Greetings from the Director

The Holidays are behind us and the weather is perfect, which makes it a great time to think about getting active through one (or more) of the many programs offered through the City of Naples Community Services Department!

Did you know the Fitness Center at the River Park Community Center has all new cardio and strength training equipment? The Center offers a friendly and low-key workout environment at the low cost of $20/month or $120/year (paid in advance)! Want to try out the equipment, you can get a 1-day pass for only $5. Come visit us at 301 11th St. North or call 239-213-3037 for more information.

As many people know, Baker Park is now OPEN! If you have not had a chance to visit this wonderful park, I encourage you to do so. Baker Park is truly a world-class facility with amenities that include The Eva Sugden-Gomez Center (which can be rented!), the sunrise terrace, three picnic shelters (which can be reserved!), a large children’s playground and splash pad, the Knoll Overlook where you can view the Gordon River, a kayak/canoe launch facility, boat docks for day docking, trails for walking, running and biking and much more! Baker Park connects you to the Gordon River Greenway where you can stroll along the river and through Naples’ mangrove forest! You can find more information about Baker Park including the park reservation form on the City's website at: https://www.naplesgov.com/parksrec/page/baker-park-now-open

As always, I welcome any ideas, concerns or suggestions you may have about the programming and facilities the City provides for our residents and visitors. Please feel free to call me at 239-213-7120 to share your thoughts.

Best Wishes,
Dana A. Souza, Director

Private Lessons:
Would you prefer a one-on-one lesson for yourself or your child, or a semi-private class for two participants? Anyone with a fear of the water, a specific stroke to improve or a desire for individual attention can benefit from private lessons. Moreover, if you’re familiar with a variety of strokes you may like a stroke clinic to improve your efficiency, endurance or prepare for an open water swim.

Location: RPAC
Instructors: River Park Aquatic Center Staff
Fee: $30/½ hour for 1 student
$40 ½ hour for 2 students together
$50 ½ hour back to back for 2 students or 1 student/1 hour

Swimming Stroke Clinic:
Are you interested in preparing for our summer youth recreational swim team or improving your strokes? Gain speed and endurance with proper entries, flip-turns, streamlining and more through twice weekly, forty-minute-long clinics, in three-week sessions, with our certified instructors and coaches, in conjunction with the Paradise Coast Swim Conference.

Location: RPAC
Instructor: River Park Aquatic Center Staff

Lifeguard Training (Ages 15 – Adults)

Naples Dog Park

The Naples Dog Park is located on the northeast corner of Goodlette-Frank Road and Central Avenue and includes two separate off-the-leash areas. The South section, composed of approximately 1 acre of fenced area is for large dogs while the North section composed of .35 acres is dedicated to small dogs. Located centrally in the park is a shade structure that includes benches, drinking fountains for humans and dogs, as well as a picnic area. There are approximately 43 parking spaces to the North, a sidewalk connection to the greenway and place for public art. The fencing is adorned with lush landscaping. The off-the-leash areas are a combination of dog friendly mulch and a nice grassy circumference for running.

You can apply for a dog park annual pass and tag at the following locations:

Cane Toads: Understanding South Florida’s Toxic Invaders
Cane toads (Rhinella marina) have been invading Florida since the mid 1900’s. They pose a threat to our native wildlife, and our beloved pets. Removal efforts are difficult to execute and sustain, so scientists are exploring various methods that are both effective and environmentally friendly. Come learn about the unique history of cane toads in Florida, the trials and tribulations of research and removal efforts, and what you can realistically do to help fight this invasive species.

What’s Buggin’ You?
Did you know that Florida is home to at least 12,500 documented insect species? Commonly associated with bulging eyes, crunchy wings, and multiples of legs, we humans tend to think of these insects as nothing more than creepy crawling pests but aside from eating plants we think are important and occasionally feasting on us, insects perform many important functions that are crucial to our ecosystem. Join Ranger Kat McMillan to learn about the bugs of Big Cypress and how some of them can be all three: good, bad, and ugly!
Location: NP
Presenter: Ranger Kat McMillan, Big Cypress National Preserve
