City to Host Electronics Recycling Event & Free Secure Document Shredding

The City of Naples Solid Waste Division will be hosting an Electronics Recycling Event & Free Secure Document Shredding.

What: E-Waste Recycling & Secure Document Shredding
8:00 a.m to 5:00 p.m.

When: Thursday—November 15th, 2012

Where: Solid Waste Div.—50 Riverside Circle (Off Central Ave.)

Why: To save natural resources, landfill space and money!

In partnering with Goodwill Industries, this event provides residents the following solutions for the electronics they no longer have use for:

- **Reduce:** By making recycling easy, we reduce the amount of toxic materials that would otherwise end up in our landfills
- **Reuse:** We repair what we can and re-sell to bargain-driven families in the community who can't afford the latest electronics
- **Repurpose:** What we can't repair, we disassemble and separate the metals that is in turn sold to reputable state recyclers

What Electronics can Be Recycled?

- Televisions or monitors
 - Computers
 - Stereo equipment
 - VCRs, DVD players
 - Video cameras
 - Telephones
 - Cell phones
 - Fax & Copy machines
 - Wireless devices
 - Video game consoles
- All other consumer electronics
