The City-wide seniority shall apply to accrual of all benefits and to promotional vacancies.

7.02 Definitions:

Departmental Seniority: Departmental seniority is defined as the length of employment within the employee's current department. Departmental seniority shall accrue as of the first day of employment or transfer into a new department.

B) Initial probationary employees, and

C) Regular employees.

7.09 Current City employees may not maintain City employment and a contractual relationship with the City simultaneously.

ARTICLE 8

GRIEVANCE PROCEDURE

- 8.01 In a mutual effort to provide harmonious working relations between the parties to this Contract, it is agreed to and understood by both parties that there shall be a procedure for the resolution of grievances between the parties arising from any alleged violation of the specified terms of this Contract.
- 8.02 Definition: A grievance within the meaning of this Contract shall consist of disputes about interpretations and applications of particular clauses of this Contract and about alleged violations of this Contract, including formal written discipline. All references to the term “working day” when used in this procedure shall mean calendar days Monday through Friday, exclusive of holidays.
- 8.03 It is the intention of the City that disciplinary action will be initiated in a timely manner. Once the City has actual knowledge of the event giving rise to the disciplinary action, the City shall take disciplinary action within 30 working days, unless there are extenuating circumstances.
- 8.04 Grievances shall be processed in accordance with the procedures outlined below. The times indicated on all steps may be extended by written mutual agreement as follows:
- Step 1: The grievant shall present, in writing, the grievance to the next level of supervision or Division Head within ten (10) working days from the time the grievant would have had knowledge of the subject of the grievance. The supervisor shall schedule a meeting with the grievant within ten (10) working days. The grievant or the supervisor may request that a Union Representative be present. Discussions will be informal for the purpose of settling differences in the simplest and most direct manner. The supervisor or Division Head shall reach a decision and communicate, in writing, to the grievant within ten (10) working days from the date the Step 1 meeting was held.

Step 2: If the grievance is not settled at the first step, the grievant within ten (10) working days after the Step 1 answer is issued or due, whichever is earlier, may present it to the Department Director or his designee. The Department Director or his designee shall investigate the alleged grievance and shall within ten (10) working days of receipt of the written grievance conduct a meeting between himself, his representative if needed and the grievant. The grievant may be accompanied at this meeting by no more than one (1) local Union Representative. The Department Director, or his designee, shall notify the aggrieved employee of his decision not later than ten (10) working days following the meeting date.

Step 3: If the grievant does not settle his grievance in the second step, the grievant within ten (10) working days after the Step 2 answer is issued or due, whichever is earlier, may present the written grievance to the City Manager. The City Manager, or their designee, shall investigate the alleged grievance and shall within ten (10) working days following receipt of the written grievance conduct a meeting inclusive of the City Manager or designee, relevant management representatives if needed, and the aggrieved employee. The grievant may be accompanied at this meeting by a local Union representative. The City Manager or designee shall notify the aggrieved employee in writing of their decision not later than ten (10) working days following the meeting date.

Step 4: If the grievance, as defined in this Article, has not been satisfactorily resolved within the grievance procedure, the Union may request arbitration in writing to the Human Resources Department no later than ten (10) working days after the response is issued or due whichever is earlier. In disciplinary matters, only suspensions, demotions, and terminations will be advanced to an arbitration level. The arbitration procedure is the sole and exclusive right of the Union. As such, no bargaining unit member shall be authorized to proceed to arbitration without the written authorization of the Union official. The City and Union agree that with the passage of this Agreement that they will negotiate a separate

memorandum of understanding identifying a list of arbitrators the parties agree to use for arbitrations under Article 8 of this Agreement. An arbitrator will be either mutually agreed upon from the list, or if there is no agreement, a coin will be tossed to see who first strikes (eliminates) an arbitrator on the list from consideration, following which the other party will strike an arbitrator from the list in an alternating fashion until there is only one arbitrator remaining. If the coin is tossed on an even numbered day, the City must call 'heads' or 'tails' while the coin is in the air, and if the coin is tossed on an odd numbered day, the union then must call the toss.

8.05 Upon request of either party, the parties shall hold a pre-arbitration meeting in order to discuss the issues that are to be grieved, exchange information, or attempt to settle the grievance. This meeting shall be held no later than 45 days prior to the date set for arbitration.

8.06 It should be noted that nothing contained in this Article shall prevent any employee covered by this Contract from processing their own grievance unassisted through the grievance procedure. Nothing in this part shall be construed to prevent any public employee from presenting, at any time, their own grievances, in person or by legal counsel, to the City and having such grievances adjusted without the intervention of the Bargaining Agent, if the adjustment is not inconsistent with the terms of this collective bargaining agreement and if a Union Representative has been given reasonable opportunity to be present at any meeting called for the resolution of such grievances. However, only a GSAF Official can request arbitration through the contractual grievance procedure.

