

Electrical

Permitting Documents:

- Permit Application Form

Plan Review Documents:

- Electrical Plans
- Site Plan (Electrical Vehicle Chargers)

Regulations & Requirements:

1. Plans that indicate an aggregate service capacity of more than 600 amps 240 Volts (Residential), or 800 amps 240 Volts (Commercial), shall be prepared by, and digitally signed by a Florida Registered Electrical Engineer.
2. Electrical load calculations with Panel Schedules and a Riser Diagram, must be submitted with plans when electrical work is over 30 amps.
3. If the job site is located within an AE, AH, or VE Zone, additional information may be required on a FEMA Form (Additions/Alterations Form for Structures) located below the Base Flood Elevation.
4. Site Plan for electrical vehicle chargers must include:
 - a) Location and dimension of the proposed work.
 - b) Property Lines
5. If the property is seaward of the Coastal Construction Control Line (CCCL) or within sight of the beach, all exterior lighting must comply with Section 52-61(b) of the Code of Ordinances. Please provide exterior lighting plan, manufacturer specifications for all proposed exterior fixtures and lamps, and a completed FWC fixture table.

Fees:

The fee for this permit is \$0.10 per square foot of the gross square footage of the structure, with a minimum fee of \$125.00. Low Voltage fee is \$70.00. A plan review fee, equal to 20% of permit fee, will be due at time of application. If plan review fee is less than \$30.00, it will be collected at time permit is issued, or upon withdrawal. The plan review fee is not refundable, nor is it credited to any other fee. Low Voltage Alarm/Fence Permit Fee shall be \$55.00.

General Permitting Information:

1. All permit applications must be submitted electronically through the City of Naples public portal.
2. Other supporting documents including but not limited to, variances, conditional use permits, DRB approvals and GDSP's etc., may be required based on scope of work and location of the jobsite.
3. If ownership of the property has recently changed a recorded Warranty Deed must be submitted.
4. Owner Builder must sign an affidavit.
5. Private Provider projects must submit Notice to Building Official.

6. Drawings prepared by an Engineer require a 3rd Party verifiable digital signature. All other design professionals may self-sign.
7. Projects west of the Coastal Construction Control Line (CCCL) may require prior approval from DEP and the City of Naples Natural Resource Manager.
8. Bald Eagle Nesting season occurs October 1st through May 15th. It is illegal to disturb nesting Bald Eagles. Contractors must comply with all requirements of the U.S. Bald & Golden Eagle Protection Act.
9. If the scope of work includes the planting of trees and shrubs, alterations to or construction of any driveways or driveway aprons, or any other work in the City Right of Way (ROW), a right of way permit application must be submitted, and the \$150 Right-of-Way fee will be required prior to review.
10. If a new driveway is proposed, or an existing driveway will be altered, a driveway permit application will be required as well as a driveway diagram form.
11. All work performed in a Multi-Family building required an approval letter from the HOA.
12. An approved Tree Alteration Permit is required before altering, trimming, disturbing, or removing any city tree per Muni Code Chapter 38.
13. Check/verify deed restrictions based on location of the jobsite, association approval may be required.
14. Call 48 hours before you dig. Call Sunshine 1-800-432-4770. It's the Law in Florida.
15. Copies of plans approved by the City of Naples must be available to the inspector at all job sites when requesting inspections.
16. All Contractor Licensing registration for the City of Naples is maintained by Collier County Contractor Licensing. To register or update license/insurance information, please contact them at (239) 252-2431.
17. It is the responsibility of the contractor to obtain a Certificate of Occupancy or a Certificate of Completion by contacting the Building Department once all final inspections are complete.
