PREAMBLE

This Contract is entered into as of October 1, 2021; between the City of Naples, Florida, hereinafter referred to as the "City", and the Florida Public Employees Council #79, AFSCME Local No. 2017, hereinafter referred to as the "Union". It is the intent and purpose of this Contract to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstanding or differences which may arise and to set forth herein basic and full agreement between the parties concerning rates of pay, wages, hours of employment, and other terms and conditions of employment. There is not and shall not be any individual arrangements or agreements made covering any part or all of this Contract which is contrary to the terms herein provided.

ARTICLE 1

NON-DISCRIMINATION

- 1.01 Nothing in this Contract shall prevent compliance with applicable governmental laws or lawful regulations including laws prohibiting discrimination on the basis of race, creed, religion, color, national origin, sex, gender, gender identity, sexual identity, political affiliation, age, or disability.
- 1.02 The parties agree not to interfere with the right of any employee covered by this contract to become a member of the Union, withdraw from membership in the Union, or refrain from becoming a member in the Union. There shall be no discrimination against any employee covered by this contract by reason of Union membership or activity, or lack of union membership or activity.

ARTICLE 2

UNION RECOGNITION

- 2.01 In accordance with the Public Employees Relations Commission Certification Number 416, of July 12, 1978, the City recognizes the Union as the exclusive bargaining agent to represent the public employees identified in case number RC-77-050, which is incorporated herein by this reference for the purpose of Collective Bargaining with respect to wages, hours, terms and conditions of employment.
- 2.02 AFSCME recognizes that the City Manager is the collective bargaining representative for all the departments of the City employing members of the bargaining unit. AFSCME further recognizes its obligation to bargain solely and exclusively with the City Manager and/or designee.
- 2.03 Notification of new classifications and two copies of revised job descriptions within this bargaining unit will be provided to the Union President or designee. The Union can provide input on new classifications and job descriptions and will be advised of elimination of classifications within the bargaining unit, however the City maintains the sole discretion to establish, eliminate, revise, and create job classification and their corresponding job descriptions.

ARTICLE 3

DUES CHECK OFF

- 3.01 Dues Each Pay Period: The City agrees to deduct once each pay period the Union dues of those employees who individually request in writing on the prescribed form that such deductions be made.
- 3.02 Amount of Dues and Remittance: The amounts deducted shall be certified to the City by the treasurer of the Union and the aggregate deductions of all the employees shall be remitted together with an itemized statement to the Union treasurer, and an electronic copy to the regional office of the Union, by the 10th of the month after the month in which the deductions are made. The itemized statement shall contain the employee's name, and the dollar amount of the deduction for each employee listed. The City's remittance will be deemed to be correct if the Union does not give written notice to the City within two (2) calendar weeks after a remittance is received, of its belief, with reason(s) stated therefore, that the remittance is incorrect. The Union will provide the City thirty (30) days advance notice of any change in dues deductions. Notification will be in writing to the Human Resources Director. The City will provide a quarterly (January, April, July & October) report of bargaining unit employees' names, employee numbers, mailing addresses, phone numbers, classifications, starting date, hourly wage, and email as is kept in the city database. These shall be forwarded to the union president, or designee, the first week of

each quarter. The Union will be charged in accordance with Florida State Statute Chapter 119 (119.07).

- 3.03 The City agrees to deduct Union dues for Union members at no cost to the Union.
- 3.04 No deduction shall be made from the pay of an employee for any payroll period in which the employee's net* earnings for that payroll period are less than the amount of dues to be checked off.
- 3.05 The Union will indemnify, defend, and hold the City harmless against any claims made and against any suit instituted against the City because of check-off of Union dues.
- 3.06 Any employee may withdraw their dues check-off authorization upon written request and thirty (30) days notice to any member of Local 2017 Executive Board and the Human Resources Director.
- 3.07 Where there is a minimum of ten (10) eligible employees participating, the City agrees to deduct from the bi-weekly pay of each employee the voluntary contribution to P.E.O.P.L.E. (Public Employees Organized for Political and Legislative Equality). The amount shall be authorized by the employee in writing on the form developed and provided by the Union. Union officials shall forward completed forms to the Human Resources Department where the deduction shall begin or cease on the next pay period after receipt of the deduction notice. The City shall be responsible for forwarding the collected payroll deduction amount to the appropriate Union organization no later than thirty (30) days after deductions are

