Mission Statement:
The mission of the Taxing Districts is to accomplish dredging and canal maintenance as established by referendum.

Fund Description
The East Naples Bay Taxing District and the Moorings Bay Taxing District were established by referendum in 1987 to accomplish maintenance dredging in the channels and waterways within the districts and to maintain necessary aids to navigation. The districts were created by Ordinance 87-5330 and Ordinance 87-5328, respectively.

The East Naples Bay Special Taxing District encompasses the waterfront subdivisions of Golden Shores, Oyster Bay and Royal Harbor.

The Moorings Bay Special Taxing District includes all of the waterfront properties around the Moorings Bay System, from Seagate Drive south to Banyan Boulevard, including the subdivisions of Coquina Sands, the Moorings, and Park Shore.

Administration of the Districts is handled by the Natural Resources Division in the Stormwater Fund. Both Districts have an advisory board to collect public input.
