ADDENDUM NUMBER 1

NOTIFICATION DATE:	SOLICITATION TITLE:	SOLICITATION NUMBER:	BID OPENING DATE & TIME:
7/7/2020	Installation of Sewer Diesel Driven Bypass Pumps - ITB	20-024	7/31/2020 2:00PM

**THE FOLLOWING INFORMATION IS HEREBY INCORPORATED INTO,
AND MADE AN OFFICIAL PART OF THE ABOVE REFERENCED BID.**

The following answer to written submitted question:

- I am writing in regard to the above mentioned bid, am I correct in understanding that the City of Naples will provide the pumps; and are the pumps themselves already purchased? I am very familiar with this type of design for lift station back-up and have been directly involved with the selling or installation of over 180 in the State of Florida alone.

Looking to see if there's opportunities moving forward for additional bids (if these pumps are already in your fleet); or if we can bid on providing units for these station upgrades?

ANSWER: The BY Pass Pumps will be provided by the City, and these pumps have already been purchased.
