The City Clerk's Office Unveils a QR Code to Simplify Public Records Requests

City of Naples, Fla. – February 7, 2023: The City Clerk's Office unveiled a new QR code to assist the public in requesting records from the City.

The QR code is linked directly to the Public Records page on the City's website. Those requesting records would have the option to choose between Police records, Building Department records, and Administration records, which encompasses all general requests.

The QR codes will be conveniently placed throughout government buildings for ease of access.
