fund structure. Historically established to fund capital construction projects with dedicated revenues funds, several now fund operations and staffing to accomplish the goals of the revenue source. Therefore, in the budgeting process, the classification of “special revenue fund” or “capital project fund” is not relevant. Both are treated the same.

The City’s single Debt Service Fund tracks the current and future debt service requirements on general long-term debt.

**Proprietary Funds.** Proprietary Funds are used to account for operations: (a) that are financed and operated in a manner similar to private business where the intent of the governing body is to ensure that costs of operating and providing services is completely or partially financed from user charges or (b) where the government body has determined that the periodic determination of net results of operations is appropriated for management control and accountability. Proprietary Funds include the following:

The primary difference between Enterprise Funds and Internal Service Funds is their customer base. Enterprise Funds have customers that are residents or other external users, such as visitors to a special park. The customers of Internal Service Funds are other departments of the City.

Water and Sewer Fund is the largest fund in the City. It provides water, sewer and irrigation water to a customer base which includes all city residents and extends outside the city limits. No other proprietary fund meets the 10% threshold of a major fund.

All of the above funds are included in the City’s budget process. Not included in the budget process are the City’s three pension funds, and the three impact fee funds. Pension funds will never be included, and impact fee funds will be budgeted when funds are to be used.

**Basis of Budgeting.** Naples’ budget is prepared in a manner similar to the modified accrual basis of accounting for most funds (except for the Proprietary Funds) where projected revenue is assumed to be recognized in the accounting period in which it becomes both measurable and available, and expenditures will be recorded when the liability is incurred, or when the cash disbursement is made, in the absence of the liability. Unexpended or uncommitted appropriations lapse at year-end, and appropriations committed by way of contract or purchase order are rolled

into the new fiscal year. The basis of budgeting for these funds is the same as the basis of accounting and financial reporting which is governed by Generally Accepted Accounting Principles (GAAP).

The main differences between the City's budget basis and the GAAP basis are in the Proprietary Funds' method of accounting:

- The budget basis includes expenditures for capital outlay, which are not considered expenses on the accrual basis of accounting.
- Depreciation and amortization, which are considered expenses on the accrual basis of accounting, are ignored under the budget basis because these items do not require an outlay of funds.
- The budget basis includes expenditures for debt retirement, which are not considered expenses on the accrual basis of accounting.
- The budget basis recognizes receipt of debt proceeds, which are not considered revenues on the accrual basis of accounting.

**Budgeting Process.** The City's Fiscal Year begins October 1. By January, staff is already gearing up for the next budget year. For the next budget year, the first step in the budget process will be staff level discussions. Additional inputs for budgets will be gathered from neighborhood associations, other employees, city-council appointed committees and other city residents and business people.

After the first quarter of the fiscal year, the Finance Department prepares the General Fund Sustainability Report. This document provides a five year outlook to see what the impact will be of current decisions and current trends.

During March, departments will begin preparing their capital improvement requests for the Capital Improvement Program. All departments that have Capital Projects in the next five years must submit a comprehensive plan that includes a complete explanation for each project with a cost greater than \$10,000, a useful life of more than two years as well as any incomplete projects from the prior year. At the same time, Finance staff will begin assessing available and potential revenue sources to fund the requests.

The City's Five-Year Capital Improvement Program (CIP) is presented in June, in accordance with the City Code. Each page of the CIP represents a single project, and includes costs estimates, department priority, estimated recurring costs, potential savings, proposed funding sources, and justifications. The CIP is reviewed in a public meeting during June. All capital items submitted at the workshop are considered in the proposed budget document, and if approved, included in the final budget.

During April, departments begin preparing their budget requests using line-item budget formats. In addition, the departments establish goals and objectives, which become the department's work plan. The departmental work plans incorporate much of the vision plans. Departments are also asked to submit performance measures, using a *Family of Measures* approach that includes input (value of resources used to produce an output), output (quantity of units produced), efficiency, service quality and outcome. After that information is provided, the Finance Department prepares for each department a summary of significant budget issues, highlighting key information for the budget document. This usually focuses on the major categories of expense:

- Personal Services-Salaries, overtime, other pay, FICA, life/health insurance, retirement contributions and employee allowances,
- Operating Expenses-services, contracts, repairs, supplies and other costs,
- Non-Operating Expenses-Capital outlay, operating contingency, transfers in and out of the fund.

The proposed budget, a balanced and complete document, is presented to the City Council for their review and discussion at August workshops. A balanced budget is represented when recurring revenue plus use of fund balance equals or exceeds recurring expenditures. Fund balance, and one-time revenues such as grants, bond proceeds, and gifts may be budgeted to be used for one-time expenditures, such as capital or equipment purchases, but may also be used as a conscientiously applied program towards operations. Expenditures, revenues, and any rate changes are discussed during the August workshops. After final consensus, the budget and tax rate are adopted at public hearings in September.

