July 26, 1976

Honorable Mayor and Members of Council  
City Hall  
Naples, Florida

Mrs. Corkran and Gentlemen:

The budget for the City of Naples as submitted herein has been reviewed by the City Council and tentatively approved subject to public hearings and final adoption. The budget will be effective October 1, 1976 for the fiscal year 1976-77.

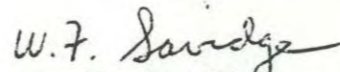

The budget reflects a 3.7390 mill levy for general fund operation and a .2134 mill for debt service which places our total advalorem taxes at 3.9524. This is an increase of .7246 mills from the 1975-76 budget. The assessed valuation within the City for tax purposes increased from \$540,000,000 to \$564,823,178 because of construction projects being added to the tax roll.

The total general fund budget projects an expenditure of \$5,199,985; an increase of \$136,471 more than the 1975-76 budget.

The water and sewer system which is self-supporting reflects a total budget of \$5,090,229.

The budget, as presented, will provide adequate service to the citizens of Naples as has been provided in past years.

Respectfully submitted,

  
W. F. Savidge  
Assistant City Manager
