

RESOLUTION 2018-14135

A RESOLUTION REPEALING RESOLUTION 12-13171 AMENDING THE MEMBERSHIP OF THE EAST NAPLES BAY CITIZENS ADVISORY COMMITTEE; PROVIDING FOR THE ADDITION OF AN ALTERNATE MEMBER; PROVIDING A MORE FLEXIBLE MEETING SCHEDULE; PROVIDING FOR TERMS; PROVIDING FOR DUTIES AND RESPONSIBILITIES; ESTABLISHING LEVELS OF SERVICE FOR THE DEPTH OF EAST NAPLES BAY WATERWAYS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, on May 21, 2008, by Resolution 08-12067, City Council established the East Naples Bay Citizens Advisory Committee by adding representatives of owners of properties outside the District but within the boundaries of potential dredging projects in the greater East Naples Bay area to the membership of the former East Naples Bay Special Taxing District (District) Advisory Committee; and

WHEREAS, on September 3, 2008, by Resolution 08-12145, City Council increased the East Naples Bay Citizens Advisory Committee from five (5) to seven (7) members to assure adequate representation of all affected property owners; and

WHEREAS, on September 19, 2012, by Resolution 12-13171, City Council reduced the members from seven (7) to five (5) due to an inability to reach a quorum at regularly scheduled meetings as well as being unsuccessful in recruiting additional members to the Committee; and

WHEREAS, it is the desire of City Council to amend the membership of the East Naples Bay Citizens Advisory Council to include the addition of an alternate member and to provide for a more flexible meeting schedule in accordance with the policies of other boards and committees of the City; and

WHEREAS, it is in the best interests of the citizens of the City of Naples to amend the policy creating the East Naples Bay Citizens Advisory Committee as set forth herein;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPLES, FLORIDA:

Section 1. Composition; terms of office; no compensation.

- (a) There is hereby established the East Naples Bay Citizen's Advisory Committee (the "Committee") for the properties within the East Naples Bay Special Taxing District (the "District") as set out in the map and description attached hereto as Exhibit A and incorporated herein, for the purposes of providing advice and recommendations to the City Council, sitting as the Council and as the District Board, concerning the needs of the

District and the described area, and as more fully set out in this Resolution.

- (b) The Committee shall consist of five (5) members and one (1) alternate member to be appointed by a majority vote of the Mayor and City Council. All members shall be qualified electors of the City and residents within the District and shall serve without compensation.
- (c) The initial appointments to the committee shall be as follows:
 - (1) One (1) member shall be appointed for a term of one (1) year.
 - (2) Two (2) members shall be appointed for a term of two (2) years.
 - (3) Two (2) members shall be appointed for a term of three (3) years.
 - (4) Appointments to fill any vacancy on the committee shall be for the remainder of the unexpired term.

Thereafter, each term shall be for a period of three (3) years and each member shall be limited to two (2) consecutive terms. After serving two (2) such consecutive terms, a member may reapply for appointment one (1) year after expiration of the member's last term.

- (d) At the first meeting of the Committee and then at the first meeting of each calendar year, the membership of the Committee shall elect a chair and vice chair from among the members. Officers' term shall be 1 year with eligibility for re-election.

Section 2.

Staff support; meetings; minutes; quorum; rules of procedure.

- (a) The City Manager will provide staff support to the Committee.
- (b) The Committee shall keep minutes of its proceedings and preserve a permanent record thereof. The City Clerk will provide for the taking and recording of minutes.
- (c) The Committee shall hold ~~regular meetings once a month~~ on a date and time to be set by the Committee, ~~except 1 or 2 months may be omitted in the summer or when canceled by the chair or by committee action.~~ The Committee Chair, on her or his own or upon request of the Council or the city manager may call special meetings as may be necessary. The presence of 3 or more members shall constitute a quorum of the

Committee necessary to take action and transact business. All meetings will be public and the Committee and its members shall at all times be governed by the requirements of the Florida Sunshine law. Meetings will be conducted in accordance with Robert's Rules of Order, most recent edition, to the extent applicable, and subject to city or state requirements.

Section 3.**Duties.**

- (a) The Committee shall review and make recommendations to the City Council as to the maintenance of the East Naples Bay Waterways System as it relates to property within the District, including the following:
- (1) Maintenance dredging in the canals and surrounding waterways.
 - (2) Maintenance of necessary aids to navigation.
 - (3) Monitoring of the condition of seawalls and advising the city manager or Council of maintenance concerns.
 - (4) Surveillance of surface water pollution and other evidence of degradation of the ecosystem.
 - (5) Development of budgets for the work and scope of work in any contracts for professional or construction related services.
 - (6) Within the budgeting process, projecting work to be done and estimating costs to be incurred for the following budget year, considering projected income and recommending to City Council the millage rate to be adopted.
 - (7) Identifying and considering alternative funding mechanisms for work within the District, including but not limited to levying of ad valorem tax on real and tangible personal property within the District, or creation of a Special Assessment District allowing for the issuance of bonds payable through the special assessment, and recommending to City Council an appropriate funding source.
 - (8) Expenses chargeable to the District and transmitting recommendations to the City Manager before such payment from District funds is approved.
 - (9) Ensuring that quarterly financial reports indicate all income and all expenses for the District and reviewing same for consistency with approved plans and that expenditures are properly allocated in accordance with appropriate legislation.
 - (10) The scope of any dredging project or projects.

- (11) Discharging such other responsibilities and duties as may be assigned by City Council from time to time.
- (b) The duties and powers of the Committee are limited to those enumerated above and to any other powers as may have been or shall be assigned by the organic regulations concerning the District, or assigned to the Area by appropriate legislation

Section 4.

Established policy considerations; levels of service.

The Committee shall be guided by the legislation concerning the District and the powers set forth in the legislation creating the District; the referenda approving the components of the District, and now governing the District, and any referenda that may be held in the future. Following are guiding principles of the District, which are not intended to be regulatory in and of themselves but examples of District provisions.

- (a) The only expenses to be charged to the District will be those identified in the referenda. Continuing or normal operating and administration costs will not be charged to the District.
- (b) The City will continue to provide the engineering and technical services required to obtain the necessary permits, bids and contracts for dredging the waterways of the East Naples Bay System. If additional or extraordinary services are required and the City is unable to provide them, then such professional services contracts as are required shall be presented to the Committee for its review and recommendation.
- (c) The costs incurred for the maintenance of aids to navigation and monitoring the condition of seawalls may be charged to the District.
- (d) The City will, with due diligence, inform the appropriate federal or state agencies when the City receives notice that an aid to navigation is damaged, off station, or not operating, and the City shall take prompt action to restore the aid to service.
- (e) The costs for removal of surface trash in the East Naples Bay Waterways System may be charged to the District.
- (f) Levels of service are hereby recommended to assist the Committee and City Council in determining when maintenance dredging should be undertaken:

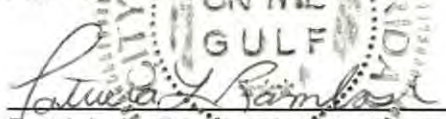

The recommended level of service for the internal waterways is to maintain depth of at least 5 feet below mean low water in the channels or as determined by permitting agencies.

Section 5. That Resolution 12-13171 which established and amended the East Naples Bay Citizens Advisory Committee is hereby repealed and superseded.

Section 6. This resolution shall take effect immediately upon adoption.