The adopted budget may be amended in two ways. As described in the budget resolution, the City Manager is authorized to transfer money within a fund, except that he cannot increase staffing levels, nor modify the intent of the Capital Improvement Budget. Changes that would increase the total budget of a fund, increase staffing levels, or modify the intent of the Capital Improvement Budget as defined in the resolution must have Council approval by resolution.

The Finance Department provides quarterly reports of financial condition to the Council, showing comparisons to last year's actual and to current year budget. In addition, all department heads provide to City Council quarterly updates on the status of their goals and objectives.

## City of Naples Five Year Sustainability Report Presented March 2014

The purpose of the 2014 Five Year Sustainability Report is to analyze what the future will hold for the City if the current financial trends continue, to consider what changes may affect the future finances, to ensure that the City is heading in the right direction and to provide information that will avoid future financial surprises. Knowing, acknowledging and preparing for financial changes and challenges will help the City Council continue to control the City's strong financial standing.

This document is the sixth Sustainability Report considered by the City, with the first report presented in February 2009, with successive reports provided in December 2009, December 2010, March 2012, and March 2013.

Unless specifically noted, projections in this report assume the same level of efficiency and same level of service as in the current year (FY13-14) budget. Changes in efficiency or levels of service will result in a different outcome.

### Overview

As the chart below shows, if the assumptions of this report hold true, the City will have a surplus sooner than originally expected.

City of Naples, Florida							
General Fund Budget Projection							
Five Fiscal Years							
	FY 13-14 Budget	FY 13-14 Estimated	FY 14-15 Projected	FY 15-16 Projected	FY 16-17 Projected	FY 17-18 Projected	FY 18-19 Projected
Revenue	31,874,366	31,842,851	32,834,684	33,843,412	34,796,344	35,896,030	37,024,265
Expenditures	32,127,223	31,806,223	32,816,919	33,605,374	34,422,699	35,135,621	35,774,476
Change in Financial Position	(252,857)	36,628	17,766	238,039	373,645	760,409	1,249,789

Several years ago, the Five Year Report had a very different financial position. For example, the 2010 presentation showed the FY14-15 estimated Change in Financial Position to be a negative \$3.8 million. Now, as shown above, the FY 14-15 financial position shows a positive increase in financial position. Position eliminations (more than 47 positions since 2007 have been eliminated from the General Fund), cessation of pay raises for several years, changes in pension, and change in the health insurance structure were the major contributors to this fiscal projection going from a future crisis to being a healthy financial plan.

The above chart shows there will be an increase in fund balance based on certain assumptions. Some of the main assumptions used for this projection are:

- Property tax revenues will grow at a steady 5% every year with millage rate staying at 1.18
- Interest earnings will grow 3% per year

- Health and other insurances will increase by 3% per year
- Employees' pay will increase every year, generally by 2%, but some will be more, depending on the union contract
- Property/Casualty/Liability/other insurance, at \$1,551,200 is a sizable component of the General Fund, and will continue to increase 5% annually
- City Water/Sewer bills will increase 2% per year, while electric and phone will increase 1% per year
- Telecommunications Tax and Business Tax Receipts are not affected by the Florida Legislature during this forecast, although these are still being discussed and considered for decreases
- There are no employees added

The City of Naples has a very conservative budgeting and projection approach. For example,

- Employees are budgeted and assumed to be paid at 100%. There is no savings percentage budgeted or projected for the possibility of vacancies. Typically, there are salary savings throughout the year as people resign or retire, and their position remains vacant during the hiring process or sometimes a replacement is hired at a lower rate of pay.
- The City budgets the receipt of 95% of property taxes as state law allows, although generally more than 96% is received.
- The City typically budgets 10% of the proposed expenses as a Contingency, used for emergencies or unplanned operational shortages.

These and other conservative practices assist with ensuring that the fund stays strong.

Debt typically doesn't affect the General Fund, but to some extent it does. The City has refinanced all of its debt, with the oldest outstanding debt being from 2012. Refinancing for future fiscal savings is no longer feasible.

### **Revenue**

Following this narrative are six sheets that are the basis for this report. The first three pages of the spreadsheet show the line item revenues using the same terms and format as the City's budget document. The third of these sheets shows the growth assumptions where applicable.

Ad Valorem Taxes (property taxes) represent half of all General Fund revenue sources. Therefore, selecting an accurate and reasonable growth rate is essential to a realistic projection.

In 2013, the taxable value of the City increased for the 2<sup>nd</sup> consecutive year. This 2013 value increase was a major turnabout, after four consecutive years of decline and the increase is expected to continue. The rate used in this projection is 5%.

### Annual Rate of Change in Taxable Value

Although past performance is not the ideal indicator for future performance, the recent growth rate was used as a guide to selecting a projected growth rate for future years. Noted above, the growth rate used in this projection is 5%, a conservative estimate based on the growth of years 2000-2006, but after the downturn of 2007-2012, cautious projections are prudent.

#### Expenditures

The last three pages of this document show the line item expenditures using the same terms and format as the City’s budget document. The final sheet shows the any rate changes applied.