collected. Additionally, the Union shall be responsible for providing the City with timely and accurate information regarding the name, mailing address, federal identification number, and other information as necessary for auditing purposes.

*Net earnings shall mean net after required deductions of Federal taxes, Social Security, Pensions, Credit Union, Health and Life Insurance, and any other legally mandated deductions.

ARTICLE 4

UNION REPRESENTATIVES

- 4.01 A recognized representative (steward) of the Union shall, with prior notification to and approval of the Human Resources Director be admitted to a mutually agreed upon location of the City in order to contact Management on matters pertaining to this contract. A Union representative, as designated above, shall be able to conduct Union business with employees before or after regular working hours or during lunch breaks on City property. The representative must receive prior approval from the supervisor in charge of the work area to gain access to such areas. Said request shall not be unreasonably denied. The Union agrees that there shall be no solicitation for membership in the Union, signing up of members, collection of any fees, dues or assessments, meetings, or other business activities of the Union on the City's time. Fifteen minute breaks are considered city time and therefore no Union business can be conducted.
- 4.02 A complete list of stewards shall be furnished to the City and any changes of these shall be promptly reported in writing to the Human Resources Director or their designee. Stewards will be recognized by the City as follows:

Stewards

City Hall	1
Community Services	2
Equipment Services Division	1
Police & Emergency Services	1
Solid Waste	1
Water Dist. and Wastewater Coll.	1
Water Treatment Plant Division	1
Wastewater/Utility Maintenance	1
Community Development	1
Alternates	2

- 4.03 Any steward, or an alternate steward, may serve at any of the above designated locations. Any steward will serve whenever a regular steward is not available within the period of time in which a grievance has to be filed as provided for in Article 8.03.
- 4.04 The alternate steward may also serve to represent a regular steward in processing a grievance on their behalf.
- 4.05 An AFSCME representative may also serve to represent a steward, local board member, or any member of the local in processing a grievance on their behalf.
- 4.06 It is understood and agreed that employee(s) functioning as Union representative(s) have productive work to perform and will not leave their jobs during work hours except after properly requesting and receiving proper verbal authorization from their respective immediate supervisor, or next level of supervision and only after stating which official Union business is to be performed. Such authorization shall not be

unreasonably withheld. If, in the opinion of the City, the above mentioned persons are taking unreasonable time to conduct such business, the City shall have the right to require the steward or the Union official to report immediately to their supervisor(s). Only one (1) Union Representative (i.e. regular steward, alternate, or Union Official) along with a Council 79 rep. will be permitted to serve in this capacity for any specific situation.

- 4.07 A union representative will be allowed to meet with new employees immediately following the City's regular orientation for a period up to one-half hour immediately following the orientation. The time taken by the Union representative to meet with the new employees following orientation shall be used in accordance with Article 12 "Union Business Leave". The City shall notify the Union President, or designee, regarding orientation of newly hired bargaining unit employees when the starting date is confirmed.

ARTICLE 5

PROHIBITION OF STRIKES

- 5.01 **Strikes Prohibited:** No Public Employee or employee organization may participate in a strike against a City by instigating or supporting, in any manner, a strike. Any violation of this section shall subject the violator to the penalties provided in Chapter 447.507 of the Florida Statutes or any amendments thereto. It is further agreed, and in consideration of the Union's Contract, that the City shall not, partially or wholly lock out any employees for the duration of this Contract. Lockouts shall be the denying of employee access to work in order to pressure the employees and/or the Union to accept the employers offered terms of employment.
- 5.02 **Right of Discipline:** The City has the right to discipline any employee who violates the provisions of Section 5.01.