8.07 The Union shall not be required to process grievances for employees who are not members of the organization in accordance with Florida State Statute 447.

8.08 The arbitration shall be conducted under the rules set forth in this Contract. Subject to provisions contained herein, the arbitrator shall have the jurisdiction and authority to decide

a grievance as defined in this Article and to direct compliance with the terms and conditions of the Contract.

The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Contract or any part thereof or any amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is not a grievance as defined in this Contract.

The arbitrator may not issue declaratory or advisory opinions and shall be confined exclusively to the question that is presented, and which question must be actual and existing. Copies of the award of the arbitrator, made in accordance with the jurisdictional authority under this Contract, shall be furnished to both parties within thirty (30) days of the hearing and shall be final and binding upon both parties. It is contemplated that the City and the Union shall mutually agree in writing as to a hearing, and if this is done, the arbitrator shall confine his decision to the particular matter thus specified.

- 8.09 In the event a grievance concerns the suspension or termination of a non-initial probationary employee, the grievance shall start at Step III, if the employee chooses that option.
- 8.10 The filing of a grievance shall in no way interfere with the right of the City to proceed to carry out its management responsibilities, subject to the final resolution of the grievance. The employee shall abide by the management decision involved in any grievance, prior to and during the time the grievance has been filed, shall not discontinue their duties prior to or during the time a grievance is being processed.
- 8.11 The Union and the City shall bear the expense of their own witnesses and their own representatives. The Union and the City shall bear equally the expense of the impartial arbitrator. Any party requesting a copy of the transcript of such arbitration hearing shall bear the cost of same.

- 8.12 The City and the Union agree to exchange a list of witnesses, using the City's Witness Management List, within three days of the hearing that will be called to testify. The purpose of the list is to ensure that staffing levels be appropriately maintained and to justify employee absence from the worksite. It remains the responsibility of the bargaining unit employees who will be called as a witness for either party to ensure that he or she notifies their supervisor immediately upon receiving notification of such proceedings.
- 8.13 When a grievance is reduced to writing there shall be set forth therein:
- 1) The grievance shall concisely state the facts relied on by the grievant.
 - 2) The Article(s) or Sections of this Agreement that are alleged to have been violated; and
 - 3) The remedy or correction requested.
- 8.14 A grievance not advanced to the higher step within the time limit provided shall be deemed permanently withdrawn as having been settled on the basis of the decision most recently given. Failure on the part of the City to answer within the time limit set forth in any step will entitle the employee to proceed to the next step.
- 8.15 The Union may file a class action grievance on behalf of all Bargaining Unit employees, but not individuals.
- 8.16 Performance evaluations shall be grieved through the existing internal City grievance procedure. Employees utilizing this internal City grievance procedure may at their option be represented by a Union Representative.
- 8.17 A Union representative, Union attorney and/or the local Union representative may attend arbitration hearings. In cases where the Union believes that more than one local representative is necessary to present a grievance at the 3rd Step level, a request will be made to the Human Resources Director as to the justification for additional representatives.

The Human Resources Director will either approve or deny the request. Denial of the request will not preclude the hearing from taking place as scheduled.

- 8.18 Bargaining unit members who are called to testify as witnesses in an arbitration or grievance case, who would have otherwise been on duty, will be compensated at their regular rate of pay.

ARTICLE 9

The Union may, at its own expense, provide bulletin boards of standard sizes for its own exclusive use in keeping with the decor of the work location. 9.02 The Union agrees that it will use space on bulletin boards described above for the following purposes only:

If a question arises concerning the interpretation of what will be allowed to be posted, a Union Representative shall request a decision from the Human Resources Director. There shall be no posting of disputed material until said approval is given.

- An employee in a classification designated as “exempt” or “salaried” shall not be entitled to overtime or compensatory time.
- 10.02 The normal work cycle for Bargaining Unit members shall be forty (40) hours in a seven (7) day cycle. Department directors will establish the hours of work best suited to meet the needs of the department and provide superior service to the community. Nothing in this agreement shall be construed as a guarantee or limitation of the number of hours to be worked per week. Flexible work schedules (i.e. 4-10 hour days) may be considered at discretion of department director and pursuant to City Policy. Exempt employees are expected to work the schedule of hours set by department directors, which may include more than forty hours in a single workweek.
- 10.03 A non-exempt employee shall be compensated at the rate of one and one-half (1-1/2) times the regular pay of the employee or granted compensatory time in accordance with this Article for all authorized hours worked in excess of forty (40) hours in a workweek. Administrative leave, (which includes Jury Duty, Funeral Leave or leave for City approved seminars/classes), and approved FMLA paid leave are considered as time worked.