Expenditures were developed at a macro level. Line items were considered for the fund, not by each department. The current year budget was used as a primary basis for future expenditures. The City tends to budget expenses consistently in the General Fund, and this will continue.

Showing these line items by type of expenses allows the reader to see which item has the greatest impact. For example, it shows that controlling a line item like Duplicating (used for budget books, recreation books and Citizen Guides) will not have as much impact as other organizational changes. That does not mean a small line item is not reviewed, but it puts each line item into perspective. Smaller line items will not be ignored.

In this projection, wages and benefits are slightly more than 80% of the expenditures in the General Fund every year. Wages include increases of 2-3% for all but Fire employees. Fire employees show 6% increase in year one, with a change in calculating overtime resulting in a net 3% increase, and 3% and 2% in successive years.

Although pension costs would be expected to decrease over time due to the pension modifications for all the pension funds, this projection shows an increase of 1% annually in case of continued low interest rate environment and recent increases will be due to wage increases, but are projected at only 1% for this presentation, while Health Insurance is projected to increase 3% per year. It is too soon to tell if that is sufficient increase, and 5% was considered. If the 5% increase is used, there is an additional annual expenditure increase of \$60,000 per year.

Non-payroll expenses represent 20% of the General fund's expenditures, and that includes a \$350,000 Contingency account budgeted annually. The largest cost types in operating expenses includes the Technology expenditure (to the Internal Service Fund), Self-Insurance/Insurance costs, Vehicle Maintenance and Repairs, Utilities and professional/contractual services (such as lawn care, some camp instructors, tree maintenance). Combined, these make up 70% of the non-payroll expenditures.

Aside from Insurance, Water Sewer and Fuel costs, which are expected to have 2-5% increase, expenditures are projected at a 0-1% increase.

The following chart shows the change in Consumers Price Index (CPI) for the past ten years. This chart can help show that expenses will go up in the future, and the range of current possibilities. As noted previously, history is not a promise for the future, but can be used as a guide.

### Challenges

Although the outlook has made a turnabout, there are several challenges that lay ahead that will need prioritizing and strategizing, to ensure the continued safety, security and comfort of our residents.

Significant forecast issues include:

- General Fund support of street improvements
- Fire station leases and expansions
- Operating costs of new Gordon River Park
- White fly and other pest intrusion controls
- Public Building improvements per AD Morgan report
- Reductions in State Communication Services Tax (Revenue Sharing)

Although the answers to these challenges won't be forthcoming immediately, these topics need to be weighed and considered, along with other needs of the community.

If the noted path is followed, funds will be available, to fully or partially fund these challenges in the upcoming years, or to face and address other challenges that the City may encounter.

Meeting of 9/16/15**

**RESOLUTION 15-13703**

**A RESOLUTION ADOPTING THE BUDGET FOR THE MOORINGS BAY SPECIAL TAXING DISTRICT FOR FISCAL YEAR COMMENCING OCTOBER 1, 2015, AND ENDING SEPTEMBER 30, 2016; APPROPRIATING FUNDS FOR THE GENERAL OPERATION OF THE MOORINGS BAY SPECIAL TAXING DISTRICT FOR AND DURING FISCAL YEAR COMMENCING OCTOBER 1, 2015 AND ENDING SEPTEMBER 30, 2016; PROVIDING A SEVERABILITY CLAUSE, A REPEALER PROVISION AND AN EFFECTIVE DATE.**

**WHEREAS,** the City of Naples is required to adopt a budget for the Moorings Bay Special Taxing District and to appropriate funds on an annual basis for the general operation of the Special Taxing District of the City; and

**WHEREAS,** the City of Naples held workshops and a public hearing on the fiscal year 2015-16 budget; and

**WHEREAS,** City Council approved the tentative budget at the September 2, 2015 Special City Council Meeting;

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPLES, FLORIDA:**

**Section 1.** That the budget for the Moorings Bay Special Taxing District for the fiscal year commencing October 1, 2015, and ending September 30, 2016 is hereby adopted.

**Section 2.** That for the payment of expenses and obligations of the Moorings Bay Special Taxing District for the fiscal year ending September 30, 2016, there is hereby appropriated out of any moneys in the treasury of the Moorings Bay Special Taxing District and any accruing revenues of the Special Taxing District available for said purposes to the funds and for the purposes hereinafter set forth, the sums of money shown below:

Moorings Bay Special Taxing District . . . . . \$24,250.

**Section 3.** Budget adjustments that would increase total expenditures of this fund require City Council approval via resolution. Transfer of appropriated moneys between functions within this fund may be authorized by the City Manager without City Council approval.

**Section 4.** On October 1, 2015, the Finance Director is authorized to reserve and carry forward as additions to the next fiscal year's budget the unpaid purchase orders and outstanding contracts from Fiscal Year 2014-15.

**Section 5.** The City Manager, through the Finance Director, is hereby authorized and directed to receipt all revenues listed herein for the purpose of which said revenues are designated and appropriated. In so doing, the City Manager, through the Finance Director, shall accurately account and record said receipts

**Resolution 15-13703**

in the ledgers and financial records in each respective designated account.

