**The following answer to written submitted question:**

- Just one question on the bid, page 34 scope of work, E alternate component do you want this to be calculated as 1 man 1 truck and 8-hour day? Normally we would have 3-4-man crews in a truck, let us know how you expect this to be calculated ok thanks?

**ANSWER: The contractor will also provide an hourly rate for work requested by the City that is not within the scope of services. This rate will be for a complete crew (2 persons) to perform standard exotic treatment and clean-up with no heavy equipment required.**
