OCEAN KIDS JUNIOR LIFEGUARD BEACH CAMP (AGES 7-13)

Ocean Kids was developed to provide an educational and recreational environment to instruct young people how to handle themselves safely in a variety of Gulf situations. Also, the program aims to develop a respect for the marine environment and build confidence when interacting with the Gulf waters. It is also a goal of Ocean Kids to introduce skills such as CPR, first aid and lifesaving necessary to help other in an emergency situation. Participants will be introduced to general beach knowledge, water and boat safety. Water activities abound in this true beach experience. Ocean Kids will provide campers with a fun and educational introduction to surfing, snorkeling, skimming and stand up paddle boarding.

The camps daily activities include individual and group competitions in beach and lifeguard games, including Beach Olympics each week. All weekly campers will be required to purchase (\$20) and wear an "Ocean Kids" rash guard (sun shirt) for their use daily. Campers should bring a lunch and snacks in an insulated lunchbox/cooler. Please also pack sunscreen, towel and plenty of water. All campers need to be good swimmers and be able to handle 5 hours outside in the heat. Competitions and surprises along the way.

FUN, FUN, FUN, FUN IN THE SUN PADDLEBOARD CAMP (AGES 8-15)

Welcome to the Naples paddleboard summer camp. Naples Kiteboarding has been hosting beach camps for 20 years. They have many years of experience of water sports under their belts. Enrique and Kelly Gianello are certified in paddle boarding, surfing, and kite surfing. Coming from California to Naples they love sharing their knowledge to help kids learn how to do water sports in a fun but safe environment. Your children are in good hands. On a typical day at camp campers learn how to paddleboard, kayak and surf properly, including all safety aspects. It's all about having fun but they are also learning how to be safe in the water and respect the water and its inhabitants. Campers will do different water sport depending on the weather conditions, they will also have a huge lily pad to play with which the kids love, and we will play games every day. Kelly and Enrique believe that every child should be well cared for and it's very important that every child has their own equipment to use every day. If you would like your child to be safe and have fun in the sun, then Naples Kiteboarding summer camp is for you.

Instructor: Naples Kiteboarding

American Red Cross

**AMERICAN RED CROSS
 LEARN TO SWIM COURSE:**

The American Red Cross Swimming and Water Safety program teaches people how to be safe in, on or around water and to teach individuals of different ages and abilities how to swim. In a logical progression, the program covers the knowledge and skills needed for aquatic skill development. As participants develop these skills, they will become safer and better swimmers.

Parent and Child Aquatics:

Children between ages of 6 months and approximately 3 years

The purpose of Parent and Child Aquatics is to teach safe behaviors around the water and develop swimming readiness by leading parents and their children in water exploration activities with the objective of having fun and becoming comfortable in, on and around water.

Preschool Aquatics:

Level 1: 4 years old
Level 2: 5 years old

Preschool Aquatics aims to promote the developmentally appropriate learning of fundamental water safety and aquatic skills by young children. Red Cross Preschool Aquatics teaches aquatic and safety skills in a logical progression through three levels of courses.

Learn-to-Swim:

Level 1: Introduction to Water Skills
Level 2: Fundamentals Aquatic Skills
Level 3 & 4: Stroke Development/Improvement
Recommended minimum age is approximately 6 years old

Red Cross Learn-to-Swim consists of six comprehensive levels that teach people of **varying ages** and abilities how to swim skillfully and safely. Each level includes training in basic water safety. All aquatic and safety skills are taught in a logical progression. The objective is to teach people to swim and to be safe in, on and around the water.

Adult Swim: Learning the Basics

Minimum age is approximately 13 years old

This course is intended for **teens and adults** at different levels of swimming ability. Can help teens or adults overcome their fear of the water and to learn the basic skills to achieve a minimum level of water competency.

**SUPER SCIENCE - GAMES, GAMES, GAMES
(AGES 6-10)**

Are you a true gamer? Do you talk about games, think about games, and have a few ideas for your own games? This is your camp! Board games, card games, video games, outside games, let's play! Become a part of a one-week gaming studio. Design characters, create new worlds, and build challenging levels. Use the latest gaming software like the new Scratch, Code.org, Minecraft Code Mode, and Roblox. Work as a team of artists, programmers, and developers to make your game come to life. Throughout the week you and your friends will work on your games and on the playground as we make new versions of tag, capture the flag, and any other games we can think of. On **Friday**, you can invite your friends and family to the Game World Expo to showcase your accomplishments and share new ideas for your future games.