**Section 6.** The City Manager, through the Finance Director, is hereby authorized and directed to disburse moneys for the purpose of meeting the expenses and expenditures as appropriated.

**Section 7.** If any word, phrase, clause, subsection or section of this resolution is for any reason held unconstitutional or invalid, the invalidity thereof shall not affect the validity of any remaining portions of this resolution. All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.

**Section 8.** This resolution shall take effect immediately upon adoption.

**A RESOLUTION DETERMINING AND FIXING THE 2015 TAX LEVY AND MILLAGE RATE FOR THE MOORINGS BAY SPECIAL TAXING DISTRICT FOR PROVIDING SUFFICIENT FUNDS FOR THE OPERATIONS OF THE SPECIAL TAXING DISTRICT; PROVIDING A SEVERABILITY CLAUSE, A REPEALER PROVISION AND AN EFFECTIVE DATE.**

**WHEREAS,** Florida law requires the City to adopt a millage rate to be levied after conducting a public hearing, and to state the percentage by which the millage rate to be levied exceeds the rolled-back rate as computed pursuant to Florida law; and

**WHEREAS,** the gross taxable value for operating purposes not exempt from taxation within the Moorings Bay Taxing District has been certified by the County Property Appraiser as \$1,691,901,111; and

**WHEREAS,** pursuant to state law, the City must adopt a tentative or final millage rate prior to adopting a tentative or final budget; and

**WHEREAS,** the City of Naples, Florida, on September 2, 2015, conducted a public hearing for the millage rate as required by Florida Statute 200.065; and

**WHEREAS,** City Council approved the tentative millage rate at the September 2, 2015 Special City Council Meeting;

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPLES, FLORIDA:**

**Section 1.** That the 2015 tax levy and millage rate for the Moorings Bay Special Taxing District is adopted at 0.0252, the same as FY 2014-15.

**Section 2.** That the tax levy and millage rate have been fixed and determined in accordance with the following assessments and finding of the City Council, and making allowances for tax delinquents, discounts and losses therein, show, to-wit:

Moorings Bay Special Taxing District  
0.0252 mills. . . . . \$40,504.

**Agenda Item 2-b(2)  
Meeting of 9/16/15****RESOLUTION 15-13699**

**A RESOLUTION ADOPTING THE BUDGET FOR THE CITY OF NAPLES, EXCLUSIVE OF DEPENDENT TAXING DISTRICTS, FOR THE FISCAL YEAR COMMENCING OCTOBER 1, 2015, AND ENDING SEPTEMBER 30, 2016; APPROPRIATING FUNDS FOR OPERATING EXPENSES OF THE CITY OF NAPLES FOR THE GENERAL OPERATION OF THE DEPARTMENTS OF THE CITY, INCLUDING UTILITIES, AND FOR THE INTEREST AND PRINCIPAL ON THE OUTSTANDING BONDS AND OTHER FIXED OBLIGATIONS OF THE CITY FOR AND DURING THE FISCAL YEAR, PROVIDING A SEVERABILITY CLAUSE, A REPEALER PROVISION AND AN EFFECTIVE DATE.**

**WHEREAS,** the City of Naples adopts a budget, exclusive of Dependent Taxing Districts, and appropriates funds on an annual basis for the general operation of the departments of the City, including utilities, and pays interest and principal on bonds and other fixed obligations of the City; and

**WHEREAS,** on July 28, 2015, City Council received a preliminary budget document, a copy of which is retained in the City Clerk's office as a public record; and

**WHEREAS,** on August 17, 2015 the City Council, at a public workshop, reviewed that document and recommended changes that are incorporated by reference; and

**WHEREAS,** a final budget document incorporating the information from the preliminary budget and changes approved on August 17 and at the Public Hearings shall be prepared and distributed to represent the work plan of the City; and

**WHEREAS,** the City of Naples conducted a Special Meeting and Public Hearing on the tentative budget on September 2, 2015 and after making some additions and deletions, the fiscal year 2015-16 tentative budget was approved;

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPLES, FLORIDA:**

**Section 1.** This Resolution shall be known as the "Final Budget Resolution of the City of Naples" for its fiscal year 2015-16 and shall serve to appropriate the sums provided for herein.

**Section 2.** Appendix A, the City of Naples preliminary budget, as amended, a copy of which is on file with the City Clerk, is hereby adopted.

**Section 3.** Appendix B represents a summary of the amounts available from taxation and other sources, including amounts carried over from prior fiscal years, along with the total appropriations for expenditures and reserves, and a list of amendments from the preliminary budget document.

