ST. JUDE, THANK YOU FOR ANSWERING ALL MY JEANNE B.

#### In Memoriam

# In Loving Memory of **Stella Louise Nicklas**

Born around Thanksgiving of 2008, passed away peacefully at home surrounded by her family after a hard fought battle with cancer on April 23rd, 2018 at the age of 9.

She is survived by her parents, Lyndsey and Brian, and her big brother, Gunner. Stella was eagerly awaiting the arrival of her first human brother, due at the end of June. She is also remembered by her grandparents, as well as countless aunts, uncles, fur cousins, and best friends. Stella brought so much joy

and love to anyone who has ever met her, especially her family. You could walk into a room and see her sitting like a prairie dog, or wiggling her butt with excitement, and any bad day you had would immediately melt away. Sissy would spend her days invading the personal space of her parents, and tormenting her big brother. She loved to climb into her mom's lap while she tried working, or play keep away with Gunner's favorite tennis balls, or ride shotgun on car rides. She was a daddy's girl though, and could often be found inspecting his beard for food scraps or giving him doe eyes until he tucked her under the blankets for bed. Her highlight of everyday was her walks with her mom and brother. As soon as she saw the leashes come out she would howl like an insane hyena, much to the delight of all those within ear shot. The only thing funnier than hearing her howl was watching her run. She would take off so fast that her butt would go under her, and she would run aimlessly and in circles at top speeds. Stella loved to make her family happy. She loved to shower them in kisses and cuddles. She loved purely and unconditionally. Often in society the death of a pet can be looked at as the loss of property. But not Stella. Not this dog. She is a lost family member whose absence will be felt for eternity. She deserves to be known by all, she deserves to be remem-

bered. She earned every bit of it.
