The following clarification is issued as an addendum identifying the following change for the referenced solicitation.

1. Project Specification Clarification; revised language for Section Z. FIRM RANKING AND SELECTION:
Based on the results of the evaluation process and selection criteria, the Evaluation Committee will prepare a prioritized ranking of firms. City staff will present an agreement to the top ranked firm for Oyster Reef Site 3 Restoration Services. Should contract negotiations fail with the top ranked firm, the City will enter into discussions with the second ranked firm, and so on, until an acceptable agreement has been reached between the City and the selected firm.