ARTICLE 6

MANAGEMENT RIGHTS

6.01 The Union agrees that the City has and will continue to retain, whether exercised or not, the right to operate and manage its affairs in all respects and the powers or authority which the City has not officially abridged, delegated or modified by the express provisions of this Contract are retained by the City. Such rights of the City, through its management officials, shall include, but shall not be limited to, the right to determine the organization of City government; to determine the purpose of each of its constituent departments; to exercise control and discretion over the organization and efficiency of operations of the City; to set standards for service to be offered to the public; to direct the employees of the City, including the right to assign work and overtime; to determine qualifications, to hire, examine, classify, promote, train, transfer, assign, and schedule employees in positions with the City, to suspend, demote, discharge, or take other disciplinary action against employees for proper cause; to increase, reduce, change, modify or alter the composition and size of the work force, including the right to relieve employees from duties because of lack of work or funds; to determine the location, methods, means, and personnel by which operations are to be conducted, including the right to contract and subcontract existing and future work; to

establish, modify, combine or abolish positions; to change or eliminate existing methods of operation, equipment or facilities; and to change existing or establish reasonable rules and policies not in direct conflict with the provisions of this Contract.

6.02 The City has the sole authority to determine the purpose and mission of the City to prepare and submit budgets to be adopted by the City Council.

6.03 Those inherent managerial functions, prerogatives and policy-making rights which the City has not expressly modified or restricted by a specific provision of this Contract are not in any way, directly or indirectly, subject to the grievance procedure contained herein.

6.04 If the Mayor declares that civil emergency conditions exist, including, but not limited to riots, civil disorders, hurricane conditions, or similar catastrophes, the provisions of this Contract may be suspended other than the wage provisions outlined in Article 23.03, Civil Emergency, during the time of the declared emergency. A grievance arising during the suspension of this Contract will be pursued upon termination of the declared emergency.

ARTICLE 7

SENIORITY AND LAYOFF

7.01 City-wide seniority is defined as the length of employment with the City. Such seniority shall be acquired by full-time employees after completion of a probationary period at which time seniority shall be retroactive to the first day of employment. The City-wide seniority shall apply to accrual of all benefits and to promotional vacancies.

7.02 Definitions:

Departmental Seniority: Departmental seniority is defined as the length of employment within the employee's current department. Departmental seniority shall accrue as of the first day of employment or transfer into a new department.

Division Seniority: Length of employment within the employee's current division.

7.03 Classification Seniority: Classification seniority is defined as the length of employment within a particular classification/position.

7.04 City-wide, departmental, and classification seniority shall be broken when an employee:

A) Terminates voluntarily

B) Is discharged for cause

C) Exceeds an authorized leave of ninety (90) working days or more.

7.05 In the event of a layoff for any reason, employees in the same classification/position and division affected shall be laid off in the following order:

- A) Temporary employees;
- B) Initial probationary employees, and
- C) Regular employees.

In the event of a layoff, employees in the same classification/position and division with the highest values of the following factors as determined by the employer in the following order shall be retained:

- A) Seniority;
- B) Qualifications to do the work; and
- C) Ability to do the work;
- D) Past 24 months' documented work performance including discipline.

If these factors are relatively equal, the least senior employee in the same classification/position and division shall be laid off first.

7.06 Laid off employees shall be recalled to the same or lower classification and department from which they were laid off in the reverse order in which they were laid off, provided that the employees have not been laid off for more than 12 consecutive months and are still able to perform the functions of the position. A laid off employee who is "rehired" within 12 months of the effective date of their layoff, shall retain credit for prior service for purposes of vacation and sick leave accrual. If an employee is recalled to a different classification/position they will be placed on a six-month probationary period. Reassignments shall be made to avoid laying

off employees as long as vacant positions are available for which the employee is qualified.