- 10.04 Overtime compensation shall not be granted to non-exempt employees for instances where individual employees mutually agree to swap work days.
- 10.05 Compensatory time may be accrued for overtime hours in lieu of overtime pay for non-exempt employees at the discretion of the Department director or designee. Employees must request accrual of compensatory time in lieu of overtime pay in writing. The maximum number of compensatory time hours that may be accrued at any one time during the fiscal year is forty (40) hours. The use of compensatory time shall be requested in accordance with the method of scheduling personal leave and is subject to the discretion of the Department director, or designee, and would be based on, but not limited to, such issues as; staffing levels, necessity to cover the absence, etc. Compensatory time may be used in increments of one-hour segments at the discretion of the Department director. At any time during the year that an employee works overtime in excess of the maximum accrual of 40 hours, that employee will receive pay for overtime hours worked.
- 10.06 Non-exempt employees, not regularly scheduled to work, that are called back to work before or after regular working hours shall receive compensation for a minimum of two (2) hours pay or the amount of time worked at time and one-half whichever is greater. During emergency repairs or emergency circumstances, the department director may authorize premium pay for actual hours worked. The department director may grant administrative leave or the use of flex time from the normally scheduled work day to provide for rest periods following an after-hours emergency assignment.
- 10.07 Schedules shall not be altered during a pay period for the express purpose of circumventing the payment of overtime.
- The City shall offer fifteen (15) minutes as a rest period in the first half of the day and fifteen (15) minutes in the second half of the day to Bargaining Unit employees.

The City shall designate when these shall occur but will make an effort to schedule rest periods as near as possible to the middle of the half shift. In the event a rest period cannot be granted because of an emergency, the supervisor may delay or cancel the rest period. Said rest period shall not be carried over to any other shift or day.

ARTICLE 11

The increase will be to the entry rate of the job classification in which the employee is working, or 5%, whichever is greater. Although working out of class pay will not be provided for those initial five days, the employee will receive the higher rate when assigned to that classification in the future. The Department director or a designee shall specifically assign out-of-class work in each individual case. Employees may not authorize out-of-class work for themselves. Working out-of-classification will not provide any automatic job rights to the position should it become vacant.
- 11.02 Any on-the-job training programs designed to upgrade employee's skills, shall not be construed to mean working out-of-class.
- 11.03 A non-exempt employee who is authorized to work out-of-class and performs overtime work in a higher classification shall be compensated at the overtime rate as provided for in Article 10.

ARTICLE 12

PERSONAL LEAVE

12.01 ACCRUAL: Employees are eligible to use accrued leave time after completing six (6) months of service. During initial probation, a maximum of two (2) personal leave days may be used. Individuals placed on extended probation in their initial position will have to successfully complete extended probation to be eligible to take any additional accrued leave. Personal Leave will be accrued as follows:

	<u>Days Accrued Annually</u>	<u>Hours Accrued Annually</u>	<u>Maximum Accrual</u>
1 - 5 YEARS	20	160	520
5 - 10 YEARS	25	200	520
10 - 15 YEARS	30	240	520
15-19 YEARS	33	264	520
20+ YEARS	34	272	520

All leave time is accrued on a monthly basis when the employee is on paid status. Accrual rates are to be prorated for part-time employees in accordance with the above schedule.

Personal Leave shall not be granted or used in advance of being accrued. Personal Leave is accrued on the first pay period of each month for the previous month.

The personal leave year shall be January 1 through December 31. Any amount of personal leave in excess of 520 hours as of December 31 of each year will automatically be forfeited.

12.02 SCHEDULING: Employees shall schedule personal leave with their immediate supervisor in accordance with departmental policies. Whenever possible, personal leave will be requested and approved at least five (5) days in advance. Staffing requirements and the ability to serve the Public shall be considered in approving the

leave request. If personal leave is denied, the employee will be given the opportunity to take personal leave at the next permitted time. Personal leave will not be unduly withheld. Previously approved personal leave will not be canceled other than for emergencies and due to conditions beyond the control of the Department Director. Personal leave used for sick leave or emergency situations requires daily call-in in accordance with department requirements or with as much notice as possible. Each department director will monitor unscheduled absences, and abuse of this benefit may be cause for disciplinary action.
