## FOR IMMEDIATE RELEASE

### SEAGATE/NORTH GULF SHORE BEACH ACCESS AND PARKING LOT IMPROVEMENTS

**MONDAY, MAY 1 – MONDAY, JULY 31, 2017**

The Seagate/North Gulf Shore beach access and parking lot located on North Gulf Shore Boulevard will be under construction for improvements to the sidewalk, beach access, and parking lot from Monday, May 1, through Monday, July 31, 2017.

During the construction, please use the Horizon Way beach access, 3951 Gulf Shore Blvd. N., Naples, Florida 34103, or Clam Pass beach access, 465 Seagate Drive, Naples, Florida 34103.

The sidewalk and parking lot will be closed during this time; however, the beach access will be open intermittently as construction schedules allow and will be accessible from North Gulf Shore Boulevard.

These improvements will include widening the existing paver sidewalk to 8 feet, installing new bollards at all entry points, adding a centerline white-colored pavers for directional marking, adding an additional paver area adjacent to the street, and landscape enhancements along the beach access and sidewalk.

The improvements to the parking lot will include removing roots buckling the parking surface, replacing asphalt, removing existing meter posts, replacing existing concrete car stops, milling and overlay work, seal coating the parking lot, and thermoplastic striping.