**Resolution 15-13699****Page 2**

- Section 4.** Florida Statutes, the City Charter and generally accepted accounting principles do not require budgets for grants and trust/agency funds that are governed by the terms of the source. City Council acceptance of such terms shall be deemed to constitute a budget adjustment, including appropriation of such funds.
- Section 5.** Budget adjustments that would increase total expenditures of a budgetary fund or would transfer money between funds require City Council approval via resolution. Transfers of appropriated moneys between departments and/or functions within an individual fund may be authorized by the City Manager without City Council approval, excluding spending money or transferring money from budgeted Contingency Accounts. Funds may be transferred from the Contingency Account to another account by City Council motion or resolution.
- Section 6.** Appendix C is the document that represents the City of Naples Five Year Capital Improvement Program presented to City Council in June 2015 in accordance with the City Charter. Approved Capital Improvement Projects are included in the 2015-16 budget. Budget adjustments which modify the intent of the Capital Improvement Budget for Fiscal 2015-16 require City Council approval by resolution.
- Section 7.** On October 1, 2015 the Finance Director is authorized to reserve, and carry forward as additions to the next fiscal year's budget the unpaid purchase orders and outstanding contracts from Fiscal Year 2014-15.
- Section 8.** The City Manager, through the Finance Director, is hereby authorized and directed to receipt all revenues listed herein for the purpose of which said revenues are designated and appropriated. In so doing, the City Manager, through the Finance Director, shall accurately account and record said receipts in the ledgers and financial records in each respective designated account. Such ledgers and records shall be subjected to audit.
- Section 9.** The City Manager, through the Finance Director, is hereby authorized to disburse moneys for the purpose of meeting the expenses and expenditures as appropriated.
- Section 10.** If any section, paragraph, or part of this Resolution shall be declared unconstitutional or invalid, then the remainder of this Resolution shall not be affected thereby and shall remain in full force and effect. All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.
- Section 11.** This resolution shall take effect immediately upon adoption.

PASSED IN OPEN AND SPECIAL SESSION OF THE CITY COUNCIL OF THE CITY OF NAPLES, FLORIDA THIS 16<sup>TH</sup> DAY OF SEPTEMBER, 2015.

**Appendix A**

This is the 339 page Proposed Budget document that was presented to Council in July 2015, with the following revisions:

- 1) Remove \$1-million transfer, and replace with a \$450,000 transfer, from General Fund to Streets Fund for paving;
- 2) Delay project E-15 (fire station #1) for two fiscal years;
- 3) Allocate \$55,000 for Gordon Drive crosswalk project; and
- 4) Allocate \$325,000 for stormwater master plan update to occur in FY 2015-16 rather than FY 2016-17

(On file in the City Clerk's Office)

## Appendix B

## Summary of Proposed Budget (see Page 1 of Proposed Budget Book)

After the budget was presented, the following items were changed to the FY 15-16 budget: In the Capital Projects fund, added \$450,000 for Roof Replacement at the Naples Police Building; added \$500,000 for Landscaping Gulf Shore Blvd N; and removed the Tree Fill In program for \$150,000; In the Employee Benefits fund, increased the expense by \$10,980 to correct the Administrative Service Charge; in the Solid Waste fund, decreased revenue by \$200,000; in the Moorings Bay Taxing District, corrected revenues with a decrease of \$4,276, and in the Fifth Avenue South BID fund, increased revenue and expenses to reflect the latest values, an increase of \$6,674. In the General Fund and the Streets fund, removed the \$1,000,000 transfer for roads, in the Utility Tax Fund, moved the \$1.8 million Fire Station out two years, and in the Beach Fund, added \$45,000 for the New Year's Eve Fireworks. The chart shown represents the recommended budget by fund.

**Appendix C**

This is the 181 page Capital Improvement document that was presented to Council in June 2015.

(On file in the City Clerk's Office)

**Agenda Item 2-b (1)  
Meeting of 9/16/15****RESOLUTION 15-13698**

**A RESOLUTION DETERMINING AND FIXING THE 2015 TAX LEVY AND MILLAGE RATE FOR THE CITY OF NAPLES, EXCLUSIVE OF DEPENDENT TAXING DISTRICTS AND FOR PROVIDING SUFFICIENT FUNDS FOR THE GENERAL FUND OPERATIONS; PROVIDING A SEVERABILITY CLAUSE, A REPEALER PROVISION AND AN EFFECTIVE DATE.**

**WHEREAS,** the Legislature of the State of Florida mandated a procedure for County Property Appraisers to calculate the total taxable value for each taxing authority and for the subsequent calculation of rolled back millage rate; and

**WHEREAS,** the gross taxable value for operating purposes not exempt from taxation within the City has been certified by the County Property Appraiser as \$18,318,877,171; and

**WHEREAS,** Florida Statute 200.065(2)(a) requires the taxing authority to compute a proposed millage rate necessary to fund the budget, other than the portion funded from sources other than ad valorem taxes, and that in computing proposed or final millage rates, the taxing authority shall utilize not less than 95 percent of the certified taxable value; and

**WHEREAS,** the City of Naples, Florida has performed the necessary millage calculation and found it to be 1.1800 mills; and

**WHEREAS,** Florida Statute 200.065(1) requires the taxing authority to compute a rolled back millage rate; and

**WHEREAS,** the City of Naples, Florida has performed the necessary rolled back millage calculation as required by law and found the aggregate millage to be 6.73% greater than the aggregate rolled back rate of 1.1209 mills; and

