

Naples Complete Streets Design Project

for 1st Avenue South, 10th Street and 12th Street South

**Join the City of Naples for a Design Public Information Meeting,
Tuesday, April 30 at 4:30 p.m.**

The City is inviting the public to attend a design public information meeting where they can learn important details about an upcoming City of Naples design project and provide feedback.

Proposed improvements for the following streets include parking, lighting, irrigation, landscaping, bicycle and pedestrian facilities, stormwater, and utility improvements:

- **1st Avenue South – Extending from 8th Street South to Goodlette – Frank Road**
- **10th Street North – Extending from Central Avenue to 6th Avenue North**
- **12th Street South – Extending from 1st Avenue South to Central Avenue**

Roadway, irrigation, landscaping, stormwater, and utility improvements are included on:

- **10th Street North – Extending from 6th Avenue North to 7th Avenue North**

Only stormwater and utility improvements are included on:

- **10th Street South– Extending from U.S. 41 to Central Avenue**

At the meeting, project design plans will be on display for the public to view. The meeting will be held in an open-house format to allow attendees to drop in at their convenience during the allotted time to review the proposed designs, engage with staff and the project team, and provide feedback. Public meeting displays will be available on the website the day of the public meeting. Comments and questions can be submitted on the website as well for those unable to attend the public meeting in person.

Date: Tuesday, April 30, 2024
Time: 4:30 p.m. to 6:30 p.m.
open house format
Place: River Park Community Center - Auditorium
301 11th Street North
Naples, FL 34102

**One or more elected or other appointed officials may be in attendance at this meeting.*
