# 5<sup>th</sup> Avenue Streetscape Design

## Public Input Review

This is the second step in our conceptual design process for the 5<sup>th</sup> Avenue streetscape design from 9<sup>th</sup> Street to 3<sup>rd</sup> Street. On October 14 & 15, we kicked off the project with meetings and walking tours. Next we want to review what we've learned from the community, and identify the direction we plan to pursue. We want to make sure that we are characterizing the street appropriately and addressing the issues that matter most.

## Public Meeting