**WHEREAS,** the City of Naples, Florida, on September 2, 2015, conducted a public hearing for the millage rate as required by Florida Statute 200.065; and

**WHEREAS,** pursuant to state law, the City must adopt a tentative or final millage rate prior to adopting a tentative budget; and

**WHEREAS,** City Council approved the tentative millage rate at the September 2, 2015 Special City Council Meeting;

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPLES, FLORIDA:**

**Section 1.** That the 2015 tax levy and operating millage rate for the City of Naples is at 1.1800.

**Section 2.** That the millage rate is 6.73% over the rolled back millage rate of 1.1209.

**Section 3.** That the tax levy and millage rate have been fixed and determined in accordance

**Resolution 15-13698**

with the following assessments and finding of the City Council, and making allowances for tax delinquents, discounts and losses therein, show, to-wit:

Total General Fund and Community Redevelopment Agency Operations

1.1800 mills. . . . . \$20,535,461.

**Section 4** If any word, phrase, clause, subsection or section of this resolution is for any reason held unconstitutional or invalid, the invalidity thereof shall not affect the validity of any remaining portions of this resolution. All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.

**Section 5.** This resolution shall take effect immediately upon adoption.

## BUDGET GLOSSARY

### - A -

**Accrual Basis of Accounting** – A method of bookkeeping in which income and expenses are allocated to periods to which they apply, regardless of when they are actually received or paid. For example, if revenue was earned on October 15, but payment was not received until November 15, the revenue would be recorded as revenue in October.

**Actuarial** – An adjective that describes statistical elements, assumptions, and techniques used by actuaries. An "actuary" is an expert who computes insurance or pension risks and plan costs based upon plan membership, experience, and other factors. Actuaries determine the level of funding required to provide the benefits.

**Ad Valorem Taxes** – Latin for "value-based" tax and commonly referred to as "property tax". This is the tax levied on both real and personal property according to the property's value and the millage (or tax) rate.

**AFSCME** – American Federation of State, County and Municipal employees. The union and bargaining unit for certain City employees.

**Amortization** - The paying off of debt with a fixed repayment schedule in regular installments over a period of time

**Annual Budget** – A budget applicable to a single fiscal year. Naples annual budget is from October to September.

**Appropriation** – A legislative authorization to expend a specified sum of money for a specified purpose, for a limited period of times.

**Assessed Valuation** – A value established for real and personal property for use as a basis for levying property taxes.

**Asset** – Resources owned or held by a government which has monetary value.

### - B -

**Balanced Budget** –An operating budget where revenues or other funding sources fully cover expenditures.

**Bond** – A written promise to pay a sum of money on a specific date at a specified interest rate. The most common types of bonds are general obligation and revenue bonds. These are most frequently used for construction of large capital projects, such as buildings, streets, and water and sewer systems.

**Budget** – A plan of financial activity for a specified period of time that indicates all planned revenues and expenditures for the specified period.

**Budget Calendar** – The schedule of key dates that the City follows in the preparation, adoption, and administration of the budget.

**Budget Document** – The official written statement prepared in order to present a comprehensive financial program of an organization. A budget document serves as 1) a policy document; 2) an operations guide; 3) a financial plan; and 4) as a communications device.

**Budget Message** – The opening section of the budget that provides City Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous Fiscal Years, and recommendations regarding the financial policy for the upcoming period.

**Business Tax Receipt** – Formerly Occupational licenses, is a tax for doing business in the City.

### - C -

**Capital Outlay** – Expenditures resulting in the acquisition of or addition to fixed assets. The City's threshold for capital purchases is \$1,000 to track as fixed assets.

**Chargeback** – A mechanism by which services performed by one City Department for another is charged and paid across funds.

## Glossary (continued)

**Capital Improvements Program (CIP)** - A five-year plan for capital expenditures to be incurred each year to meet capital needs arising from the long-term work program or other capital needs. Items included in the CIP are capital expenditures that are greater than \$10,000 and have a useful life of two years or more.

**Consumer Price Index (CPI)** – Measures the prices of consumer goods and is a measure of U.S. inflation. It is published by the U.S. Department of Labor monthly.

**Contingency** - A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted. Naples requires Council approval prior to spending Contingency funds.

**Contra-expense** – A negative expense, such as a refund. It behaves like a revenue but is recorded as an expense.

### - D -

**DR 420/422** = Department of Revenue forms certifying taxable assessed value.

**Debt Millage** - The portion of the millage required to pay principal and interest on voter approved bonds. This millage fluctuates annually based on the property values and debt payable.

**Debt Service** - The amount of interest and principal that a City must pay each year on long-term and short-term debt.

**Department** - A major unit of organization in the City which indicates overall an operation or group of related operations within a functional area.

**Depreciation** – A decrease or loss of value of an item due to age, wear, or market conditions. The City does not budget for depreciation.

