GRIEVANCE PROCEDURE

5.01 In a mutual effort to provide harmonious working relations between the parties, there shall be a procedure for the resolution of grievances between the parties arising from any alleged violation of the specific terms of this agreement. A grievance is defined as any dispute between the City and one or more of its employees (or the FOP on behalf of a named employee or itself if it is aggrieved on its own behalf) concerning the interpretation, application of, or compliance with this agreement, including discipline. An employee shall have the option of using the City's grievance procedure or this grievance procedure, but not both.

5.02 The grievances shall be processed on the forms set forth below in accordance with the following procedures:

Step 1: The aggrieved employee or designated FOP representative shall present in writing his grievance to his Bureau Commander or designee within seven (7) calendar days of the occurrence of the action giving rise to the grievance. The aggrieved employee or the supervisor may request that a local designated Employee Organization Representative be present as designated in 4.01. Discussions will be informal for the purpose of settling differences in the simplest and

most direct manner. The Bureau Commander or designee shall reach a decision and communicate, in writing, to the aggrieved employee within seven (7) calendar days from the date the grievance was presented to him.

Step 2: If the grievance is not settled at the first step, the aggrieved employee or designated FOP representative within seven (7) calendar days of the answer in the first step, shall present it to the Police Chief or the Chief's designee who shall investigate the grievance and shall within seven (7) calendar days of receipt of the written grievance, conduct a meeting between himself and the aggrieved employee. The aggrieved employee may be accompanied at this meeting by a local designated Employee Organization Representative as designated under 4.01. The Department Head or designee shall notify the aggrieved employee of his decision no later than ten (10) calendar days following the meeting date.

Step 3: If the aggrieved employee or designated FOP representative does not settle his grievance in the second step, the aggrieved employee, within ten (10) calendar days, shall present the written grievance to the City Manager or designee. The City Manager shall investigate the alleged grievance and shall within ten (10) calendar days following receipt of the grievance, conduct a meeting between

himself or his designee and the aggrieved employee or designated FOP representative. The aggrieved employee may be accompanied upon request at this meeting by the designated local Employee Organization Representative as designated under 4.01. The City Manager or designee shall notify the aggrieved employee or his designated FOP representative in writing of his decision not later than ten (10) calendar days following the meeting date.

5.03 Times indicated at all steps may be extended by mutual agreement of both parties in writing.

5.04 A grievance not advanced to the higher step within the time limit provided shall be deemed permanently withdrawn. Failure on the part of the City to answer within the time limit set forth in each step will entitle the employee to proceed to the next step.

5.05 In settlement of any grievance resulting in retroactive adjust, such adjustment shall be limited to the date of filing the grievance in Step 1.

5.06 Grievance forms hereto attached shall be utilized in the above procedure.

5.07 If a grievance has not been satisfactorily resolved within the grievance procedure, the aggrieved employee or designated FOP representative may request not later than ten (10) calendar days following the City Manager's response in Step 3 of the grievance procedure, a list of seven

(7) names from either the Federal Mediation and Conciliation Service or the American Arbitration Association. Within five (5) calendar days of receipt of the list, the parties shall alternately strike names, with the party striking first to be determined by the toss of a coin. Nothing herein shall prohibit the parties from selecting an arbitrator in any other mutually acceptable manner.

5.08 The City and Employee Organization or employee shall attempt to mutually agree in writing as to the statement of the grievance to be arbitrated prior to the arbitration hearing and the arbitrator shall confine his decision to the particular grievance as specified. In the event the parties fail to agree on the statement of the grievance to be submitted, the arbitrator will confine his consideration and determination to the written statement of the grievance presented in Step 3 of the grievance procedure. The arbitrator shall have no authority to change, amend, add to subtract from or other wise alter or supplement this agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this agreement not to be subject to arbitration or which is not a grievance as defined in this agreement; nor shall this collective bargaining agreement be construed by the arbitrator to supersede applicable laws in existence at the time of

signing of this agreement, except to the extent as specifically provided herein.

5.09 The initiating aggrieved shall not be penalized in any way for exercising his rights under this contractual agreement.

5.10 Copies of the arbitrator's decision shall be furnished to both parties within thirty (30) calendar days of the closing of the arbitration hearing and such award shall be final and binding on both parties as long as the arbitrator has complied with the limitations on his/her authority as set forth in the agreement.

5.11 Each party shall bear the expense of its own witnesses and its own representatives unless herein excluded. The parties shall bear equally the expense of an impartial arbitrator. Any party requesting a copy of the transcript of such arbitration hearing shall bear the cost of the same.