- 7.07 Seniority shall accumulate during absences because of illness, injury, vacation, or other authorized paid leave of ninety (90) working days or less.
- 7.08 Employees will be given forty-six (46) calendar days' notice in case of layoff and two weeks' severance pay. The City may buy out the 46-day notice at its option. Notice and severance pay is only applicable if the City does not offer a position within the same or greater pay range. If such intended layoff is as a result of planned privatization, employees shall be given the opportunity to participate in the bidding process or recommend cost-cutting and other efficiencies that may result in reducing or eliminating the need for contracting out the services.
- 7.09 Current City employees may not maintain City employment and a contractual relationship with the City simultaneously.

ARTICLE 8

GRIEVANCE PROCEDURE

- 8.01 In a mutual effort to provide harmonious working relations between the parties to this Contract, it is agreed to and understood by both parties that there shall be a procedure for the resolution of grievances between the parties arising from any alleged violation of the specified terms of this Contract.
- 8.02 Definition: A grievance within the meaning of this Contract shall consist of disputes about interpretations and applications of particular clauses of this Contract and about alleged violations of this Contract, including formal written discipline. All references to the term "working day" when used in this procedure, shall mean calendar days Monday through Friday, exclusive of holidays.
- 8.03 It is the intention of the City that disciplinary action will be initiated in a timely manner. All disciplinary action beyond a verbal reprimand requires a pre-disciplinary hearing. The City shall provide the employee with all information for which disciplinary action is being considered at least 24 hours in advance of the pre-disciplinary hearing. The employee may request a Union Steward to be present at this hearing. Once the City has actual knowledge of the event giving rise to the disciplinary action, the City shall take disciplinary action within 30 calendar days, unless there are extenuating circumstances.
- 8.04 Grievances shall be processed in accordance with the procedures outlined below: The times indicated on all steps may be extended by written mutual agreement as follows:

Step 1: The grievant shall present, in writing, this grievance to the next level of supervision or Division Head within seven (7) working days from the time the grievant would have knowledge of the subject of the grievance. The supervisor shall schedule a meeting with the grievant within seven working days. The grievant or the supervisor may request that a Union Steward and a Council 79 Representative be present. Discussions will be informal for the purpose of settling differences in the simplest and most direct manner. The supervisor or Division Head shall reach a decision and communicate, in writing, to the grievant within seven (7) working days from the date the Step 1 meeting was held.

Step 2: If the grievance is not settled at the first step, the grievant within seven (7) working days after the Step 1 answer is issued or due, whichever is earlier, shall present it to the Department Head or their designee. The Department Head or designee shall investigate the alleged grievance and shall within seven (7) working days of receipt of the written grievance conduct a meeting between themselves, their representative if needed, and the grievant. The grievant may be accompanied at this meeting by no more than one (1) local Union representative and a Council 79 representative. The Department Head, or their designee, shall notify the aggrieved employee of their decision not later than seven (7) working days following the meeting date.

Step 3: If the grievant does not settle their grievance in the second step, the grievant within seven (7) working days after the Step 2 answer is issued or

due, whichever is earlier, shall present the written grievance to the City Manager. The City Manager, or their designee, shall investigate the alleged grievance and shall within seven (7) working days following receipt of the written grievance conduct a meeting between themselves, their representatives if needed, and the aggrieved employee. The grievant may be accompanied at this meeting by local Union Steward and Council 79 representative. The City Manager or designee shall notify the aggrieved employee in writing of their decision not later than seven (7) working days following the meeting date.

