IN CONSIDERATION OF APPROVAL BY THE CITY OF NAPLES, OF THIS APPLICATION, THE APPLICANT AGREES TO THE FOLLOWING:

- Water service applied for is subject to continuing availability of raw water supply and treatment plant capacity, and is subject to all requirements of law and current water rates.
- Fees and charges paid for this service are not refundable, unless specifically set out below.
- The irrigation water meter shall be furnished, maintained and owned by the City of Naples and shall be placed at the property line or the edge of the sidewalk on the customer's side.
- The meter, service valve (curb stop), and meter box shall remain accessible to utilities personnel for inspection, testing, and maintenance. Landscape shrubs and ground cover shall remain at least 18 inches from the edges of meter or meter box. Trees shall not be planted within 4 feet of the meter.
- The monthly minimum base charge, which shall commence upon installation of the meter, shall be based upon the size of the meter installed on the property.
- This meter will not be available to any property not already being served by a domestic meter and will be used only for its intended purpose.
- The sewer cap will be removed from the domestic meter located at this property per city code.
- If this meter is found to be connected to any system other than its intended purpose, the owner of the property will be charged all applicable fees and penalties (i.e. sewer charges) for a domestic meter retroactive to the installation date of the above meter.
- **A reduced pressure backflow assembly must be installed after the water meter.** The backflow preventer shall be owned and maintained by the property owner.

I, THE LAWFUL REPRESENTATIVE OF THE ABOVE MENTIONED PROPERTY, HAVE READ AND FULLY UNDERSTAND ALL STATEMENTS MADE ABOVE.