**Distinguished Budget Presentation Awards Program** - A voluntary awards program administered by the Government Finance Officers Association to encourage governments to prepare effective budget documents.

**Division** - A unit of organization that is comprised of a specific operation within a functional area. City departments may contain one or more divisions.

### - E -

**Encumbrance** - The commitment of budgeted funds to purchase an item or service. To encumber funds means to set aside or commit funds for future expenditures.

**Enterprise Fund** – A type of fund used to account for operations that are financed and operated in a manner similar to private business enterprises.

### - F -

**Fiscal Year (FY)** – Any consecutive 12 month period designated as a budget year. The City's budget year begins October 1, and ends September 30 of the following calendar year.

**Fixed Assets** - Assets of a long-term character costing more than \$1,000 that are intended to continue to be held or used, such as land, buildings, machinery, equipment and improvements.

**Full-Time Equivalent (FTE)** - The total scheduled work hours of City employees divided by the total work hours available annually provides number of FTE employees. A full-time employee working 40 hours/week equals one FTE, where a part-time employee working 20 hours/week equals .5 FTE.

**Fund** An accounting entity that has its own revenues, expenditures, assets and liabilities that are segregated from other sets of moneys. A fund is set up for the purpose of carrying out a specific purpose or activity.

**Fund Balance** – The excess of assets over liabilities. A positive ending fund balance from one fiscal year can be utilized as a resource for certain activities in the follow year. A negative fund balance is sometimes referred to as a deficit.

## Glossary (continued)

**Fund Type** - Any one of seven categories into which all funds are classified in governmental accounting. The seven fund types are: general, special revenue, debt service, capital projects, enterprise, internal service, and trust and agency.

- G -

**Generally Accepted Accounting Principles (GAAP)** – is a framework of accounting standards, rules and procedures defined by the professional accounting industry, which has been adopted by nearly all publicly traded U.S. companies.

**General Fund** – The principal fund of the City, the General Fund is used to account for all activities not included in other funds. General Fund revenue sources include property taxes, licenses, permits, fines and forfeitures, and sales taxes. Operating services from this fund include police protection, fire protection, general government administration, planning and recreation.

**General Obligation Bonds** - Upon voter approval at a general referendum, a project will be financed through a millage increase in ad valorem taxes for a specified period of time. This source is especially appropriate when the project or improvement is city-wide in nature or benefit.

**Goal** - A long, or short-term, attainable target for an organization - its vision of the future.

**Governmental Fund** – a fund that is not classified as proprietary or fiduciary, typically used to account for tax supported or governmental activities. This includes the General fund, special revenues funds and debt service funds.

**Grants** - A contribution by the Federal, County, or State government to subsidize specific projects, either partially or entirely.

- H -

**Homestead Exemption** – A deduction from the total taxable assessed value of an owner occupied property. The current exemption is \$50,000, authorized by the State government.

- I -

**Impact Fee** – Fees charged to develop to cover, in whole or in part, the anticipated cost of improvements that will be necessary as a result of the development.

**Improvements Other Than Buildings** - Attachments or annexations to land that are intended to remain so attached or annexed, such as sidewalks, trees, drives, tunnels, drains and sewers.

**Infrastructure** – Long lived capital assets that normally are stationary and can be preserved for significantly greater number of years than most capital assets. Examples include roads, bridges, drainage systems and water and sewer systems.

**Interfund Charges** – These are transactions between funds, which would be accounted for as revenue or expense if they involved an outside entity. Examples are Fleet Services Charge or administrative charges from the General Fund to other operating funds.

**Interfund Transfer** – Transfer of funds from one fund to another fund.

**Intergovernmental Revenue** - Funds received from federal, state and other local government sources in the form of grants, shared revenues, and payments in lieu of taxes.

**Interlocal Agreement** - A written agreement between the City and other units of government to share in similar services, projects, emergency assistance, support, funding, etc., to the mutual benefit of all parties.

**Internal Service Fund** – Proprietary fund type used to report any activity that provides goods or services to other funds, departments, or agencies of the primary government and its component units on a cost-reimbursement basis.

## Glossary (continued)

**Investments** - Securities and other assets held for the production of revenues in the form of interest, dividends, rentals or lease payments. The term does not include fixed assets used in government operations.

### - L -

**Levy** - To impose taxes, special assessments, or service charges for the support of city activities.

**Lift Station** - Part of the sanitary sewer collection system that pumps waste flow from the gravity sewer system to the wastewater treatment plant. It can be installed above or below ground and is an integral part of the sanitary sewer system.

**Line Item** - A specific item or group of similar items defined in a unique account in the financial records. This is the lowest level of detail at which justification is reviewed and decisions are made.

**Long-Term Debt** - Debt with a maturity of more than one year after the date of issuance.

### - M -

**Mill** - A tax rate of one dollar (\$1) per one thousand dollars (\$1,000) of taxable property value.

**Millage Neutral** - To use the same millage rate as levied in the previous the previous budget year. *See Millage Rate.*

**Millage Rate** - The amount of tax stated in terms of a unit of the tax base. It determines how much revenue the government will receive and how much an individual property owner pays in taxes.