Step 4: If the grievance, as defined in this Article, has not been satisfactorily resolved within the grievance procedure, the grievant may request arbitration in writing to the office of the City Manager no later than seven (7) working days after the response is issued or due whichever is earlier. In disciplinary matters, only suspensions, demotions, and termination may be advanced to arbitration. Alleged violations of the economic provisions of this Contract may be advanced to arbitration, except performance evaluations as provided in 8.15. This arbitration procedure is the sole and exclusive right of the Union. As such, no bargaining unit member shall be authorized to proceed to arbitration without the written authorization of the Union official. The Union and the City agree to utilize one of the following arbitrators to facilitate scheduling and resolution of the grievance:

1. Scott Milinski
2. Robert Hoffman
3. John B. Dorsey

If the grievance is not scheduled to be heard by one of the above arbitrators, the Union and the City will mutually agree or attempt to agree, on an independent arbitrator within seven (7) working days from the date that the grievance was rejected at the third step. If this cannot be agreed upon, the Union and the City may request an impartial neutral from the federal Mediation and Conciliation Service. In any case, the Union and the City shall schedule the arbitration hearing to be held within 180 calendar days from the date of the arbitration request. Failure to schedule the hearing to be held within 180 calendar days will result in the grievance being deemed withdrawn. The Union and the City may extend the 180 calendar day deadline by written mutual agreement.

- 8.05 It should be noted that nothing contained in this Article shall prevent any employee covered by this Contract from processing their own grievance unassisted through the grievance procedure. Nothing in this part shall be construed to prevent any public employee from presenting, at any time, their own grievances, in person or by legal counsel, to the City and having such grievances adjusted without the intervention of the bargaining agent, if the adjustment is not inconsistent with the terms of this collective bargaining agreement and if a Union representative has been given reasonable opportunity to be present at any meeting called for the resolution of such grievances. Only a Union official can request arbitration through the contractual grievance procedure.

- 8.06 Certified employee organization shall not be required to process grievances for employees who are not members of the organization in accordance with Florida State Statute 447.
- 8.07 The arbitration shall be conducted under the rules set forth in this Contract. Subject to provisions contained herein, the arbitrator shall have the jurisdiction and authority to decide a grievance as defined in this Article and to direct compliance with the terms and conditions of the Contract. The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Contract or any part thereof or any amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is not a grievance as defined in this Contract. The arbitrator may not issue declaratory or advisory opinions and shall be confined exclusively to the question which is presented, and which question must be actual and existing. Copies of the award of the arbitrator, made in accordance with the jurisdictional authority under this Contract, shall be furnished to both parties within thirty (30) days of the hearing and shall be final and binding upon both parties. It is contemplated that the City and the employee shall mutually agree in writing as to a hearing, and if this is done, the arbitrator shall confine their decision to the particular matter thus specified.
- 8.08 In the event a grievance concerns the suspension or termination of a non-initial probationary employee, the grievance shall start at Step III, if the employee chooses that option.

- 8.09 The filing of a grievance shall in no way interfere with the right of the City to proceed to carry out its management responsibilities, subject to the final resolution of the grievance. The employee shall abide by the management decision involved in any grievance, prior to and during the time the grievance has been filed, shall not discontinue their duties prior to or during the time a grievance is being processed.
- 8.10 The Union and the City shall bear the expense of its own witnesses and its own representative. The Union and the City shall bear equally the expense of the impartial arbitrator. Any party requesting a copy of the transcript of such arbitration hearing shall bear the cost of same.
- 8.11 The City and the Union agree to exchange a list of witnesses, using the City's witness management List, within three days of the hearing, that will be called to testify. The purpose of the list is to ensure that staffing levels be appropriately maintained and to justify employee absence from the worksite. It remains the responsibility of the bargaining unit employees who will be called as a witness for either party to ensure that they notify their supervisor immediately upon receiving notification of such proceedings.
- 8.12 When a grievance is reduced to writing there shall be set forth therein:
- 1) The grievance shall concisely state the facts relied on by the grievant.
 - 2) The Article(s) or Sections of this Agreement that are alleged to have been violated; and
 - 3) The remedy or correction requested.

