Regulations & Requirements:

1. Temporary use construction fence must be permitted, installed, and inspected before the demolition permit can be released when required.
2. Demolition permits will be released 14 days from date of notice to neighboring property owners.
3. All demolition permits expire 30 days from the date of issuance.
4. Multi Family demo work must be permitted with the new work on a Multi Family alteration permit.
5. Architectural plan showing temporary weather protection may be required.
6. If the job site is located within an AE, AH, or VE Zone, and the structure is below the required flood elevation a complete Addition/Alteration Permit must be applied for and approved prior to Demolition. Additional information may be required on a FEMA Form (Additions/Alterations Form for Structures) located below the Base Flood Elevation.
7. A final inspection must be obtained before issuance of any other permits.
8. Asbestos survey must be filed with the Department of Environmental Protection for any demolition in a building that contains asbestos.
9. Removal of protected trees (see Section 38-31) could result in penalties from the City of Naples Natural Resource Division and from the Florida Fish and Wildlife Commission.
10. If the proposed demolition is seaward of the Coastal Construction Control Line (CCCL) or within sight of the beach and requires temporary lighting it must comply with Section 52-61(b)(7) of the Code of Ordinances. Please provide lighting plan, manufacturer specifications for all proposed fixtures, and a completed FWC fixture table.
11. A separate building permit must be obtained for any other work and must meet all applicable codes and laws. Any work beyond the scope of this demo permit will be subject to penalty.
12. Existing water meter may be kept at the site if it is properly protected, or the existing water meter may be temporarily removed and re-installed for a fee of \$75.00. Contact Utilities Permitting (239)213-5051.
13. The existing sewer lateral must be capped off and brought up approximately 12". A clear photograph of the sewer, if capped off underground is acceptable and must be left in the permit box for the inspector.

Fees:

The fee for this permit is \$0.30 per square foot of the gross square footage of the structure, with a minimum fee of \$100.00. A plan review fee, equal to 20% of permit fee, will be due at time of application. If plan review fee is less than \$30.00, it will be collected at time permit is issued, or upon withdrawal. The plan review fee is not refundable, nor is it credited to any other fee. A \$25.00 zoning fee will be charged for complete demolition. Initial Required Building & Fire Code Inspections: \$35.00 each inspection.