**Mission** - This statement establishes the basis for the goals of the department by describing in broad terms what the department intends to accomplish during the budget year.

### - N -

**Net Budget** - The total budget less all interfund charges and transfers.

**Non Ad Valorem Assessments** - Assessments for Special Districts that are not based on property value. The basis for this charge is some other measurable criteria, such as per lot, per acre, or per residence.

**Non-Recurring Revenues** - One time or intermittent revenues received, often from short-term grants, insurance recoveries, donations, etc.

### - O -

**Objective** - A specific measurable and observable result of an organization's activity that advances the organization toward its goal.

**One-time-cost** - Non-recurring costs budgeted for one year and then removed.

**Operating Budget** - A financial plan which presents proposed expenditures for the fiscal year and estimated revenues to finance them.

**Operating Millage** - The portion of the millage that supports the City's daily operations which provide basic governmental services.

**OPEIU** - Office and Professional Employees International Union, a union representing certain employees of the City.

**Ordinance** - A special order of the Council which requires two public readings and ten days of public notice prior to passage.

**Output (Performance Measure)** - Is the direct products and services delivered by a program.

### - P -

**Payment in Lieu of Taxes** - Means payments treated as tax dollars that are converted or imputed back to a true aggregate valuation by the effective or true value of the constituents' municipality.

**Performance Measure** - Performance measurement is the ongoing monitoring and reporting of program accomplishments, particularly progress towards pre-established goals.

## Glossary (continued)

**Personal Services** – All costs related to compensating employees including salaries and benefits.

**Pledged Reserves** - That portion of a fund's assets that are set aside for guaranteeing payment of bonded debt.

**Proprietary Fund** – Funds that focus on the determination of operating income, changes in net assets, financial position, and cash flows. Examples include enterprise funds and internal service funds.

**Property Tax** A tax levied on the assessed value of real property, i.e. ad valorem tax.

**Public Service Taxes** -Formerly called Utility Taxes, these are charges levied by the City on purchase of utility services within the corporate limits of the City. These services include electricity, natural gas, and communications.

### -R -

**Recurring Costs** - Costs incurred on a recurring and generally regular basis throughout a facility's economic life, typically for operation, normal maintenance, and anticipated repair or replacement of components or subsystems.

**Recurring Revenues** - Revenues that can be expected to be received each year unless specific action is taken to eliminate the source.

**Referendum** - A vote by the people.

**Refunding Bond** - A bond issued to pay off another bond to obtain better interest rates and/or bond conditions.

**Reserves** - That portion of a fund's assets that are 1) set aside for a specific purpose and, therefore, not available for general appropriation, or 2) anticipated to be available for future re-appropriation by action of City Council.

**Resolution** - A special order of the Council, which requires one reading and five days public notice before passage. It is less formal than an Ordinance, but more formal than a motion.

**Retained Earnings** - An equity account reflecting the accumulated earnings of an Enterprise or Internal Service Fund.

**Revenue** – Money received by the City from external sources; income.

**Revenue Bonds** – A bond backed by a specific or guaranteed revenue stream. The City of Naples has revenue bonds that are backed by the revenues of the Water and Sewer Utility.

**Rolled-Back Millage Rate** - The millage necessary to raise the same amount of property tax dollars as received during the previous budget year. New construction is excluded from the roll-back calculation.

**Revenue Neutral** – When a revenue such as property taxes provides the same dollar amount received during the previous budget year. See *Rolled-Back Millage Rate*.

### - S -

**Save our Homes** - In 1992, the Florida Constitution was amended to limit the annual increases in the assessed value of property receiving homestead exemption to 3% or the percentage change in the Consumer Price Index, whichever is lower. This assessment limitation is commonly referred to as the "Save Our Homes" or "SOH" cap. .

**Special Assessment** - A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

**Special Revenue Fund** - A fund used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes.

**Statute** – A written law enacted by a duly organized and constituted legislative body.

## Glossary (continued)

**Subsequent Year Budgeted** - A portion of fund balance that may be used to eliminate a projected budgetary deficit in the subsequent year's budget.

- T -

**Tax Base** - Taxable property value from which the City receives tax dollars.

**Tax Increment Financing** – Financing secured by the anticipated incremental increases in tax revenues, resulting from the redevelopment of an area.

**Tax Stabilization Fund** A reservation of fund balance in the General Fund that sets aside reserves greater than the mandatory fund balance to use to help maintain a stable tax rate.

**Taxes** - Compulsory charges levied by a government to finance services performed for the common benefit.

**Transfers In/Out** - Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

**TRIM Bill** - Florida's Truth in Millage (TRIM) law requires cities to calculate next year's budget on the same tax dollars they received during the current fiscal year. (Section 100.065 F.S.)

- U -

**User Fees** - Charges for specific services rendered only to those using such services, i.e., sewer service charge.

**Utility Taxes** – See Public Service Taxes.

## Glossary (continued)
