Patricia L. Rambosk, MMC, City Clerk for the City of Naples has earned the prestigious Master Municipal Clerk (MMC) designation from the International Institute of Municipal Clerks (IIMC) on December 22, 2015. Ms. Rambosk was appointed City Clerk in May 2012 following 28 years as the Legal Coordinator for the City.

The MMC is one of the two professional designations granted by IIMC. To qualify for entrance into the Master Municipal Clerk Academy (MMCA), which prepares participants for achieving the MMC status, one must have earned the Certified Municipal Clerk (CMC) designation. Ms. Rambosk earned the CMC designation August 16, 2013.

The MMCA is an advanced continuing education program that prepares participants to perform more complex municipal duties. The program requires an advanced education component, a professional and social contributions component, and a commitment to lifelong learning. The Academy members must demonstrate that they have actively pursued educational and professional activities and have remained informed of current socio-political, cultural, and economic issues that affect local governments and municipalities.

Founded in 1947, IIMC is a professional association with more than 10,000 members in the United States, Canada and 15 other countries, and only approximately 1000 of which members attained the MMC. In the State of Florida, there are over 500 members in the Florida Association of City Clerks, and only approximately 100 of which members attained the MMC. Clerk Rambosk is the first clerk in the City and the County to have achieved the Master Municipal Clerk designation.