- 8.13 A grievance not advanced to the higher step within the time limit provided shall be deemed permanently withdrawn as having been settled based on the decision most recently given. Failure on the part of the City to answer within the time limit set forth in any step will entitle the employee to proceed to the next step.
- 8.14 The Union may file a class grievance on behalf of all Bargaining Unit employees but not individuals.
- 8.15 Performance evaluations shall be grieved through the existing internal City grievance procedure. Employees utilizing this internal City grievance procedure may at their option be represented by a Union representative.
- 8.16 A Council 79 representative and the local steward will attend arbitration. In cases where the Union believes that more than one local steward is necessary to present a grievance at the 3rd Step level, a request will be made to the Human Resources Director as to the justification for additional representatives. The Human Resources Director will either approve or deny the request. Denial of the request will not preclude the hearing from taking place as scheduled.
- 8.17 Bargaining Unit members who are called to testify as witnesses in an arbitration or grievance case, who would have otherwise been on duty, will be compensated at their regular rate of pay. Bargaining Unit members who are off duty and are called to testify by the Union will not be paid by the City.

8.18 If the Union representative(s) are called to testify as witnesses in arbitration or grievance cases, they will, if they otherwise would have been on duty, be compensated for the reasonable time spent in testifying.

ARTICLE 9

JURY DUTY

- 9.01 Regular full-time employees shall be granted time off without loss of straight time pay for reporting for jury duty upon presentation to their supervisor of satisfactory evidence including written verification of attendance relating to jury duty. Any monies received by the employee from another agency will be turned over to the City's Finance Department for placement into the General Fund.
- 9.02 The provision of Article 9.01 shall also apply to those employees subpoenaed to testify in their official capacity as a City of Naples employee in a court proceeding.

ARTICLE 10

BULLETIN BOARDS

10.01 The Union shall be authorized space for bulletin boards, at appropriate locations in the City. The Union may, at its own expense, provide bulletin boards of standard sizes for its own exclusive use in keeping with the decor of the work location. 10. Equipment Services Employee Lounge
11. Wastewater Collections Break Room
12. Police Department (old and new addition) Lunchroom
13. Development Services Upstairs Kitchen

10.02 The Union agrees that it will use space on bulletin boards described above for the following purposes only:

1. Notices of Union meetings
2. Notices of Union elections
3. Reports of Union committees
4. Recreation and social affairs of the Union
5. Union services
6. Directories
7. Union fringe benefit programs
8. Union newsletters

The Union agrees that nothing will be posted on these bulletin boards of the items listed above which relate to political candidates, political campaigns, or other political issues; nor will anything be posted which reflects adversely upon the City or any of its officers or employees; nor shall any posted materials violate or have the effect of violating any law, rule, or regulation. If a question arises concerning the interpretation of what will be allowed to be posted, a Union representative shall request a decision from the Human Resources Director. There shall be no posting of disputed material until said approval is given.

10.03 All Union materials placed on bulletin boards shall be signed and dated by the Union officer or their designee and copies of any materials to be posted shall be forwarded to the Human Resources Director prior to posting.

- 10.06 New City buildings will be included in the list for placement of bulletin boards. The City and Union will mutually agree as to where bulletin boards will be placed.

ARTICLE 11

BASIC WORK WEEK & OVERTIME & STANDBY COMPENSATION

- 11.01 The normal work cycle for Bargaining Unit members shall be forty (40) hours. All time authorized and worked in excess of the work cycle described above except as provided otherwise herein, shall be compensated at the rate of one and one-half (1-1/2) times the regular pay of the employee or granted Compensatory "Comp" time in accordance with this Article.
- 11.02 Comp. time may be accrued for overtime hours in lieu of overtime pay at the discretion of the Department Director or designee. Employees must request accrual of comp time in lieu of overtime pay in writing. The maximum number of comp time hours which may be accrued at any one time and rolled over at year end is eighty (80) hours. The use of comp time shall be requested in accordance with method of scheduling vacation leave and is subject to the discretion of the Department Director or designee, and would be based on but not limited to such issues as; staffing levels, necessity to cover the absence, etc. Comp. time must be used in increments of one-hour at the approval of the Department Director prior to use. Comp time can be used to pay for an unexcused absence, but in no way mitigates any disciplinary action involving unapproved or excessive absence(s).

