ACKNOWLEDGEMENT OF NAPLES REGULATIONS

Application is hereby made to obtain a permit to do the work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the standards of all laws regulating construction in this jurisdiction. The permit or application fee may have additional fees imposed for failing to obtain permits prior to commencement of construction.

The approved permit and/or permit application expires if not commenced within 180 days from the date of issuance. The permittee further understands that only licensed contractors may be employed and that the structure will not be used or occupied until a certificate of occupancy is issued.
