Section 52-92(e)(3)a of the Code of Ordinances lists the criteria to be considered in determining a dredge and fill permit. **Please address the criteria below.**

If the city council shall make the following findings, the application may be approved, or approved with conditions:

That the proposed activities or project will not violate any statute, zoning law, ordinance or other restrictions which may be applicable thereto;

---

---

---

That no harmful obstruction to the stormwater management system within such area will arise from the proposed construction;

---

---

---

That no significant biological or ecological adverse impact will result therefrom;

---

---

---

That no harmful or increased erosion, shoaling or channels or stagnant areas of water will be created thereby; and

---

---

---

That no material injury or monetary damage to adjoining land will accrue therefrom.