- 11.03 In calculating overtime hours, vacation, sick leave, workers' compensation leave, and authorized leaves with pay shall not be considered as time worked. Holiday leave, Administrative ("Admin") leave, (which includes Jury Duty and Funeral Leave), and approved FMLA paid leave considered as time worked.
- 11.04 Overtime compensation shall not be granted for instances where individual employees mutually agree to swap workdays.
- 11.05 All scheduled overtime work shall be offered in order of greatest classification seniority on a rolling basis to employees who normally perform such work. Rolling as determined under this contract is beginning at the top of the seniority list and proceeding down through the list, starting with the member with the most seniority immediately after the individual who last volunteered for overtime, until the bottom of the list is reached. Once the end of the seniority list is reached, the process would begin again from the top of the seniority chart. In the event that an employee with a greater skill or proficiency level is required for an overtime assignment, the City can require that a more senior volunteer be awarded the overtime assignment, but immediately following such an occurrence the rolling seniority chart is resumed. A seniority roster will be posted. Seniority in this Section shall mean departmental, divisional, or classification seniority, whichever is applicable. The least senior employee will be at the bottom of the list and the most senior person will be asked to work the first opportunity for overtime. If the employee accepts the request, then the

employee will be paid for the number of hours worked in accordance with the provisions of this Article.

- 11.06 If the employee is unavailable or requests to be skipped when it becomes their turn to work overtime, they shall not be rescheduled for overtime work until their name is reached again in orderly sequence and an appropriate notation shall be made in the overtime roster.
- 11.07 Employees who do not desire to work scheduled overtime will submit to their supervisor, in writing, a request with justification to be removed from the overtime roster. The supervisor and division superintendent will approve or deny the request in writing with justification to the employee.
- 11.08 In the event no employee wishes to perform the scheduled overtime work, the City shall in the inverse order of the overtime list assign the necessary employees to perform the work in question. In the event this situation occurs, employees that have requested to be removed from the overtime roster will be included in the inverse order process.
- 11.09 The City reserves the right to schedule emergency overtime. Emergency overtime is for such events which involve health or public safety issues (i.e. water/wastewater line break) where an employee is given less than 48 hours' notice that they must report for work on a scheduled day off or work in excess of their normal work day. Emergency overtime is not for events involving extended meetings or normal work duties that may extend beyond a normal workday. Employees who work emergency overtime shall be compensated at the rate of one and one-half (1-1/2)

times their regular pay. However, the assignment of overtime will be made after due consideration to:

1. Seniority and/or skill necessary to perform overtime work.
2. Assigning the overtime in as equitable a manner as practical.
3. Avoiding, where possible, conflicts with off-duty plans and commitments already scheduled by employees.
4. Personal emergencies.

11.10 Employees not regularly scheduled to work that are called back to work before or after regular working hours shall receive compensation for a minimum of two (2) hours pay or the amount of time worked at time and one-half whichever is greater. During emergency repairs or emergency circumstances, the Department Director may authorize premium pay for actual hours worked. The Department Director may grant Administrative Leave or the use of Flex Time from the normally scheduled workday to provide for rest periods following an after-hours emergency assignment.

Previously approved personal leave will not be canceled other than for emergencies and due to conditions beyond the control of the Department Director.

Personal leave used for sick leave or emergency situations requires daily call-in in accordance with department requirements or with as much notice as possible. Each department director will monitor unscheduled absences, and abuse of this benefit may be cause for disciplinary action.

13.03 PAYMENT FOR UNUSED LEAVE:

Annual Cash Payment: On an annual basis, any employee with a personal leave balance in excess of eighty (80) hours may elect to receive a cash payment for up to 140 hours at their current hourly rate of pay.
