IN CONSIDERATION OF APPROVAL BY THE CITY OF NAPLES, OF THIS APPLICATION, THE APPLICANT AGREES TO THE FOLLOWING:

- Water service applied for, is subject to the continuing availability of raw water supply and treatment Plant capacity, and subject to all requirements of law.
- Fees and charges paid for service are not refundable, unless specifically set out herein below.
- This water meter shall be placed just within the property line or the meter shall be placed at the edge of the sidewalk on the customer's side, it shall be furnished, maintained and owned by the City of Naples.
- The meter, service valve (curb stop), and meter box shall always remain accessible to utilities personnel for inspection, testing, and maintenance. Landscape shrubs and ground cover shall remain at least 18 inches from the edges of meter or meter box. Trees shall not be planted within 4 feet of the meter. The property owner shall ensure that the meter or meter box is accessible.
- The meter will be used immediately, but if improvements authorized by building permit are not completed within one year from the date of issuance of the water meter, the meter shall be removed by the City. Under such circumstances, a refund of 50% of the system development fee paid by the applicant is authorized to be refunded to the applicant upon demand; any other charges or fees paid are waived and are not refundable.
- The monthly minimum base charge, which shall commence upon installation of the meter, shall be based upon the minimum equivalent units per meter size or the actual number of units served if they exceed the minimum. **A Reduced Pressure Backflow Assembly needs to be installed after the water meter.**
- The meter will not be installed until a copy of the Building Permit and copy of the application therefore have been furnished to the City of Naples, and all fees due the City are paid in full.

I, THE LAWFUL REPRESENTATIVE OF THE ABOVE MENTIONED PROPERTY, HAVE READ AND FULLY UNDERSTAND ALL STATEMENTS MADE ABOVE.
